Weekly Best Books of
2017 This “epic history”
(The Boston Globe) from
Pulitzer Prize-winning
historian Frances
FitzGerald is the first to
tell the powerful, dramatic
story of the Evangelical
movement in
America—from the Puritan
era to the 2016 election.
“We have long needed a
fair-minded overview of
this vitally important
religious sensibility, and
FitzGerald has now
provided it” (The New
York Times Book Review).

The evangelical
movement began in the
revivals of the eighteenth
and nineteenth centuries,
known in America as the
Great Awakenings. A
populist rebellion against
the established churches,
it became the dominant
religious force in the
country. During the
nineteenth century white
evangelicals split apart,
first North versus South,
and then, modernist
versus fundamentalist.
After World War II, Billy
Graham attracted

enormous crowds and tried to gather all Protestants under his big tent, but the civil rights movement and the social revolution of the sixties drove them apart again. By the 1980s Jerry Falwell and other southern televangelists, such as Pat Robertson, had formed the Christian right. Protesting abortion and gay rights, they led the South into the Republican Party, and for thirty-five years they were the sole voice of evangelicals to be heard nationally. Eventually a younger

generation proposed a broader agenda of issues, such as climate change, gender equality, and immigration reform. Evangelicals now constitute twenty-five percent of the American population, but they are no longer monolithic in their politics. They range from Tea Party supporters to social reformers. Still, with the decline of religious faith generally, FitzGerald suggests that evangelical churches must embrace ethnic minorities if they are to survive. “A well-written,

thought-provoking, and deeply researched history that is impressive for its scope and level of detail” (The Wall Street Journal). Her “brilliant book could not have been more timely, more well-researched, more well-written, or more necessary” (The American Scholar).

THE AMERICAN PAGEANT: VOLUME II: SINCE 1865

Wadsworth Publishing Company
Keyed to the 12th and 13th editions of The

American pageant, this book includes a diagnostic test, practice questions, full-length practice tests as well as graphs and tables to help students learn to analyze data.

Cengage Advantage Books: American Pageant, Volume 1: To 1877 Simon and Schuster

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life.

The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, “Contending Voices,” offers paired quotes from original historical sources, accompanied by questions that prompt students to think about

conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition

(Chapters 1–41); Volume 1: To 1877 (Chapters 1–22); Volume 2: Since 1865 (Chapters 22–41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

An Address Cengage Learning

THE BRIEF AMERICAN PAGEANT, International Edition presents a concise and vivid chronological narrative, focusing on the great public debates that have dominated American history. Colorful

anecdotes, first-person quotations, and the text's trademark wit are all evident throughout. Focus questions, chapter outlines and summaries, marginal glossaries, and links to additional online study aids ensure that students understand and retain the material as they read and prepare for exams. Available in the following split options: THE BRIEF AMERICAN PAGEANT, 8E (Chapters 1-42), ISBN: 1111342954; Volume I: To 1877 (Chapters 1-22), ISBN: 1111342962; Volume II:

Since 1865 (Chapters 22-42), ISBN: 1111342970.

Woodrow Wilson and Theodore Roosevelt
National Geographic Learning

Since its original landmark publication in 1980, *A People's History of the United States* has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the,

workplace. Known for its lively, clear prose as well as its scholarly research, *A People's History* is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal

suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, *A People's History of the United States*, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new afterword by the author, this special twentieth

anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.

ITS POSSIBLE FUTURE AND ITS PRESENT CRISIS

Cengage Learning *THE AMERICAN PAGEANT, 14th EDITION*, enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring

American history to life. The 14th Edition places an even greater emphasis on the global context of American history through a new feature, Thinking Globally. Additional pedagogical features make THE AMERICAN PAGEANT accessible to students: chronologies in each chapter provide a context for the major periods in American history, while other features present primary sources, scholarly debates, and key historical figures for analysis. To meet the

demand for a low-cost, high-quality survey text, CENGAGE ADVANTAGE BOOKS: THE AMERICAN PAGEANT, COMPACT 14e, offers readers the complete text in an economically priced format. All volumes feature a paperbound, two-color format that appeals to those seeking a comprehensive, trade-sized history text. Available in the following split options: CENGAGE ADVANTAGE BOOKS: THE AMERICAN PAGEANT, COMPACT Fourteenth Edition (Chapters 1-42),

ISBN: 978-0-495-90346-8; Volume I: To 1877, Fourteenth Edition (Chapters 1-22), ISBN: 978-0-495-90347-5; Volume II: Since 1865, Fourteenth Edition (Chapters 22-42), ISBN: 978-0-495-90348-2. The Supplement is furnished by Cengage Learning on an "as is" basis without any warranties, express or implied. This Agreement will be governed by and construed pursuant to the laws of the State of New York, without regard to such State's conflict of law rules. Thank you for your assistance in helping

to safeguard the integrity of the content contained in this Supplement. We trust you find the Supplement a useful teaching tool.

The Brief American Pageant: A History of the Republic, Volume I: To 1877 Houghton Mifflin College Division
Between 1929 and 1945, two great travails were visited upon the American people: the Great Depression and World War II. This book tells the story of how Americans endured, and eventually prevailed, in the face of

those unprecedented calamities. The Depression was both a disaster and an opportunity. As David Kennedy vividly demonstrates, the economic crisis of the 1930s was far more than a simple reaction to the alleged excesses of the 1920s. For more than a century before 1929, America's unbridled industrial revolution had gyrated through repeated boom and bust cycles, wastefully consuming capital and inflicting untold misery on city and

countryside alike. *Freedom From Fear* explores how the nation agonized over its role in World War II, how it fought the war, why the United States won, and why the consequences of victory were sometimes sweet, sometimes ironic. In a compelling narrative, Kennedy analyzes the determinants of American strategy, the painful choices faced by commanders and statesmen, and the agonies inflicted on the millions of ordinary Americans who were

compelled to swallow their fears and face battle as best they could. Both comprehensive and colorful, this account of the most convulsive period in American history, excepting only the Civil War, reveals a period that formed the crucible in which modern America was formed. The *Oxford History of the United States The Atlantic Monthly* has praised *The Oxford History of the United States* as "the most distinguished series in American historical scholarship," a series that

"synthesizes a generation's worth of historical inquiry and knowledge into one literally state-of-the-art book. Who touches these books touches a profession." Conceived under the general editorship of one of the leading American historians of our time, C. Vann Woodward, *The Oxford History of the United States* blends social, political, economic, cultural, diplomatic, and military history into coherent and vividly written narrative. Previous

volumes are Robert Middlekauff's *The Glorious Cause: The American Revolution*; James M. McPherson's *Battle Cry of Freedom: The Civil War Era* (which won a Pulitzer Prize and was a New York Times Best Seller); and James T. Patterson's *Grand Expectations: The United States 1945-1974* (which won a Bancroft Prize). *U.S. History* Penguin UK James Loewen has revised *Teaching What Really Happened*, the bestselling, go-to resource for social studies and

history teachers wishing to break away from standard textbook retelling of the past. In addition to updating the scholarship and anecdotes throughout, the second edition features a timely new chapter entitled "Truth" that addresses how traditional and social media can distort current events and historical record. Helping students understand what really happened in the past will empower them to use history as a tool to argue for better policies in the

present. Our society needs engaged citizens now more than ever, and this book offers teachers concrete ideas for getting students excited about history while also teaching them to read critically. It will specifically help teachers and students tackle important content areas, including Eurocentrism, the American Indian experience, and slavery. Book Features: an up-to-date assessment of the potential and pitfalls of U.S. and world history education; information to

help teachers expect, and get good performance from students of all racial, ethnic, and socioeconomic backgrounds; strategies for incorporating project-oriented self-learning, having students conduct online historical research, and teaching historiography; ideas from teachers across the country.

Cengage Learning
Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the

course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both

the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

United States History
Houghton Mifflin College Division
Prepares students for the advance placement United States history examination with an introductory strategy section, diagnostic test, and document-based questions for practice. Teachers College Press
This hugely influential

work marked a turning point in US history and culture, arguing that the nation's expansion into the Great West was directly linked to its unique spirit: a rugged individualism forged at the juncture between civilization and wilderness, which – for better or worse – lies at the heart of American identity today. Throughout history, some books have changed the world. They have transformed the way we see ourselves – and each other. They have inspired

debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives – and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are.
