identities by and for the Phoenicians, ranging from the Levant to the Atlantic, and from the Bronze Age to late antiquity and beyond. A momentous scholarly achievement, this book also explores the prose, poetry, plays, painting, and polemic that have enshrined these fabled seafarers in nationalist histories from sixteenth-century England to twenty-first century Tunisia.

### EMPRESS

Bloomsbury Publishing

THE STORY: This extraordinary play is the story of five unmarried sisters eking out their lives in a small village in Ireland in 1936. We meet them at the time of the festival of Lughnasa, which celebrates the pagan god of the harvest with drunken [The Home Place](#) Princeton University Press Such is the voice of Shan Sa's unforgettable heroine in her latest literary masterpiece, *Empress*. Empress Wu, one of China's most controversial figures, was its first and only female emperor, who emerged in the seventh century during the great Tang Dynasty and ushered in a golden age. Throughout history, her name has been defamed and her story distorted

by those taking vengeance on a woman who dared to become emperor. But now, for the first time in thirteen centuries, Empress Wu (or Heavenlight, as we come to know her) flings open the gates of the Forbidden City and tells her own astonishing tale—revealing a fascinating, complex figure who in many ways remains modern to this day. Writing with epic assurance, poetry, and vivid historic detail, Shan Sa plumbs the psychological and philosophical depths of what it means to be a striving mortal in a tumultuous, power-hungry world. *Empress* is a great literary feat and a revelation for the ages.

### MINESWEEPER (SPECIAL FORCES, BOOK 2)

Samuel French, Inc.

"A collection of jokes, riddles, tongue twisters, tricks, games, poems, and stories." --

**In Search of the Phoenicians** Houghton Mifflin Harcourt

A Vintage Shorts "Short Story Month" Selection By the Arab world's foremost novelist, Nobel laureate Naguib Mahfouz, famous for *The Cairo Trilogy*—the masterwork in which Mahfouz sets down

life in middle class Cairo during the interwar years. From Mahfouz's collection of fantastical myths, *Voices from the Other World*, this is the enchanting tale about one Francophile Pasha whose greed, ambition, and contempt for Egyptians drives him to excavate the tomb of General Hor and there find his untimely end. An ebook short.

### A MIDSUMMER-NIGHT'S DREAM

Vintage

A young boy forms a remarkable friendship with an African mystical healer called Midnight, until a terrible betrayal forever changes the course of John Zarco Stewart's life, sending him on a quest that takes him from Africa to the turbulence of nineteenth-century Europe to the plantations of America's Deep South in search of truth, redemption, and love. Reprint.

**Faith Healer** Simon and Schuster A schoolteacher still reeling from the tragedies of the Great War and the influenza epidemic travels to the Middle East in this memorable and passionate novel "Marvelous . . . a stirring story of personal awakening set against the

background of a crucial moment in modern history.”—The Washington Post  
 Agnes Shanklin, a forty-year-old schoolteacher from Ohio, has come into a modest inheritance that allows her to take the trip of a lifetime to Egypt and the Holy Land. Arriving at the Semiramis Hotel just as the 1921 Cairo Peace Conference convenes, she is freed for the first time from her mother’s withering influence and finds herself being wooed by a handsome, mysterious German. At the same time, Agnes—with her plainspoken American opinions—is drawn into the company of Winston Churchill, T. E. Lawrence, and Lady Gertrude Bell, who will, in the space of a few days, redraw the world map to create the modern Middle East. As they change history, Agnes too will find her own life transformed forever. With prose as graceful and effortless as a seductive float down the Nile, Mary Doria Russell illuminates the long, rich history of the Middle East with a story that brilliantly elucidates today’s headlines.

Ingolstadt, language: English, abstract:  
 Brian Friel’s play "Translations" takes place in Baile Beag, a rural, Irish-speaking community in County Donegal, and is set in the year 1833. Its historical setting marks a major transition within the Irish culture, which was progressively eradicated by the British colonizers at that time. This paper examines the concept of love in "Translations". All kinds of romantic love presented in the play will be analyzed. First, the focus will be on the asymmetrical love between Sarah and Manus as well as on its consequences. Then, the conflict-laden love triangle between the engaged couple Manus and Maire, and the newly enamored lovers Maire and Yolland will be analyzed precisely. After that, there will be an insight in Jimmy Jack’s love towards the ancient Greek goddess Athena.

Someone Named Eva Oxford University Press, USA

Friel has written an historical play about Hugh O'Neill, Earl of Tyrone, who led an alliance of Irish and Spanish soldiers against the armies of Elizabeth I in an attempt to drive the English out of Ireland. The action takes place before and after

the Battle of Kinsdale, at which the alliance was defeated.

## THE DIVINER

University of Ottawa Press  
 Soupspoon Wise is dying on the unforgiving streets of New York City, years and worlds away from the Mississippi delta, where he once jammed with blues legend Robert "RL" Johnson. It was an experience that burned indelibly into Soupspoon's soul -- never mind that they said RL's gift came from the Devil himself. Now it's Soupspoon's turn to strike a deal with a stranger. An alcoholic angel of mercy, Kiki Waters isn't much better off than Soupspoon, but she too is a child of the South, and knows its pull. And she is determined to let Soupspoon ride out the final notes of his haunting blues dream, to pour out the remarkable tale of what he's seen, where he's been -- and where he's going. Winner of the 1996 Black Caucus of the American Library Association Literary Award in Fiction  
Whose Life is it Anyway? Samuel French, Inc.

The title poem of this collection, set on an Irish island, tells of a pilgrim on an inner

journey that leads him back into the world that formed him, and then forward to face the crises of the present. Writing in The Washington Post Book World, Hugh Kenner called the narrative sequence in Seamus Heaney's Station Island "as fine a long poem as we've had in fifty years."

**The Remains of the Day** Samuel French, Inc.

Results from national and international assessments indicate that school children in the United States are not learning mathematics well enough. Many students cannot correctly apply computational algorithms to solve problems. Their understanding and use of decimals and fractions are especially weak. Indeed, helping all children succeed in mathematics is an imperative national goal. However, for our youth to succeed, we need to change how we're teaching this discipline. Helping Children Learn Mathematics provides comprehensive and reliable information that will guide efforts to improve school mathematics from pre-kindergarten through eighth grade. The authors explain the five strands of mathematical proficiency and discuss the major changes that need to be made in

mathematics instruction, instructional materials, assessments, teacher education, and the broader educational system and answers some of the frequently asked questions when it comes to mathematics instruction. The book concludes by providing recommended actions for parents and caregivers, teachers, administrators, and policy makers, stressing the importance that everyone work together to ensure a mathematically literate society. Shantytown Kid Routledge Translations Samuel French, Inc.

### CHASING SECRETS

Samuel French, Inc.

To these seven narratives of neurological disorder Dr. Sacks brings the same humanity, poetic observation, and infectious sense of wonder that are apparent in his bestsellers *Awakenings* and *The Man Who Mistook His Wife for a Hat*. These men, women, and one extraordinary child emerge as brilliantly adaptive personalities, whose conditions have not so much debilitated them as ushered them into another reality.

### THE FREEDOM OF THE CITY

Dramatists Play Service Inc Seminar paper from the year 2006 in the subject English Language and Literature Studies - Literature, grade: 1,3, University of Mannheim (Lehrstuhl Anglistik II), course: Classics of 20th Century British Drama, 8 entries in the bibliography, language: English, abstract: The play *Rosencrantz and Guildenstern are Dead* in its present form is the result of several drafts and older versions of this play, which Tom Stoppard wrote and staged. The first one was *Rosencrantz and Guildenstern meet King Lear* and was performed by amateur actors at a Ford Foundation cultural picnic in Berlin, in 1964. In this form the play was a one-act comedy in verse.<sup>1</sup> In the following years the title changed and Stoppard rewrote the play into prose. At the Edinburgh Festival in 1966 the play had its breakthrough and soon later its script was bought and produced by the National Theatre at the Old Vic. According to the Sunday Times it was "the most important event in the British professional theatre of the last nine years."<sup>2</sup> The reason for the

enthusiastic reactions towards the play is the fact that it illustrates the confusion of mankind in the post-modern world. Today's pluralism leaves the individual all to himself. The unity, which used to be created by religion, class or moral values, has been split up in favour of countless parallel existing societies with their own moral ideals and goals. *Rosencrantz and Guildenstern are Dead* is a comical depiction of two friends looking for an orientation in a world, which to them has lost its orders and values. By using *Rosencrantz and Guildenstern*, who are the two courtiers from *Elsinore*, from Shakespeare's *Hamlet*, Stoppard shows an unknown perspective of *Hamlet*. It is the one of *Rosencrantz and Guildenstern*. Without knowing the entire plot they experience the action from their point of view and constantly try to find explanations of their roles and future in the play. The lack of orientation and the absence of reliable values in this strange world re

### MAKING HISTORY

Harper Collins  
Broadway hit about a young Irishman on

the eve of his emigration to America. **The Absentee** Dramatic Publishing  
The third book in the sweeping, multi-generational saga that began with *The Tea Rose*, *The Wild Rose* is a "lush story of epic proportions" (*Romantic Times Book Review*). *The Wild Rose* is a part of the sweeping, multi-generational saga that began with *The Tea Rose* and continued with *The Winter Rose*. It is London, 1914. World War I looms on the horizon, women are fighting for the right to vote, and explorers are pushing the limits of endurance in the most forbidding corners of the earth. Into this volatile time, Jennifer Donnelly places her vivid and memorable characters: Willa Alden, a passionate mountain climber who lost her leg while summiting Kilimanjaro with Seamus Finnegan, and who will never forgive him for saving her life; Seamus Finnegan, a polar explorer who tries to forget Willa as he marries a beautiful young schoolteacher back home in England; Max von Brandt, a handsome German sophisticate who courts high society women, but has a secret agenda in wartime London. Many other beloved characters from *The Winter Rose* continue

their adventures in *The Wild Rose* as well. With myriad twists and turns, thrilling cliffhangers, and fabulous period detail and atmosphere, *The Wild Rose* provides a highly satisfying conclusion to an unforgettable trilogy.

*Hunting Midnight* Vintage

"All the sizzle, chaos, noise and scariness of war is clay in the hands of ace storyteller Lynch." -- *Kirkus Reviews* for the World War II series  
Discover the secret missions behind America's greatest conflicts. Fergus Frew thought he knew what to expect when he signed up with the Navy's demolitions team. But as the Korean War rages on, Fergus and his fellow divers -- AKA "frogmen" -- are tasked with more than just scouting mudflats. Soon they're planting mines. And sabotaging tunnels, bridges... and even fishing nets. Strangest of all, it falls to Fergus to transport a spy into the country -- and that means traveling far from Navy-controlled waters. But frogmen are amphibious. And Fergus may not realize it, but he's in a position to change the way the whole world thinks about combat. National Book Award finalist Chris Lynch continues his explosive fiction series

based on the real-life, top-secret history of US black ops and today's heroic Navy SEALs.

*Unconventional Warfare (Special Forces, Book 1)* Farrar, Straus and Giroux  
A dramatised case study of a quadriplegic

who requested the hospital authorities to withdraw his life support systems in order that he may die with dignity.
