## FITZPATRICK ASIA

*Inside Out* Henry Holt and Company

A revelatory account of the personal factors that shaped the Virgin Group founder's unconventional leadership style discusses topics ranging from his limited education and struggles with dyslexia through his self-employment values and beliefs about listening. 75,000 first printing.

*Sonichu #0* Penguin

Losing My Virginity is the unusual, frequently outrageous autobiography of one of the great business geniuses of our time. When Richard Branson started his first business, he and his friends decided that "since we're complete virgins at business, let's call it just that: Virgin." Since then, Branson has written his own "rules" for success, creating a group of companies with a global presence, but no central headquarters, no management hierarchy, and minimal bureaucracy. Many of Richard Branson's companies--airlines, retailing, and cola are good examples--were started in the face of entrenched competition. The experts said, "Don't do it." But Branson found golden opportunities in markets in which customers have been ripped off or underserved, where confusion reigns, and the competition is complacent. And in this stressed-out, overworked age, Richard Branson gives us a new model: a dynamic, hardworking, successful entrepreneur who lives life to the fullest. Family, friends, fun, and adventure are equally important as business in Branson's life. Losing My Virginity is a portrait of a productive, sane, balanced life, filled with rich and colorful stories:

**Fail Fast, Fail Often** Pan Macmillan

Kaveri is thirty; single; knows seven languages; is an interpreter by profession; has read all the books about men and how to get a date. Yet, she has not been able to figure out the language of love. Since the 'THE ONE GREAT LOVE' of her life has eluded her for thirty years and might never show up; she decides to take matters into her own hands. On her thirtieth birthday; she makes a resolution--love or no love; she is going to lose her virginity. Life; however; has other plans! This is a story of a spirited woman who plunges into a rollercoaster ride filled with ideas; ideals and adventures--each new day competing with yesterday to make her rethink and re-evaluate life and love.

*Stories I Only Tell My Friends* Simon and Schuster

Throughout my life I have achieved many remarkable things. In this book I'll share with you my ideas and secrets of my success, but not simply because I hope they'll help you achieve your individual goals. Today we are increasingly aware of the effects of our actions on the environment, and I strongly believe that we each have a responsibility, as individuals and organisations, to do no harm. I will explain why we need to take stock of how we may be damaging the environment, and why it is up to big companies like Virgin to lead the way in a more holistic approach to business. A lot has changed since I founded Virgin in 1968, and I'll explain how I intend to take my business and my ideas to the next level and into new and exciting areas - such as launching Virgin fuels. But I have also brought together all the important lessons, good advice and inspirational adages that have helped me along the road to success. Ironically, I have never been one to do things by the book, but I have been inspired and influenced by many remarkable people. I hope that you too might find a little inspiration between these pages.

### LOSING MY VIRGINITY AND OTHER DUMB IDEAS

Penguin

"The brave may not live forever-but the cautious do not live at all!" -Sir Richard Branson Richard Branson is an iconic entrepreneur and the founder of Virgin Airways, Virgin Records, and many other Virgin businesses around the world. Now he shares the inside track on his life in business and reveals the incredible truth about his most risky, brilliant, and audacious deals. Combining invaluable advice with remarkable, and candid stories of Virgin's greatest achievements, as well as some of its setbacks, this is a dynamic, inspirational, and truly original guide. Whether you are an executive, an entrepreneur, or are just starting out, Branson strips business down to show how you can succeed and make a difference.

*Like a Virgin* Penguin

"Bold, bossy and bracing, Fail Fast, Fail Often is like a 200-page shot of B12, meant to energize the listless job seeker." —New York Times What if your biggest mistake is that you never make mistakes? Ryan Babineaux and John Krumboltz, psychologists, career counselors, and creators of the popular Stanford University course "Fail Fast, Fail Often," have come to a compelling conclusion: happy and successful people tend to spend less time planning and more time acting. They get out into the world, try new things, and make mistakes, and in doing so, they benefit from unexpected experiences and opportunities. Drawing on the authors' research in human development and innovation, Fail Fast, Fail Often shows readers how to allow their enthusiasm to guide them, to act boldly, and to leverage their strengths—even if they are terrified of failure.

### WELCOME TO THE FUTURE

A&C Black

From a Hackney council estate to the House of Lords, this is the extraordinary story of one of our greatest entrepreneurs. Alan Sugar was born in 1947 and brought up on a council estate in Clapton, in Hackney. As a kid he watched his dad struggle to support the family, never knowing from one week to the next if he'd have a job. It had a huge impact on him, fuelling a drive to succeed that was to earn him a sizeable personal fortune. Now he describes his amazing journey, from schoolboy enterprises like making and selling his own ginger beer to setting up his own company at nineteen; from Amstrad's groundbreaking ventures in hi-fi and computers, which made him the darling of the stock exchange, to the dark days when he nearly lost it all; from his pioneering deal with Rupert Murdoch to his boardroom battles at Tottenham Hotspur FC. In this compelling autobiography, he takes us into the world of The Apprentice, and describes his appointment as advisor to the government and elevation to the peerage. Like the man himself, What You See Is What You Get is forthright, funny and sometimes controversial.

**Let's Not Screw It, Let's Just Do It** Mind Power Corporation

*Sonichu #0* is the first issue of Christian Weston Chandler's magnum opus. At this initial stage, the comic was almost entirely about Sonichu and Rosechu, although bits of Chris's life still managed to find their way in. The "hand-drawn premiere issue" is a special zero issue. In the comics industry, zero issues are used as either a sales-enhancing gimmick (Image Comics is a notable user of this) or a special preview of work that will not truly begin until issue #1. Given that it previews nothing, which one Chris was going for is probably the former, though given that it's not legally able to be sold, it fails even that. The comic consists of Sonichu's first three adventures. In "Sonichu's Origin", the core cast of the series is introduced as Sonichu and Rosechu are created. Then, in "Genesis of the Lovehogs", the two protagonists meet and immediately fall in love. Finally, in "Sonichu vs. Naitsirhc", our yellow hero does battle with his first real villain, who but foreshadows the challenges awaiting the hedgehogs in the following issue. Bonus material in *Sonichu #0* includes various advertisements for imaginary Sonichu products, "classic" Sonichu comic strips drawn outside of the narrative of the main comic book, and the first "Sub-Episode".

**The Broken CEO** Penguin

A wryly funny and surprisingly moving account of an extraordinary life lived almost entirely in the public eye. A teen idol at fifteen, an international icon and founder of the Brat Pack at twenty, and one of Hollywood's top stars to this day, Rob Lowe chronicles his experiences as a painfully misunderstood child actor in Ohio uprooted to the wild counterculture of mid-seventies Malibu, where he embarked on his unrelenting pursuit of a career in Hollywood. The Outsiders placed Lowe at the birth of the modern youth movement in the entertainment industry. During his time on The West Wing, he witnessed the surreal nexus of show business and politics both on the set and in the actual White House. And in between are deft and humorous stories of the wild excesses that marked the eighties, leading to his quest for family and sobriety. Never mean-spirited or salacious, Lowe delivers unexpected glimpses into his successes, disappointments, relationships, and one-of-a-kind encounters with people who shaped our world over the last twenty-five years. Rob Lowe's New York Times bestselling autobiography, *Stories I Only Tell My Friends*, shares tales that are as entertaining as they are unforgettable.

### HOW I LOST MY VIRGINITY

Penguin UK

The unusual, frequently outrageous autobiography of one of the great business geniuses of our time, Richard Branson. In little more than twenty-five years, Richard Branson spawned nearly a hundred successful ventures. From the airline business (Virgin Atlantic Airways), to music (Virgin Records and V2), to cola (Virgin Cola), and others ranging from financial services to bridal wear, Branson has a track record second to none. Many of his companies were started in the face of entrenched competition. The experts said, "Don't do it." But Branson found golden opportunities in markets in which customers have been ripped off or underserved, where confusion reigns, and the competition is complacent. In this stressed-out, overworked age, Richard Branson gives us a new model: a dynamic, hardworking, successful entrepreneur who lives life to the fullest. Branson has written his own "rules" for success, creating a group of companies with a global presence, but no central headquarters, no management hierarchy, and minimal bureaucracy. Family, friends, fun, and adventure are equally important as business in his life. *Losing My Virginity* is a portrait of a productive, sane, balanced life, filled with rich and colorful stories, including: - Crash-landing his hot-air balloon in the Algerian desert, yet remaining determined to have another go at being the first to circle the globe - Signing the Sex Pistols, Janet Jackson, the Rolling Stones, Boy George, and Phil Collins - Fighting back when British Airways took on Virgin Atlantic and successfully suing this pillar of the British business establishment - Swimming two miles to safety during a violent storm off the coast of Mexico - Staging a rescue flight into Baghdad before the start of the Gulf War And much more. *Losing My Virginity* is the ultimate tale of personal and business survival from a man who combines the business prowess of Bill Gates and the promotional instincts of P. T. Barnum.

### PLAY NICE BUT WIN

HarperCollins

In September 2012, a YOUNGOV poll conducted in Britain found that the person British workers would most like as their manager was Sir Richard Branson. With over 40 years in business, Richard Branson is an inspiring pioneer of humanitarian projects and an iconic business leader. In *The Virgin Way: How to Listen, Learn, Laugh and Lead*, Richard shares and distills his secrets of leadership and success. Featuring anecdotes from his own business dealings, as well as his observations of many others who have inspired him — from politicians, business leaders, explorers, scientists and philanthropists — Richard reflects on the qualities he feels are essential for success in today's world. This is not a conventional book on leadership. There are no rules — but rather the secrets of leadership that he has learned along the way from his days at Virgin Records, to his recent work with The Elders. Whether you're at the beginning of your career, or head of a Fortune 500 company — this is your guide to being your own CEO (Chief Enabling Officer) and becoming a true leader — not just a boss.

*100 Queer Poems* Random House

WALL STREET JOURNAL BESTSELLER From Michael Dell, renowned founder and chief executive of one of America's largest technology companies, the inside story of the battles that defined him as a leader. In 1984, soon-to-be college dropout Michael Dell hid signs of his fledgling PC business in the bathroom of his University of Texas dorm room. Almost 30 years later, at the pinnacle of his success as founder and leader of Dell Technologies, he found himself embroiled in a battle for his company's survival. What he'd do next could ensure its legacy—or destroy it completely. *Play Nice But Win* is a riveting account of the three battles waged for Dell Technologies: one to launch it, one to keep it, and one to transform it. For the first time, Dell reveals the highs and lows of the company's evolution amidst a rapidly changing industry—and his own, as he matured into the CEO it needed. With humor and humility, he recalls the mentors who showed him how to turn his passion into a business; the competitors who became friends, foes, or both; and the sharks that circled, looking for weakness. What emerges is the long-term vision underpinning his success: that technology is ultimately about people and their potential. More than an honest portrait of a leader at a crossroads, *Play Nice But Win* is a survival story proving that while anyone with technological insight and entrepreneurial zeal might build something great—it takes a leader to build something that lasts.

### BOTH/AND

Random House

One of the world's most famous business leaders (and a well-known avian fanatic) explores the pioneers of flight. Bestselling author and billionaire entrepreneur Sir Richard Branson has always been obsessed with the skies. To promote a new Virgin Airlines route, he became the first man to water ski behind a blimp. His Virgin Galactic venture will soon offer ordinary people the opportunity to experience spaceflight aboard the first commercial spaceliner, SpaceShipTwo. In *Reach for the Skies*, Branson examines the history of aviation over the last two hundred years, putting the spotlight on trailblazers such as: \*Tony Jannus, who made the first ever commercial flight over Tampa Bay, Florida, in 1914. \*Leo Valentin, the "bird man" who jumped from 9,000 feet wearing a pair of wooden wings in the 1950s. \*Steve Fossett, who broke 130 world records in planes, balloons, and airships. The pioneers of flight—not just the world-famous Wright Brothers, but also lesser known visionaries and dreamers—made it possible for any of us with the desire and the commitment to reach for the skies ourselves.

*The Virgin Way* Simon and Schuster

INSTANT #1 NEW YORK TIMES BESTSELLER A Best Book of the Year: The New Yorker, The Guardian, The Sunday Times, The Daily Mail, Good Morning America, She Reads Famed American actress Demi Moore at last tells her own story in a surprisingly intimate and emotionally charged memoir. For decades, Demi Moore has been synonymous with celebrity. From iconic film roles to high-profile relationships, Moore has never been far from the spotlight—or the headlines. Even as Demi was becoming the highest paid actress in Hollywood, however, she was always outrunning her past, just one step ahead of the doubts and insecurities that defined her childhood. Throughout her rise to fame and during some of the most pivotal moments of her life, Demi battled addiction, body image

issues, and childhood trauma that would follow her for years—all while juggling a skyrocketing career and at times negative public perception. As her success grew, Demi found herself questioning if she belonged in Hollywood, if she was a good mother, a good actress—and, always, if she was simply good enough. As much as her story is about adversity, it is also about tremendous resilience. In this deeply candid and reflective memoir, Demi pulls back the curtain and opens up about her career and personal life—laying bare her tumultuous relationship with her mother, her marriages, her struggles balancing stardom with raising a family, and her journey toward open heartedness. *Inside Out* is a story of survival, success, and surrender—a wrenchingly honest portrayal of one woman's at once ordinary and iconic life.

Hachette UK

This is the bestselling autobiography of iconic entrepreneur Sir Richard Branson, featuring his take on his latest business ventures, personal achievements and intrepid adventures. You'll discover how Sir Richard is committed to building a better world.

*The Snowball* Random House Australia

Deborah Meaden is known to millions for her straight-talking, no-nonsense approach on BBC2's *Dragons' Den*, and in *Common Sense Rules* she shares insights and observations gleaned from a life lived in business. Some of them come from witnessing the successes — and the failures — of others. Many more, though, are drawn from her own business ventures. She shows, for example, how an early stint in a holiday park gave her a crash course in customer relations. She frankly and honestly analyses why her first enterprise, which started so promisingly, turned sour. And she explains why turning down a multimillion-pound offer for her chain of holiday parks was the best decision she ever made. As direct and to-the-point on the page as she is in the *Den*, Deborah Meaden is a superbly clear-sighted and experienced observer of business success, and her book is guaranteed both to inform and inspire.

★★★★★ "A perfect guide to the human side of leadership!" - Amazon customer \_\_\_\_\_ Learn how to lead your people with clarity, purpose and ease! Do you long to transform the stress, conflict and survival of leadership into fulfilment, meaning and success? Are you tired of always running but never arriving? Do you yearn for another way of working and leading? Drawing on decades of leadership experience, Chris Pearse presents a no-nonsense guide to fixing these issues, helping you to be the leader you really want to be. In this book, Pearse redefines the responsibilities of leadership by shifting the focus from the outer world of operations and processes to the inner world of thinking, feeling and relationships. Leadership starts with self, and without self-awareness the leader faces an uphill struggle to lead others. The book is packed with realistic and relevant case studies and punchy chapter summaries. *The Broken CEO* will show you how to: • Boost your performance with less effort - achieve more by doing less • Master stress before it masters you - and compromises your wellbeing • Transform conflict - yours and others' - into creative collaboration • Get the quality of rest you need for your best work - with a clear and focused mind • Clarify your personal and professional purpose to inspire and engage • Delegate the one thing most leaders won't let go of that holds everyone back • Establish yourself as your point of reference - your own source of wisdom and inspiration • Stop being a broken CEO! Get your copy now to be the leader you always wanted to be.

*Notes from a Former Virgin* Penguin

Have you ever wondered what the future may look like? In this book, you'll explore 10 ways technology could alter our way of life. The challenge for you is to decide which changes you want for yourself and the world. In the future, will we teleport from place to place, keep dinosaurs as pets or 3D-print our dinner? Will we live on Mars or upload our brains to computers? Could we solve climate change by making all our energy from mini stars we build here on earth? This fascinating and thought provoking book from science writer Kathryn Hulick explores the possible futures humanity will face, and how we will live as the world around us changes beyond our recognition. From genetic engineering and building floating colonies in space to developing telepathic technology and bionic body alterations, this engagingly illustrated book looks into the possible future technologies which will shape how we live and how we adapt to the challenges of the future. In this book, you'll meet the scientists working to bring science fiction to life and learn how soon we might have amazing new technology. You'll also delve deep into questions about right and wrong. Just because we can do something doesn't mean we should. How can we build the best possible future for everyone on Earth?

*Enter the Dragon* Virgin Books

Shortlisted for the Financial Times and Goldman Sachs Business Book of the Year Prize 2008 *The Snowball* is the first and will be the only biography of the world's richest man, Warren Buffett, written with his full cooperation and collaboration. Combining a unique blend of "The Sage of Omaha's" business savvy, life story and philosophy, *The Snowball* is essential reading for anyone wishing to discover and replicate the secrets of his business and life success. Warren Buffett is arguably the world's greatest investor. Even as a child he was fascinated by the concept of risk and probability, setting up his first business at the age of six. In 1964 he bought struggling Massachusetts textile firm Berkshire Hathaway and grew it to be the 12th largest corporation in the US purely through the exercise of sound investing principles - a feat never equalled in the annals of business. Despite an estimated net worth of around US\$62 billion, Buffett leads an intriguingly frugal life taking home a salary of only £50,000 a year. His only indulgence is a private jet, an extravagance he wryly acknowledges by calling it "The Indefensible". In 2006, he made the largest charitable donation on record, with most of it going to the Bill & Melinda Gates Foundation. *The Snowball* provides a comprehensive, richly detailed insight one of the world's most extraordinary and much loved public figures.
