A GOOD GIRL'S GUIDE TO MURDER

Sutherland House Books
WHO BETTER THAN A PET DETECTIVE TO EXPOSE A WOLF IN SHEEP'S CLOTHING? Things get wild and woolly when Jessica Popper's wedding to longtime fiancé Nick Burby is interrupted by the sound of bloody murder. The sacrificial lamb is the black sheep of the Burby flock, a long-lost relative Nick has never even met. In fact, no one thought Cousin Nathaniel would return to the fold for the event—except his killer. Now, instead of enjoying her

honeymoon, Jessie finds herself playing Bo Peep to a growing list of suspects, none with a past as white as snow. All the clues lead to an exclusive private school in Long Island's high-toned Bromptons, where snobby socialites and a smattering of locals on scholarship take classes in African drumming and field trips to Europe. But shearing away the thick fleece of politics, tension, and rivalries reveals a very different animal under the school's progressive appearance. And just when Jess thinks she's about to herd in the killer, she realizes she's being led like a lamb to slaughter....

Life in a small community like Wompatuk, Maine is the last place most people expect a murder in the teachers' room of the town's only high school! At the request of an old friend, Detective Viktor Rouse was asked to step in and temporarily assume the responsibilities of Wompatuk's sheriff. This was seemingly a simple job, allowing Vik to vacation at his friend's home, while trying to put aside his usual focus on criminal behavior. Not long after Vik kicked off his penny loafers and inhaled Maine's salt air, the phone rang, announcing a murder in the teachers' room at Wompatuk High School . . . wicked bloody murder! Join Detective Rouse as he works with high school principal, George Jungas, the maintenance man, Larry Kravitz, and all the endearing, yet sometimes off-putting characters, at Wompatuk, High School. Vik promises to keep you on your toes, and wanting to know more about the collection of characters in the midst of this most unusual case!

BETTER THE BLOOD

When the quiet Little Vestry of St. Matthew's Church becomes the blood-soaked scene of a double murder, Scotland Yard Commander Adam Dalgliesh faces an intriguing conundrum: How did an upper-crust Minister come to lie, slit throat to slit throat, next to a neighborhood derelict of the lowest order? Challenged with the investigation of a crime that appears to have endless motives, Dalgliesh explores the sinister web spun around a half-burnt diary and a violet-eyed widow who is pregnant and full of malice--all the while hoping to fill the gap of logic that joined these two disparate men in bright red death. . . .

Wild-hearted Kentuckian Stella Kendrick cautiously navigates the strict demands of British high society as the future Lady of Morrington Hall. But when petty scandals lead to bloody murder, her outspoken nature could be all that keeps her alive . . .

Following a whirlwind engagement to Viscount "Lyndy"

Lyndhurst, Stella is finding her footing within an elite social circle in picturesque rural England. Except teatime with refined friends can be more dangerous than etiquette faux pas—especially in the company of Lady Philippa, the woman Lyndy was once set to marry, and her husband, the ostentatious Lord Fairbrother . . .

Outrage erupts and accusations fly after Lord Fairbrother's pony wins best in breed for the seventh consecutive year. The man has his share of secrets and adversaries, but Stella and Lyndy are in for a brutal shock when they discover his body floating in the river during a quiet morning fishing trip. Suddenly unwelcome around hardly-grieving Lady Philippa and Lyndy's endlessly critical mother, Stella faces the bitter reality that she may always be an outsider—and one of her trusted new acquaintances may be a calculating killer. Now, Stella and her fiancé must fight against the current to catch the culprit, before they're the next couple torn apart by tragedy.

When veterinary college sweethearts Jim Briggs and Helen Williams broke up to pursue careers in other parts of the country, they had no idea a tragedy would reunite them around a common cause six years later in Portland, Oregon where Briggs operated a mobile canine care service. Shortly after Williams loses her husband in a freak accident and is then attacked and left for dead

by a group of homeless predators, she shows up on Briggs' doorstep to take a job managing his pet crematory. Helen's arrival coincides with Briggs' own shock over witnessing a homeless woman flipping out in a drug overdose meltdown, begging, "God please take me." While Briggs struggles with an inner dark voice urging him to put down the homeless meth addict like a stray dog, Williams goes on a murderous rampage for revenge while sleeping with a detective assigned to the case.

Virgil Flowers will have to watch his back--and his mouth--as he investigates a college culture war turned deadly in another one of Sandford's "madly entertaining Virgil Flowers mysteries" (New York Times Book Review). At the local state university, two feuding departments have faced off on the battleground of science and medicine. Each carries their views to extremes that may seem absurd, but highly educated people of sound mind and good intentions can reasonably disagree, right? Then a renowned and confrontational scholar winds up dead, and Virgil Flowers is brought in to investigate . . . and as he probes the recent ideological unrest, he soon comes to realize he's dealing with people who, on this one particular issue, are functionally crazy. Among this group of wildly impassioned, diametrically opposed zealots lurks a killer, and it will be up to Virgil to sort the murderer from the mere maniacs.

Mortal Consequences Penguin

"In this terrific series opener, Afia evokes the women's lives in all their wayward and beautiful glory, especially the abruptness with which their dreams, hopes and fears cease to exist."--The New York Times The start of an exciting new historical mystery series set during the Harlem Renaissance from debut author Nekesa Afia Harlem, 1926. Young Black women like Louise Lloyd are

ending up dead. Following a harrowing kidnapping ordeal when she was in her teens, Louise is doing everything she can to maintain a normal life. She's succeeding, too. She spends her days working at Maggie's Café and her nights at the Zodiac, Harlem's hottest speakeasy. Louise's friends, especially her girlfriend, Rosa Maria Moreno, might say she's running from her past and the notoriety that still stalks her, but don't tell her that. When a girl turns up dead in front of the café, Louise is forced to confront something she's been trying to ignore—two other local Black girls have been murdered in the past few weeks. After an altercation with a police officer gets her arrested, Louise is given an ultimatum: She can either help solve the case or wind up in a jail cell. Louise has no choice but to investigate and soon finds herself toe-to-toe with a murderous mastermind hell-bent on taking more lives, maybe even her own....

In a perfect marriage of author and subject, P. D. James—one of the most widely admired writers of detective fiction at work today—gives us a personal, lively, illuminating exploration of the human appetite for mystery and mayhem, and of those writers who have satisfied it. P. D. James examines the genre from top to bottom, beginning with the mysteries at the hearts of such novels as Charles Dickens's *Bleak House* and Wilkie Collins's *The Woman in White*, and bringing us into the present with such writers as Colin Dexter and Henning Mankell. Along the way she writes about Arthur Conan Doyle, Dorothy L. Sayers, Agatha Christie ("arch-breaker of rules"), Josephine Tey, Dashiell Hammett, and

Peter Lovesey, among many others. She traces their lives into and out of their fiction, clarifies their individual styles, and gives us indelible portraits of the characters they've created, from Sherlock Holmes to Sara Paretsky's sexually liberated female investigator, V. I. Warshawski. She compares British and American Golden Age mystery writing. She discusses detective fiction as social history, the stylistic components of the genre, her own process of writing, how critics have reacted over the years, and what she sees as a renewal of detective fiction—and of the detective hero—in recent years. There is perhaps no one who could write about this enduring genre of storytelling with equal authority and flair: it is essential reading for every lover of detective fiction.

"It is always a treat to read a Nero Wolfe mystery. The man has entered our folklore."—The New York Times Book Review
Introduction by David Handler It wasn't Leonard Dykes's writing style that offended. But something in his unpublished tome seemed to lead everyone who read it to a very unhappy ending. Now four people are dead, including the unfortunate author himself, and the police think Nero Wolfe is the only man who can close the book on this novel killer. So the genius sleuth directs his sidekick to set a trap . . . and discovers that the truth is far stranger—and far bloodier—than fiction. A grand master of the form, Rex Stout is one of America's greatest mystery writers, and

his literary creation Nero Wolfe is one of the greatest fictional detectives of all time. Together, Stout and Wolfe have entertained—and puzzled—millions of mystery fans around the world. Now, with his perambulatory man-about-town, Archie Goodwin, the arrogant, gourmandizing, sedentary sleuth is back in the original seventy-three cases of crime and detection written by the inimitable master himself, Rex Stout.

Bloody Murder Cambridge University Press

A riveting true story of murder and detection in 15th-century Paris, by one of the most brilliant medievalists of his generation. On a chilly November night in 1407, Louis of Orleans was murdered by a band of masked men. The crime stunned and paralyzed France since Louis had often ruled in place of his brother King Charles, who had gone mad. As panic seized Paris, an investigation began. In charge was the Provost of Paris, Guillaume de Tignonville, the city's chief law enforcement officer -- and one of history's first detectives. As de Tignonville began to investigate, he realized that his hunt for the truth was much more dangerous than he ever could have imagined. A rich portrait of a distant world, *Blood Royal* is a gripping story of conspiracy, crime and an increasingly desperate hunt for the truth. And in *Guillaume de Tignonville*, we have an unforgettable detective for the ages, a classic gumshoe for a cobblestoned era.

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories*

Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

MURDER IN THE TEACHERS' ROOM

Bantam

"Genuinely fascinating reading."—*The New York Times Book Review* "Diverting and patently authoritative."—*The New Yorker* "Grand and fascinating ... a history, a compendium and a critical study all in one, and all first rate."—Rex Stout "A landmark ... a brilliant study written with charm and authority."—Ellery Queen "This book is of permanent value. It should be on the shelf of every reader of detective stories."—Erle Stanley Gardner Author Howard Haycraft, an expert in detective fiction, traces the genre's development from the 1840s through the 1940s. Along the way, he charts the innovations of Edgar Allan Poe, Wilkie Collins, and Arthur Conan Doyle, as well as the modern influence

of George Simenon, Josephine Tey, and others. Additional topics include a survey of the critical literature, a detective story quiz, and a Who's Who in Detection.

In Cold Blood (Detective Isabel Blood, Book 1) Bantam

All of Arizona's Sun City West heard Sophie "Phee" Kimball's mom scream bloody murder, but it's up to the reluctant sleuth to find the killer . . . Phee's mother Harriet is going to be a star! At least, that's how the Sun City West retiree describes her chance to host a live radio program of her book club's *Booked 4 Murder Mystery Hour* on Arizona's KSCW. But instead of chatting about charming cozies, Harriet ends up screaming bloody murder over the airwaves after discovering the body of Howard Buell, the station's programming director, in a closet—with a pair of sewing shears shoved into his chest. The number one suspect is Howard's ex-girlfriend Sylvia Strattlemeyer who believed she was going to host a sewing talk show before Harriet was offered the spot. But not only do the fingerprints found on the scissors not match Sylvia's, they belong to a woman who passed away twenty years ago at the age of ninety-seven. Now, with the whole town on pins and needles, it's up to Phee to stitch together enough clues from the past to uncover the identity of a killer in the present . . . Praise for the *Sophie Kimball Mysteries* "Fun characters, a touch of humor, and a great mystery, the perfect combination for a cozy." —Lena Gregory, author of the *Bay Island Psychic Mysteries* on *Ditched 4 Murder* "So cleverly written, you won't guess the perpetrators until the very end." —Mary Marks, award-winning author of the *Quilting Mystery Series* on *Booked 4 Murder*

Talking About Detective Fiction Harvester/Wheatsheaf

"Off with her head!" decreed the Queen of Hearts, one of a multitude of murderous villains populating the pages of children's literature explored in this volume. Given the long-standing belief that children ought to be shielded from disturbing life events, it is surprising to see how many stories for kids involve killing. *Bloody Murder* is the first full-length critical study of this pervasive theme of murder in children's literature. Through rereadings of well-known works, such as *Alice's Adventures in Wonderland*, the *Nancy Drew Mystery Stories*, and *The Outsiders*, Michelle Ann Abate explores how acts of homicide connect these works with an array of previously unforeseen literary, social, political, and cultural issues. Topics range from changes in the American criminal justice system, the rise of forensic science, and shifting attitudes about crime and punishment to changing cultural conceptions about the nature of evil and the different ways that murder has been popularly presented and socially interpreted. *Bloody Murder* adds to the body of inquiry into America's ongoing fascination with violent crime. Abate argues that when narratives for children are considered along with other representations of homicide in the United States, they not only provide a more accurate portrait of the range, depth, and variety of crime literature, they also alter existing ideas about the meaning of violence, the emotional appeal of fear, and the cultural construction of death and dying.

This Companion covers British and American crime fiction from

the eighteenth century to the end of the twentieth. As well as discussing the 'detective' fiction of writers like Arthur Conan Doyle, Agatha Christie and Raymond Chandler, it considers other kinds of fiction where crime plays a substantial part, such as the thriller and spy fiction. It also includes chapters on the treatment of crime in the eighteenth-century literature, French and Victorian fiction, women and black detectives, crime on film and TV, police fiction and postmodernist uses of the detective form.

Miss Withers investigates a man who appears to have hanged himself while driving as snow falls on the steps of the New York Public Library; a line of cars moves sluggishly down Fifth Avenue. Oblivious to the traffic, a blue Chrysler roadster tears down the street, hops the curb, and slams to a halt. The car is empty, its driver thrown half a block back. He is stone dead, his cigarette still burning, and a noose tied tight around his neck. First on the scene is Detective Oscar Piper, followed closely by Hildegard Withers, a schoolmarm with more than a passing interest in crime. They are a close-knit pair, and would have been married by now if murder didn't keep getting in the way. Piper and Miss Withers must race across New York, attempting to learn how a man can be hanged while driving, and to do whatever it takes to keep his twin from suffering the same fate. *Murder on Wheels* is part of the Hildegard Withers Mysteries series, which also includes *The Penguin Pool Murder* and *Murder on the Blackboard*.
