NADIA ARIAS

Sacred Pathways Red Feather
Phyllis Tickle has had a significant impact on the religious landscape in America over her 50-year career. As a college dean, a publishing gadfly, and an advocate of the church's emergence, she has garnered a loyal following in the tens of thousands. Among those she's influenced are influential church leaders themselves, including Diana Butler-Bass, Brian McLaren, Nadia Bolz-Weber, Peter Rollins, Doug Pagitt, Jon M. Sweeney, Jana Reiss, Lauren F. Winner, and others. In this volume, they reflect of Phyllis's influence, and on the challenge that Phyllis's work poses the future church.

Guilford Press

This isn't about how to write spiritual books. It isn't about the romance of writing. It doesn't cover the ins and outs of publishing and building a brand. Instead, this fresh and unapologetic guide to writing as a spiritual practice approaches writing as a way to turn the spiral of body, heart, mind, soul and spirit that leads to spiritual awakening.

The Sacred Gaze The Sacred Way
Hearing and listening are two different things. Learning to listen--really listen--requires sacred practice. The Sacred Art of Listening guides you through forty practices of deep listening--to our Source, to ourselves, and to each other. Inspiring text and contemplative artwork combine to communicate the three essential qualities of deep listening--silence, reflection and presence. They demonstrate that the key to healthy relationships and spiritual transformation can be as basic as practicing the art of listening. You will learn how to: Speak clearly from the heart Communicate with courage and compassion Heighten your

awareness and sensitivity to opportunities for deep listening Enhance your ability to listen to people with different belief systems

Interpreting the Sacred SkyLight
Paths Publishing

This book is a program of contemplative study and monastic formation offered for explorers who are between religions, those who have abandoned faith but yet seek, those who are interspiritual or multi-religious, or those who are rooted in their faith tradition and are on the edge of going deeper. This is both path and accompaniment for the journey, offering a contemplative frame and everyday spiritual practices for all who have a dawning sense that at the heart of all religious and spiritual traditions lies a truth-we have what we need inside each of us to co-create with God the embodiment of a sacred life on Earth. Included are spiritual practices, journal reflections, meditative exercises, and examples of a daily schedule, personal vow, rule of life, and ceremony of profession that stabilize and affirm a new monastic way of life.

Sacred Life MennoMedia, Inc.

Integrates spirituality, practice, spiritual formation, psychology, world religions and historical resources. Examines how pilgrimages evolved as spiritual practices and the relationship between pilgrimage and transformation.

Walking a Sacred Path Paraclete Press

Seize the joy and healing power of dance! Drawing from her years of experience as a dance and movement teacher, and as cofounder of the international dance organization InterPlay, Cynthia Winton-Henry helps you overcome your embarrassment or anxiety and discover in dance a place of solace and restoration, as well as an energizing spiritual force. She taps into

the spirit of dancing throughout history and in many world cultures to provide detailed exercises that will help you learn to trust your body and interpret its physical and spiritual intentions. For both newcomers and seasoned movers alike, she encourages you to embrace dance as a spiritual tool to:

The New Christians John Wiley & Sons Including essays from 2009 Wheaton Theology Conference keynote speakers Dallas Willard and Gordon Fee as well as contributing essays by noted presenters such as Chris Hall, David Gushee, Linda Cannell, Cherith Fee Nordling and Lawrece Cunningham, this book offers a stimulating exploration of the historical, biblical and theological dimensions of spiritual formation.

WRITING AS A SACRED PATH

Barefoot

“When Yahweh became a man, he was a homeless vagrant. He walked through Palestine proclaiming that a mysterious kingdom had arrived...He called people to follow him, and that meant walking.” — Charles Foster Humans are built to wander. History is crisscrossed by their tracks. Sometimes there are obvious reasons for it: to get better food for themselves or their animals; to escape weather, wars, or plague. But sometimes they go—at great expense and risk—in the name of God, seeking a place that feels sacred, that speaks to the heart. God himself seems to have a bias toward the nomad. The road is a favored place — a place of epiphany. That’s all very well if you are fit and free. But what if you are paralyzed by responsibility or disease? What if the only journey you can make is to the office, the school, or the bathroom? Best-selling English author and adventurer Charles Foster has wandered quite a bit, and he knows

what can be found (and lost) on a sacred journey. He knows that pilgrimage involves doing something with whatever faith you have. And faith, like muscle, likes being worked. Exploring the history of pilgrimage across cultures and religions, Foster uses tales of his own travels to examine the idea of approaching each day as a pilgrimage, and he offers encouragement to anyone who wants to experience a sacred journey. The result is an intoxicating, highly readable blend of robust theology and lyrical anecdote — an essential guidebook for every traveler in search of the truth about God, himself, and the world. When Jesus said “Follow me,” he meant us to hit the road with him. The Sacred Journey will show you how. The Ancient Practices There is a hunger in every human heart for connection, primitive and raw, to God. To satisfy it, many are beginning to explore traditional spiritual disciplines used for centuries . . . everything from fixed-hour prayer to fasting to sincere observance of the Sabbath. Compelling and readable, the Ancient Practices series is for every spiritual sojourner, for every Christian seeker who wants more.

FINDING OUR WAY AGAIN

Penguin

A challenge that many pagans and earth-based spiritual practitioners face is how to integrate sustainable living with our everyday lives. By offering a vision of "sacred actions," or the integration of sustainable living with Earth-based spirituality, learn how to combine the three ethics: people care, earth care, and fair share, to execute comprehensive sustainable living through the lens of paganism. Find a wide variety of accessible sustainable living activities, rituals, stories, and tools

framed through the neopaganism eightfold Wheel of the Year. Each chapter is tied to one of the eight holidays, offering specific themes that deepen topics, including home and hearth, lawns and gardens, food and nourishment, ritual items and offerings, reducing waste and addressing materialism, and much more. Consider this your manual of personal empowerment through sustainability as a spiritual practice.

Phyllis Tickle InterVarsity Press

Broaden your spiritual horizons. How has spirituality changed in the last 500, 1,000, or even 2,000 years? How can ancient approaches to faith help my relationship with God today? In *The Sacred Way*, popular author and speaker Tony Jones mines the rich history of 16 spiritual disciplines that have flourished throughout the ages and offers practical tips for implementing them in your daily life. Find encouragement and challenge through time-tested disciplines such as:

- Silence and solitude
- The Jesus prayer
- Meditation
- Pilgrimage

Explore these proven approaches to deepening your faith. As you do, your way of living your spiritual life will never be the same.

RETURN TO THE SACRED

Penguin

"Brent Bill has written one of the finest books on discernment and divine guidance that I have seen in a very long time." -Richard J. Foster How do you discover God's will for your life - every day? *Sacred Compass* offers a fresh and deeper way of living a God-directed life. J. Brent Bill draws on the quiet beauty of the Quaker path to show how spiritual discernment is more about sensing God's gracious presence than it is about making the right decisions. As you use this book to chart your own spiritual

course, you will find yourself led to unexpected places, comforted by the knowledge that God uses all of our experiences to bring us close. "*Sacred Compass* is the perfect companion for those seeking to follow God in the way of Jesus in the midst of the realities of 21st century life. Brent Bill graciously and passionately opens the pathway of the spiritual practice of discernment for the novice and deepens the possibilities for the well experienced. This book will serve as a revelation for many and well could be the start of a revolution for a new generation Christians." -- Doug Pagitt, Pastor of Solomon's Porch and Author of *A Christianity Worth Believing* "*Sacred Compass* celebrates and reassures that on this engaging, glorious, bewildering human journey, we individually and communally carry with us an ever present divine source of navigation." — Carrie Newcomer, Rounder recording artist, *The Geography of Light*

The Sacred Art of Listening Celestial Arts

The sacred meal that is part of our faith does more than connect us to the holy, it connects us to each other. "I think Jesus wanted his disciples and everyone who came after him to remember what they had together. What they made together. What it meant to be together. How the things he did could not have been done without them." In her inimitable style of memoir and personal reflection, Nora Gallagher explores the beauty and mystery of this most fascinating of topics. Whether exploring the history of Christian communion, taking us inside the workings of a soup kitchen, or sharing times of joy and sadness with friends, she reminds us what it means to partake of, and be part of, the body of Christ. A volume in the eight book classic

series, *The Ancient Practices*, with a foreword by Phyllis Tickle, General Editor.

Dance-- the Sacred Art Univ of California Press

The Sacred Way Zondervan

The Sacred Cauldron LifeTree Media Drawing on narrative, postmodern, and other therapeutic perspectives, this book guides therapists in exploring the creative and healing possibilities in clients' spiritual and religious experience. Vivid personal accounts and dialogues bring to life the ways spirituality may influence the stories told in therapy, the language and metaphors used, and the meanings brought to key relationships and events. Applications are discussed for a wide variety of clinical situations, including helping people resolve relationship problems, manage psychiatric symptoms, and cope with medical illnesses.

Voices from the Ancestors SkyLight Paths Publishing

Shows how dance, the highest expression of spirituality in cultures and traditions all over the world, is being integrated into the lives of women today

- The first book to explore women's spiritual expression--women's ways--through a study of dance
- Investigates how dance came to be excluded from worship, and reveals how dance is once again being brought into spiritual practices
- Includes resources for further instruction in sacred dance

Today we primarily think of dance as a form of entertainment or as a way to exercise or socialize. There was a time, however, when dance was considered the way to commune with the divine, a part of life's journey, celebrating the seasons and rhythms of the year and the rhythms of our lives. Dance is a language that reunites the body, mind, and soul. While

the role of women's sacred dance was most valued in goddess-worshipping cultures where women served as priestesses and healers, dance was once an integral part of religious ritual and ceremonial expression in cultures all over the world, including Judaism and Christianity. In this book the author investigates how dance came to be excluded from worship and reveals how dance is once again being integrated into spiritual practices. *Sacred Woman, Sacred Dance* is the first book to explore women's spiritual expression--women's ways--through a study of dance. It describes sacred circles, birth rituals, ecstatic dances, and dances of loss and grief (in groups and individually) that allow women to integrate the movements of faith, healing, and power into their daily life.

Writing--the Sacred Art Harper Collins

Full of exercises, suggestions, questionnaires, assignments, and meditations for getting the most out of the Labyrinth experience, *The Sacred Path Companion* is the indispensable guide for anyone searching for a spiritual journey that will inspire, educate, and engage. Created by one of the guiding forces of the Labyrinth movement and the author of *Walking a Sacred Path*, this comprehensive and interactive workbook includes:

- The art of Labyrinth walking
- The nine lessons of the Labyrinth
- Four guidelines to gauge spiritual growth
- Specific uses for healing and transformation through the Labyrinth
- Forgiveness and reconciliation
- The six purposes of ritual
- Developing visions for the Labyrinth movement

The Sacred Journey Paraclete Press

What the "Emergent Church Movement" is all about--and why it matters to the future of Christianity Following on the questions raised by Brian McLaren in *A*

New Kind of Christian, Tony Jones has written an engaging exploration of what this new kind of Christianity looks like. Writing "dispatches" about the thinking and practices of adventurous Emergent Christians across the country, he offers an in-depth view of this new "third way" of faith—its origins, its theology, and its views of truth, scripture and interpretation, and the Emergent movement's hopeful and life-giving sense of community. With the depth of theological expertise and broad perspective he has gained as a pastor, writer, and leader of the movement, Jones initiates readers into the Emergent conversation and offers a new way forward for Christians in a post-Christian world. With journalistic narrative as well as authoritative reflection, he draws upon on-site research to provide fascinating examples and firsthand stories of who is doing what, where, and why it matters.

Sacred Actions Simon and Schuster
Are you looking for inner peace? Do you seek a deeper understanding of yourself and the spiritual world? Have you followed the popular prescriptions for enlightenment and still found yourself unsatisfied? Return to *The Sacred* is a fascinating guide that will help you understand the importance of spiritual practice and the great diversity of paths that are available to you. This is a book that does more than provide philosophy and inspiration; it gives you the freedom to find a path that works for you and the knowledge to experience the answers for yourself. You'll learn about the time-tested tools of spiritual growth that will help you discover extraordinary depths of wisdom, power, and peace. Return to *The Sacred* will introduce you to the 12 Master Paths and Practices that have transformed the lives of countless saints,

mystics, masters, and sages since the beginning of history. In this book, you'll find what you need to discover your spiritual personality and choose the path that will lead you toward the realization of boundless joy and a lifelong journey of meaning. Jonathan Ellerby, Ph.D., weaves threads of personal growth and comparative religion into captivating true tales of spiritual adventures with teachers and healers around the world. Through colorful stories and clear reflections, he presents a perspective that reveals the rewards of spiritual practice, and a realistic understanding of the deep commitments and challenging steps along the way. Return to *The Sacred* is an inspiring journey around the globe and into the furthest reaches of Spirit.

DivinaThese ancient Christian practices

might not be well known or commonly

practiced in your local church. You may

have never heard of some of them

before, but these spiritual disciplines

have been a vital part of the Christian

faith for centuries.As a handbook to the

spiritual practices and prayers of the

early Church, *Sacred Life* will challenge

you to take part in an experiment in

discipline. These spiritual disciplines will

allow you to experient God's grace in

new and profound ways, moving you

forward in the journey to become more

like Christ.

Pilgrimage-the Sacred Art SkyLight

Paths Publishing

In a fast-paced world full of distractions,

spiritual practice can help us become

more centered—more in touch with

ourselves and others, more in touch with

the world around us, more in touch with

God. *Sacred Pauses* is an introduction to

this more centered way of life. The author, a pastor in British Columbia, begins with her own longing for personal renewal. What would it take to feel renewed every day? Instead of waiting for a vacation to smooth out the tensions of life, instead of waiting until the end of the week to shed our weariness, what if we could take time out every day? Live a renewed life every day? Be refreshed by God every day? Sacred Pauses offers simple ways for readers to do just that.

Each chapter explores a different spiritual practice—from the classic disciplines of Scripture reading and prayer to other creative approaches such as paying attention, making music, and having fun. With plenty of stories from real life and ideas to try, this book is personal and practical. Its flexible format is appropriate for personal use or in a group, every day or any time. Free downloadable study guide available [here](#).
