LONELY PLANET

Lonely Planet

Lonely Planet, the world's leading travel guide publisher, brings you the world...ranked. What will be number 1, you ask? We have the answer. This compilation of the 500 most unmissable sights and attractions in the world has been ranked by Lonely Planet's global community of travel experts, so big name mega-sights such as the Eiffel Tower and the Taj Mahal battle it out with lesser-known hidden gems for a prized place in the top 10, making this the only bucket list you'll ever need. This

definitive wish list of the best places to visit on earth is packed with insightful write-ups and inspiring photography to get you motivated to start ticking off your travel list. What's your number 1?

Authors: Lonely Planet About Lonely Planet: Since 1973, Lonely Planet has become the world's leading travel media company with guidebooks to every destination, an award-winning website, mobile and digital travel products, and a dedicated traveller community. Lonely Planet covers must-see spots but also enables curious travellers to get off beaten paths to understand more of the culture of the places in which they find themselves. 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' -- Fairfax Media 'Lonely Planet guides are, quite simply, like no other.' - New York Times Lonely Planet guides have won the TripAdvisor Traveler's Choice Award in 2012, 2013, 2014, and 2015. This guidebook presents 44 graded walks spread across the island, covering both southern and northern Cyprus, with a slight focus on the central Troodos region. Clear description and mapping is presented for each route and a route summary table makes it easy to choose an appropriate walk. The walks, of 3 to 20km, range from gentle strolls to longer, more demanding routes, sometimes involving steep ascents, difficult terrain or navigational challenge. They showcase Cyprus's captivating landscapes, from the sun-kissed coastline lapped by clear turquoise waters to the pine-clad slopes of the Troodos and Besparmak Mountains. Many visit sites of historical interest - including UNESCO-listed Byzantine monasteries, Venetian bridges, defensive castles and hideouts from the 1950s independence struggle - and other highlights include the stunning Avakas Gorge, the caves of Cape Greco and the striking Besparmak range. As well as the walks, the guide offers plenty of information to help you organise and get the most out of your trip, with advice on transport, bases and border crossings. There's far more to Cyprus than just the bustling resorts: the favourable climate, attractive scenery and many kilometres of footpaths and nature trails make it an ideal destination for walkers.

A REESE'S BOOK CLUB PICK Winner of the 2022 BookTube Silver Medal in Fiction * Shortlisted for the Women's Prize for Fiction "A wise novel of love and grief, roots and branches, displacement and home, faith and belief. Balm for our bruised times." -David Mitchell, author of Utopia Avenue A rich, magical new novel on belonging and identity, love and trauma, nature and renewal, from the Booker-shortlisted author of 10 Minutes 38 Seconds in This Strange World. Two teenagers, a Greek Cypriot and a Turkish Cypriot, meet at a taverna on the island they both call home. In the taverna, hidden beneath garlands of garlic, chili peppers and creeping honeysuckle, Kostas and Defne grow in their forbidden love for each other. A fig tree stretches through a cavity in the roof, and this tree bears witness to their hushed, happy meetings and eventually, to their silent, surreptitious departures. The tree is there when war breaks out, when the capital is reduced to ashes and rubble,

and when the teenagers vanish. Decades later, Kostas returns. He is a botanist looking for native species, but really, he's searching for lost love. Years later a Ficus carica grows in the back garden of a house in London where Ada Kazantzakis lives. This tree is her only connection to an island she has never visited--- her only connection to her family's troubled history and her complex identity as she seeks to untangle years of secrets to find her place in the world. A moving, beautifully written, and delicately constructed story of love, division, transcendence, history, and eco-consciousness, *The Island of Missing Trees* is Elif Shafak's best work yet.

Don't just see the sights—get to know the people. For much of its history Cyprus was regarded as the Cinderella of empires--beautiful, abused, isolated. Today, the island is divided between the Greek-Cypriot south and the Turkish occupied north. However, both sides take pride in a shared "Cypriotness," and are united in their common hopes, pain, memories, music, excellent cuisine, rich history, and majestic landscape. Culture Smart! Cyprus equips you with essential information on the history, values, and attitudes of the people you will meet, their customs and traditions, and offers tips on etiquette and socializing. Have a richer and more meaningful experience abroad through a better understanding of the local culture. Chapters on history, values, attitudes, and traditions will

help you to better understand your hosts, while tips on etiquette and communicating will help you to navigate unfamiliar situations and avoid faux pas.

Cyprus is not only famous for its cultural heritage and 9000 year old past – “Aphrodite’s Island” is one of the most popular hiking destinations in the eastern Mediterranean. The centre of the island is dominated by the Troodos mountain measuring some 2000 m in height, which despite its considerable altitude is more reminiscent of European low mountains, due to its softly rounded and forested peak. This Rother hiking guide proposes 50 routes mostly ranging from easy to medium level. Next to mountain tours, it also includes a selection of coastal paths along bizarre cliffs and adventurous ravine tours. Forest paths and nature trails lead through aromatic cedar woods, silent valleys and to remote Byzantine churches and monasteries. Classic spring tours are those which take visitors across the peninsula of Akamas, when colourful carpets of flowers and orchids blossoming by the wayside unveil their typical Mediterranean charm.
