We live in a broken world. And the gospel is how God puts broken people back together again. Once we repent and believe in Jesus, God's Spirit helps us recover and pursue His design. God is the one who created the world

and every human being in it. Authors Jimmy Scroggins and Steve Wright outline a reproducible method of sharing the gospel that has been tested in the real world. Turning Everyday Conversations Into Gospel Conversations is a simple strategy to train new and seasoned believers to join God in His reconciliation work. Turning Everyday Conversations Into Gospel Conversations equips believers to use the innovative "3 Circles," a user-friendly evangelistic

tool for a new generation. Scroggins and Wright train readers to incorporate the biblical metanarrative, as well as our own personal stories, to tell the good news that Jesus has made a way out of the broken places we find ourselves. Churches around the world are training people to share the gospel using this method. It has proven appeal across generations and cultures. They've heard stories about an 8-year-old boy leading his 26-year-old cousin to repent and believe in

Jesus and a 70-plus-year-old church member, who had never before shared his faith, leading his Spanish-speaking neighbor to Christ. It's been used to train the Mixtec in Mexico, Maasai Warriors in Kenya, and prisoners in America. It's been presented on napkins, in concrete, in the sand, and using tortillas. The 3 Circles work, and this book will train you and your church members to use it. It doesn't matter if you have been a Christian for decades or days, you can

learn to do what God asks us to do—to make His appeal to others through us (2 Cor. 5:20). This short training manual will empower and inspire millions of Christians to turn hundreds of millions of everyday conversations into gospel conversations.
