Collier's Alfred Music
 This repertoire of simplified classical and folk music is intended for students who are new to the piano, but who already knows how to read music and place their fingers on the

instrument. This is not a learning method, but a sheet music support, classified from the simplest to the most complicated piece. It is designed to help you grow from beginner to intermediate pianist. Classical music is a great way to learn the piano, however, it is not always enjoyed by novice pianists. This is why I only chose well-known and short pieces in order to combine enjoyment and improvement. This is the secret to progress quickly! Contents : Canon

As the world teeters on the brink of war again, change is in the air... After graduating from finishing school, Celia and Wenna Pengelly go their separate ways - Celia to New Jersey to recover from a broken heart, and Wenna to

London, where she discovers ambitions she never knew she had. However, though worlds apart, both sisters are inexorably drawn towards Cornwall, to the family businesses of china, clay and pottery. And as the world teeters once more on the brink of war, the Pengellys struggle to keep pace with change. The only source of stability is their family unit and now even that is at risk, threatened by uncontrollable external forces. Perfect for readers of Emma Hornby, Rosie

Goodwin and Lesley Pearce, September Morning is an emotional and unputdownable saga of love and war

 This book discusses WWI-
 era music in a historical

context, explaining
 music's importance at
 home and abroad during
 WWI as well as examining
 what music was being
 sung, played, and danced
 to during the years prior
 to America's involvement
 in the Great War. •
 Provides an excellent
 resource for students
 investigating music during
 the First World War as
 well as for adults
 interested in WWI-era
 history or music of the

with Greg Nielsen,
contains jazz duets in a
variety of styles. This
unique book is compatible
for performance with all
instruments and is
published with a CD of hip
rhythm section
backgrounds. In addition,
the duets can be
performed with a live

rhythm section using the
chord symbols provided in
the C and Bass Clef
editions. Not only is the
book great for individual
jazz practice for
improvisation, articulation
and phrasing, but it
provides interaction with
another musician or group
with no limitation on the
instrumentation. The
duets are also very useful
to the educator who may
find it difficult to get a full
band together.

It's

popularity has been further enhanced by frequent television broadcasts of the award winning cartoon film *The Snowman*. In this suit for clarinet and piano, composer Howard Blake recreated the story in words and music based on the scenes from the film. The music, which includes the hit song *Walking in the Air*, is easy enough to be played by pianists and clarinet players of all ages and abilities.

 The Peer Gynt Suite may be Edvard Grieg's most famous composition. Its

melodies have insinuated themselves into our culture so that they are now universally familiar. the movements are: Morning Song, Asa's Death, Anitra's Dance, and In the Hall of the Mountain King. This edition presents, for the first time, the entire suite in a version for solo guitar. This is a substantial work for the guitarist that, while requiring solid technique, is quite rewarding for both the player and the audience. Also included is a transcription of Grieg's

beautiful Solveig's Song.
