Learning

In one moment Nicole Burns's life
changes forever. The sound of gunfire at
an Anne Frank exhibit, the panic, the
crowd, and Nicole is no longer Nicole.
Whiplashed through time and space, she
wakes to find herself a privileged Jewish
girl living in Nazi-occupied Paris during
World War II. No more Internet diaries
and boy troubles for Nicole-now she's a
carefree Jewish girl, with wonderful
friends and a charming boyfriend. But
when the Nazi death grip tightens over
France, Nicole is forced into hiding, and
begins a struggle for survival that brings
her face to face with Anne Frank. "This is

a powerful and affecting story." (KLIATT)

The English Teachers' Companion

Simon and Schuster

In her amazing diary, Anne Frank revealed the challenges and dreams common for any young girl. But Hitler brought her childhood to an end and forced her and her family into hiding. *Who Was Anne Frank?* looks closely at Anne's life before the secret annex, what life was like in hiding, and the legacy of her diary. Black-and-white illustrations including maps and diagrams provide historical and visual reference in an easy-to-read biography written in a way that is appropriate and accessible for younger readers.

GIRLS LIKE US

Crown

Bronia helped her family survive during the occupation of Poland by smuggling goods to trade for food. Then Bronia and her sisters were deported to Auschwitz II-Birkenau concentration camp and with courage and the help of strangers Bronia became one of the youngest survivors.

The Circulatory Story Simon and Schuster

Leon Leyson (born Leib Lezjon) was only ten years old when the Nazis invaded Poland and his family was forced to relocate to the Krakow ghetto. With incredible luck, perseverance and grit, Leyson was able to survive the sadism of the Nazis, including that of the demonic Amon Goeth, commandant of Plaszow, the concentration camp outside Krakow. Ultimately, it was the generosity and cunning of one man, a man named

Oskar Schindler, who saved Leon Leyson's life, and the lives of his mother, his father, and two of his four siblings, by adding their names to his list of workers in his factory - a list that became world renowned: Schindler's List. This, the only memoir published by a former Schindler's List child, perfectly captures the innocence of a small boy who goes through the unthinkable. Most notable is the lack of rancour, the lack of venom, and the abundance of dignity in Mr Leyson's telling. The Boy on the Wooden Box is a legacy of hope, a memoir unlike anything you've ever read.

A ninth-grader's suspension for singing "The Star-Spangled Banner" during homeroom becomes a national news

story.

Anne Frank's Tales from the Secret Annex
Top Shelf Productions

Winner of the National Jewish Book Award: viewing the Holocaust through the eyes of youth "Zapruder . . . has done a great service to history and the future. Her book deserves to become a standard in Holocaust studies classes. . . . These writings will certainly impress themselves on the memories of all readers."—Publishers Weekly "These extraordinary diaries will resonate in the reader's broken heart for many days and many nights."—Elie Wiesel This stirring collection of diaries written by young people, aged twelve to twenty-two years, during the Holocaust has been fully revised and updated. Some of the writers were refugees, others were in

hiding or passing as non-Jews, some were imprisoned in ghettos, and nearly all perished before liberation. This seminal National Jewish Book Award winner preserves the impressions, emotions, and eyewitness reportage of young people whose accounts of daily events and often unexpected thoughts, ideas, and feelings serve to deepen and complicate our understanding of life during the Holocaust. The second paperback edition includes a new preface by Alexandra Zapruder examining the book's history and impact. Simultaneously, a multimedia edition incorporates a wealth of new content in a variety of media, including photographs of the writers and their families, images of the original diaries, artwork made by the writers, historical

documents, glossary terms, maps, survivor testimony (some available for the first time), and video of the author teaching key passages. In addition, an in-depth, interdisciplinary curriculum in history, literature, and writing developed by the author and a team of teachers, working in cooperation with the educational organization Facing History and Ourselves, is now available to support use of the book in middle- and high-school classrooms.

Anne Frank and Me The Diary of Anne Frank

An anthology of seventeen non-fiction essays provide examples of personal narratives, arguments, and digressive discourse, and reveal insight into such subjects as cattle grazing, the death of Socrates, and becoming a doctor.

Anne Frank's Diary: The Graphic Adaptation Corwin Press

She was a young German Jew. He was an ardent member of the Hitler Youth. This is the story of their parallel journey through World War II. Helen Waterford and Alfons Heck were born just a few miles from each other in the German Rhineland. But their lives took radically different courses: Helen's to the Auschwitz concentration camp; Alfons to a high rank in the Hitler Youth. While Helen was hiding in Amsterdam, Alfons was a fanatic believer in Hitler's "master race." While she was crammed in a cattle car bound for the death camp Auschwitz, he was a teenage commander of frontline troops, ready to fight and die for the glory of Hitler and the Fatherland. This book tells both of

their stories, side-by-side, in an overwhelming account of the nightmare that was World War II. The riveting stories of these two remarkable people must stand as a powerful lesson to us all.

Nothing But the Truth Heinemann Educational Books

It is 1945, and courageous ten-year-old Sookan and her family must endure the cruelties of the Japanese military occupying Korea. Police captain Narita does his best to destroy everything of value to the family, but he cannot break their spirit. Sookan's father is with the resistance movement in Manchuria and her older brothers have been sent away to labor camps. Her mother is forced to supervise a sock factory and Sookan herself must wear a uniform and attend

a Japanese school. Then the war ends. Out come the colorful Korean silks and bags of white rice. But Communist Russian troops have taken control of North Korea and once again the family is suppressed. Sookan and her family know their only hope for freedom lies in a dangerous escape to Americancontrolled South Korea. Here is the incredible story of one family's love for each other and their determination to risk everything to find freedom.

A Yellow Raft in Blue Water Macmillan
Simple, humorous text and comic illustrations explain the basics of the circulatory system--the systemic, pulmonary, and coronary circuits. Readers follow a red blood cell on its journey through the body, and in the process learn how the body combats

disease, performs gas exchanges, and fights plaque.

WHO WAS ANNE FRANK?

Steerforth

In the Two Medicine territory of Montana, the Pikuni Indians are forced to choose between fighting a futile war or accepting a humiliating surrender, as the encroaching numbers of whites threaten their very existence

I Am a Strange Loop Yale University Press

Follows three generations of Indian women beset by hardships and torn by angry secrets, yet inextricably bound together by kinship.

Simon and Schuster

The voices of Mrs. Midas, Queen Kong, and Frau Freud, to say nothing of the

Devil's wife herself, startle us with their wit, imagination, and incisiveness in this collection of poems written from the perspectives of the wives of famous--and infamous--male personages. Reprint.

They Called Us Enemy - Expanded Edition Pantheon

Daniel Quinn, well known for *Ishmael* – a life-changing book for readers the world over – once again turns the tables and creates an otherworld that is very like our own, yet fascinating beyond words. Imagine that Nazi Germany was the first to develop an atomic bomb and the Allies surrendered. America was never bombed, occupied, or even invaded, but was nonetheless forced to recognize Nazi world dominance. The Nazis continued to press their campaign to rid the planet of “mongrel races” until

eventually the world – from Capetown to Tokyo – was populated by only white faces. Two thousand years in the future people don't remember, or much care, about this distant past. The reality is that to be human is to be Caucasian, and what came before was literally ancient history having nothing to do with those then living. Now imagine that reincarnation is real, that souls migrate over time from one living creature to another, and that a soul that once animated an American black woman living at the time of World War II now animates an Aryan in Quinn's new world, and that due to a traumatic accident memories of this earlier incarnation assert themselves. Compared by readers and critics alike to 1984 and *Brave New World*, *After Dachau* is a new dystopian

classic with much to say about our own time, and the dynamics of human history.

Fools Crow Farrar, Straus and Giroux
The compelling chapters shared in this volume—focused on innovation and transformation—will help thrust education and teacher action (rather than reaction) in a positive trajectory of change.

WITH RIGOR FOR ALL

Halban Publishers

A timeless story rediscovered by each new generation, *The Diary of a Young Girl* stands without peer. For both young readers and adults it continues to capture the remarkable spirit of Anne Frank, who for a time survived the worst horror the modern world has seen—and

who remained triumphantly and heartbreakingly human throughout her ordeal. Adapted by Ari Folman, illustrated by David Polonsky, and authorized by the Anne Frank Foundation in Basel, this is the first graphic edition of *The Diary* and includes extensive quotation directly from the definitive edition. It remains faithful to the original, while the stunning illustrations interpret and add layers of visual meaning and immediacy to this classic work of Holocaust literature.

BEFORE WE WERE FREE

Knopf Books for Young Readers

It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the

Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the

human cost of political oppression.

THE FREEDOM WRITERS DIARY (20TH ANNIVERSARY EDITION)

Scholastic Incorporated
#1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell Now a public television documentary, *Freedom Writers: Stories from the Heart* In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of "unteachable, at-

risk” students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank’s diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the “Freedom Writers.” Consisting of powerful entries from the students’ diaries and narrative text by

Erin Gruwell, *The Freedom Writers Diary* is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture *Freedom Writers*. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. *The Freedom Writers Diary* remains a vital read for anyone who believes in second chances.
