"Alf's Alphabet" is a recreational activity book designed to engage young learners in a series of lighthearted, riddle-solving activities. Delightfully illustrated in full colour, the book offers children an enjoyable break from more formal didactic activities.

Ancient Poems of Erotica & Sexuality Grub Street Publishers

From Socrates and Plato onwards, the Sophists were often targeted by the authoritative philosophical tradition as being mere charlatans and poor teachers. This book, translated and significantly updated from its most recent Italian version (2nd edition, 2013), challenges these criticisms by offering an overall interpretation of their thought, and by assessing the specific contributions of thinkers like Protagoras, Gorgias and Antiphon. A new vision of the Sophists emerges: they are protagonists and agents of fundamental change in the history of ancient philosophy, who questioned the grounds of morality and politics, as well as the nature of knowledge and language. By shifting the focus from the cosmos to man, the Sophists inaugurate an

alternative form of philosophy, whose importance is only now becoming clear.

Hard Times illustrated Charles Dickens - Hard Times: For These Times (commonly known as Hard Times) is the tenth novel by Charles Dickens, first published in

1854. The book surveys English society and satirises the social and economic conditions of the era. "Now, what I want is, Facts. . . . Facts alone are wanted in life." Thus begins Superintendent Mr. Gradgrind—a wealthy, retired merchant—addressing a group of young students at his school in the industrial town of Coketown, England. A rigid man of fact, rational self-interest and realities, he not only teaches his pupils according to the utilitarian principles, but also raises his children with the same philosophy. When they grow up, as their lives begin to turn chaotic, they reproach their father for their upbringing. Will Mr. Gradgrind realize his flaws and become a humble man? Satirizing the laissez-faire system, Dickens' Hard Times lays bare the wide gap between the rich and

the poor. Criticizing the materialistic world, this Victorian novel throws light on the value of emotions and the human heart. It has undergone several film and theatre adaptations.

The Canterville Ghost. Mit Materialien
Taylor & Francis

Daniel Davis is a bored and disillusioned bank clerk whose humdrum existence is unexpectedly put to the test one morning by the appearance of The Black: an impenetrable wall of darkness which incarcerates him unremittingly within the confines of his own home. Totally cut off from the outside world, Daniel has to reorganize and reassess his daily life in order to retain some control over his vacillating mind. When a chance to escape finally arrives, Daniel finds himself, perhaps unsurprisingly,

teetering between the frying pan and the fire. Aware that he has no real choice, he starts out on an intrepid journey in which past and present, fact and fiction, fear and fascination interweave in a kaleidoscopic world whose enigmatic inhabitants goad him into a seemingly impossible quest to find his inner sense.

Dubliners is a collection of fifteen short stories by James Joyce, first published in 1914. The stories comprise a naturalistic depiction of Irish middle class life in and around Dublin in the early years of the 20th century.

Simple English Practice - NUOVA
EDIZIONE BEYOND BOOKS HUB

From renowned Newbery-winning author

Jerry Spinelli comes a powerful story about how not fitting in just might lead to an incredible life. This classic book is perfect for fans of Gordon Korman and Carl Hiaasen. Just like other kids, Zinkoff rides his bike, hopes for snow days, and wants to be like his dad when he grows up. But Zinkoff also raises his hand with all the wrong answers, trips over his own feet, and falls down with laughter over a word like "Jabip." Other kids have their own word to describe him, but Zinkoff is too busy to hear it. He doesn't know he's not like everyone else. And one winter night, Zinkoff's differences show that any name can someday become "hero." With some of his finest writing to date and great wit and humor, Jerry Spinelli creates a story about a boy's individuality surpassing the need to fit in

and the genuine importance of failure. As readers follow Zinkoff from first through sixth grade, it becomes impossible not to identify with and root for him through failures and triumphs. The perfect classroom read.

This compandium is a unique and thick volume of all works of the celebrated English novelist Jane Austen, initiated by Project Gutenberg. Read this volume if you are a Jane Austen fan or are simply

interested in reading one of the most acclaimed authors of the Victorian era.

Ecotourism Peter Lang

These poems are done by 17th-century writers who devised a new form of poetry full of wit, intellect and grace, which we now call Metaphysical poetry. They wrote about their deepest religious feelings and their carnal pleasures in a way that was radically new and challenging to their readers. Their work was largely misunderstood or ignored for two centuries, until 20th-century critics rediscovered it.

A Fantasophical Journey Into the Essence of Existence Bloomsbury Publishing

This publication, intended as a preparatory document for the World Ecotourism Summit in Quebec, 2002, reviews the current status and trends in

ecotourism globally, the challenges ahead and the lessons learned in over 15 years of ecotourism development involving a broad range of stakeholders. The document incorporates comments and suggestions from recognized academics, NGO representatives and inter-governmental agencies such as WTO, IUCN and UNEP. It provides an overview of the history and current thinking on what constitutes ecotourism, what constitutes an ecotourism experience and considers the components of successful ecotourism. The author considers the roles of various stakeholders: industry, both in originating and destination countries, NGOs, communities, women, government, development agencies and researchers. The document ends with a

useful list of resource documents and organizations.

HOW A WORLDWIDE MOVEMENT IS CHALLENGING THE CULT OF SPEED

Edizioni Centro Studi Erickson

"Oliver Twist; or, the Parish Boy's

Progress is Charles Dickens's second novel, and was first published as a serial 1837-39.[1] The story centres on orphan Oliver Twist, born in a workhouse and sold into apprenticeship with an undertaker. After escaping, Oliver travels to London, where he meets "The Artful Dodger", a member of a gang of juvenile pickpockets led by the elderly criminal, Fagin. Oliver Twist is notable for its unromantic portrayal by Dickens of criminals and their sordid lives, as well as for exposing the cruel treatment of the many orphans in London in the mid-19th century.[2] The alternative title, The Parish Boy's Progress, alludes to Bunyan's The Pilgrim's Progress, as well as the 18th-century caricature series by William Hogarth, A Rake's Progress and A Harlot's Progress.[3] In

this early example of the social novel, Dickens satirises the hypocrisies of his time, including child labour, the recruitment of children as criminals, and the presence of street children. The novel may have been inspired by the story of Robert Blincoe, an orphan whose account of working as a child labourer in a cotton mill was widely read in the 1830s. It is likely that Dickens's own youthful experiences contributed as well. *Oliver Twist* has been the subject of numerous adaptations for various media, including a highly successful musical play, *Oliver!*, and the multiple Academy Award-winning 1968 motion picture. Disney also put its spin on the novel with the animated film called *Oliver & Company* in 1988"

Make It! Levels 1-3 Learning Support

Book Simple English Practice - NUOVA EDIZIONE Attività per consolidare l'inglese essenziale

Il libro propone esercizi di comprensione e produzione del testo e di consolidamento delle strutture grammaticali e del lessico già affrontate in Simple English. Ciascuna unità presenta le interazioni dei protagonisti (su vari aspetti della loro vita quotidiana attraverso i post personali e la chat room), una parte di grammatica semplificata e i test per verificare la conoscenza degli argomenti trattati. L'opera, corredata di 2 CD con 100 tracce audio per esercitarsi, presenta: - un nucleo fondamentale di parole ad alta frequenza d'uso; - numerosi esercizi con supporto iconico (immagini, fotografie, mappe) e altamente strutturati (di

completamento, abbinamento parola-immagine, scelta multipla o griglie); - attività ludiche, che coinvolgono l'alunno in maniera stimolante; - interazioni basilari in situazioni comunicative della vita quotidiana; - regole grammaticali spiegate in modo chiaro con schemi e mappe; - una veste grafica rinnovata con caratteristiche compositive che facilitano la lettura e uno stile attento alle esigenze dei lettori adolescenti. Il volume si rivolge agli studenti con difficoltà di apprendimento e altri bisogni educativi speciali della scuola secondaria di primo grado e del biennio della secondaria di secondo grado, ma può essere utilizzato con tutti gli alunni per attività di rinforzo.

A Winter Walk Betterlife Books

The European Union and the single

currency have given Europe more stability than it has known in the past thousand years, yet Europe seems to be in perpetual crisis about its global role. The many European empires are now reduced to a multiplicity of ethnicities, traditions, and civilizations. Europe will never be One, but to survive as a union it will have to become a federation of "islands" both distinct and connected. Though drawing on philosophers of Europe's past, Cacciari calls not to resist Europe's sunset but to embrace it. Europe will have to open up to the possibility that in few generations new exiles and an unpredictable cultural hybridism will again change all we know about the European legacy. Though scarcely alive in today's politics, the political unity of Europe is still a

necessity, however impossible it seems to achieve.

Social network. Comunicazione e marketing Die Gestalten Verlag

In the tradition of such trailblazing books as No Logo and The Tipping Point, In Praise of Slow heralds a growing international movement of people dedicated to slowing down the pace of our contemporary times and enjoying a richer, fuller life as a result. These days, almost everyone complains about the hectic pace of their lives. We live in a world where speed rules and everyone is under pressure to go faster. But when speed is king, anyone or anything that gets in our way, that slows us down, becomes an enemy. Thanks to speed, we are living in the age of rage. Carl Honore has discovered a movement that

is quickly working its way into the mainstream. Groups of people are developing a recipe for living better in a fast-paced, modern environment by striving for a new balance between fast and slow. In an entertaining and hands-on investigation of this new movement, Honore takes us from a Tantric sex workshop in a trendy neighbourhood in London, England to Bra, Italy, the home of the Slow Food, Slow Cities and Slow Sex movements. He examines how we can continue to live productive lives by embracing the tenets of the slow movement. A challenging take on the cult of speed, as well as a corrective look at how we can approach our lives with new understanding, In Praise of Slow uncovers a movement whose time has come.

The Mind Map Book Maggioli Editore
 The Priapeia is a collection of ninety-five poems in various meters on subjects pertaining to the phallic god Priapus. It was compiled from literary works and inscriptions on images of the god by an unknown editor, who composed the introductory epigram. From their style and versification it is evident that the poems belong to the classical period of Latin literature. Some, however, may be interpolations of a later period. These poems were posted upon statues of Priapus that stood in the midst of gardens as the protector of the fruits that grew therein. These statues were

often crude carvings made from tree trunks. They roughly resembled the form of a man with a huge phallus. The statues also promoted the gardens' fertility. The verses are attributed variously to Virgil, Ovid, and Domitius Marsus. However, most authorities on the matter regard them to have been the work of a group of poets who met at the house of Maecenas, amusing themselves by writing tongue-in-cheek tributes to the garden Priapus. (Maecenas was Horace's patron.) Others, including Martial and Petronius, were thought to have added more verses in imitation of the originals.
