"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel

after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and

starts to remember what life was like before the Party came to power.

For fans of Mieko Kawakami's *Breasts and Eggs* and Murata Sayaka's *Earthlings*, this Japanese bestseller from renowned anime director Makoto Shinkai features four inspirational and heartwarming vignettes following women and their cats in their quests for love and connection. Lying alone on the edge of the sidewalk in an abandoned cardboard box, a nameless narrator contemplates the indifferent

world around him. With his mother long gone, his only company is the sound of the nearby train. Just as he fears that the end is near, a young woman peers down at him, this fateful encounter changing their lives forever. So begins the first story in *She and Her Cat*, a collection of four interrelated, stream-of-conscious short stories in which four women and their feline companions explore the frailty of life, the pain of isolation, and the limits of communication. With clever narration alternating between the cats and their owners, *She and Her Cat* offers a unique and sly commentary on human foibles and our desire for connection. A whimsical short story anthology unlike any other, it effortlessly demonstrates that even in our darkest, most lonesome moments, we are still united to this wondrous world—often in ways we could never have expected.

Hi, my name is Christopher, and this is my story, maybe It's just like yours, or maybe it isn't. We might not have anything in common, but, we may be very similar and have questions without answers. I'm sure we are both constatly hunted by our past.

Although we may not, I don't think I'm like you, my shy friend, invisible in the crowd, addicted to be an addict. In the end, it doesn't matter whom I look like, or who I truly am. What you have in your hands is my journal and it is welcoming you to live inside of a "MAYBE," and to fall in love as much as to end up ignoring it. Life introduced her to me, to show me my desire of living through her eyes.

Everything started in May, but I can't tell you what day is today. I'd like to welcome you to my life, filled with excess and fun. I invite you to a world merged with crisis, and to a life filled with music, concerts and poetry.

Deben encontrarse a las cinco de la tarde en el pequeño jardín de la Capilla Expiatoria; pero Julio Desnoyers llega media hora antes, con la impaciencia del enamorado que cree adelantar el momento de la cita presentándose con anticipación. Al pasar la verja por el bulevar Haussmann, se dio cuenta repentinamente de que en París el mes de julio pertenece al verano. El curso de las estaciones era para él en aquellos momentos algo embrollado que exigía

culos. Habían transcurrido cinco meses desde las últimas entrevistas en este square que ofrece a las parejas errantes el refugio de una calma hmeda y fnebre junto a un bulevar de continuo movimiento y en las inmediaciones de una gran estación de ferrocarril. La hora de la cita era siempre las cinco. Julio veía llegar a su amada a la luz de los reverberos, encendidos recientemente, con el bulto envuelto en pieles y llevándose el manguito al rostro lo mismo que un antifaz. La voz dulce, al saludarlo, esparcía su respiración congelada por el frío: un nimbo de vapor blanco y tenue. Después de varias entrevistas preparatorias y titubeantes, abandonaron definitivamente el jardín. Su amor había adquirido la majestuosa importancia del hecho consumado, y fue a refugiarse de cinco a siete en un quinto piso de la rue de la Pompe, donde tenía Julio su estudio de pintor. Las cortinas bien corridas sobre el ventanal de cristales, la chimenea ardiente esparciendo palpitations de púrpura como única luz de la habitación, el monótono canto del samovar hirviendo junto a las tazas de té, todo el recogimiento de una vida aislada

por el dulce egoísmo, no les permitía enterarse de que las tardes iban siendo más largas, de que afuera aún lucía a ratos el sol en el fondo de los pozos de ncar abiertos en las nubes, y que la primavera, una primavera tímida y pálida, empezaba a mostrar sus dedos verdes en los botones de las ramas, sufriendo las últimas mordeduras del invierno, negro jabalí que volvía sobre sus pasos. "Relatable and comforting and challenging all at once. Don't be afraid to read this book." —Jenny Lawson, author of *Furiously Happy* A funny and wise guide and workbook for conquering fears, from the existential to the everyday, and defeating the monster those fears can become: anxiety This is a book about fear. About how it works, how it takes hold over us, and how it dogs us from childhood (the monsters under the bed) to adulthood (careers, relationships, accidentally sending that risky text to the wrong person--all the things that make us want to bite our nails). But this is also a book about that monster our fear can warp into when it grows too powerful, a phenomenon we are all too familiar with

and that more and more of us are struggling against: anxiety. Author and illustrator Amalia Andrade had her own battle with anxiety, and not only did she make it out the other side, she learned sometimes it's the very thing that almost sinks you that can save you. Through the lessons, exercises, and often hilarious personal stories Amalia shares in these pages, together you will learn how to make those feelings your friends and turn your fears into superpowers.
