Retail Management: A Strategic Approach is built on the fundamental principle that retailers have to plan for and adapt to a complex, changing environment. Without a pre-defined and well-integrated strategy, retailers may flounder and be unable to cope with the environment that surrounds them.

Retail Management: A Strategic Approach, Global Edition ...The strategic planning challenge is clear: “Every global retail strategy must be built on three pillars: (1) The retailer must offer a competitively superior product as defined by local consumers. (2) The retailer must develop superior economics across the value chain that delivers the product to

the local consumer.

An Overview of Strategic Retail ManagementIt is known as of book Retail Management: A Strategic Approach (12th Edition) by Barry R. Berman (2012-07-20). You can add your knowledge by it. Without causing the printed book, it might add your knowledge and make anyone happier to read. It is most critical that, you must aware about e-book.PDF>>>
