Within Her Power Willow Winters Publishing LLC

I married the man that bought me at a slave auction. I have changed a lot since that night at the auction, but I still remember it very clearly. I remember being kidnapped and tortured. I remember being drugged and warned about the things in my future. I remember being

scared. The fear is what I remember the most. I was afraid for my life and well-being all the time. I was afraid of what I would be forced to do to survive when I was sold. But most of all I was afraid of my feelings when I started to fall for my captor. I never wanted to go back there; to that place, being afraid all the time. I never wanted to be reminded of the things I had to endure to survive and I never wanted to be reminded of the girls that were kidnapped, tortured and sold in the same auction. I was lucky. I was sold to a man with a small conscience. For the last 2 years I have had nightmares about the things that could have happened to me. I never thought I would ever have to come face to face with what could have happened. I never thought I would see any of those girls again. Never say never.

Garrick Taylor and Bliss Edwards managed to find their happily-ever-after despite a rather . . . ahem . . . complicated start. By comparison, meeting the parents should be an absolute breeze, right? But from the moment the pair lands in London, new snags just keep cropping up: a disapproving mother-in-law-to-be, more than one (mostly) minor mishap, and the realization that perhaps they aren't quite as ready for their future as they thought. As it turns out, the only thing harder than finding love is keeping it.

Successful Back-yard Poultry Keeping

Little, Brown Books for Young Readers From USA Today best selling authors Willow Winters and Lauren Landish comes a sexy and forbidden series of standalone romances. I was only a boy when I saw my

mother murdered in front of me. That does something to a man. It turns him hard, cold and makes him an addict for control. In all things. My desires are dark and what I'm interested in is far more than simple submission. I've been waiting for someone as broken as me. Someone who truly needs to give up complete control and rely on me to take away her pain. And then I found her. Katia. My kitten. The moment I laid eyes on her gorgeous face, full lips and seductive curves, she stole the air from my lungs. It's been so long since I've wanted something so intensely. She devours my every waking moment, teasing me with just a taste. She's refused my collar and I know why. The last one she wore wasn't by choice. This time she's going to beg for it. I can give her what he didn't - true domination and trust. I'll own her pleasure, her happiness and she can sate my desire for complete control. I only need her to give me a chance. Just one chance to buy her. The moment she agrees and steps on that stage at the auction, she's mine.

#### **Exploring Agriscience** Trapeze

As the world grapples with issues of religious fanaticism, extremist politics, and rampant violence that seek justification in either "religious" or "secular" discourses, women who claim Islam as a vehicle for individual and social change are often either regarded as pious subjects who subscribe to an ideology that denies them many modern freedoms, or as feminist subjects who seek empowerment only through rejecting religion and adopting secularist discourses. Such assumptions emerge from a common trend in the literature to categorize the 'secular' and the 'religious' as polarizing categories, which in turn mitigates the identities, experiences and actions of women in Islamic societies. Yet in actuality Muslim women whose activism is grounded in Islam draw equally on principles associated with secularism. In *An Islam of Her Own*, Sherine Hafez focuses on women's Islamic activism in Egypt to challenge these binary representations of religious versus secular subjectivities. Drawing on six non-consecutive years of ethnographic fieldwork within a women's Islamic movement in Cairo, Hafez analyzes the ways in which women who participate in Islamic activism narrate their selfhood, articulate their desires, and embody discourses in which the boundaries are blurred between the religious and the secular.

"This story will have readers not only rooting for Ginny and Lucy, but thinking about them long after the last page is turned." -- Lisa Wingate, New York Times Bestselling Author of *Before We Were Yours* PopSugar's 30 Must-Read Books of 2019 Good Housekeeping's 25 Best New Books for Summer 2019 Better Homes & Gardens 13 New Books We Can't Wait to Read This Summer The heartbreaking and uplifting story, inspired by incredible true events, of how far one mother must go to protect her daughter. Dover, Massachusetts, 1969. Ginny Richardson's heart was torn open when her baby girl, Lucy, born with Down Syndrome, was taken from her. Under pressure from his powerful family, her husband, Ab, sent Lucy away to Willowridge, a special school for the "feeble-minded." Ab tried to convince Ginny it was for the best. That they should grieve for their daughter as though she were dead. That they should try to move on. But two years later, when Ginny's best friend, Marsha, shows her a series of articles exposing Willowridge as a hell-on-earth--its squalid hallways filled with neglected children--she knows she can't leave her daughter there. With Ginny's six-year-old son in tow, Ginny and Marsha drive to the school to see Lucy for themselves. What they find sets their course on a heart-racing journey across state lines—turning Ginny into a fugitive. For the first time, Ginny must test her own strength and face the world head-on as she fights Ab and his domineering father for the right to keep Lucy. Racing from Massachusetts to the beaches of Atlantic City, through the Blue Ridge Mountains of Virginia to a roadside mermaid show in Florida, *Keeping Lucy* is a searing portrait of just how far a mother's love can take her. "A heartrending yet inspiring novel that kept me reading late into the night." —Kristina McMorris, New York Times bestselling author of *Sold on a Monday*

and *The Edge of Lost*

#### **A GRIPPING PSYCHOLOGICAL THRILLER**

St. Martin's Press

Daisy Bacon, the opinionated, autocratic and complex editor of *Love Story Magazine* from 1928 to 1947, chose the stories that would be read by hundreds of thousands of readers each week. The first weekly periodical devoted to romance fiction and the biggest-selling pulp fiction magazine in the early days of the Great Depression, *Love Story* sparked a wave of imitators that dominated newsstands for more than twenty years. Disparaged as a "love pulp," the magazine actually championed the "modern girl," bringing its heroines out of the shadows of Victorian poverty and into the 20th century. With *Love Story*'s success, Bacon became a national spokesperson, declaring that the modern woman could have it all--in love, in marriage and in the business world. Yet Bacon herself struggled to achieve that ideal, especially in her own romantic life, built around a long-term affair with a married man. Drawing on exclusive access to her personal papers, this first-ever biography tells the story behind the woman who influenced millions of others to pursue independence in their careers and in their relationships.

The powerful, poignant, bestselling National Book Award Finalist gives voice to a young girl robbed of her childhood yet determined to find the strength to triumph Lakshmi is a thirteen-year-old girl who lives with her family in a small hut on a mountain in Nepal. Though she is desperately poor, her life is full of simple pleasures, like playing hopscotch with her best friend from school, and having her mother brush her hair by the light of an oil lamp. But when the harsh Himalayan monsoons wash away all that remains of the family's crops, Lakshmi's stepfather says she must leave home and take a job to support her family. He introduces her to a glamorous stranger who tells her she will find her a job as a maid in the city. Glad to be able to help, Lakshmi journeys to India and arrives at "Happiness House" full of hope. But she soon learns the unthinkable truth: she has been sold into prostitution. An old woman named Mumtaz rules the brothel with cruelty and cunning. She tells Lakshmi that she is trapped there until she can pay off her family's debt--then cheats Lakshmi of her meager earnings so that she can never leave. Lakshmi's life becomes a nightmare from which she cannot escape. Still, she lives by her

mother's words—Simply to endure is to triumph—and gradually, she forms friendships with the other girls that enable her to survive in this terrifying new world. Then the day comes when she must make a decision—will she risk everything for a chance to reclaim her life? Written in spare and evocative vignettes by the co-author of *I Am Malala* (Young Readers Edition), this powerful novel renders a world that is as unimaginable as it is real, and a girl who not only survives but triumphs.

To say I had a rough start in life would be the understatement of the century. My uncle may have rescued me from my abusive childhood, but he couldn't save me from the neurotic and compulsive obsessions I would develop in my adulthood. I deal with some of the worst criminals in the seedy underbelly of the world just to get what I want. What I need. And what I need is the perfect woman. Perfect and pure in every way possible. And I'm willing to obtain that perfection...no matter the cost. So when I make my newest purchase, I expect Adeline's fate to be like all the others before her --- taking what I want and then never seeing her again. But she's different. Her beauty is disarming. And even though I promised to let her go after I took what I wanted...I slowly come to the realization that I can't. I have to break my promise to her, because she's mine now. And I'm keeping her. \*\*Keeping Her is book one of the two-book dark romance Keep Me Series and ends with a cliffhanger. It contains adult content for mature readers.\*\*

Little, Brown Books for Young Readers  
Long before it became the slogan of the presidential campaign for Barack Obama, Dorothy Ferebee (1898–1980) lived by the motto “Yes, we can.” An African American obstetrician and civil rights activist from Washington DC, she was descended from lawyers, journalists, politicians, and a judge. At a time when African Americans faced Jim Crow segregation, desperate poverty, and lynch mobs, she advised presidents on civil rights and assisted foreign governments on public health issues. Though articulate, visionary, talented, and skillful at managing her publicity, she was also tragically flawed. Ferebee was president of the Alpha Kappa Alpha black service sorority and later became the president of the powerful National Council of Negro Women in the nascent civil rights era. She stood up to gun-toting plantation owners to bring health care to sharecroppers through her Mississippi Health Project during the Great

Depression. A household name in black America for forty years, Ferebee was also the media darling of the thriving black press. Ironically, her fame and relevance faded as African Americans achieved the political power for which she had fought. In *She Can Bring Us Home*, Diane Kiesel tells Ferebee's extraordinary story of struggle and personal sacrifice to a new generation.

#### **A LOSING IT** Novella Routledge

This is an engaging and comprehensive study of property-owning women in the colony of Tidewater, VA during the 17th & 18th centuries. It examines the social restrictions on women's behaviour and speech, opportunities and difficulties these women encountered in the legal system, the economic and discretionary authority they enjoyed, the roles they played in the family business, their roles in the later, trans-Atlantic trading framework, and the imperial context within which these colonial women lived, making this a welcome addition to both colonial and women's history.

Before there was a U.S. Navy, several Colonial navies were all-volunteer--both the crews and the vessels. From its beginnings through World War II, the Navy has relied on civilian sailors and their fast vessels to fill out its ranks of small combatants. Beginning with the birth of the yacht in the Netherlands in the 17th century, this illustrated history traces the development of yacht racing, the advent of combustion-engine power and the contribution privately owned vessels have made to national defense. Vessels conscripted during the Civil War served both the Union and Confederacy--sometimes changing sides after capture. The first USS Wanderer saw the slave trade from both sides of the law. Aboard the USS Sylph, Oscar-winning actor Ernest Borgnine fought the Third Reich's U-boats under sail. USS Sea Cloud made history as the first racially integrated ship in the Navy, three years before President Truman desegregated the military.

The powerfully moving new novel from Sunday Times bestselling author, Maggie Hartley. Fourteen-year-old Shazia has

been taken into care after a conversation at school leads her teacher to suspect that the teenager's family are planning to send her to Pakistan for an arranged marriage. To her family's fury, Shazia is sent to live with foster carer Maggie Hartley whilst social services investigate. But with Shazia denying everything and social services unable to find any evidence to support the teacher's fears, Shazia is allowed to return home. But a few weeks later, Maggie is woken up in the middle of the night by a phone call from a terrified Shazia, who has managed to escape the family home through a window. Sobbing, she confesses to Maggie that her parents are planning to send her to Pakistan to be married in a few days, and have threatened to kill her if she speaks out again. Returned to Maggie's care, Shazia is petrified that her parents will track her down and kill her, and

Maggie must be on constant alert. But the worst is yet to come when it emerges that Shazia is the victim of FGM. Can Maggie help this damaged and traumatised young girl understand what has happened to her and to find a way to heal? In this new book, Maggie Hartley taps into the highly topical issues of FGM and arranged marriage, and presents a sensitive and unique insight into the effect these practices have on their young victims.
