In order for students to  
write effective narratives,  
they need to read good

narratives. In this practical book, you'll find out how to use mentor texts to make narrative writing instruction more meaningful, authentic, and successful. Author Sean Ruday demonstrates how you can teach elementary and middle school students to analyze the qualities of effective narratives and then help them think of those qualities as tools to improve their own writing. You'll learn how to: Introduce your students to the key features of a successful narrative, such

as engaging the reader, organizing an event sequence, and crafting a strong conclusion. Assess students' writing by evaluating the specific attributes of an effective narrative. Make narrative writing an interactive, student-driven exercise in which students pursue their own writing projects. Use mentor texts to help students learn the core concepts of narrative writing and apply those skills across the curriculum. Encourage students to incorporate technology and

multimedia as they craft their narratives. The book is filled with examples and templates you can bring back to the classroom immediately, as well as an annotated bibliography with mentor text suggestions and links to the Common Core. You'll also find a study guide that will help you use this book for professional development with colleagues. Bonus: Blank templates of the handouts are available as printable eResources on our website (<http://www.routledge.co>

Examine a moving,  
personal narrative about  
growing up gay in the  
south! Students, teachers,  
and anyone interested in

gay studies and  
experiences will find that  
The Mentor: A Memoir of  
Friendship and Gay  
Identity (a 2001 Lambda  
Literary Foundation Gay  
Male  
Biography/Autobiography  
Award finalist) delivers a  
captivating and honest  
look into the challenges of  
growing up gay through  
the context of firsthand  
experiences, revelations,  
and realizations. This  
unique book is an  
intelligent and personal  
narrative that considers  
the social, religious, and  
emotional aspects of what

it is like to grow up as a  
gay male in the south and  
examines the enormous  
social changes regarding  
homosexuality that have  
taken place in America  
during the last half of the  
century. Written to reveal  
the importance of the  
author's mentor in helping  
him form his self-identity  
and educating him about  
being gay, this book  
challenges the  
stereotypical idea that,  
unlike heterosexuals, gay  
men are not able to form  
nurturing, fulfilling bonds  
between themselves. The  
Mentor delivers an

inspiring story about accepting and understanding your sexuality with the help and guidance of other men who have traveled the road to a successful gay identity. This unique book offers the courage, strength, and support of a mentor to help guide you through the trials that many young gay men experience, such as: recognizing the possibilities of exploitation by older gay men due to a lack of emotional and social experience creating a

loyal relationship with a man that does not include sex but which satisfies emotional needs that many gay men need and long for discovering the importance of a mentor to gay youths, since there are few homosexual role models to learn from Sincere and well-written, The Mentor provides insight into everything from the author's experience with intolerance of homosexuality by certain religions to struggles with fidelity and infidelity, illustrating the difficult yet

universal challenges of life relationships. The Mentor contains suggestions that will help you recognize that your feelings of desire and love and your quest for human connection as a gay man are not the distorted reflections of a heterosexual image, but a healthy gay identity. With this unique book, you will discover how to make the shift from confusion to full acceptance of your gay identity, you will understand that you are not alone, and perhaps you will be encouraged to

pass on the legacy of a mentor to other young gay men.

### **A PRACTICAL GUIDE**

Stylus Publishing, LLC

This guide offers helpful advice on how teachers, administrators, and career advisers in science and engineering can become better mentors to their students. It starts with the premise that a successful mentor guides students in a variety of ways: by helping them get the most from their educational experience, by introducing them to and making them comfortable with a specific disciplinary culture, and by offering assistance with the search for suitable employment.

Other topics covered in the guide include career planning, time management, writing development, and responsible scientific conduct. Also included is a valuable list of bibliographical and Internet resources on mentoring and related topics.

### **A Practical Guide**

Thomas Nelson  
This study guide will help you to help others in your mentoring or counseling ministry. It can be used as homework or a guide to your

mentoring/counseling sessions (or a small group.) It includes general Bible Study methods along with topical studies that you choose according to your need. You and the women you help - all people for that matter - struggle in life due to both sin and suffering. Have you or has someone you know ever battled:  
Depression? Anxiety, worry, stress, fear?  
Addictions or strongholds?  
Anger? Difficulty making decisions? Insecurity and the fear of man?  
Relationship conflict?

Guilt, shame and regret? Loss and grief? Parenting difficulties? Victimization? Because of the Gospel, and through God's Word, there is HOPE. This Mentor's Study Guide for women is designed to help you and help you to help others to think Biblically and to apply the Gospel and God's Word to life's struggles. *A Guide to Succeeding in the Academy* Jossey-Bass

It's been a decade since Lynne Dorfman and Rose Cappelli wrote the first edition of Mentor Texts and helped teachers

across the country make the most of high-quality children's literature in their writing instruction. In the second edition of this important book Lynne and Rose show teachers how to help students become confident, accomplished writers by using literature as their foundation. The second edition includes brand-new "Your Turn Lessons," built around the gradual release of responsibility model, offering suggestions for demonstrations and shared or guided writing. Reflection is emphasized

as a necessary component to understanding why mentor authors chose certain strategies, literary devices, sentence structures, and words. Lynne and Rose offer new children's book titles in each chapter and in a carefully curated and annotated Treasure Chest. At the end of each chapter a "Think About It--Talk About It--Write About It" section invites reflection and conversation with colleagues. The book is organized around the

characteristics of good writing--focus, content, organization, style, and conventions. Rose and Lynne write in a friendly and conversational style, employing numerous anecdotes to help teachers visualize the process, and offer strategies that can be immediately implemented in the classroom. This practical resource demonstrates the power of learning to read like writers.

### **MENTORING SCIENCE TEACHERS IN THE SECONDARY SCHOOL**

CreateSpace  
In this fully revised and expanded third edition of the bestselling Reciprocal Teaching at Work, Lori D. Oczkus provides both tried-and-true and fresh solutions for teaching reading comprehension. Reciprocal teaching is a scaffolded discussion

technique that builds on the Fab Four strategies that good readers use to understand text: predicting, questioning, clarifying, and summarizing. With a focus on these four evidence-based and classroom-tested strategies, Oczkus presents new ways to use reciprocal teaching to improve students' comprehension while actively engaging them in learning and encouraging independence. Appealing to students and teachers alike, reciprocal teaching encompasses social

aspects of teaching and learning with modeling, think-alouds, and discussion. This helpful guide is packed with fresh material, including \* More than 40 new and updated step-by-step lessons and minilessons that reflect current thinking and best practice. \* Dozens of rich suggestions for diving into informational texts. \* Updated research and relevant results that show the effectiveness of reciprocal teaching. \* Creative and targeted tips that capitalize on the specific benefits of whole-

class settings, guided reading groups, and literature circles. \* Ideas for differentiating instruction for struggling readers and English language learners. \* New and newly designed support materials, including reproducibles, posters, bookmarks, and a lesson planning menu. With a wealth of ideas to get you started—and keep you going—this is the all-inclusive resource you need to help students become active, engaged, and independent readers who truly comprehend

what they read. Reviews and Testimonials "Literacy coach and author Lori Oczkus knows how to take the best of what works from long-established research and showcase it to make teaching and learning more effective, engaging, and enjoyable. In her latest edition of *Reciprocal Teaching at Work*, she demonstrates how to scaffold instruction so that all K-12 students can benefit from reciprocal teaching techniques, what she calls the "Fab Four"—predicting,

questioning, clarifying, and summarizing—in whole-group, guided reading, and book club settings, for both fiction and informational texts. In clearly delineated lessons and minilessons, Lori deftly shares how to support students' learning, including English language learners and students who struggle, so they can successfully apply and monitor those four discussion strategies—as well as troubleshoot problems—to yield significant progress in their reading

comprehension. Filled with great practical ideas, this gem of a book is a must-have for all literacy educators!" —Regie Routman, author of *Read, Write, Lead; Literacy Essentials* "Reciprocal teaching works to push students into deeper learning. There are decades of research on the impact of this instructional approach, and this book shows you how to implement and refine the practice such that all students succeed." —Doug Fisher,

author of *Checking for Understanding and Visible Learning for Literacy* "One of the great instructional research discoveries of the past three decades has been the efficacy of reciprocal teaching for improving student learning and reading comprehension. More than anyone, Lori Oczkus has explored practical ways for making reciprocal teaching an integral part of nearly any classroom setting. This current work by Lori represents the epitome of her work in translating

reciprocal teaching research into practice. Readers will find this immensely readable book filled with strategies that can be easily implemented and that will improve student learning. If you are interested in improving your students' reading achievement, you need to read this book!"  
—Timothy Rasinski, author of *The Fluent Reader and Close Reading with Paired Texts* "In this new edition of *Reciprocal Teaching at Work*, Lori Oczkus offers new thinking while reinforcing

the best practices that make her ideas timeless. Through these engaging lessons and smart instructional moves, you will empower your students to build the confidence and competence they need to become strong, independent readers."  
—Donalyn Miller, author of *The Book Whisperer* "On every page of this book, in every activity and plan, the voice of a gifted and empowering teacher inspires the reader. In a major revision of her classic work, Lori Oczkus

engages the immediacy and demands of today's classrooms with the most robust constellation of strategies for teaching comprehension. She compellingly demonstrates how the "Fab Four" are engaged across the grades, and she powerfully scaffolds, supports, and reassures teachers in their efforts to incorporate reciprocal teaching across a broad communication, textual, and digital terrain."

Studies University of Nevada, Reno, NV

## **A TEACHER'S GUIDE TO MENTOR TEXTS, 6-12**

ASCD

"This new book in the Diverse Faculty in the Academy series pulls back the curtain on what Black women have done to mentor each other in higher education, provides advice for navigating unwelcoming campus environments, and explores avenues for institutions to support and foster minoritized

women's success in the academy. Chapter authors present critical approaches to advance equity and to achieve trust and transparency in the academy. Drawing on examples of mentoring between Black women students, faculty, and administrators in and outside of the academy from diverse institutional contexts, exploring the use of digital technologies, and framed by theoretical concepts from a range of disciplines, this important volume provides insights

on mentoring that can be employed across all of higher education to support the success of Black women faculty. Full of actionable steps that institutional leaders can take to support the network of mentors it takes to be successful in the academy, this book is a must read for department and university leaders, faculty, and graduate students in Higher Education interested in supporting and fostering mentoring for those most vulnerable in the academic pathway

for success"--
