### LUIS BRADFORD

*The Lost Angel* Multidisciplinary Association for Psychedelic Studies

I'm an outcast and a loner, named for death itself. Fate wasn't supposed to have plans for me. But then she came back—the girl I once kissed in a thorn-covered chapel in the woods. She came back, and I could no more resist her than I could pry out my own heart. And by some trick of fate, she wants me as much as I want her. The only problem? She also wants the man who owns Thornchapel, Auden Guest. And so do I. Eight years ago, I did something to Auden, something terrible. He hurt me back the only way he knew how, and so here we are: our hatred seasoned with pain and my loneliness seasoned with longing. The only thing we can agree on is Proserpina Markham, and she wants us to find a way to be together—all three of us. If Auden wants to earn her as his submissive, then he has to earn me as well. But with the discovery of bones behind the altar and the carnal revel of Beltane fast approaching, it's becoming clear that Thornchapel's secrets are much deeper and older than any of us could have ever guessed. And no matter how bright and merry a feast of sparks may be, it's always followed by ashes. And darkness.

*Fight Back* Sierra Simone

John Muir, a young Scottish immigrant, had not yet become a famed conservationist when he first trekked into the foothills of the Sierra Nevada, not long after the Civil War. He was so captivated by what he saw that he decided to devote his life to the glorification and preservation of this magnificent wilderness. "My First Summer in the Sierra," whose heart is the diary Muir kept while tending sheep in Yosemite country, enticed thousands of Americans to visit this magical place, and resounds with Muir's regard for the "divine, enduring, unwasteable wealth" of the natural world. A classic of environmental literature, "My First Summer in the Sierra" continues to inspire readers to seek out such places for themselves and make them their own.

*Door of Bruises* Sierra Simone

Tiffany Reisz's USA Today bestselling Original Sinners series returns with the long-awaited sequel to *The Queen*. When a New Orleans parish priest is found dead of an apparent suicide, the police see no reason to investigate. Private detective Cyrus Tremont knows a cover-up when he sees it, however. A former cop, he's seen it all...or so he thought. Clues point him in the direction of Nora Sutherlin, an erotic romance writer who moonlights as a dominatrix. Together, they form an unlikely bond built on their shared need for justice. As Cyrus is drawn deeper into Nora's underground world of pleasure and pain, what lines will he cross to discover the truth about the priest? And what will he and Nora do with the truth once they find it? *The Priest* is the beginning of a new era for Reisz's Original Sinners series, and the perfect jumping-on point for new readers.

*Priest* Priest

In this classic adventure story, a wealthy gentleman, Phileas

Fogg, makes a bet that he can travel around the world in eighty days. Fogg and his servant set off immediately, determined to win this race against time. Little do they know they aren't making the journey alone.... Fogg has been fingered as the culprit in a bank robbery, and a detective in hot pursuit is trailing them as they cross every continent.

*No One's Girl* Harper Collins

I can't have Elijah Iverson. I can't have him because he's my older brother's best friend. I can't have him because I broke his heart five years ago; because he's now engaged to someone else—someone kind and dependable who deserves his whiskey eyes, his soft mouth, his fierce intellect. I can't have Elijah because I've chosen God instead. The Bell brothers, though . . . well, we don't exactly have the greatest track record with vows. But I'm determined to do this monk thing right—to pledge myself to a cloistered life and spend the rest of my years in chastity and prayer. But now Elijah's here. He's here and he's coming with me on my European monastery road trip, and between the whispered confessions and the stolen kisses and the moments bent over an ancient altar, my vows are feeling flimsier by the day. And vows or not, I know in my heart that it would take more than a good and holy monk to resist Elijah Iverson right now. It would take a saint. And we all know that I'm no saint. (This is the third full-length standalone in the Priest Collection, featuring Father Bell's brother, Aiden Bell. You do not have to read *Priest* or *Sinner* to read *Saint*.)

*American King* Sierra Simone

The reconnection of magnetic fields is one of the most fascinating processes in plasma physics, responsible for phenomena such as solar flares and magnetospheric substorms. The concept of reconnection has developed through recent advances in exploring the magnetospheres of the Sun and Earth through theory, computer simulations and spacecraft observations. The great challenge in understanding it stems from balancing the large volumes of plasma and magnetic fields involved with the energy release with the physical mechanism which relies on the strongly localized behavior of charged particles. This book, edited by and with contributions from leading scientists in the field, provides a comprehensive overview of recent theoretical and observational findings concerning the physics of reconnection and the complex structures that may give rise to, or develop from, reconnection. It is intended for researchers and graduate students interested in the dynamics of plasmas.

*Victims of the Book* Misadventures Book 18

For some, the bravest thing a person could ever do is to admit that they've fallen in love. Saying the words out loud changes everything and there's no way to take them back. It's impossible to pluck the words out of the air and slip them into their back pocket to keep the truth safely tucked away. The best feeling in the entire world though, is to know ,irrevocably, that the person they fell in love with, fell just as hard in love with them. That's what makes a romance, a romance. Need You Now is a collection of four best-selling novels including: *The Dirty Duet* by Laurelín Paige *Half Truths* by Claire Contreras *Sinner* by Sierra Simone

*Hostage* by Skye Warren and Annika Martin Top Shelf Romance represents the best of the best in romance. There are no cliffhangers. These are simply must-read novels for readers looking for the best in happily ever afters.

**Shaman, Priest, Practice, Belief** Wipf and Stock Publishers Archaeological case studies consider material evidence of religion and ritual in the pre-Columbian Eastern Woodlands Archaeologists today are interpretin g Native American religion and ritual in the distant past in more sophisticated ways, considering new understandings of the ways that Native Americans themselves experienced them. *Shaman, Priest, Practice, Belief: Materials of Ritual and Religion in Eastern North America* broadly considers Native American religion and ritual in eastern North America and focuses on practices that altered and used a vast array of material items as well as how physical spaces were shaped by religious practices. Unbound to a single theoretical perspective of religion, contributors approach ritual and religion in diverse ways. Importantly, they focus on how people in the past practiced religion by altering and using a vast array of material items, from smoking pipes, ceremonial vessels, carved figurines, and iconographic images, to sacred bundles, hallucinogenic plants, revered animals, and ritual architecture. Contributors also show how physical spaces were shaped by religious practice, and how rock art, monuments, soils and special substances, and even land- and cityscapes were part of the active material worlds of religious agents. Case studies, arranged chronologically, cover time periods ranging from the Paleoindian period (13,000–7900 BC) to the late Mississippian and into the protohistoric/contact periods. The geographical scope is much of the greater southeastern and southern Midwestern culture areas of the Eastern Woodlands, from the Central and Lower Mississippi River Valleys to the Ohio Hopewell region, and from the greater Ohio River Valley down through the Deep South and across to the Carolinas. Contributors Sarah E. Baires / Melissa R. Baltus / Casey R. Barrier / James F. Bates / Sierra M. Bow / James A. Brown / Stephen B. Carmody / Meagan E. Dennison / Aaron Deter-Wolf / David H. Dye / Bretton T. Giles / Cameron Gokee / Kandace D. Hollenbach / Thomas A. Jennings / Megan C. Kassabaum / John E. Kelly / Ashley A. Peles / Tanya M. Peres / Charlotte D. Pevny / Connie M. Randall / Jan F. Simek / Ashley M. Smallwood / Renee B. Walker / Alice P. Wright

*The Awakening of Ivy Leavold* Sierra Simone

Twelve years ago, our fates were sealed with a kiss. We are all, for better or worse, doomed to love each other until death do us part. My heart belongs to Proserpina and St. Sebastian—even if he no longer wants it. Even if she has left it behind to follow him. Delphine's fled back home, and Becket's holy calling is in peril. And now only Rebecca and I remain at Thornchapel to face the unknown. The door is open. The door that shouldn't exist; the door that people have died to close. I don't feel like the lord of the manor. I don't feel like a king or a wild god. I am a friend and a boyfriend and a brother—and a failure at being all of these things. But the door doesn't care about my guilt. It only cares about the sacrifice I'll make to close it. As the bruising dark of Samhain

approaches, so does the fate of our circle, of Thornchapel and the village and the valley beyond it. And I must don the crown, because one thing is still true, even if I must face it alone. Here at Thornchapel, the kings must go to the door. Here at Thornchapel, all kings must die.

*The Rain Gods' Rebellion* Simon and Schuster

"The best book I've read in years." —Christine Feehan The incomparable C.L. Wilson brings her phenomenal Tairen Soul novels to Avon Books! Lord of the Fading Lands is the first book in the epic romantic adventure that combines sweeping fantasy with breathtaking paranormal romance. USA Today and New York Times bestseller C. L. Wilson dazzles with a magnificent, heart-soaring tale of passion and great destiny—of the tormented Fey King Rain, the woodcutter's daughter Ellysetta, who would be queen, and their eternal quest for true love in the mystical Fading Lands.

*Suppliant* Cambridge University Press

One playboy billionaire. One heartbroken heiress. One sham marriage. What could go wrong? — That's what notorious playboy Silas Cecil-Coke thinks as he returns to England to persuade Molly O'Flaherty to marry him. Certainly, their brief fling last year ended in heartbreak (and a black eye), but matters are different now. Molly must marry to save her company, and Silas is determined that he'll be the man she chooses. Between the bitter memories and the competing suitors, Silas discovers that wooing a bride is no easy task, unless, of course, he decides to stop playing fair... This edition now includes *The Persuasion of Molly O'Flaherty!*

*American Queen* Hachette UK

Fresh perspectives on the English clergy, their books, and the wider Anglo-Saxon church.

Sierra Simone

When two floundering young girls find strength and friendship in one another, the path to happiness finally seems tangible... Rosie Goodwin's ebook No. 1 bestselling saga, *No One's Girl*, is sure to bring a tear to your eye, and a smile to your lips. Perfect for fans of Catherine Cookson and Lindsey Hutchinson.

### LSD, MY PROBLEM CHILD

Sierra Simone

In approximately seventy-two hours, a little known Middle Eastern terrorist group plans to bring about the end of the world, and a central aspect of their plan is the kidnapping of Martin Fabor, an undercover American scientist. His only hope for survival is his young wife, Julia Alvarez, a woman born with a rare psychic gift. Julia must find the courage to evade religious extremists and

clandestine government agencies to save her husband.

**Saint** Sierra Simone

Yorkshire, 1879 I am alone. When Ivy Leavold is left destitute by her brother's death, she is taken in by her cousin's brooding, tortured widower--Julian Markham. Handsome and possessive, it's not long before Ivy falls for him. But Mr. Markham has dark secrets, secrets that may put Ivy in danger... I am afraid. As Ivy unravels the mystery surrounding her cousin's death, she falls deeper and deeper in love with Julian, who opens her body and her mind to his indomitable will. But even as he draws pleasure and desire from her night after night, Ivy can't shake the feeling that their passionate affair may end in violence... And I am completely his. The first book in the Markham Hall series.

### MY FIRST SUMMER IN THE SIERRA

Sierra Simone

He wants me to be his queen... Warned as a girl to keep her kisses to herself, Greer Galloway wants nothing to do with kisses--or love. Twice she's ignored the childhood warning and kissed a man, and both times ended in gutting, miserable heartbreak. Now she's sworn off all romance forever, determined to teach her classes and do her research, and live out the rest of her days alone. I want to be his everything. But Ash Colchester hasn't sworn off Greer--not at all. Still in love with the girl he once kissed in a circle of broken glass, this soldier-turned-President has never forgotten the taste of her kiss or the sound of her whispered, yes, please against his mouth. He's never forgotten the promises he wanted to make her and couldn't because she was too young for him then, and far too innocent for the things he needs. But he can't wait any longer . . . But can a fairy tale have a happily ever after for three people? Desperate to have her, Ash sends his best friend Embry to bring Greer to him, not knowing they have their own secrets, their own tragedies together. Their own cravings . . . Soon, Greer finds herself caught between past and present, pleasure and pain--and the two men who long for each other as much as they long for her. And as war and betrayal press ever closer, they tumble headlong into a passionate love affair that will change the world. My name is Greer Galloway and I serve at the pleasure of the President of the United States. From the USA Today bestselling author of *Priest and Misadventures of a Curvy Girl* comes a contemporary reimagining of the legend of King Arthur, Guinevere, and Lancelot--elegant, carnal, and unforgettable.

*The Priest* Boydell & Brewer

After being left at the altar by her cold and brilliant professor,

Church Cason, Charlotte Tenpenny had to leave school to take care of her younger brother. But a fateful night brings Church—and his delicious, drugging kisses—back into Charlotte's life. And it stirs up a reckoning years in the making . . . (This novella was originally published in the 2020 anthology *Naughty Brits*.)

### MAGNETOHYDRODYNAMICS OF THE SUN

Sierra Simone

There are many rules a priest can't break. A priest cannot marry. A priest cannot abandon his flock. A priest cannot forsake his God. I've always been good at following rules. Until she came. Then I learned new rules. My name is Tyler Anselm Bell. I'm twenty-nine years old. Six months ago, I broke my vow of celibacy on the altar of my own church, and God help me, I would do it again. I am a priest and this is my confession.

*Priests and Their Books in Late Anglo-Saxon England* Simon and Schuster

*Victims of the Book* uncovers a long-neglected but once widespread subgenre: the fin-de-siècle novel of formation in France. In the final decades of the nineteenth century, social commentators insistently characterized excessive reading as an emasculating illness that afflicted French youth. Novels about and geared toward adolescent male readers were imbued with a deep worry over young Frenchmen's masculinity, as evidenced by titles like *Crise de jeunesse* (*Youth in Crisis*, 1897), *La Crise virile* (*Crisis of Virility*, 1898), *La Vie stérile* (*A Sterile Life*, 1892), and *La Mortelle Impuissance* (*Deadly Impotence*, 1903). In this book, François Proulx examines a wide panorama of these novels, as well as polemical essays, pedagogical articles, and medical treatises on the perceived threats posed by young Frenchmen's reading habits. Fin-de-siècle writers responded to this pathologization of reading with a profusion of novels addressed to young male readers, paradoxically proposing their own novels as potential cures. In the early twentieth century, this corpus was critically revisited by a new generation of writers. *Victims of the Book* shows how André Gide and Marcel Proust in particular reworked the fin-de-siècle paradox to subvert cultural norms about literature and masculinity, proposing instead a queer pact between writer and reader.

*Reconnection of Magnetic Fields* Sierra Simone

Providing a rare longitudinal look at the cultural basis of this grassroots insurgency, *The Rain Gods' Rebellion* offers rare insight into the significance of oral history in forming Nahua collective memory and, by extension, culture.
