### **BODY OF EVIDENCE**

Tundra Books

Introducing a heroine unlike any other . . . FBI Agent Bernadette Saint Clare's gift of sight allows her to see things others can't. But some things are better left unseen. Not always easy to work with, Agent Bernadette Saint Clare has been assigned and reassigned to FBI offices all over the country. Not long after she's placed at a desk in the basement of the off-site St. Paul office, she's called on to do what she does best: use personal effects found at a crime scene to see through a killer's eyes. In some cases her sight has been astoundingly accurate; in others it has been less than perfect. The agent in charge of this case, Tony Garcia, aware of Bernadette's spotty record, is unsure if he should follow her lead, and the tension between them makes for an uneasy alliance. To make things more complicated, she becomes involved with her new upstairs neighbor. But there's something about him she can't quite put her finger on—especially when he offers her a key clue to the killer's identity. A complex novel filled with quirky characters on the right and wrong sides of the law, *Blind*

Spot reminds us that life is filled with leaps of faith both great and small.

Harper Collins

From a luminous new voice in suspense fiction comes this wise, witty, and uplifting novel--a mystery with heart that will illuminate more than just whodunit and why. In her stunning debut, Cristina Sumners, an Episcopalian priest brings to life an unforgettable town, a less-than-perfect crime, and two flawed souls hoping to solve the mysteries of life, death...and possibly even love. Life isn't easy for Tom Holder. Middle-aged, appallingly married, and bored out of his wits, Tom is Chief of Police in Harton--an idyllic New Jersey town where, in spite of its eccentric cast of characters, nothing ever seems to happen. His dreary routine is brightened only by his visits to St. Margaret's Episcopal Church, where he can be sure of seeing the clever Reverend Kathryn Koerney, with whom he is secretly and hopelessly smitten. Tom is quietly wishing for a nice, interesting crime, if only to have something to discuss with the lady priest, who seems almost as confused by their nonrelationship as he is. He's about to get all that--and a whole lot more than he bargained for. When an affluent housewife is reported missing by her clearly hostile husband, Tom not only has a bona fide murder mystery on his hands, he has a perfect excuse to enlist Kathryn's help. The only person who

may know what happened to Grace Kimbrough is a feverish child, and Tom--past master at nosy neighbors, flirtatious shut-ins, and the usual small-town neurotics--has precious little experience with children. Now, with a second woman missing, Tom's and Kathryn's sense of urgency to learn the truth about the disappearances--and about their feelings for each other--deepens. Together Tom and Kathryn will unravel more than just the secrets holding together the seemingly peaceful town, secrets that may conceal a crime of passion, jealousy, and rage. They will probe the mysteries of their own all-too-fallible, all-too-human hearts. And the miracles that might, just might, occur--even after a lifetime of playing it too safe.

The Mau Mau - the name of a secret society that once struck terror into the hearts of British settlers in Kenya. An episode in history that ended in a State of Emergency, with violent and brutal acts dividing a nation. This is an intensely personal and vivid story of two boys: one black, one white. Once they were friends even though their circumstances are very different. But in a country driven by fear and prejudice, even the best of friends can betray one another . . . Internationally acclaimed and award-winning author Beverley Naidoo explores new territory in this beautifully realized and moving story set in Britain's colonial past.

A REESE'S BOOK CLUB PICK and INSTANT NEW YORK TIMES BESTSELLER WINNER OF THE 2021 NEW AMERICAN VOICES AWARD, LONGLISTED FOR THE 2022 ANDREW CARNEGIE MEDAL, AND A NATIONAL ENDOWMENT OF THE ARTS "BIG READS" SELECTION "A profound, beautiful novel." —People \* "Poignant." —BuzzFeed \* "A breathtaking story of the unimaginable prices paid for a better life." —Esquire This "heartbreaking portrait of a family dealing with the realities of migration and separation" (Time) is "a sweeping love story and tragic drama [and] an authentic vision of what the American Dream looks like in a nationalistic country" (Elle). I often wonder if we are living the wrong life in the wrong country. Talia is being held at a correctional facility for adolescent girls in the forested mountains of Colombia after committing an impulsive act of violence that may or may not have been warranted. She urgently needs to get out and get back home to Bogotá, where her father and a plane ticket to the United States are waiting for her. If she misses her flight, she might also miss her chance to finally be reunited with her family. How this family came to occupy two different countries, two different worlds, comes into focus like twists of a kaleidoscope. We see Talia's parents, Mauro and Elena, fall in love in a market stall as teenagers against a backdrop of civil war and social unrest. We see them leave Bogotá with their firstborn, Karina, in pursuit of safety and opportunity in the United States on a temporary visa, and we see the births of two more children, Nando and Talia, on American soil. We witness the decisions and indecisions that lead to Mauro's deportation and the family's splintering—the costs they've all been living with ever since. Award-winning,

internationally acclaimed author Patricia Engel, herself a dual citizen and the daughter of Colombian immigrants, gives voice to all five family members as they navigate the particulars of their respective circumstances. Rich with Bogotá urban life, steeped in Andean myth, and tense with the daily reality of the undocumented in America, Infinite Country “is as much an all-American story as it is a global one” (Booklist, starred review).

### THE TWO FACES OF JANUARY

Topaz

Now in a new premium edition, #1 New York Times bestselling author Patricia Cornwell’s suspense fiction classic, featuring gutsy medical examiner Kay Scarpetta. A reclusive author, Beryl Madison finds no safe haven from months of menacing phone calls—or the tormented feeling that her every move is being watched. When the writer is found slain in her own home, Kay Scarpetta pieces together the intricate forensic evidence—while unwittingly edging closer to a killer waiting in the shadows.

As much as we hate to admit it and don't want to hear it, injustice happens on a routine basis in both big cities and small towns. Inequality happens more often when there is no one policing the police or other authoritative figures. When these individuals start to see themselves as invincible, it is not only dangerous but disastrous. What may seem innocent to one is life-altering to another. Lack of respect for self, life and people in general often adds to the number of wrongs that occur on a routine basis. People are mistreated every day by individuals who are left unscathed by their inappropriate and often reckless actions. The reluctance to get involved is

part of the problem. Individuals are busy with their own lives and their own responsibilities; they rarely will take away from themselves for another's problems when it means getting involved beyond a superficial action. Abuse, neglect and cover-up are all discussed in the stories of this book. Unfortunately, the damage to the victims is done and they will continue to suffer the consequences of someone else's thoughtless actions. Statements such as: 'move on', 'forgive and forget' and 'put it behind you' are easier said than done when you have had your entire world upended, when your faith in humanity has been lost and when you perceive a lack of caring in the environment around you. These stories are based on real incidents that were swept under the rug. What if you or a loved one is next?

Judas Coyne is a collector of the macabre: a cookbook for cannibals . . . a used hangman's noose . . . a snuff film. An aging death-metal rock god, his taste for the unnatural is as widely known to his legions of fans as the notorious excesses of his youth. But nothing he possesses is as unlikely or as dreadful as his latest purchase, an item he discovered on the Internet: I will sell my stepfather's ghost to the highest bidder . . . For a thousand dollars, Jude has become the owner of a dead man's suit, said to be haunted by a restless spirit. But what UPS delivers to his door in a black heart-shaped box is no metaphorical ghost, no benign conversation piece. Suddenly the suit's previous owner is everywhere: behind the bedroom door . . . seated in Jude's restored Mustang . . . staring out from his widescreen TV. Waiting—with a gleaming razor blade on a chain dangling from one hand . . .

Love Beats Fiercely in a Mother's Heart

Three heart-warming romances about a woman's love—romantic love as well as her love for her family. Keeping Katie Maura Anderson was out of options. Her adopted daughter, three-year-old Katie, is her entire world, and no heartless legal system was going to take her baby away. She did what any mother would do. She grabs Katie and runs. Sheriff Alan Parks believes in the law, following it and enforcing it to the letter. Then Maura Anderson shows up in his small, quiet town, and he knows she's running from something. At first, he assumes she's running from someone - an ex-husband or boyfriend - but when she won't confide in him he starts wondering. Who is this woman who's captured his heart, and what or who is she afraid of? When he finds the answers, however, a part of him wishes he'd never asked the question. Because how can he help her when he represents what she's fleeing . . . the law. Once A

But how can she face Reece after deserting him? And what will happen when he finds out about Lyssa, the daughter he doesn't know he has? Where the Heart Is She'd come home to put her life back together. With a broken engagement behind her and a baby on the way, Maddie Adams needs a safe place to have her baby and heal her broken heart. Then she runs into Nick Ryan, her once-best friend and first love, and her life once again becomes entwined with his. And though the sparks between them are as strong as ever, she does her best to ignore them. Nick had betrayed her once, and she can't risk it happening again. Not now when she has another life to consider. Nick Ryan grew up on the wrong side of the tracks. Back then, the only person who'd believed in him was Maddie Adams, a girl with everything going for her. Then he'd messed up and lost her. Despite that, he'd achieved his dream of becoming a doctor and

returned home to practice medicine. But he'd made other mistakes along the way, mistakes that had cost him his wife and left him with an angry teenage son. With Maddie back in town, he's hoping for a second chance. Can he undo the damage he's done to his son? Can he heal the old hurt between him and Maddie? And can they put together a new family, one based on love rather than obligation?

**Once A Wife** Open Road Media

Two con artists team up in 1880s California for the score of a lifetime—but end up fighting for their lives instead in a stagecoach en route to San Francisco, Grace Rousselot is posing as a nun to drum up “donations” from fellow travelers. Across from her, Reuben Jones is faking blindness to prey on unsuspecting travelers. Both grifters are surprised to learn that they have competition, and even more surprised when their stagecoach is ambushed and robbed, leaving them both flat broke. Not keen to discuss the robbery with the police, Reuben and Grace decide to work together to recoup some of their losses. Soon enough, what starts out as a practical partnership evolves into something more. And with the Chinese mafia hot on their heels, neither is sure just how far they can trust a man—or a woman—with a crooked heart.

The Case Is Closed Crooked Hearts

When Private Matt Duffy wakes up in an army hospital in Iraq, he's honored with a Purple Heart. But he doesn't feel like a hero. There's a memory that haunts him: an image of a young Iraqi boy as a bullet hits his chest. Matt can't shake the feeling that he was somehow involved in his death. But because of a head injury he sustained just moments after the boy was shot, Matt can't quite put all the pieces together. Eventually Matt is sent

back into combat with his squad—Justin, Wolf, and Charlene—the soldiers who have become his family during his time in Iraq. He just wants to go back to being the soldier he once was. But he sees potential threats everywhere and lives in fear of not being able to pull the trigger when the time comes. In combat there is no black-and-white, and Matt soon discovers that the notion of who is guilty is very complicated indeed. National Book Award Finalist Patricia McCormick has written a visceral and compelling portrait of life in a war zone, where loyalty is valued above all, and death is terrifyingly commonplace.

Best-selling British author Helen

Dunmore -- novelist, poet, and first-ever

winner of the Orange Prize for the year's best fiction by a woman -- delivers a "haunting . . . twisting, sensually written tale" (The New York Times Book Review) of betrayal and fierce love. In "sharp, elegant prose" (Publishers Weekly, starred review), *With Your Crooked Heart* introduces Louise, a tough and introspective Londoner trapped in a subtle battle between two brothers. Paul and Johnnie were born twelve years apart, in a one-bedroom flat in a dingy London suburb. Their ascent to money and power looks easy from a distance, but the seductive brothers burn those who get too close. When Paul marries Louise, Johnnie is part of the contract,

and their daughter, Anna, is tangled in it from birth. Paul deals in the development of contaminated land; self-destructive Johnnie deals in crime. When Johnnie has to flee the country, Louise goes with him. Their trip sets in motion inevitabilities that have smoldered beneath the surface from the beginning, a dire and redemptive chain of events that devastates every branch of this crooked family tree. *With Your Crooked Heart's* sensuous, daring prose brilliantly exhibits Dunmore's "poet's ear for language and photographer's eye for images" (Newsday) and confirms The Guardian's claim that Dunmore is "an electrifying and original talent".
