Now in its fourth hardcover printing,
Define "Normal" has become a word-of-
mouth phenomenon. This is a thoughtful,
wry story about two girls--a "punk" and a

"priss"--who find themselves facing each other in a peer-counseling program, and discover that they have some surprising things in common. A brand-new reading-group guide written by the author is included in the back of this paperback edition.

Ancient history is fascinating, but it can be difficult to find material that teaches it from a Christian perspective. Even harder is finding a history curriculum that captivates students. But Angela O'Dell's newly revised *The World's Story 1 - The Ancients* does both! Students will learn all about the ancient civilizations of the Middle East, Europe, Africa, Asia, and the Americas from a strong Biblical perspective. Focuses on History and interweaves a Christian perspective throughout. Features an engaging historical narrative. First volume in a three-book world history series for upper elementary and junior high students. The text covers Biblical history, also educating students about civilizations mentioned in the Bible, including ancient Egypt, ancient Israel, ancient Babylon,

ancient Persia, ancient Greece, and ancient Rome, up to the development of the early Church. It also discusses other ancient civilizations from around the world.

A Novel! Little, Brown Books for Young Readers

#1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University "Extraordinary . . . an act of courage and self-invention."—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT

BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR • BILL GATES'S HOLIDAY READING LIST • FINALIST: National Book Critics Circle's Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge

University. Only then would she wonder if she'd traveled too far, if there was still a way home. "Beautiful and propulsive . . . Despite the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?"—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public

Maleeka suffers every day from the taunts of the other kids in her class. If they're not getting at her about her homemade clothes or her good grades, it's about her dark, black skin. When a new teacher, whose face is blotched with a startling white patch, starts at their school, Maleeka can see there is bound to be trouble for her too. But the new teacher's attitude surprises Maleeka. Miss Saunders loves the skin she's in. Can Maleeka learn to do the same?

While Active Learning Classrooms, or ALCs, offer rich new environments for learning, they present many new challenges to faculty because, among other things, they eliminate the room's central focal point and disrupt the conventional seating plan to which faculty and students have become accustomed. The importance of learning how to use these classrooms well and to capitalize on their special features is paramount. The potential they represent can be realized only when they facilitate improved learning outcomes and engage students in the learning process in a manner different from traditional classrooms and lecture halls. This book provides an introduction to ALCs, briefly

covering their history and then synthesizing the research on these spaces to provide faculty with empirically based, practical guidance on how to use these unfamiliar spaces effectively. Among the questions this book addresses are: • How can instructors mitigate the apparent lack of a central focal point in the space? • What types of learning activities work well in the ALCs and take advantage of the affordances of the room? • How can teachers address familiar classroom-management challenges in these unfamiliar spaces? • If assessment and rapid feedback are critical in active learning, how do they work in a room filled with circular tables and no central focus point? • How do instructors balance group learning with the needs of

the larger class? • How can students be held accountable when many will necessarily have their backs facing the instructor? • How can instructors evaluate the effectiveness of their teaching in these spaces? This book is intended for faculty preparing to teach in or already working in this new classroom environment; for administrators planning to create ALCs or experimenting with provisionally designed rooms; and for faculty developers helping teachers transition to using these new spaces. *Chains* Knopf Books for Young Readers 8 starred reviews · Goodreads Choice Awards Best of the Best · William C. This Study & Answers Guide offers to individuals or groups a study aid when discussing the contents of the book, "Dr. Martin Luther 1483-1546." This Guide is

organized so that it includes three areas of interest for each of the 48 chapters. These three areas include: 1) Names of persons and places which occur in the chapter; 2) Summary statements for each chapter, 551 statements in all; 3) Questions about each chapter, 445 questions in all. The questions cover main contents in each chapter.

Additional questions or applications may be supplied by leaders or groups. This Study & Answer Guide was designed to serve as a supplement for the book, "Dr. Martin Luther 1483-1546." The two publications are listed separately in the catalog of available books.

One Woman's Immortal Legacy-And the Medical Scandal It Caused Candlewick Press

Written for a young audience, this

intense memoir explores the harsh realities of life on the streets in contemporary North Korea. *Every Falling Star* is the memoir of Sungju Lee, who at the age of twelve was forced to live on the streets of North Korea and fend for himself. To survive, Sungju creates a gang and lives by thieving, fighting, begging, and stealing rides on cargo trains. Sungju richly recreates his scabrous story, depicting what it was like for a boy alone to create a new family with his gang, “his brothers,” to daily be hungry and to fear arrest, imprisonment, and even execution. This riveting memoir allows young readers to learn about other cultures where freedoms they take for granted do not exist.

NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • A deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. A “majestic, moving novel ... an instant

classic, a book that will be read, discussed and taught beyond the rest of our lives" (Chicago Tribune), from the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*.

Originally published over 100 years ago, *A Century of Dishonor* is Helen Jackson's eye-opening sketch of the U.S. government's often shameful mishandling of what was called the 'Indian problem'. Using official documents as authentic research materials, Jackson asserts that the government and citizens of the United States were the cause of the 'problems', and not the Native peoples. Broken treaties, inhuman treatment,

restricted to reservations unfit for habitation or traditional lifestyle—all of these actions were taken against Indian tribes by a government that treated them with less consideration and compassion than that of a foreign country. Copyright © Libri GmbH. All rights reserved.

ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME • NEW YORK TIMES BESTSELLER A modern-day classic from Newbery Medalist Jerry Spinelli, this beloved celebration of individuality is now an original movie on Disney+! And don't miss the author's highly anticipated new novel, *Dead Wednesday!* *Stargirl*. From the day she arrives at quiet Mica High in a burst of color and sound, the hallways hum with

the murmur of “Stargirl, Stargirl.” She captures Leo Borlock’s heart with just one smile. She sparks a school-spirit revolution with just one cheer. The students of Mica High are enchanted. At first. Then they turn on her. Stargirl is suddenly shunned for everything that makes her different, and Leo, panicked and desperate with love, urges her to become the very thing that can destroy her: normal. In this celebration of nonconformity, Newbery Medalist Jerry Spinelli weaves a tense, emotional tale about the perils of popularity and the thrill and inspiration of first love. Don’t miss the sequel, *Love, Stargirl*, as well as *The Warden’s Daughter*, a novel about another girl who can’t help but stand out. “Spinelli is a poet of the prepubescent. . . . No writer guides his

young characters, and his readers, past these pitfalls and challenges and toward their futures with more compassion.”

Many people don’t take the Bible off the shelf and open it up and read it because they say they don’t understand what it says. When you study the Bible with this book, even if you haven’t ever read or studied the Word of God before; it will help you get a little basic knowledge in the Word of God. I wrote this Study Guide for people who have just got saved or for young people. When anyone uses the Expositor’s Study Bible along with this study they will find some of the answers are in the commentary part. Today there are many study guides out there that provide some help for you,

but this Study Guide breaks down every chapter in the first five books of the Bible. I will give you a sample in this Study Guide. (It is not just called the Law, but also the Tora and the

Pentateuch). So I hope you find this study to help you learn the first five books of the Bible, and maybe you can use it to teach others who want to learn more about the Bible.
