A triumphant tale of a young woman and her

difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. *Jeannette Walls* was the second of four children raised by anti-institutional parents in a household of

extremes.

Ready To Fire

#1 NATIONAL

BESTSELLER • In this “thoroughly gripping”

(New York Times)

continuation of the *Girl with the Dragon Tattoo* series, Lisbeth Salander

lies in critical condition in

a Swedish hospital, a

bullet in her head. But she's fighting for her life in more ways than one: if and when she recovers, she'll stand trial for three murders. • Also known as the Millennium series In the next installment of the Millennium series, with the help of Mikael Blomkvist, Salander will need to identify those in authority who have allowed the vulnerable, like herself, to suffer abuse and violence. And, on her own, she'll seek revenge—against the man who tried to kill her and against the corrupt

government institutions that nearly destroyed her life. Look for the latest book in the Girl with the Dragon Tattoo series, *The Girl in the Eagle's Talons*, coming soon!

 Recommended by Héctor Tobar as an essential Los Angeles book in the New York Times. Caribbean Fragoza's debut collection of stories reside in the domestic surreal, featuring an unusual

gathering of Latinx and Chicanx voices from both sides of the U.S./Mexico border, and universes beyond. "Eat the Mouth That Feeds You is an accomplished debut with language that has the potential to affect the reader on a visceral level, a rare and significant achievement from a forceful new voice in American literature."—Kali Fajardo-Anstine, New York Times Book Review, and author of *Sabrina* and *Corina* Caribbean Fragoza's imperfect characters are drawn with

a sympathetic tenderness as they struggle against circumstances and conditions designed to defeat them. A young woman returns home from college, only to pick up exactly where she left off: a smart girl in a rundown town with no future. A mother reflects on the pain and pleasures of being inexorably consumed by her small daughter, whose penchant for ingesting grandma's letters has extended to taking bites of her actual flesh. A brother and sister watch

anxiously as their distraught mother takes an ax to their old furniture, and then to the backyard fence, until finally she attacks the family's beloved lime tree. Victories are excavated from the rubble of personal hardship, and women's wisdom is brutally forged from the violence of history that continues to unfold on both sides of the US-Mexico border. "Eat the Mouth that Feeds You renders the feminine grotesque at its finest."—Myriam Gurba,

author of Mean "Eat the Mouth that Feeds You will establish Fragoza as an essential and important new voice in American fiction."—Héctor Tobar, author of The Barbarian Nurseries "Fierce and feminist, Eat the Mouth That Feeds You is a soul-quaking literary force."—Dontaná McPherson-Joseph, The Foreword, *Starred Review ". . . a work of power and a darkly brilliant talisman that enlarges in necessary ways the feminist, Latinx, and Chicana

canons."—Wendy Ortiz, Alta Magazine "Fragoza's surreal and gothic stories, focused on Latinx, Chicanx, and immigrant women's voices, are sure to surprise and move readers."—Zoe Ruiz, The Millions "This collection of visceral, often bone-chilling stories centers the liminal world of Latinos in Southern California while fraying reality at its edges. Full of horror and wonder."—Kirkus Reviews, *Starred Review "Fragoza's debut collection delivers expertly crafted tales of

Latinx people trying to make sense of violent, dark realities. Magical realism and gothic horror make for effective stylistic entryways, as Fragoza seamlessly blurs the lines between the corporeal and the abstract."—Publishers Weekly "The magic realism of Eat the Mouth that Feeds You is thoroughly worked into the fabric of the stories themselves . . . a wonderful debut."—Brian Evenson, author of Song for the Unraveling of the World

Vintage Crime/Black Lizard

Treasure Island, published in 1883, popularized the now familiar characters of pirates and brought them to rum-swilling life. When an old sailor named Billy Bones dies in the inn belonging to young Jim

Hawkins's parents, he leaves a greasy old map on which an "X" marks the spot where treasure is buried. Jim joins the crew of a ship in pursuit of Bones's treasure, and on the seas meets up with Long John Silver, a peg-legged pirate who has infiltrated their ranks. Jim must survive mutinies and counter-mutinies, face hand-to-hand combat with drunken sailors, and outwit double-crossing thieves before the treasure can be his.

Abdul Kalam, The Son Of A Little-Educated Boat-Owner In Rameswaram, Tamil Nadu, Had An Unparalleled Career As A Defence Scientist, Culminating In The Highest Civilian Award Of India, The Bharat Ratna. As Chief Of The Country's Defence Research And Development Programme, Kalam Demonstrated The Great Potential For Dynamism And Innovation That Existed In Seemingly Moribund Research Establishments. This Is The Story Of Kalam's Rise From Obscurity And His

Personal And Professional Struggles, As Well As The Story Of Agni, Prithvi, Akash, Trishul And Nag-- Missiles That Have Become Household Names In India And That Have Raised The Nation To The Level Of A Missile Power Of International Reckoning.

Bridie's Fire Bantam
One of India's best-loved film directors, Hrishikesh Mukherjee is perhaps best known today for his perennially popular creations like Anand, Chupke Chupke and Gol Maal. But Hrishi-da's best

work was provocative, wide-ranging and always aware of the complexities of people and their relationships. Often combining breezy narratives with serious ideas, his films created a distinct world with recurring themes. Jai Arjun Singh looks closely at Hrishikesh Mukherjee's oeuvre, from well-known films like Satyakam, Guddi, Abhimaan and Khubsoorat to lesser known works such as Mem-Didi, Biwi aur Makaan and Anuradha. Combining a fan's passion

with a critic's rigour, The World of Hrishikesh Mukherjee is a must-read for anyone who takes their filmed entertainment seriously.

QUOTATIONS FROM CHAIRMAN MAO TSETUNG

Bloomsbury Publishing Hailed for its coiled eroticism and the moral claims it makes upon the reader, this mesmerizing novel is a story of love and secrets, horror and compassion, unfolding against the haunted landscape of postwar

Germany. When he falls ill on his way home from school, fifteen-year-old Michael Berg is rescued by Hanna, a woman twice his age. In time she becomes his lover—then she inexplicably disappears. When Michael next sees her, he is a young law student, and she is on trial for a hideous crime. As he watches her refuse to defend her innocence, Michael gradually realizes that Hanna may be guarding a secret she considers more shameful than murder.

The Brain That Changes Itself D C Books
“This is a little gem, the best introduction to Tolstoy I have ever encountered, and it is more than that. The most accomplished scholar will find important new insights, the sort that one immediately recognizes as both true and profound. Orwin brings Tolstoy to life as a person and as a writer, and she also shows beautifully how the two are linked. The discussions of Tolstoy’s views on psychology and the

nature of art are especially illuminating.”
—Gary Saul Morson, Lawrence B. Dumas Professor of the Arts and Humanities and Professor of Slavic Languages and Literatures, Northwestern University Count Leo Tolstoy (1828-1910) was born at Yasnaya Polyana, his ancestral estate located about 120 miles from Moscow. While he would live and travel in other places over the years, he always considered this family residence in the Russian heartland as his home. His

lifelong quest for truth and meaning began while he was a university student. Subsequent experiences as an artillery officer in the Caucasian and Crimean Wars, and time spent in St. Petersburg and Europe, broadened his perspective and profoundly influenced him. In *Simply Tolstoy*, Professor Donna Tussing Orwin traces the author's profound journey of discovery and explains how he mined his tumultuous inner life to create his great works, including *War and Peace*,

Anna Karenina and *The Death of Ivan Ilych*. She shows how these books, both fiction and nonfiction, are not autobiographical in the conventional sense, but function as snapshots of Tolstoy's state of mind at specific points in his life. The story she tells is, inevitably, intertwined with the story of Russia, a country also in constant search of its identity. Mixing biography, literary analysis, and history, *Simply Tolstoy* is a satisfying read for those already familiar with the

author's work, as well as an accessible and thoroughly engaging introduction to a literary giant who was also a tireless and uncompromising seeker of truth.

Rajender Krishan's "Amma's Gospel" contains poems that were inferred and captured from the flow of the therapeutic response that came once he invoked his grandmother, wondering how she would have handled the uncertainty and tragedy caused by the pandemic Corona. The poems are full of wonder, simplicity and reveal timeless secrets of the self. This well-illustrated collection is not only a medium of illumination but also an expression of civilizational and cultural

foundation the poet wishes to convey, and so builds up a lyrical edifice to confirm. Dr. Bharathi Srinivasan has translated "Amma's Gospel" from English to Tamil, and presented them with a pearl garland of 'Mother's Teaching'.

THE CATCHER IN THE RYE

University of Washington Press
The Time Machine is a science fiction novella by H. G. Wells, published in 1895 and written as a frame narrative. The work

is generally credited with the popularization of the concept of time travel by using a vehicle or device to travel purposely and selectively forward or backward through time
Amma's Gospel (Tamil)
Harper Collins
Finalist for the Pulitzer Prize and the National Book Critics Circle Award
A New York Times Notable Book *Winner of the Texas Book Award and the Oklahoma Book Award* This New York Times bestseller and stunning historical account of the forty-year

battle between Comanche Indians and white settlers for control of the American West “is nothing short of a revelation...will leave dust and blood on your jeans” (The New York Times Book Review). Empire of the Summer Moon spans two astonishing stories. The first traces the rise and fall of the Comanches, the most powerful Indian tribe in American history. The second entails one of the most remarkable narratives ever to come out of the Old West: the epic saga of the pioneer

woman Cynthia Ann Parker and her mixed-blood son Quanah, who became the last and greatest chief of the Comanches. Although readers may be more familiar with the tribal names Apache and Sioux, it was in fact the legendary fighting ability of the Comanches that determined when the American West opened up. Comanche boys became adept bareback riders by age six; full Comanche braves were considered the best horsemen who ever rode.

They were so masterful at war and so skillful with their arrows and lances that they stopped the northern drive of colonial Spain from Mexico and halted the French expansion westward from Louisiana. White settlers arriving in Texas from the eastern United States were surprised to find the frontier being rolled backward by Comanches incensed by the invasion of their tribal lands. The war with the Comanches lasted four decades, in effect holding up the development of the new

American nation. Gwynne's exhilarating account delivers a sweeping narrative that encompasses Spanish colonialism, the Civil War, the destruction of the buffalo herds, and the arrival of the railroads, and the amazing story of Cynthia Ann Parker and her son Quanah—a historical feast for anyone interested in how the United States came into being. Hailed by critics, S. C. Gwynne's account of these events is meticulously researched, intellectually provocative,

and, above all, thrillingly told. Empire of the Summer Moon announces him as a major new writer of American history. Ready To Fire Vintage A top scientist is falsely accused of selling space technology secrets. A police inspector's misadventure with a Maldivian woman results in a fabricated espionage case. A faction within a political party capitalises on the case to bring down a government. An intelligence agency obligingly plays into the hands of vested interests

to slow down India's space programme. And a complex investigation finally proves the allegations untrue. In this riveting book, Isro scientist S Nambi Narayanan - who was falsely accused of espionage in ISRO spy case of the 1990s - and senior journalist Arun Ram meticulously unpick the ISRO spy case, revisit old material and discover new details to expose the international plot that delayed India's development of a cryogenic engine by at

least a decade. It took four years for the CBI to exonerate Nambi, but his fight for justice to ensure action against the officers who faked the case and tortured him in custody continues. This book is as much a history of the early days of India's ambitious space programme as it is a record of one of the most sensational cases that enthralled the nation long before the era of online updates and 24-hour news cycles.

MALAYALAM LITERARY SURVEY

Springer
This book explores representations of gender, sexuality and ethnicity in Hindi films, in the socio-political context and in terms of how young audiences in India and the UK construct them. In-depth interviews, observations and photographs provide insights into spectatorship and comparison with theories about Hindi film and popular culture.
Simply Tolstoy Simon and

Schuster
The perfect gift for fans of HBO's Game of Thrones—a boxed set featuring the first four novels! George R. R. Martin's A Song of Ice and Fire series has become, in many ways, the gold standard for modern epic fantasy. Martin—dubbed the "American Tolkien" by Time magazine—has created a world that is as rich and vital as any piece of historical fiction, set in an age of knights and chivalry and filled with a plethora of fascinating, multidimensional

characters that you love, hate to love, or love to hate as they struggle for control of a divided kingdom. This bundle includes the following novels: A GAME OF THRONES A CLASH OF KINGS A STORM OF SWORDS A FEAST FOR CROWS

**The World of
Hrishikesh Mukherjee**

China Books
When the reporters to a sex-trafficking exposé are murdered and computer hacker Lisbeth Salander is targeted as the killer, Mikael Blomkvist, the

publisher of the exposé, investigates to clear Lisbeth's name.

The Guest List Simon and Schuster
Moosa the village butcher slaughtered his boy assistant today for no reason and walked away God knows where. All are afraid that when he returns, his chopper may fall on anybody's neck. He has no place else to go, so it is believed he is bound to come back. The village is in the grip of mortal fear. The consensus is Moosa is unlikely to have turned mad. In fact, he is

reported to have appeared saner after perpetrating the atrocity, eat his lunch in tranquility, chew beetle-nut and nonchalantly walk away. The village has to prepare itself to contain him when he comes back. What really went wrong has therefore to be discerned...The novelette portrays a certain community of special nativity in a style unique to the Author. Critical opinion considers it an all-time work and it explores various dimensions of the love-violence equation.
