the Austere Academy

HarperTrophy

The fifth book in the "A Series of Unfortunate Events" series tells the wretched adventures of the charming Baudelaire orphans at boarding school where they face strict punishments, dripping fungus, comprehensive exams, a girl named Carmelita Spats, smelly sneakers, and the metric system.

*Swarm of Bees* Little, Brown Books for Young Readers

Looking for wit, wisdom, and inspiration all within the pages of one useful book? Read *Something Else*. Life is a turbulent journey, fraught with confusion, heartbreak, and inconvenience. This collection of wit and wisdom from New York Times bestselling author Lemony Snicket is unlikely to help. It includes a new introduction filled with curious aphorisms, a handful of never-before-seen-or-heard quotations, and fan favorites from works over the years. These dubious offerings,

collected from Snicket's books, unpublished papers, and more, have been made pleasing to the eye by illustrations, select fan art, and design flourishes.

#### **The Austere Academy**

Simon and Schuster From the bestselling author of *The Dark* comes another brilliantly illustrated picture book that takes on an intense childhood emotion--this time, anger--in a rollicking, kid-friendly way. Whether you're a kid or a bee, sometimes you feel so mad, you buzz around looking for people to sting and trouble to make. See how one boy, a swarm of bees, and a whole town can get riled up and then find a way to feel better through the comfort of unconditional love and community. Printed in a brilliant palette of primary colors, brimming with beautiful dots and stripes, Rilla Alexander's art sings. Not since David Shannon's *No, David!* have readers been given the pleasure of witnessing such uproariously terrible behavior, unbridled emotion, and ultimately, such comfort.

A Series of Unfortunate Events: The Notorious

Notations Harper Collins

In a fading town, far from anyone he knew or trusted, a young Lemony Snicket began his apprenticeship in an organization nobody knows about. He started by asking questions that shouldn't have been on his mind. Now he has written an account that should not be published, in four volumes that shouldn't be read. This is the first volume.

**A Series of Unfortunate Events #5: The Austere Academy CD** Egmont Books (UK)

WARNING: LISTENING TO THIS TAPE WILL ONLY MAKE YOU WEEP... Dear Listener, If you are looking for a story about cheerful youngsters spending a jolly time at boarding school, look elsewhere. Violet, Klaus and Sunny Baudelaire are intelligent and resourceful children, and you might expect that they would do very well at school. Don't. For the Baudelaires, school turns out to be another miserable episode in their unlucky lives. Truth be told, within the chapters that make up this dreadful story, the children will face snapping crabs, strict punishments, dripping fungus, comprehensive

exams, violin recitals. S.O.R.E., and the metric system. It is my solemn duty to stay up all night reading my history of these three hapless youngsters into a microphone, but you may be more comfortable getting a good night's sleep. In that case, you should probably listen to something else. With all due respect, LEMONY SNICKET

**"Who Could That Be at This Hour?"** Harper Collins

NOW A NETFLIX ORIGINAL SERIES In their most daring misadventure, the Baudelaire orphans are adopted by very, very rich people, whose penthouse apartment is located mysteriously close to the place where all their misfortune began. Even though their new home in the city is fancy, and the children are clever and charming, I'm sorry to say that still, the unlucky orphans will encounter more disaster and woe. In fact, in this sixth book in A Series of Unfortunate Events, the children will experience a darkened staircase, a red herring, an auction, parsley soda, some friends in a dire situation, a secret passageway, and pinstripe suits. Both literary and irreverent,

hilarious and deftly crafted, A Series of Unfortunate Events offers an exquisitely dark comedy in the tradition of Edward Gorey and Roald Dahl. Lemon Snicket's uproariously unhappy books continue to win readers, despite all his warnings.

The Bad Mood and the Stick A Series of Unfortunate Events #5: The Austere Academy Dear Reader, If you have not read anything about the Baudelaire orphans, then before you read even one more sentence, you should know this: Violet, Klaus, and Sunny are kindhearted and quick-witted, but their lives, I am sorry to say, are filled with bad luck and misery. All of the stories about these three children are unhappy and wretched, and this one may be the worst of them all. If you haven't got the stomach for a story that includes a hurricane, a signalling device, hungry leeches, cold cucumber soup, a horrible villain, and a doll named Pretty Penny, then this book will probably fill you with despair. I will continue to record these tragic tales, for that is what I do. You, however, should decide for yourself whether you can possibly endure this miserable

story. With all due respect, Lemony Snicket

**A Series of Unfortunate Events #6: the Ersatz Elevator [Netflix Tie-In Edition]** Egmont Books (UK)

Washington Post Bestseller A new stand-alone adventure—appropriate for all ages—by Lemony Snicket, one of the twenty-first century's most beloved authors. In the years since this publishing house was founded, we have worked with an array of wondrous authors who have brought illuminating clarity to our bewildering world. Now, instead, we bring you Lemony Snicket. Over the course of his long and suspicious career, Mr. Snicket has investigated many things, including villainy, treachery, conspiracy, ennui, and various suspicious fires. In this book, he is investigating his own death. Poison for Breakfast is a different sort of book than others we have published, and from others you may have read. It is different from other books Mr. Snicket has written. It could be said to be a book of philosophy, something almost no one likes, but it is also a mystery, and many people claim to like

those. Certainly Mr. Snicket didn't relish the dreadful task of solving it, but he had no choice. It was put in front of him, right there, on his plate. *The Metamorphosis* (Legend Classics) Harper Collins

NOW A NETFLIX ORIGINAL SERIES Like bad smells, uninvited weekend guests or very old eggs, there are some things that ought to be avoided. Snicket's saga about the charming, intelligent, and grossly unlucky Baudelaire orphans continues to alarm its distressed and suspicious fans the world over. The tenth book in this outrageous publishing effort features more than the usual dose of distressing details, such as snow gnats, an organised troupe of youngsters, an evil villain with a dastardly plan, a secret headquarters and some dangerous antics you should not try at home. With the weather turning colder, this is one chilling book you would be better off without.

## THE AUSTERE ACADEMY

Liveright Publishing  
Part of the Legend Classics series  
As Gregor Samsa awoke one morning from uneasy

dreams he found himself transformed in his bed into a gigantic insect. *The Metamorphosis* - the masterpiece of Franz Kafka - was first published in 1915 and is one of the seminal works of fiction of the twentieth century. The novel is cited as a key influence for many of today's leading authors; as Auden wrote: "Kafka is important to us because his predicament is the predicament of modern man". Traveling salesman, Gregor Samsa, wakes to find himself transformed into a large, monstrous insect-like creature. The cause of Gregor's transformation is never revealed, and as he attempts to adjust to his new condition he becomes a burden to his parents and sister, who are repelled by the horrible, verminous creature Gregor has become. A harrowing, yet strangely comic, meditation on human feelings of inadequacy, guilt, and isolation, *The Metamorphosis* has taken its place as one of the most widely read and influential works of twentieth-century fiction. *The Legend Classics* series: *Around the World in Eighty Days*, *The Adventures of Huckleberry Finn*, *The*

*Importance of Being Earnest*, *Alice's Adventures in Wonderland*, *The Metamorphosis*, *The Railway Children*, *The Hound of the Baskervilles*, *Frankenstein*, *Wuthering Heights*, *Three Men in a Boat*, *The Time Machine*, *Little Women*, *Anne of Green Gables*, *The Jungle Book*, *The Yellow Wallpaper and Other Stories*, *Dracula*, *A Study in Scarlet*, *Leaves of Grass*, *The Secret Garden*, *The War of the Worlds*, *A Christmas Carol*, *Strange Case of Dr Jekyll and Mr Hyde*, *Heart of Darkness*, *The Scarlet Letter*, *This Side of Paradise*, *Oliver Twist*, *The Picture of Dorian Gray*, *Treasure Island*, *The Turn of the Screw*, *The Adventures of Tom Sawyer*, *Emma*, *The Trial*, *A Selection of Short Stories by Edgar Allan Poe*, *Grimm Fairy Tales*

**A Series of Unfortunate Events #5: The Austere Academy** Harper Collins

This mysterious illustrated tie-in to Netflix's award-winning *A Series of Unfortunate Events* -- featuring an introduction by Count Olaf's legal representative, Neil Patrick Harris -- shares insider secrets about the Baudelaire family and the making of the show. In every library there is a

single book that can answer the question that burns like a fire in the mind... In this collector's companion you will discover never-before-seen photographs, never-before-told stories, and never-before, revealed secrets spanning all three seasons of the hilariously twisted, critically acclaimed hit series. You will encounter original concept art, annotated script excerpts, and interviews with the creative team and all-star cast, as well as glossaries, recipes, lyric sheets, hidden Easter eggs, shocking backstories, and suspicious pages from the titular tome, unredacted, and revealed here for the first time. Featuring interviews with: Tony Hale Daniel Handler Aasif Mandvi Sara Rue Barry Sonnenfeld Patrick Warburton Bo Welch Alfre Woodard and more... Perhaps you are wondering how a noble person such as yourself might become a member of a secret organization. Like so many things in life, it starts by picking up the right book. So go ahead, read at your own risk.

**A Series of Unfortunate Events: The Austere Academy** Little, Brown Books for Young Readers

After the sudden death of their parents, the three Baudelaire children must depend on each other and their wits when it turns out that the distant relative who is appointed their guardian is determined to use any means necessary to get their fortune throughout this series of books *A Novel* Egmont Books (UK)  
 WARNING: LISTENING TO THIS TAPE WILL ONLY MAKE YOU WEEP... Dear Listener, If you are looking for a story about cheerful youngsters spending a jolly time at boarding school, look elsewhere. Violet, Klaus and Sunny Baudelaire are intelligent and resourceful children, and you might expect that they would do very well at school. Don't. For the Baudelaires, school turns out to be another miserable episode in their unlucky lives. Truth be told, within the chapters that make up this dreadful story, the children will face snapping crabs, strict punishments, dripping fungus, comprehensive exams, violin recitals. S.O.R.E., and the metric system. It is my solemn duty to stay up all night reading my history of these three hapless youngsters into a microphone, but you may

*A Series of Unfortunate Events: The Austere Academy Bk. 5* Little, Brown Books for Young Readers  
 There is nothing to be found in the pages of *A Series of Unfortunate Events* but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . There are many pleasant things to read about, but *The Hostile Hospital* contains none of them. Within its pages are such burdensome details as a suspicious shopkeeper, unnecessary surgery, heartshaped balloons, and some very startling news about a fire. Clearly you do not want to read about such things. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's *A Series of Unfortunate Events* to make him one of the most successful children's authors of the past decade. We, however, consider these miserable

so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

### **The Lump of Coal**

HarperCollins

The instant New York Times and International Bestseller! In the first book of a new series by the bestselling author of *How to Train Your Dragon*, the warring worlds of *Wizards and Warriors* collide in a thrilling and enchanting adventure. Once there were Wizards, who were Magic, and Warriors, who were not. But Xar, son of the King of Wizards, can't cast a single spell. And Wish, daughter of the Warrior Queen, has a banned magical object of her own. When they collide in the wildwood, on the trail of a deadly witch, it's the start of a grand adventure that just might change the fabric of their worlds. With Cressida Cowell's trademark wit, and the same stunning combination of action, adventure, heart, humor, and incredible artwork that made *How to Train Your Dragon* a beloved bestselling franchise, *The Wizards of Once* will transport and enchant readers.

*A Series of Unfortunate Events: Lemony Snicket*  
Egmont Books (UK)

There is nothing to be found in the pages of *A Series of Unfortunate Events* but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . The *Carnivorous Carnival* contains such a distressing story that consuming any of its contents would be far more stomach-turning than even the most imbalanced meal. To avoid causing discomfort, it would be best if I didn't mention any of the ingredients of this story, particularly a confusing map, an ambidextrous person, an unruly crowd, a wooden plank and Chabo the Wolf Baby. Your time might be better filled with something more palatable such as eating your vegetables or feeding them to someone else. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's *A Series of Unfortunate Events* to make him one of the most successful children's authors of the past decade. We, however,

consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

Teachers and Homeschool Instructors may use them to improve student learning and organization. This series is not meant to replace a teacher but as support for teaching. What students will construct and identify the following areas of knowledge. Character Identification Events Location Vocabulary Main Idea Conflict And more as appropriate to the text.

### **READ SOMETHING ELSE: COLLECTED & DUBIOUS WIT & WISDOM OF LEMONY SNICKET**

Egmont Books (UK)

Tolstoy wrote that happy

families are alike and that each unhappy family is unhappy in a different way. In *Watch Your Mouth*, Daniel Handler takes "different" to a whole new level....

### **The Carnivorous**

**Carnival** Egmont Books (UK)

NOW A NETFLIX ORIGINAL SERIES A Warning from the Publisher: Imagine you are wearing a bandage that needs to be removed. Are you the sort of person who tears the bandage right off, causing an enormous amount of pain in a short instance? Or do you prefer to spread your pain out over a longer period of time, by slowly unpeeling the bandage from your injury? If you are the first type of person, then this three-book electronic collection might be for you. All of the misery and woe available in three Lemony Snicket volumes—*The Miserable Mill*, *The Austere Academy*, and *The Ersatz Elevator*—have been joined into one compactly miserable package, so readers

foolish enough to read about the Baudelaire orphans can be unnerved in a slightly more economical fashion. If you are the second type of person, then volumes four through six in *A Series of Unfortunate Events* might be for you. Even if you unwisely choose to read them at a more leisurely pace, you will encounter such atrocities as poorly paid employees, a hypnotist, an evil scheme, a gym teacher, dripping fungus, another evil scheme, a fake accent, three mysterious consonants, a red herring, and at least one more evil scheme. Of course, most people would prefer not to be injured at all. We salute these sensible people, who will doubtless not purchase any books by Lemony Snicket, no matter how conveniently bundled.

*Watch Your Mouth*

Dragonfire Press

*A Warning from the*

Publisher: Many readers

have questions about

Lemony Snicket, author of

the distressing serial concerning the trials of the charming but unlucky Baudelaire orphans, published under the collective title *A Series of Unfortunate Events*. Before purchasing, borrowing, or stealing this book, you should be aware that it contains the answers to some of those questions, such as the following: 1. Who is Lemony? 2. Is there a secret organization I should know about? 3. Why does Lemony Snicket spend his time researching and writing distressing books concerning the Baudelaire orphans? 4. Why do all of Lemony Snicket's books contain a sad dedication to a woman named Beatrice? 5. If there's nothing out there, what was that noise? Our advice to you is that you find a book that answers less upsetting questions than this one. Perhaps your librarian, bookseller, or parole officer can recommend a book that answers the question, "Aren't ponies adorable?"
