Winesburg, Ohio is a 1919 short story cycle by the American author Sherwood Anderson. Sherwood Anderson (1876–1941) was an American novelist and short story writer, known for subjective and self-revealing works. Self-educated, he rose to become a successful copywriter and business owner in Cleveland and Elyria, Ohio. In 1912, Anderson had a nervous breakdown that led him to abandon his

business and family to become a writer. The work is structured around the life of protagonist George Willard, from the time he was a child to his growing independence and ultimate abandonment of Winesburg as a young man. It is set in the fictional town of Winesburg, Ohio (not to be confused with the actual Winesburg), which is based loosely on the author's childhood memories of Clyde, Ohio. Mostly written from late 1915 to early 1916, with a few stories completed closer to publication, they were "...conceived as complementary parts of a whole, centered in the background of a single community." The book consists of twenty-two stories, with the first story, "The Book of the Grotesque", serving as an introduction.

Henry Miller was one of the most distinctive voices in twentieth-century literature. Better known in Europe than in his native America for most of this career, he achieved international success and celebrity during the 1960s when his banned "Paris" books—beginning with *Tropic of Cancer*—were published here and judged by the Supreme Court not to be obscene. Until then he had toiled in relative obscurity and poverty. The *Unknown Henry Miller* recounts Miller's career from its beginnings in Paris in the 1930s but focuses on his years living in Big Sur, California, from 1944 to 1961, during which he wrote many of his most

important books, including *The Rosy Crucifixion* trilogy, married and divorced twice, raised two children, painted watercolors, and tried to live out an aesthetic and personal credo of self-realization. Written with the cooperation of the Henry Miller, Anais Nin, and other estates, *The Unknown Henry Miller* quotes extensively from Miller's correspondence in order to offer the reader direct experience of the author and man. It also draws on material not available to previous biographers, including interviews with Lepska Warren, Miller's third wife, and revelations from unpublished portions of Anais Nin's diaries. Behind the "bad boy" image, the author finds a man with devoted friendships, whose challenge of literary sexual taboos was part of a broader

assault on the dehumanization of man and commercialization during the postwar years. He puts Miller's alleged misogyny in the context of his satire of sexual mores in general, and makes the case for restoring this groundbreaking writer to his rightful place in the American literary canon. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs

about overcoming adversity, first-hand tales of adventure, and much more.

While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Penguin Classics

A Cuban artist finds his options increasing even as he remains holed up in his crumbling Havana abode, pursued by a proud prostitute who seems bent on taming him and offered an opportunity to travel to Sweden to pursue a creative life in Europe. By the author of Dirty Havana Trilogy. Reprint.

### **TROPIC OF CAPRICORN**

Random House

In 1941, Henry Miller, the author of Tropic of Cancer, was commissioned by a Los Angeles bookseller to write an erotic novel for a dollar a page. Under the Roofs of Paris (originally published as Opus Pistorum) is that book. Here one finds Miller's characteristic candor, wit, self-mockery, and celebration of the good life. From Marcelle to Tania, to Alexandra, to Anna, and from the Left Bank to Pigalle, Miller sweeps us up in his odyssey in search of the perfect job, the perfect woman, and the perfect experience.

On Turning Eighty ; Journey to an Antique Land ; Foreword to The Angel is My Watermark New Directions Publishing

Martin Simmonds' father tells him, "Never trust a musician when he speaks about love." The advice comes too late. Martin already loves Dovidl Rapoport, an eerily gifted Polish violin prodigy whose parents left him in the Simmonds's care before they perished in the Holocaust. For a time the two boys are closer than brothers. But on the day he is to make his official debut, Dovidl disappears. Only 40 years later does Martin get his first clue about what happened to him. In this ravishing novel of music and suspense, Norman Lebrecht unravels the strands of love, envy and exploitation that knot geniuses to their admirers. In doing so he also evokes the fragile bubble of Jewish life in prewar London; the fearful carnival of the Blitz, and the gray new world that emerged from its

ashes. Bristling with ideas, lambent with feeling, *The Song of Names* is a masterful work of the imagination. *The Unknown Henry Miller* Anchor

From Booker Prize-winner and #1 national bestseller Margaret Atwood, *The MaddAddam Trilogy* is so utterly compelling, so prescient, so relevant, so all-too-likely-to-be-true, that readers may find their view of the world forever changed after reading it. This is Margaret Atwood at the absolute peak of her powers. With breathtaking command of her brilliantly conceived material, and with her customary sharp wit and dark humour, she projects us into an

outlandish yet wholly believable realm populated by characters who will continue to inhabit our dreams long after the last chapter. In the tradition of *The Handmaid's Tale*, *Oryx and Crake* and *The Year of the Flood* envision a near future that is both beyond our imagining and all too familiar: a world devastated by uncontrolled genetic engineering and a widespread plague, with only a few remaining humans fighting for survival. Combining adventure, humour, romance and superb storytelling that is at once dazzlingly inventive and grounded in a recognizable world, *MaddAddam* is a moving and dramatic conclusion to this internationally celebrated dystopian trilogy.

Grove/Atlantic, Inc.

*Aller Retour New York* is truly vintage

Henry Miller, written during his most creative period, between *Tropic of Cancer* (1934) and *Tropic of Capricorn* (1939). Miller always said that his best writing was in his letters, and this unbuttoned missive to his friend Alfred Perlès is not only his longest (nearly 80 pages!) but his best—an exuberant, rambling, episodic, humorous account of his visit to New York in 1935 and return to Europe aboard a Dutch ship. Despite its high repute among Miller devotees, *Aller Retour New York* has never been easy to find. It was first brought out in Paris in 1935 in a limited edition, and a second edition, “Printed for Private Circulation Only,” was issued in the United States ten years later. It is now available in paperback as a Revived Modern Classic, with an introduction by

George Wickes that illuminates the people and personal circumstances which inform *Aller Retour* New York. *The Rosy Crucifixion 1-[3]* Vintage Canada

### **The Brief Wondrous Life of Oscar**

**Wao** New Directions Publishing  
A cult modern classic, *Tropic of Capricorn* is as daring, frank and influential as Henry Miller first novel, *Tropic of Cancer* A story of sexual and spiritual awakening, *Tropic of Capricorn* shocked readers when it was published in 1939. A mixture of fiction and

autobiography, it is the story of Henry V. Miller who works for the Cosmodemonic telegraph company in New York in the 1920s and tries to write the most important work of literature that was ever published. *Tropic of Capricorn* paints a dazzling picture of the life of the writer and of New York City between the wars: the skyscrapers and the sewers, the lust and the dejection, the smells and the sounds of a city that is perpetually in motion, threatening to swallow everyone and everything. 'Literature begins and ends with the meaning of what Miller has done' Lawrence Durrell 'The only imaginative prose-writer of the slightest value who has appeared among the English-speaking races for some years past' George Orwell 'The greatest American

writer' Bob Dylan Henry Miller (1891-1980) is one of the most important American writers of the 20th century. His best-known novels include *Tropic of Cancer* (1934), *Tropic of Capricorn* (1939), and the *Rosy Crucifixion* trilogy (*Sexus*, 1949, *Plexus*, 1953, and *Nexus*, 1959), all published in France and banned in the US and the UK until 1964. He is widely recognised as an irreverent, risk-taking writer who redefined the novel and made the link between the European avant-garde and the American Beat generation.

**The Rosy Crucifixion: Sexus** New Directions Publishing

In his great triptych "The Millennium," Bosch used oranges and other fruits to symbolize the delights of Paradise. In his great triptych "The Millennium," Bosch

used oranges and other fruits to symbolize the delights of Paradise. Whence Henry Miller's title for this, one of his most appealing books; first published in 1957, it tells the story of Miller's life on the Big Sur, a section of the California coast where he lived for fifteen years. *Big Sur* is the portrait of a place—one of the most colorful in the United States—and of the extraordinary people Miller knew there: writers (and writers who did not write), mystics seeking truth in meditation (and the not-so-saintly looking for sex-cults or celebrity), sophisticated children and adult innocents; geniuses, cranks and the unclassifiable, like Conrad Moricand, the "Devil in Paradise" who is one of Miller's greatest character studies. Henry Miller writes with a buoyancy and

brimming energy that are infectious. He has a fine touch for comedy. But this is also a serious book—the testament of a free spirit who has broken through the restraints and clichés of modern life to find within himself his own kind of paradise.

The She Devils New Directions Publishing  
In this entertaining and enlightening collection David Lodge considers the art of fiction under a wide range of headings, drawing on writers as diverse as Henry James, Martin Amis, Jane Austen and James Joyce. Looking at ideas such as the Intrusive Author, Suspense, the Epistolary Novel, Magic Realism and Symbolism, and illustrating each topic with a passage taken from a classic or modern novel, David Lodge makes the richness and variety of British

and American fiction accessible to the general reader. He provides essential reading for students, aspiring writers and anyone who wants to understand how fiction works.

*A Long Time Gone* Miller, Henry

"A collection of wistful, witty stories." -- Esquire "Hilarious, deep and a little bit dirty." --Harper's Bazaar A grief-stricken librarian decides to have sex with every man who enters her library. A half-mad, unbearably beautiful heiress follows a strange man home, seeking total sexual abandon: He only wants to watch game shows. A woman falls in love with a hunchback; when his deformity turns out to be a prosthesis, she leaves him. A wife whose husband has just returned from the war struggles with the heartrending question: Can she still love

a man who has no lips? Aimee Bender's stories portray a world twisted on its axis, a place of unconviction that resembles nothing so much as real life, in all its grotesque, beautiful glory. From the first line of each tale she lets us know she is telling a story, but the moral is never quite what we expect. Bender's prose is glorious: musical and colloquial, inimitable and heartrending. Here are stories of men and women whose lives are shaped--and sometimes twisted--by the power of extraordinary desires, erotic and otherwise. The Girl in the Flammable Skirt is the debut of a major American writer. A 1998 New York Times Notable Book of the Year. Selected by the Los Angeles Times as one of the best works of fiction of 1998.

The rosy crucifixion Canongate Books

'Here, even if I had a thousand dollar in my pocket, I know of no sight which could arouse in me the feeling of ecstasy' Looking back to Henry Miller's bohemian life in 1930s Paris, when he was an obscure, penniless writer, Quiet Days in Clichy is a love letter to a city. As he describes nocturnal wanderings through shabby Montmartre streets, cafés and bars, sexual liaisons and volatile love affairs, Miller brilliantly evokes a period that would shape his entire life and oeuvre. 'His writing is flamboyant, torrential, chaotic, treacherous, and dangerous' Anaïs Nin **The Song of Names** Penguin UK In this unique work, Henry Miller gives an utterly candid and self-revealing account of the reading he did during his formative years.

**Stand Still Like the Hummingbird**

New Directions Publishing

The Paris Olympia Press, successor to the famed Obelisk Press, run by Obelisk-founder Jack Kahane's son Maurice Giriodas, picked up where Obelisk left off. The "dirty books" published by the Paris Olympia Press grew even dirtier than Kahane's most explicit publications, and Giriodas's avant-garde literary endeavors soon outstripped those of his father. The first to publish William Burroughs's *Naked Lunch*, Vladimir Nabokov's *Lolita*, and Samuel Beckett's *Molloy*, the Paris Olympia Press drew acclaim and controversy for its literary contributions during the "golden age of erotica," a time when starving artists and intellectuals, academics and journalists, wrote erotic fiction under the

cover of pseudonyms to pay the bills. In *The Paris Olympia Press*, renowned bibliographer Patrick Kearney compiles a detailed account of the Press's publishing activities, including biographical sketches of its authors, an introduction to the Press's literary achievements, and a complete bibliography of works published. An extensive illustrated study, *The Paris Olympia Press catalogs and comments on the early work of some of the most influential writers of the twentieth century*.

**Tropical Animal** Skyhorse Publishing, Inc.

"What we call "Being" infects us and speaks through us - it treats us as a host to a linguistic and experiential parasite. *Ontology - the study of Being* - has

primarily dealt with human questions regarding Being at the expense of the non-human, inhuman, and posthuman. Language Parasites works against this tendency by offering a "phorontology": a theory of Being inspired by "phoronts," which are tiny organisms that engage in parasitic migration (lice, mites, ticks, fleas, etc.). What is the Being of a parasite and how can that complicated non-human ontology influence human definitions of Being? Gradually, the anthropocentric distinction of subject and object fades away in favor of the emergence of a strange new philosophical entity called the transject, a being that is thrown far afield from the

more normative notions of the subject that can be found in Hegel, Kant, Lacan, or even Foucault, Nietzsche, and Deleuze. A 'pataphysical excursion into the intricate world of philosophical ontology, Language Parasites presents the initial discoveries of a much larger project that seeks to redefine the boundaries of Being. This book is the result of a parasitic infection of continental philosophy in which the various parasites of German and French philosophy all meet at one locale for one express purpose: to eat together, feed together, and think together."--Back cover.
