Book: Time to Begin -- A Plan for ... The Music Tree series continues the development of complete musicianship by providing the beginner with delightful and varied repertoire. The pupil learns a variety of idioms encompassing folk, jazz and pop. The creativity of the students is emphasized since they are given musical segments to rearrange, transpose, complete or to use as the basis for a new composition. The Music Tree: Student's Book, Part 1: Piano Book The Music Tree publishes a wonderful series of books for children to learn music in a natural, logical manner. Also covers aspects of theory and has the student practice moving positions on the piano from the beginning instead of locking the student into reading for one hand position. LOVE this series as a parent and
