A Series of Unfortunate Events #4: The Miserable Mill
HarperCollins
The Bad Beginning

AN UTTERLY UNRELIABLE ACCOUNT OF NETFLIX'S A SERIES OF UNFORTUNATE EVENTS

Harper Collins
The first Series of Unfortunate Events gift/box-set of this New York Times best-selling series. The set includes The Bad Beginning, The Reptile Room, and The Wide Window.
A Series of Unfortunate Events #1: The Bad Beginning Harper Collins
NOW A NETFLIX ORIGINAL SERIES Violet, Klaus, and Sunny Baudelaire are intelligent children. They are charming, and resourceful, and have pleasant facial features. Unfortunately, they are exceptionally unlucky. In the first two books alone, the three youngsters encounter a greedy and repulsive villain, itchy clothing, a disastrous fire, a plot to steal their fortune, a lumpy bed, a deadly serpent, a large brass reading lamp, a long knife,

and a terrible odour. In the tradition of great storytellers, from Dickens to Dahl, comes an exquisitely dark comedy that is both literary and irreverent, hilarious and deftly crafted. Never before has a tale of three likeable and unfortunate children been quite so enchanting, or quite so uproariously unhappy.

A Series of Unfortunate Events Box: The Situation Worsens

Harper Collins
NOW A NETFLIX ORIGINAL SERIES Like bad smells, uninvited weekend guests or very old eggs, there are some things that ought to be avoided. Snicket's saga about the charming, intelligent, and grossly unlucky Baudelaire orphans continues to alarm its distressed and suspicious fans the world over. The tenth book in this outrageous publishing effort features more than the usual dose of distressing details, such as snow gnats, an organised troupe of youngsters, an evil villain with a dastardly plan, a secret headquarters and some dangerous antics you should not try at home. With the weather turning colder, this is one chilling book you would be better off without.

A Series of Unfortunate Events #9: The Carnivorous Carnival

Harper Collins
There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to

choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . In *The Wide Window* we encounter a story that includes a hurricane, a signalling device, hungry leaches, cold cucumber soup, a horrible villain and a doll named Pretty Penny. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's *A Series of Unfortunate Events* to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

A SERIES OF UNFORTUNATE EVENTS #5: THE AUSTERE ACADEMY

HarperCollins

NOW A NETFLIX ORIGINAL SERIES As the three Baudelaire orphans warily approach their new home Prufrock Preparatory School, they can't help but notice the enormous stone arch bearing the school's motto *Memento Mori* or "Remember you will die." This is not a cheerful greeting and certainly marks an inauspicious beginning to a very bleak story just as we have come to expect from Lemony Snicket's *A Series of Unfortunate Events*, the deliciously morbid set of books that began with *The Bad Beginning* and only got worse.

THE END

The Bad Beginning 'If you are interested in stories with happy endings, you would be better off reading some other book.' Violet, Klaus and Sunny Baudelaire are most unfortunate children. Orphaned after the sudden death of their parents in a house fire, they are left in the hands of their guardian, Count Olaf, who has diabolical plans for them . . . 'A Series of Unfortunate Events' has sold more than 60 million copies worldwide, has been translated into 41 languages and was adapted into a 2004 film starring Jim Carrey. 'Wicked good fun' - Kirkus Reviews *A Series of Unfortunate Events #13: The End*

NOW A NETFLIX ORIGINAL SERIES A Warning from the Publisher: Would you rather sprain your ankle, bruise your hip, and lose a toe to frostbite on the same day? Or would you rather have these accidents happen on three different days? This electronic collection of volumes seven through nine in *A Series of Unfortunate Events* by Lemony Snicket is the e-equivalent of having three ghastly accidents right in a row. Contained here are such unpleasantries as kidnapping, disguise, murder, paperwork, another disguise, heart-shaped balloons, false allegations, stiletto heels, a shattered crystal ball, a cryptic map, an irritating song, and quite a few more disguises, all bundled together into a continuous barrage of horror and dismay. The more sensible approach would be to read *The Vile Village*, *The Hostile Hospital*, and *The Carnivorous Carnival* months or even years apart from one another, so you have time to recuperate from the misery each volume offers—or better yet, to turn your eyes away from Mr. Snicket's work and find an electronic experience that would cause you no distress whatsoever.

Dear Listener, You are presumably looking at the back of this audiobook, or the end of the end. The end of the end is the best place to begin the end, because if you listen to the end from the beginning of the beginning of the end to the end of the end of the end, you will arrive at the end of the end of your rope. This audiobook is the last in *A Series of Unfortunate Events*, and even if you braved the previous twelve volumes, you probably can't stand such unpleasantries as a fearsome storm, a suspicious beverage, a herd of wild sheep, an enormous bird cage, and a truly haunting secret about the Baudelaire parents. I also shouldn't mention the features of the interactive CD, which include: Perplexing word games Photos from The Lemony Snicket Archives Art from The Brett Helquist gallery It has been my solemn occupation to complete the history of the Baudelaire orphans, and at last I am finished. You likely have some other occupation, so if I were you I would drop this audiobook at once, so the end does not finish you. With all due respect, Lemony Snicket

THE UNAUTHORIZED AUTOBIOGRAPHY

A Series of Unfortunate Events #1: The Bad Beginning Netflix Tie-in Hachette Books

NOW A NETFLIX ORIGINAL SERIES Don't be fooled by the new, Netflix-inspired book covers of the first four books in this New York Times bestselling series. The events recounted in this four-book box set (which includes *The Bad Beginning*, *The Reptile Room*, *The Wide Window*, and *The Miserable Mill*) are sure to depress you. If you cannot stomach stories that find misfortune continuously befalling the three charming Baudelaire orphans, I recommend you make another reading selection. The terrible tale of the Baudelaire's bad luck starts with *The Bad Beginning*, and it all gets worse from there. Some boxes should never be opened.

COMPLETE WRECK (A SERIES OF UNFORTUNATE EVENTS, BOOKS 1-13).

Harper Collins

NOW A NETFLIX ORIGINAL SERIES Lemony Snicket returns with the last book before the last book of his bestselling A Series of Unfortunate Events. Scream and run away before the secrets of the series are revealed! Very little is known about Lemony Snicket and A Series of Unfortunate Events. What we do know is contained in the following brief list: The books have inexplicably sold millions and millions of copies worldwide People in more than 40 countries are consumed by consuming Snicket The movie was as sad as the books, if not more so Like unrefrigerated butter and fungus, the popularity of these books keeps spreading Even less is known about book the twelfth in this alarming phenomenon. What we do know is contained in the following brief list: In this book, things only get worse Count Olaf is still evil The Baudelaire orphans do not win a contest The title begins with the word 'The' Sometimes, ignorance is bliss.

With Bonus Material Harper Collins

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . The Carnivorous Carnival contains such a distressing story that consuming any of its contents would be far more stomach-turning than even the most imbalanced meal. To avoid causing discomfort, it would be best if I didn't mention any of the ingredients of this story, particularly a confusing map, an ambidextrous person, an unruly crowd, a wooden plank and Chabo the Wolf Baby. Your time might be better filled with something more palatable such as eating your vegetables or feeding them to someone else. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

NOW A NETFLIX ORIGINAL SERIES If you have not read anything

about the Baudelaire orphans, then before you read even one more sentence, you should know this: Violet, Klaus, and Sunny are kindhearted and quick-witted, but their lives are filled with bad luck and misery. All of the stories about these three children are unhappy and wretched and will most likely fill you with deep despair. From The Bad Beginning to The End, this comprehensive collection with unfortunate bonus material that may or may not include trivia questions, character profiles, and several very sad sentences is the only choice for people who simply cannot get enough of a bad thing!

The Wide Window HarperCollins

Evil Count Olaf walks you through the movie. Includes rare behind-the-scene sketches, photos, illustrations and movie stills. *A Series of Unfortunate Events 01. The Bad Beginning* HarperCollins

What could be worse than a book by Lemony Snicket? Three books by Lemony Snicket—all in one foul package. This second Box of Unfortunate Events, contains *The Miserable Mill*, *The Austere Academy*, and *The Ersatz Elevator*.

A Series of Unfortunate Events #3: The Wide Window HarperCollins

NOW A NETFLIX ORIGINAL SERIES A Warning from the Publisher: Imagine you are wearing a bandage that needs to be removed. Are you the sort of person who tears the bandage right off, causing an enormous amount of pain in a short instance? Or do you prefer to spread your pain out over a longer period of time, by slowly unpeeling the bandage from your injury? If you are the first type of person, then this three-book electronic collection might be for you. All of the misery and woe available in three Lemony Snicket volumes—*The Miserable Mill*, *The Austere Academy*, and *The Ersatz Elevator*—have been joined into one compactly miserable package, so readers foolish enough to read about the Baudelaire orphans can be unnerved in a slightly more economical fashion. If you are the second type of person, then volumes four through six in A Series of Unfortunate Events might be for you. Even if you unwisely choose to read them at a more leisurely pace, you will encounter such atrocities as poorly paid employees, a hypnotist, an evil scheme, a gym teacher, dripping fungus, another evil scheme, a fake accent, three mysterious consonants, a red herring, and at least one more evil scheme. Of course, most people would prefer not to be injured at all. We salute these sensible people, who will doubtless not purchase any books by Lemony Snicket, no matter how conveniently bundled.
