*The Superior Person's Book of Words* Simon & Schuster  
Examines words derived from real people who are famous--or infamous--enough to give their stamp to a movement, a way of thinking or acting, a style, or even a mood, including terms based on figures in politics, sports, literature, science, history, pop cu  
Bibliography of Nautical Books Imray, Laurie, Norie and Wilson Ltd  
Many reasonably experienced coastal sailors (and motorboaters) find the prospect of sailing their boat to the continent appealing yet daunting. There are so many additional aspects that all need to be taken into account and complied with that it can seem a forbidding prospect. This highly illustrated, accessible and user friendly book takes the boater though all the appropriate aspects in a hand-holding fashion, to dispel the mystique, and present the undertaking as one that is eminently achievable by anyone with basic boat-handling skills and navigational knowledge. Topics covered : Navigation, Tides, Planning, Crew briefing, Safety information, Man Overboard drills, Obtaining weather information, Watchkeeping, Provisioning, Engine checks, Bureaucracy and form filling and much more. With this book to hand, both skipper and crew will be well prepared to tackle all aspects of taking their own boat to foreign waters for what should be a hugely enjoyable and rewarding experience!

European Waterways Atlantic Highlands, N.J. : Humanities Press  
A new and beautifully illustrated collection of bitter, biting definitions to celebrate the centenary of The Devil's Dictionary  
Ambrose Bierce's classic The Devil's Dictionary first appeared in its entirety in 1911. Its caustic wit and arch tone have ensured steady popularity and sales to this day. To mark its centennial, Rhoda Koenig gives us a new version of Bierce's mordant vision. Its myriad definitions, like the original's, individually expose hypocrisy, pretension, and vanity and collectively paint a mocking portrait of society at its worst. More than just a denunciation of jargon or political correctness, it lambasts old and young, rich and

poor, male and female, left and right, and takes them all down a peg—or three. It deals with classic subjects but also defines new ideas and explicates new usages from “academia” to “teamwork” to “women’s magazine.” Among the many definitions inside: accessible, adj. (1) Of a subject, one that can be approached by the most intellectually handicapped, aided by the ramp of banality and the guardrail of diminished vocabulary. (2) Of a woman, a nice way of putting it. collectible, n. Object which many are eager to possess, though it may not be attractive, entertaining, or useful. Not to be confused with “spouse.” If you relish moral criticism of immoral behavior, The New Devil's Dictionary will leave you howling for more.

Faux Pas Penguin

In August 1979, 303 yachts began the 600-mile Fastnet Race from the Isle of Wight off the southwest coast of England to Fastnet Rock off the Irish coast and back. It began in fine weather, then suddenly became a terrifying ordeal. A Force 10, sixty-knot storm swept across the North Atlantic with a speed that confounded forecasters, slamming into the fleet with epic fury. For twenty hours, 2,500 men and women were smashed by forty-foot breaking waves, while rescue helicopters and lifeboats struggled to save them. By the time the race was over, fifteen people had died, twenty-four crews had abandoned ship, five yachts had sunk, 136 sailors had been rescued, and only 85 boats had finished the race. John Rousmaniere was there, and he tells the tragic story of the greatest disaster in the history of yachting as only one who has sailed through the teeth of a killer storm can. With a new introduction by the author.

### **KILLER QUIZZES FOR THE INCURABLY COMPETITIVE AND OVERLY CONFIDENT**

Bloomsbury Publishing USA

Atlantic Spain and Portugal is the classic guide to this varied coast which includes the rias of of Galicia, the estuaries of the Douro and Tejo with Lisbon, the Algarve and then the coast of Andalucia down to Gibraltar. It's the essential companion for yachts making passage to the Mediterranean or onwards to the Canaries before an Atlantic crossing and also a comprehensive cruising

companion for anyone visiting the delightful cruising grounds of Galicia and beyond. There are new photos and most of the plans incorporate changes accumulated over the four years since the last edition was published. The fact that this guide is now in its eighth edition shows how popular it has become with cruising folk... all right up to Imray's normal standards and it would make no sense to cruise the area without this book by the navigator's hand. Yachting Monthly  
Turtles in Our Wake David R. Godine Publisher  
Most people at some point long to escape - from the weather, the commute, the routine. Sailing off in a forty-foot boat called Voyager comes at a price, however. Indeed, for David and Sandra Clayton it meant selling their house and possessions with a lifetime's collection of memories and emotions attached to them. But the result proved life-enhancing. With her eye for detail and vivid descriptions, Sandra carries the reader with her through some of the Mediterranean's loveliest islands. Charmed by tranquil anchorages, ancient harbours and the people they meet, they also develop a fascination with the sea and its wildlife. And, whilst questioning the things we value and the nature of happiness, this book reveals the growing and sometimes amusing inter-dependence of two people alone at sea. This is the sequel to the popular Dolphins under my Bed, which charted Sandra and David's first long journey: a 2,000-mile voyage from England, down the Atlantic coast and into the warm waters of the Mediterranean.

Sheridan House, Inc.

A fun and informative guide to some of the more obscure, curious and tricky words in the English language.

**The Publishers Weekly** Rowman & Littlefield

This seventh edition (2012) of the RCC's South Biscay pilot covers the coasts of France and Spain from the Gironde to La Coruna in Galicia. This edition has been completely revised and updated. In line with other recent RCC editions, waypoints have been introduced to assist navigation. With new photographs by the author and up-to-date aerals by Patrick Roach, South Biscay is the complete reference for yachts visiting the flat sandy coasts of

southwest France and the long Biscay coast of Spain. Download the latest updates from [www.imray.com](http://www.imray.com).

#### Atlantic Islands A&C Black

The second edition of this well-received title from the Royal Cruising Club Pilotage Foundation covers the entire Mediterranean mainland coast of Spain from Gibraltar to the French border. This is the only detailed pilot for the Spanish Mediterranean coast running up from Gibraltar to the border with France. It covers a varied cruising area that includes the mountain-backed Costas del and Sol and Blanca, the expansive lagoon of the Mar Menor, the low-lying Ebro delta and the rugged Costa Brava. In between are several great cities including Malaga, Valencia, Tarragona and Barcelona, the Catalan capital. The volume opens with Gibraltar and La Línea. With Imray charts for the same coast, Mediterranean Spain provides all the data necessary for anyone based in Spain, transiting to and from areas further East or the Balearics, or just exploring this rich and varied coast and its hinterland. The coverage has been revised with the text updated, new plans added and other plan updates based on the latest information. This edition has been enhanced by the addition of over 100 aerial photographs showing coastline and harbour approaches.

#### **Sailors' Secrets** A&C Black

Yachtsman's Ten Language Dictionary Sheridan House, Inc.

Elizabeth's Seadogs on the Spanish Main Cambridge University Press

This completely expanded and updated second edition collects and translates much of the most common and useful maritime vocabulary and technical terminology into English, French, German, Dutch, Danish, Italian, Spanish, Portuguese, Greek, and Turkish. Entries are arranged by subject, and cover a comprehensive array of nautical categories.

Cruising World Yachtsman's Ten Language Dictionary

Beautiful, secluded anchorages, picturesque canals, bustling marinas, dramatic cities - all await those considering a Baltic cruise. The nine countries bordering the Baltic Sea offer an immense variety of cruising grounds, people and cultures. There are thousands of harbours and innumerable anchorages, and it would take an entire bookshelf, to cover them all in detail. The information contained in this book has therefore been chosen for its value both at the planning stages - preparing the yacht,

choosing the most suitable route, timing and communications etc - and again on arrival, when a general overview of each individual country is followed by specific harbour information. Where detailed cruising information is readily available - effectively Germany, Denmark, Sweden and Finland - only selected harbours are covered, chosen, with a few exceptions, as fulfilling certain key needs. Where cruising information is more limited - Poland, Kaliningrad, Lithuania, Latvia, Estonia and Russia - many smaller harbours are also featured in detail. In addition to comprehensive suggestions for further reading (and sources in each country from which they may be ordered) more than 200 websites are listed, again chosen for their relevance both at the planning stages and en route. Details of internet access points are included for most major harbours. This 4th edition (2017) has been produced by a team from the Royal Cruising Club and contains substantial changes. Apart from the routine updating of the text and plans - many newly drawn for this edition - and the addition of new photos, there are also some major changes. In particular coverage of Finland has been reorganized, and reflecting the fast pace of change since the last edition, the Baltic States and Poland sections have been improved significantly.

Islas Baleares Sheridan House, Inc.

Defining over 1800 words, phrases, and terminology of firearms, ammunition, accessories, and gun-repairing techniques.

*The European Waterways* Imray, Laurie, Norie and Wilson Ltd

"Have you ever been embarrassed by the bons mots that some people toss casually into conversation, or wished that you had a clever retort?" "Faux Pas offers insight into hundreds of these phrases that readers will (or might not) want to use in writing or conversation once they know their correct meanings and usage. Entries include both familiar terms and phrases that are new, curious, or even just amusing. Each expression is "translated" and denotes the language of origin, pronunciation, and usefulness. A Pretentiousness Index is included for many expressions to assist you in avoiding inappropriate usage." Whether you are a linguaphile or a professional wordsmith, or just want to impress your friends with a few well-chosen aperçus, Philip Gooden's guide can rescue you from potential language land mines and help you to maintain your sangfroid. Full of examples drawn from everyday contexts, Faux Pas will make sure that you don't upset any honchos with your chutzpah.

*Yachtsman's Ten Language Dictionary* W. W. Norton & Company  
Idiomantics is a unique exploration of the world of idiomatic phrases. The very etymology of the word 'idiom' reveals what's so endlessly fascinating about the wide range of colourful phrases we use in everyday speech: their peculiarity. They're peculiar both in the sense of being particular or unique to the culture from which they originate, and in the sense of being downright odd. To cite three random examples - from American English, Dutch and Italian - what on Earth are a snow job, a monkey sandwich story, and Mr Punch's secret? Fascinating and illuminating, Idiomantics explains all... The ideal gift for word buffs and in fact, anyone who enjoys a good yarn, this playful book looks at 12 groups of idioms around the world, looking at subjects such as fun and games, gastronomic delights and the daily grind.

*A New Version of the Cynical Classic* Imray, Laurie, Norie and Wilson Ltd

A cornucopia of spelling challenges—from the deceptively simple to the truly vexing—for good, better, and exceptional spellers (or those who want to be). So You Think You Can Spell? is a handy way to go one on one, pencil to paper, against hard, harder, and heartless words. The challenges vary from three- and five-word mini-quizzes to fifty-words, from tests of quite familiar (but ever misspelled) words to those rife with vowel, consonant, or silent-letter booby traps. This unique volume also tests one's spelling smarts in the arts and sciences, international cuisine, and geography. All in all, this is a book to settle the ultimate question: Just how good a speller are you?

### **A USER'S GUIDE**

Routledge

This eleventh edition of *Islas Baleares*, covering Ibiza, Formentera, Mallorca, Cabrera and Menorca, has been revised and updated for the RCC Pilotage Foundation by David and Susie Baggaley, whose *Beneteau 42*, *Kookaburra* has been based in Addaya, Menorca for several years. In their research for this edition, over two seasons, the authors confess to having enjoyed a new purpose to their cruising in the islands, and they share their knowledge enthusiastically and authoritatively. A selection of completely new plans is included, and pre-existing plans have been updated throughout. There are also many attractive new photographs which are informative to the navigator. The only fully

comprehensive pilot guide to the islands in English, Islas Baleares remains the best-selling RCC Pilotage Foundation cruising guide, which is testament to the lasting appeal of this popular cruising ground, both to those cruising their own boats and to those who are visiting the islands on a yacht charter.

Edinburgh University Press

"Sailors' Secrets is a distillation of boating wisdom unmatched by any other. . . . If I were just starting to collect nautical books, I'd think seriously about getting this one first. I found something new and interesting on every page."--Living Aboard "A delightful, dual-purpose kind of book. You can sit down and read through it for pleasure [and] it makes a fine reference."--Mariner's Log (Houston) "This treasure chest of useful advice is offered in bite-size tidbits that will keep the reader coming back for more."--The Log (San Diego) Sailors' Secrets contains over 1,000 tips,

suggestions, evaluations, and nuggets of hard-won advice from more than 300 seasoned veterans. Instructive, humorous, biting, and challenging, Sailors' Secrets can be opened anywhere and enjoyed. Its wide-ranging chapters cover routine maintenance, understanding weather, safety at sea, storm strategies, piloting, engine troubleshooting, gear and outfitting, and simple solutions to complex problems. Michael Badham and Robby Robinson have created the nautical equivalent of an experts' forum. Don Casey, Dennis Conner, Bob Rice, Dave Gerr, Hank Hinckley, Bill Biwenga, Sheila McCurdy, Katy Burke, Meade Gougeon, Buddy Melges, Walter Greene, Steve Callahan, and a host of others share the insights they've developed over millions of sea miles.
