Towards the end of 2015 my life had slipped dangerously out of balance. I was drinking all the time and surviving on a diet of microwave meals, takeaways and energy drinks. In a couple of months I'd put on so much weight I had a belly that sagged over the front of my trousers. I wasn't sleeping, I was sweating all day and getting short of breath carrying out daily tasks. Eventually my immune system gave way and I spent my Christmas holidays far too ill to eat, drink and be merry. I knew I had to make a change. Going into the New Year I swore to myself that for the next 3 months I would do everything necessary to bring my health and well-being back to acceptable levels (a target which I've accidentally smashed to pieces). After a decade of dabbling with fitness and nutrition it was time to get serious, so I designed myself the most effective 3-MONTH NUTRITION and HOME WORKOUT PLAN I possibly could. I prepared all my own meals using natural ingredients and worked out 5-6 times a week in my bedroom; using a set of dumbbells, some press-up handles and a

Swiss ball. Now after 3 months, I can safely say that I've never felt better, physically or mentally. And everything I did (what I ate, when I ate, how I trained, when I trained and the exact exercises I performed) has been included in THE 'BE RAD' BEDROOM BODY BOOK for the whole world to take advantage of. You'll also find vital information about food, how your body works, the different muscle groups and training with weights; everything you'll need to adapt the meal plans and workouts to your own strength and fitness levels. Read it, live it and BE RAD!

Who are they? What are they? How they communicate, and why Jahnets feels they are humanities destiny, are just a few of the questions answered in this story about the magical experiences of her life. Beginning with abduction in childhood by aliens, Jahnets life fans out around her in one after another magical experiences. She develops abilities and does things she cannot explain to anyone. While trying to figure out why this is happening, she learns secrets from them explaining why our world is as it is, and what we can do to change it. Jahnets has studied esoterica for most of her adult life while working in accounting to support her family. She loves gardening, astrology, painting, magic, and creating not necessarily in that order.

Every blessing hides a curse. For me, Kali Sweet, being cursed is my normal state. I'm a demon but I love humans. Especially my half-demon, half-human boyfriend, Rad. He's so imperfect, creative, and, well, mortal. Because I'm one of the original vices Jesus cast out of Mary Magdalene back in Biblical times, I'm cursed with virtue running through my blood as well. I'm constantly at war with my evil side, and now my horrible flaw of loving humans has landed me a new job—one I don't particularly like nor want as head of the Bridge Council, entrusted with keeping humans safe from supernaturals. Lucky me, the job comes with perks—both Lucifer and his big brother Michael are gunning for me. My hand is being forced. Either I kill the King of Hell or Michael will kill everyone I love...including Rad. With my ragtag band of demons, vampires, and shifters, I'm about to go up against Heaven and Hell. Blessing or curse? In the end, all that matters is that I keep those I care about alive and safe, even if I'm the one who ends up at the mercy of Michael's sword. Books in the Kali Sweet Series include: *Revenge Is Sweet, Book 1 Sweet Chaos, Book 2 Sweet Soldier, Book 3 Sweet Curse, Book 4 Kali Sweet Series, Three Urban Fantasy Novels (Kali Sweet Urban Fantasy Series Boxed Set)* Beach Path Publishing, LLC.

A young couple's toxic Instagram crush spins out of control and unleashes a sinister creature in this twisted, viciously funny, "bananas good" debut. (Carmen Maria Machado) "Um, holy shit...This novel will be the most fun you'll have this summer." —Emily Temple, Literary Hub Remy and Alicia, a couple of insecure service workers, are not particularly happy together. But they are bound by a shared obsession with Jen, a beautiful former co-worker of Remy's who now seems to be following her bliss as a globe-trotting jewelry designer. In and outside the bedroom, Remy and Alicia's entire relationship revolves around fantasies of Jen, whose every Instagram caption, outfit, and new age mantra they know by heart. Imagine their confused excitement when they run into Jen, in the flesh, and she invites them on a surfing trip to the Hamptons with her wealthy boyfriend and their group. Once there, Remy and Alicia try (a little too hard) to fit into Jen's exalted social circle, but violent desire and class resentment bubble beneath the surface of this beachside paradise,

threatening to erupt. As small disturbances escalate into outright horror, we find ourselves tumbling with Remy and Alicia into an uncanny alternate reality, one shaped by their most unspeakable, deviant, and intoxicating fantasies. Is this what "self-actualization" looks like? Part millennial social comedy, part psychedelic horror, and all wildly entertaining, *A Touch of Jen* is a sly, unflinching examination of the hidden drives that lurk just outside the frame of our carefully curated selves.

Hicks Media Group, Inc.  
WINNER OF THE PULITZER PRIZE • THE EMMY AWARD-WINNING HBO MINISERIES STARRING FRANCES MCDORMAND, RICHARD JENKINS, AND BILL MURRAY In a voice more powerful and compassionate than ever before, New York Times bestselling author Elizabeth Strout binds together thirteen rich, luminous narratives into a book with the heft of a novel, through the presence of one larger-than-life, unforgettable character: Olive Kitteridge. At the edge of the continent, Crosby, Maine, may seem like nowhere, but seen through this brilliant writer's eyes, it's in essence the whole world, and the lives that are lived there are filled with all of the grand human drama—desire, despair, jealousy, hope, and love. At times stern, at other times patient, at times perceptive, at other times in sad denial, Olive Kitteridge, a retired schoolteacher, deplores the changes in her little town and in the world at large, but she doesn't always recognize the changes in those around her: a lounge musician haunted by a past romance: a former student who has lost the will to live: Olive's own adult child, who feels tyrannized by her irrational sensitivities; and Henry, who finds his loyalty to his marriage both a blessing and a curse. As the townspeople grapple with their problems, mild and dire, Olive is brought to a deeper understanding of herself and her life—sometimes painfully, but always with ruthless honesty. Olive Kitteridge offers profound insights into the human condition—its conflicts, its tragedies and joys, and the endurance it requires. NAMED ONE OF THE BEST BOOK OF THE YEAR BY People • USA Today • The Atlantic • The Washington Post Book World • Seattle Post-Intelligencer • Entertainment Weekly • The Christian Science Monitor • San Francisco Chronicle • Salon • San Antonio Express-News • Chicago Tribune • The Wall Street Journal "Perceptive, deeply empathetic . . . Olive is the axis around which these

thirteen complex, relentlessly human narratives spin themselves into Elizabeth Strout's unforgettable novel in stories."—O: The Oprah Magazine "Fiction lovers, remember this name: Olive Kitteridge. . . . You'll never forget her. . . . [Elizabeth Strout] constructs her stories with rich irony and moments of genuine surprise and intense emotion. . . . Glorious, powerful stuff."—USA Today BONUS: This edition includes an excerpt from Elizabeth Strout's *The Burgess Boys*.

This book describes hazards from radon progeny and other alpha-emitters that humans may inhale or ingest from their environment. In their analysis, the authors summarize in one document clinical and epidemiological evidence, the results of animal studies, research on alpha-particle damage at the cellular level, metabolic pathways for internal alpha-emitters, dosimetry and microdosimetry of radionuclides deposited in specific tissues, and the chemical toxicity of some low-specific-activity alpha-emitters. Techniques for estimating the risks to humans posed by radon and other internally deposited alpha-emitters are offered, along with a discussion of formulas, models, methods, and the level of uncertainty inherent in the risk estimates.

*Rad Dad: Dispatches from the Frontiers of Fatherhood* combines the best pieces from the award-winning zine *Rad Dad* and from the blog *Daddy Dialectic*, two kindred publications that have tried to explore parenting as political territory. Both of these projects have pushed the conversation around fathering beyond the safe, apolitical focus most books and websites stick to; they have not been complacent but have worked hard to create a diverse, multi-faceted space in which to grapple with the complexity of fathering. Today more than ever, fatherhood demands constant improvisation, risk, and struggle. With grace and honesty and strength, *Rad Dad's* writers tackle all the issues that other parenting guides are afraid to touch: the brutalities, beauties, and politics of the birth experience, the challenges of parenting on an equal basis with mothers, the tests faced by transgendered and gay fathers, the emotions of sperm donation, and parental confrontations with war, violence, racism, and incarceration. *Rad Dad* is for every father out in the real world trying to parent in ways that are loving, meaningful, authentic, and ultimately

revolutionary. Contributors Include: Steve Almond, Jack Amoureux, Mike Araujo, Mark Andersen, Jeff Chang, Ta-Nehisi Coates, Jeff Conant, Sky Cosby, Jason Denzin, Cory Doctorow, Craig Elliott, Chip Gagnon, Keith Hennessy, David L. This is the true story of a young boy from Posey County, Indiana, who had a dream to fly. The outbreak of World War II enabled him to fulfill that dream. *Cheerio and Best Wishes* is told entirely through the letters he wrote to his family and friends. Detailed narrative and commentary provide explanation and background information. One hundred thirty-eight letters are presented in this book. It is highly unusual to find this many letters from one person, curated by his family and recently rediscovered by his

son, along with carefully created photograph albums. The story starts in rural southern Indiana and follows the young volunteer as he goes westward to California and New Mexico to be trained to fly bombers. From the United States, he travels via South America and North Africa to England and deploys with the Eighth Air Force. The accounts of his journeys and experiences are detailed, ranging from entertaining to spine-tingling. Moments of high drama intermingle with the mundane nature of war. Together the letters and pictures in this book (the originals are now preserved for posterity in the Purdue University Flight Archives) offer a comprehensive and cohesive story of how US airmen were prepared and trained for war, and detail the daily experience of a bomber pilot flying missions over Germany. The letters of one young flyer reflect the experience of thousands of Americans who volunteered to go to war in the 1940s. His experiences were those of a generation.

THE NEW YORK TIMES BESTSELLER A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time. \_\_\_\_\_ 'This is the book for every woman trying to place their body on the map of consumption vs control, and every woman who wants to better understand her impulses. It left me much changed' - Lena Dunham 'I read these pages, breathless with recognition, and the thrill of reading a new voice telling it like it is' - Dani Shapiro 'Emily Ratajkowski's first essay collection needs to be read by everyone [...] both page-turning and moving as hell' - Amy Schumer 'A slow, complicated indictment of a profession and the people who propel it [...] it will deliver a more nuanced and introspective rendering of her interior than those who come to it with those surface interests might expect' - Vogue 'Dazzling' - Observer 'Ratajkowski brings nuanced insight to questions about empowerment versus commodification of women's bodies and sexuality. Blending cultural criticism and personal stories, *My Body* is smart and powerful' - Time Magazine 'Raw, nuanced and beautifully written. A moving and enlightening experience to join a woman openly exploring such deep parts of her physical self via the written word. A truly impressive debut' - Emma Gannon 'Excellent [...] Ratajkowski writes with curiosity, intellect and acute awareness' - Harper's Bazaar 'Superb [...] it feels revolutionary' - Telegraph 'I admire and envy her artistry' -

Guardian \_\_\_\_\_ Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. *My Body* is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the grey area between consent and abuse. Nuanced, unflinching, and incisive, *My Body* marks the debut of a fierce writer brimming with courage and intelligence.
