The second in our A.M.R. Barret series, Forty Progressive Studies for Oboe was originally part of the Complete Oboe Method and is a great supplement for technique reinforcement. This book

is a must for the serious oboist. Kalmus Editions are primarily reprints of Urtext Editions, reasonably priced and readily available. They are a must for students, teachers, and performers. Standard of excellence National Flute Assn Incorporated
A comprehensive study text for students beginning a serious study of jazz. The first part of the book begins by teaching elements of jazz phrasing, articulation, vibrato and interpretation of rhythms through exercises and original pieces. Next, the book encourages improvisational skills through both theoretical and technical studies of scales and chords. The second half of the book builds on the skills learned in the first part with an in-depth study of the theory, which underlies improvisational techniques including scales, modal concepts and chord construction. Ear training, particularly the development of the ability to hear chord progressions is also emphasized
