TRISTIAN GRAHAM

Dragons Deal Open Road Media
Maharashtra. Among the country's largest, wealthiest, most significant constituents. A great state in name and in deed that has been the cradle of individuals and events that have shaped India. Girish Kuber - seasoned journalist and one of Maharashtra's foremost opinion makers - tells its story in Renaissance State. Taking in his vast sweep the region's politics, society and history from the time of the Satavahanas down to the present day, he chronicles a number of lesser-known tales:

the empire that brought the mighty Mughals to their knees, the woman who took the issue of consent in marital sex right up to Queen Victoria, the social reformers who were far ahead of their time, the evolution of movements of the right and left as well as for Dalit identity, and the long tradition of this great land of always standing up to Delhi. This is the account of the making of Maharashtra that its proud people deserved but had remained unwritten.

No Phule Like an Old Phule Wordfire Press LLC

In New York Times bestselling author Robert Asprin and Jody Lynn Nye's newest Big Easy dragon tale, Griffen McCandles is about to give the forces of evil a run for

their money... Griffen already has his hands full running his gambling operation in New Orleans and dealing with his dragon heritage. Now his pregnant sister, Valerie, is missing--possibly kidnapped--and his uncle, Malcolm McCandles, has flown into town for a mysterious meeting with a powerful man who's been dead for almost eight decades. And Griffen certainly hasn't got the time to protect Representative Penny Dunbar, a dragon who's running for governor of Louisiana--if malign forces don't take her out first. Griffen learned a long time ago to play the hand fate has dealt him, but with many lives at stake--including Val's unborn dragon--he's hoping for an ace in the hole...

Over the last couple of decades, B.R.
Ambedkar has come to be idolized as no
other political leader has. His statue is one
of the largest in the Parliament complex.
Political parties have reaped rich electoral
dividends riding on his name. A decades-
old cartoon of him in a textbook rocked
Parliament for days recently, causing
parties across the political spectrum to run
for cover and call for the withdrawal of the
'offending' cartoon. In *Worshipping False
Gods*, Arun Shourie employs his scholarly
rigour to cast a critical look at the legend
of Ambedkar. With his distinctive eye for
detail, Shourie delves into archival records
to ask pertinent questions: Did Ambedkar
coordinate his opposition to the freedom
struggle with the British? How does his
approach to social change contrast with
that of Mahatma Gandhi's? Did the

Constitution spring from him or did it grow as a dynamic living organism? Passionately argued and based on a mountain of facts that it presents, *Worshipping False Gods* compels us to go behind the myths on which discourse is built in India today.

Jotirao Phule, 1827-1890, activist and social reformer from Maharashtra, India. *Myth-told Tales* Cambridge University Press

The nineteenth century saw the beginning of a violent and controversial movement of protest amongst western India's low and untouchable castes, aimed at the effects of their lowly position within the Hindu caste hierarchy. This study concentrates on the first leader of this movement, Mahatma Jotirao Phule.

Shadows of Sanctuary A Phule and His Money Captain Willard Phule and his crack team of casino security agents are sent to an underdeveloped planet to help them make a success of a new scheme to transform the world into an intergalactic amusement park. Original. A Phule and His

Money

The third *Thieves' World*® anthology—with stories by fantasy's favorite authors—curated by the New York Times bestselling author of the *Myth* series. Times are hard, and the citizens of Sanctuary are not their greedy, immoral, grifting selves. But desperate times call for desperate measures, which means the bad guys are about to up their game. No one is safe from Sanctuary's evil charms—not the fish in the waters, not the prince's own Hell Hound guards, not even Satan himself. "Shadows also includes another story by Offutt that reinforces my opinion that he is incapable of writing a bad story for this series. A number of the tales are Tempus stories, with several of our other recurring characters also making appearances. By virtue of Tempus' unique relationship with the god Vashanka, these stories also bring us back toward the storyline of the competing deities, and help us to look forward to new developments in the fourth book. All in all, *Shadows* is the strongest book amongst the first three publications." —Fantasy-Faction

As Earth becomes an interstellar species, the ramifications hit home -- literally. Alien Cresperians scattered all over Earth; enemy Snappers seeking to expand their interstellar empire in any way they can. And Sergeant Edward Bang Bangler finds himself in the midst of two of the biggest battles he's ever been in -- a battle for his heart, and a battle for his home. In one mission of interstellar exploration, Earth finds perhaps its greatest allies and its greatest enemies, as they and the Cresperian race discover the inimical race of Snappers, a multiple stellar system empire of ruthless ferocity. Unfortunately, when the Snappers decide to expand their domain to include the Cresperian and Earth systems, the two civilizations must find a way to work together in order to prevent their own extermination.

Mirror Friend, Mirror Foe Penguin New York Times bestselling author Robert Asprin and Jody Lynn Nye up the ante in this tale of dragons in the Big Easy... As head dragon and owner of a successful gambling operation in New Orleans,

Griffen McCandles has a lot on his plate. Especially since the Krewe of Fafnir—a society of dragons—has asked him to be the king of its Mardi Gras parade. Being the king is a huge honor, and despite the extra responsibilities, Griffen can't resist the krewe's offer to lead the biggest party of the year. But not everyone is happy with Griffen's new leadership status. A group of powerful dragons is conspiring to bankrupt his business, from the inside out. And when a young dragon in Griffen's employ is murdered, it becomes clear that certain dragons will stop at nothing to dethrone the new king...

HarperCollins

Robert Asprin, creator of the rollicking Myth Adventure series of novels, and artist Mel White have created a new fantasy adventure series - Duncan & Mallory! Follow the adventures of an unlikely pair of heroes as you're liable to find between two covers - Duncan, a very errant (and endearingly clumsy) knight, and Mallory, a con-artist dragon with more schemes and scams than Machiavelli ever dreamed of!

First of a three-volume series of graphic novels, in full-color.

Encyclopedia of Science Fiction Penguin Readers can take a rollicking ride through the crazy MYTH universe along with Skeeve, Aahz, Massha, Tananda, Bunny, Gleep, and the Fairy Godmother, in this collection that features the authors' favorite stories, as well as some never-before-published myth-adventures.

Reprint.

The Cresperian Alliance Penguin

Robert Asprin's "excellent, lighthearted fantasy series" (Epic Illustrated) continues with more antics from magician Skeeve and his eclectic team at M.Y.T.H., Inc. Business is slow for M.Y.T.H., Inc., and its president, Bunny, is getting nervous that the company might not meet its quarterly goal. So when a job comes in that's worth an absurd amount of gold—and also happens to take them to Winslow, the most luxurious vacation resort in any dimension—the team jumps at the opportunity to recoup some cash and maybe catch some R&R. Only, magician Skeeve has an unsettling feeling that this mission might be trickier than it seems. Someone in Winslow is messing with the

magic lines and working hard to ensure that the M.Y.T.H. crew gets nowhere near the powerful relic that they've been hired to find. And as the mysterious manipulation turns deadly, Skeeve, Bunny, Aahz, and the rest of their partners find themselves in a race not only to finish the job but also to escape paradise alive... Phule's Errand Baen Publishing Enterprises Money is central to the functioning of economies, yet for the pre modern period, our knowledge of monetary systems is still evolving. Until recently, historians of the medieval world have conflated the use of coins with a high degree of monetization. States without coinage were considered under-monetized. It is becoming more evident, however, that some medieval states used money in complex ways without using coinage. Moneys of account supplanted coins wholly or in part. But there is an imbalance of evidence: coins survive physically, while intangible forms of money leave little trace. This has skewed our understanding. Since coin usage has been well studied in the past, these essays flesh out our consideration of societies that used money but struck no coins. Absence or shortage of coining

metals was not the causative factor: some of these societies had access to metal supplies but still remained coinless. Was this a strategic choice? Does it reflect the unique system of governance that developed in each kingdom? It is surely time to unravel this puzzle. This book

examines money use in the Bay of Bengal world, using the case of medieval Bengal as a fulcrum. Situated between mountains and the sea, this region had simultaneous access to both overland and maritime trade routes. How did such 'cashless' economies function internally, within their regions and in the broader Indian Ocean

context? This volume brings together the thoughts of a range of upcoming scholars (and a sprinkling of their elders), on these and related issues. Please note: Taylor & Francis does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka
