How to Become the Man That Women Want to Love and Obey...in Every Way In order to attract and more importantly, KEEP a good woman in your life, you must become the kind of man that she simply can't live without. This is your only job as a man when it comes to dating and relating with women. You don't need a bunch of seduction techniques, mind games, or pick-up tactics to make a woman want you. Because quite frankly, no seduction technique in the world will turn a woman on and make her want you if she does not RESPECT you as a man. If a woman cannot respect you as a man, she won't be able to trust you. If she isn't able to place her trust in you, she simply cannot fall in love or STAY in love with you. Discover the Secrets of What Women Want in a Man Most guys simply don't know what women want in a man. Because of this, they try all kinds of "seduction tactics" to attract women, and only end up with low-quality women and terrible relationships. If you ask the average guy what women want, he may say things like confidence, money, or ridiculous good looks, but all of these things are just the tip of the iceberg. Here's what women really want from men... Security. How to Get the Respect, Desire, and Unwavering Loyalty of a Woman If you can communicate to a woman that you're a man that can offer her security in the world, she will give you her heart and more. And get this, you don't need to be ridiculously good-looking or have a big bank account to make a woman feel secure with you. There's a much better (and easier) way, and that's what you'll discover inside What Women Want In A Man. In What Women Want In A Man you're going to learn: How to understand women and the one thing that you can improve about yourself to make a woman want you more. The reason why a really great woman is HARD-WIRED by NATURE to CHASE the kind of man that possesses several qualities that are rare in most men. (Hint: This is the key to understanding how women think) Ten ways in which you can IMMEDIATELY begin working on yourself to become an overpowering magnet for the woman of your dreams. How to be decisive and become a master at dealing with conflict while staying perfectly calm and poised. The unforgivable sin that can ruin your chances of getting (and keeping) a

girlfriend. This is the thing that FORCES her to either want to DUMP YOU or CHEAT ON YOU without her understanding why. How to take control of your emotions in any situation and be the rock that she needs you to be. How to make a woman happy by being THE MAN in your relationship; you know - the one that "wears the pants." The reasons why the woman you want may put you in the friend zone, and how to avoid falling into this horrifying category. Why men who suffer from the nice guy syndrome have the most difficulties attracting and keeping a phenomenal woman to build an amazing relationship with. How to become an alpha male and become more assertive with women. This is the key to transforming yourself into the kind of man that she can confidently rely on and most importantly, RESPECT. How to silence your "inner weakling" and become so secure with yourself as a man that she won't be able to entertain the thought of being with some other guy. And much, much more... Being ALPHA isn't just a cute or clever expression. It's a right of passage for the few of us who have the balls to step up to the plate. I wrote this book because I wanted to show those of you out there that there is a better way to live. A way that says "I live life on my terms!" So if you are tired of being average and want to start living life as a true Alpha male then read on...Are you fed up of being the second choice or of seeing women leave you for other guys? Are you worried that you could lose all your opportunities just because that a guy is very attractive? Do you want to be that guy who gets all the opportunities, girls and still stays cool? If the answer is yes, you desire to become an alpha male. The beta male is an average person who has average communication skill and lacks the emotional and physical status to be the

most attractive person. Most of the people are beta and there are a few omega males or the jerks.If you are a beta or omega and want to become an alpha, this is the right book for you. Being an alpha is not a birth trait and the traits can be developed. At the same time, it cannot be developed overnight, like just putting on a mask and a cape. One needs to change one's physique, body language, the way he communicates, the way he perceives things around him and also how he carries himself. This book will demand a complete changeover. The world is full of cry-babies dressed in men's clothes. It's full of beta males; damaged, low status males who get pushed back and forth by everyone else. Soft, anxious, procrastinating individuals who have no idea of what they want in life. Individuals who think women are superior beings, far, far from their reach. Are you one of these men? It's okay, I used to be one of them too. But I'm not anymore. I've been taught. I've learned. I've changed my life. And so will you, once you finish reading this book. So listen: are you ready to get into a massive paradigm shift? Are you ready to incorporate the traits that will turn you into the man you're supposed to

be? GREAT. Let's do this thing. I wrote this book for a reason. I wrote this book because I'm pissed off. And I know that deep down, you're too. I may not know you, but I certainly know something about you: both you and me are alike. We don't settle for average. We KNOW there is more in life than to feel like crap all day long. We KNOW we can get better. We KNOW there is a better path for ourselves. Where is that path? When did we lost it, and why? What does it take to attract beautiful women, make money, and ultimately build an amazing life? Hey, I'm NOT saying the journey is easy. It's not easy, but it's possible. There is a way we can become real MEN. A way we can reclaim our manhood, living a life in our own terms. This is absolutely key! Don't worry, we'll get everything in place throughout this book. Where should you start? What beliefs should you leave behind? Most importantly, what concrete steps you should follow to go from zero to hero? What should you DO starting today? Relax! This book will cover each and every one of those subjects. I will take you through multiple lessons I have personally incorporated throughout my life. Lessons that changed my life, and certainly will change YOURS too! My goal is simple. I will first open your eyes to the reality that deep down you're already aware of in some way. Like when Neo takes the red pill on Matrix. You will start seeing things. And once you do, your approach to masculinity will change. Sounds too difficult? It's not. I will take you through a step by step guide where you simply can't get lost! Together, we will go to the roots of Alpha Males, Women & Self Esteem and transform that knowledge into an incredibly journey that will greatly improve your quality of life. So let's go for it! Let me make one thing very clear: you teach people how to treat you based on how you behave and your perception of your worth. Simply assume a position of status and it will be given to you. Doubt yourself and others will question your authority. If you think that you aren't worth much then women will sense this and treat you accordingly. If you sincerely believe that you are gold then you will organically exude a sexy confidence that turns women ON. Some men have struggled with an inferiority complex for years because everyone around them treats them like a doormat, and they don't stand up for themselves. Stop being a push-over beta male who lives only to please others but doesn't make his own needs, and goals a priority. Recognize your high worth, demand respect and have clear boundaries in place Remember: if a woman treats you like shit and you allow this then she will start seeing you as shit. Don't be around people who put you down because that leads to having compromised self-esteem and confidence levels. By creating an environment that is conducive to personal growth, you tap into a massive force-amplifier. YOU ARE A KING; how much longer will you continue to behave like a peasant? YOU ARE A 10. It is beneath you to behave like a 5. YOU ARE A GOD AMONG MEN. Why would you settle for an old, unattractive, ugly and overweight woman? You deserve better! Avoid thinking negatively. The quality of your life depends on the quality of your thoughts. By focusing on what's good in your life, your strengths, talents, and gifts then you will feel inspired to make massive radical action every day towards accomplishing your goals. Don't dwell on the past and past mistakes. Focus on the present and MAKE EACH DAY COUNT! Approach women and start conversations with DOMINANCE and AUTHORITY. Command her full body-language prior to opening. Every approach that you do makes you smarter, and adds to your reference experiences. The first approach of the day is the hardest. But after you do a couple of approaches, you will be warmed up, in the zone, leveraging momentum and approaches will flow easily. Once you hit the zone, don't stop! Start conversations with women by having 100% belief that it will work. Confidence

will move mountains. How you feel, is how you act. If you FEEL needy then, unattractive clingy behavior will leak. If you FEEL weak, submissive behavior will leak. FEEL LIKE YOU OWN THE ROOM. The world is your home. A woman is in your territory not the other way around. Be the most dominant man in the room. Life is short and in the end we all die. Don't wait to live life to the fullest. Be the best version of yourself starting right now. As an Alpha Male be extremely, extremely aggressive in hunting down what you want in the game of life! Set goals, and execute them like a charging bull. A man with drive, ambition and fearlessness will get far in life - whether it's having sex with a cute girl, or scoring big bucks in a business deal. There is one thing that you must understand. FUCK WHAT OTHER PEOPLE THINK!!!! LIFE IS TOO SHORT TO BE A PRISONER OF OTHER PEOPLE'S THOUGHTS. Seek that which you desire and don't be held back by worrying what other people will think of you. Let them think what they want!!! FUCK EM. What matters is what you think!! EXECUTE YOUR GOALS LIKE A MACHINE and FUCK anyone who stands in your way. I don't care what your past was. I don't care about how

This is something that I have really been noticing over the past few years. I have no problem with the concept of a serious relationship but I do need a reason to fully commit and be with one woman and settle down. I'm pretty sure a lot of men feel exactly like I do on some level. Why put any effort into a boring or otherwise detached union with a member of the opposite sex when a better situation is out there and I'm still searching for something or someone better to come along? It may be a sign of the times. I hear this same comment for women all the time: They say that the guy that she is dating has no time for her and then you find out the reason why is because he is always at work. This is a part of growing up. Somebody has to be employed in order for the household

bills to get paid. They seem to be more interested in the type of guy who lives off her and various other women. They will often chase of an emotionally unavailable male suiter who has no interest in being with her. Then they complain that they cannot find a good man. And when they do find a man who adores her and the ground that she walks her she will treat him like a second class citizen. This may have something to do with their biological impulse to procreate with one of those alpha males who spread their seed without thinking about any consequences or future outcomes. It is all fun and games until children get introduced into this scenario. Then they end up fighting like hens for this irresponsible rooster's attention. Many members of the female gender will disagree with my assertions but the it is obvious to the others around them. I have also observed the relationship dynamics of many women involved with good responsible men. Many of these women put little or no romantic effort into their

relations with them unless another female notices his good qualities. Then they will fight to keep him when she should have been putting more interest in her affiliation with him. This is exactly how men get entangled with a side chick or mistress. Women get too comfortable instead of putting more interest in their relationship or marriages. They will deny that this is going on in the first place. I see it all the time. I'm basically saying that if you love the man you are with show him some extra affection sometimes. Cook him a special meal. Show him some romantic interest sometimes. Continue to build on your situation and make it better. The reason for being together is to grow as a couple and endure every aspect of life as a loving unit. We all get caught up in the demands of everyday life but if you are sharing your life with someone special show them that you care. Show them the love you have for them while you build a future together.
