### **KEYS TO DRAWING**

National Geographic Books  
This extensive guide to figure drawing brings together seven books from the successful Art of Drawing series: Drawing Techniques, Heads and Faces, Sketching People, Understanding Human Form and Structure, The Nude, Drawing Hands and Feet and Clothing on Figures. This is an essential guide for anyone particularly interested in figure drawing, and includes in-depth studies of human anatomy by master artist Civardi. Civardi's technical advice and practical tips, accompanied by

his own outstanding drawings, make this an invaluable resource for any portrait artist.

Life Drawing For Artists

\*\*\* 'Figure Drawing is structured like an art school course and is every bit as rewarding.' Artists and Illustrators  
Informative and instructive, this comprehensive guide will give you all the tools you need to draw the human figure, from life and from a screen. While many books focus on just one aspect of figure drawing, this manual unites the skills of observation, expression and understanding in one coherent approach. Beginning with the key principles of observation, Figure Drawing will help you to build a strong foundation of skills to

make well-observed, proportionally accurate drawings. As the book progresses you will explore processes and exercises that move beyond the purely observed to express the gesture, form and substance of your model. Photographic and illustrative examples throughout the book support your learning at every step. Clear step-by-step tutorials provide a practical understanding of the key materials, skills and ideas in figure drawing. A comprehensive anatomical reference section, broken down into manageable zones, deepens your knowledge of the human form. The book is a Swiss-bound paperback, designed to lie flat when open and in use.

*Sketching Women* Anova Books

This internationally bestselling guide covers essential drawing techniques,

written by expert practical art author Barrington Barber. The Fundamentals of Drawing is a practical and comprehensive drawing course from beginner to advanced levels. Opportunities for practice and improvement are offered across a wide spectrum of subjects with step-by-step examples to guide you through. Subjects include: • Still life • Plants, nature and animals • Portraiture and life drawing • Perspective and composition The methods used in this book are time-honored and proven, having been practiced through the centuries by art students and professional artists. Barrington Barber brings his invaluable expertise as a working artist and teacher to the task of showing you how to use them effectively to create successful drawings. No matter what your level of expertise, you will find his clear approach encouraging and his way of teaching inspirational.

Life Drawing for Artists North Light Books  
Many of us want to learn “how to draw.” But as artist Anthony Ryder explains, it’s much more important to learn what to draw. In other words, to observe and draw what we actually see, rather than what we think we see. When it comes to drawing

the human figure, this means letting go of learned ideas and expectation of what the figure should look like. It means carefully observing the interplay of form and light, shape and line, that combine to create the actual appearance of human form. In *The Artist’s Complete Guide to Figure Drawing*, amateur and experienced artists alike are guided toward this new way of seeing and drawing the figure with a three-step drawing method. The book’s progressive course starts with the block-in, an exercise in seeing and establishing the figure’s shape. It then build to the contour, a refined line drawing that represents the figure’s silhouette. The last step is tonal work on the inside of the contour, when light and shadow are shaped to create the illusion of form. Separate chapters explore topics critical to the method: gesture, which expresses a sense of living energy to the figure; light, which largely determines how we see the model; and form, which conveys the figure’s volume and mass. Examples, step-by-steps, and special “tips” offer helpful hints and practical guidance throughout. Lavishly illustrated with the author’s stunning artwork, *The Artist’s Complete Guide to*

*Figure Drawing* combines solid instruction with thoughtful meditations on the art of drawing, to both instruct and inspire artists of all levels.

### **The Fundamentals of Figure Drawing**

Rockport Publishers

Concisely written text accompanied by more than 150 simply drawn illustrations together demonstrate vanishing points and eye level and explain such concepts as appearance versus reality and perspective distortion. /div

### **EXPLORING LIFE DRAWING**

Search Press Limited

From achieving those first professional strokes to mastering composition, lighting, and color to finishing beautiful still lifes, portraits, and landscapes, here is a course that covers every basic skill as well as more challenging lessons for the developing artist.

Arcturus Publishing

Without shading, even a beautiful drawing can appear flat. But artists can learn to add dimension to their work with these techniques, illustrations, and exercises that show how to achieve effects with light

and shadow.

*Complete Guide to Life Drawing* The Monacelli Press, LLC

How to draw like the masters! With Figure Drawing Master Class, you will discover the secrets to creating masterful figure drawings through examples of Old Master drawings, as well as Dan Gheno's own beautiful drawings, demonstrations and diagrams. - Gesture drawing lessons
- How to draw heads and hands
- How to accurately compose your figures
- Keys to replicating the subtle details in the posture of the head to suggest emotion
- The basics of human proportions

With tips, tricks and historical references, the drawing instruction inside will help you with all the critical skills you need to travel your own journey through successful figure drawing and improve your drawings for years to come.

- Learn to draw all aspects of the human figure with diagrams, demonstrations and Old Master drawings
- More than 120 drawings by Old Master artists including Michelangelo,

Leonardo, Raphael and Rembrandt •

Includes 5 step-by-step demonstrations to reinforce the key concepts of figure drawing

*Classical Life Drawing Studio* Arcturus Publishing

“Lively and accessible...progressing nicely from quick-pose sketches to more ambitious interpretations of both the character and the form of the person one is drawing...covers a variety of media and explores light and shadow, clothing and drapery....[Constance’s] use of cropping, pastels, collage, and monotypes attests to her preference for creative expressions....an outstanding book for public libraries.”—Library Journal.

Life Drawing Penguin

The ability to draw the human figure well is the sign of a good artist. So it is vital to appreciate the body's characteristics and how they influence posture and expression. Drawing Anatomy provides all the information you need to produce the most accurate representations of people. In Drawing Anatomy, teacher and artist Barrington Barber begins his exploration of this area of art by explaining what the body is made of and then reviews each

section of the human figure in detail in separate chapters.

- Explains how the body changes with age
- Reveals how to portray the body in motion
- Teaches how features such as eyes and mouths can vary
- Includes information on Latin anatomical names and how they describe different parts of the body

## LIFE DRAWING

Arcturus Publishing

Drawing School: Fundamentals for the Beginner offers an academic-inspired, foundational exploration of the drawing basics.

## LIFE DRAWING IN 15 MINUTES

Sterling Publishing Company, Inc.

Classical drawing is staging a comeback. The author presents a unique celebration of this revival: a gallery of never-before-published 19th- and 20th-century drawings and invaluable insight from teachers along with exemplary works by them and their select students.

The Fundamentals of Figure Drawing: A Complete Course for Artists of All Abilities  
Once again Barrington Barber has

produced a wonderfully instructive book to add to his output. Fully illustrated on each page to help illuminate the point being made, Barrington's own original sketches and drawings inspire the reader to strive to reach the same level of excellence in draughtsmanship and technical know-how. He includes examples of figure drawing and representation from around the world and examines the approach of other artists. He explains how to make the most of life classes and how to handle crowd scenes, energy and compositions.

*Bridgman's Complete Guide to Drawing from Life* Courier Corporation

"FIGURE IT OUT", the second edition, with hundreds of new drawings, is a short guide to some practical points on life drawing. It presents basic tools crucial to capturing dynamic gesture and the essence of the pose. Whether it's a one minute pose or a 20 minute pose, an artist needs to understand proportions, anatomy and lighting to capture the rhythm of the gesture and the construction of the body. These ideas are illustrated here in a straightforward manner. This handy guide is profusely illustrated with numerous examples done during life drawing

sessions. The text is clear, concise and practical. "FIGURE IT OUT" is an excellent reference to have at your elbow anytime you are drawing the human figure.

### LIFE DRAWING CLASS

Pan Macmillan

Augusta and Owen have taken the leap. Leaving the city and its troubling memories behind, they have moved to the country for a solitary life where they can devote their days to each other and their art, where Gus can paint and Owen can write. But the facts of a past betrayal prove harder to escape than urban life. Ancient jealousies and resentments haunt their marriage and their rural paradise. When Alison Hemmings moves into the empty house next door, Gus is drawn out of isolation, despite her own qualms and Owen's suspicions. As the new relationship deepens, the lives of the two households grow more and more tightly intertwined. It will take only one new arrival to intensify emotions to breaking point. Fierce, honest and astonishingly gripping, *Life Drawing* by Robin Black is a novel as beautiful and unsparing as the human heart.

**Light, Shade and Shadow** Sterling

Publishing Company, Inc.

Drawing expert Jake Spicer introduces you to the most important skill in the artist's repertoire: life drawing. From understanding relationships and proportions and considering basic anatomy, to learning about mark-making and tonal values, Jake takes you through the process of drawing the most rewarding of subjects: life class remains a key component of nearly every art degree in the UK. With step-by-steps and techniques derived from his proven life-class methods, Jake gives you the skills to create beautiful life drawings quickly, successfully and, ultimately, in only 15 minutes.

### How to Draw Penguin

*Life Lessons: Learn How to Capture a World Constantly in Motion* Fluid, fast and expressive life drawing starts here. Step by step, you'll learn to render fleeting gestures from memory, capture expressions simply and more quickly, give your drawing a life of its own with body language, and more. Along the way, you'll develop a more spontaneous approach for successfully working from life. Inside you'll find: • A comprehensive course on

drawing from life, based on classic principles • Essential techniques for drawing gesture, figures, clothing, expression, body language and more • Lots of exercises that bring lessons to life The skills you'll learn from this book are so fundamental that every artist will find something in these useful lessons for making the most of all the inspiration that life has to offer.  
[Figure Drawing Atelier](#) Arcturus Publishing

Life drawing is a passionate and rewarding pursuit, which inspires a wide range of styles from photographic to abstract. This practical book, packed with images and enjoyable exercises, is designed for the beginner or untutored group and the more experienced artist or teacher. It encourages students to overcome their fears and expand their mark-making vocabulary. Covers: how to achieve

accurate proportions; using line and tone; an awareness of body structure; experimenting with different tools, marks and textures; developing a personal style. Both a troubleshooting handbook and reference work, Life Drawing celebrates the individuality of the artist and the model, and is essential reading for anyone drawing the human figure.
