BRADFORD ALISSON

Plato: Meno and Phaedo Penguin UK

As Socrates abstained from recording his philosophies, we must thank Plato for having the insight to preserve Socratic thoughts for posterity. As a student of Socrates, it seems that Plato,

through his own writings, attempts to preserve the memory of his well respected teacher. In The Last Days of Socrates, Plato begins with Euthyphro and we see the Socratic method in action.

Socrates and Euthyphro discuss the nature of piety, and through a series of thought provoking questions, Socrates argues for what he feels is the proper relationship between Man and God. Next, Plato discusses the trial of Socrates by the Athenian aristocracy. Again, we see Socrates using his rhetorical skills in

illustrating the hypocrisy and prejudice pervading throughout the Athenian government. Socrates discusses what role a good citizen should play in government. He announces his being a gadfly on the hide of the establishment, and we also find Socrates exposing his own intelligence by claiming that he, in fact, knows very little. The Apology is by far my personal favorite section of the book. After Socrates conviction, we find him discussing the morality of obeying or breaking laws in Crito. He meets with one of his close

friends and the two discuss Socrates options in regard to his death sentence. Here we see Socrates espouse the belief that it is acceptable to break an unjust law, however, one must also accept the consequences for breaking said law in order to preserve the stability of society. The Last Days of Socrates tackles many complex issues which are as relevant today as they were when first committed to paper in the 4th century B.C. This should be standard reading for any introductory course in political theory, and a must have for anyone interested in philosophy or ethics.

Circle of Enemies Hackett Publishing

Of all Plato's dialogues, the Parmenides is notoriously the most difficult to interpret. Scholars of all periods have disagreed about its aims and subject matter. The interpretations have ranged from reading the dialogue as an introduction to the whole of Platonic metaphysics to seeing it as a collection of sophisticated tricks, or even as an elaborate joke. This work presents an illuminating new translation of the dialogue together with an extensive introduction and running commentary, giving a unified explanation of the Parmenides and integrating it firmly within the context of Plato's metaphysics and methodology. Scolnicov shows that in the Parmenides Plato addresses the most serious challenge to his own philosophy: the monism of Parmenides and the Eleatics. In addition to providing a serious rebuttal to Parmenides, Plato here re-formulates his own theory of forms and participation, arguments that are central to the whole of Platonic thought, and provides these concepts with a rigorous logical and philosophical foundation. In Scolnicov's analysis, the Parmenides emerges as an extension of ideas from Plato's middle dialogues and as an opening to the later dialogues. Scolnicov's analysis is crisp and lucid, offering a persuasive approach to a complicated dialogue. This translation follows the Greek closely, and the commentary affords the Greekless reader a clear understanding of how Scolnicov's interpretation emerges from the text. This volume will provide a valuable introduction and framework for understanding a dialogue that continues to generate lively discussion today.

Early Socratic Dialogues Cambridge University Press

The Final Days of Socrates is a book of four dialogues by Plato—Euthyphro, Apology, Crito, and Phaedo—centering, as most of Plato's dialogues do, around Socrates. These four dialogues cover the time leading up to Socrates' trial and through his death and depiction of the afterlife. Euthyphro concerns Socrates and

Euthyphro, a known so-called religious expert, as they try to determine a definition for piety. Apology is Plato's version of Socrates' speech as he defends himself against the criminal charges of corrupting the youth and not believing in the same deities as the state. The Crito is a dialogue between Socrates and a friend about justice, injustice, and the reaction to injustice. Finally Phaedo, one of Plato's most famous Socratic dialogues, depicts the death of Socrates and his argument for the existence of an afterlife. All four works are also included in the Cosimo omnibus editions of The Works of Plato. One of the greatest Western philosophers who ever lived, PLATO (c. 428-347 B.C.) was a student of Socrates and teacher of Aristotle. Plato was greatly influenced by Socrates' teachings, often using him as a character in scripts and plays (Socratic dialogues), which he used to demonstrate philosophical ideas. Plato's dialogues were and still are used to teach a wide range of subjects, including politics, mathematics, rhetoric, logic, and, naturally, philosophy.

Plato on Love Hackett Publishing

Faced with the difficult task of discerning Plato's true ideas from the contradictory voices he used to express them, scholars have never fully made sense of the many incompatibilities within and between the dialogues. In the magisterial Plato's Philosophers, Catherine Zuckert explains for the first time how these prose dramas cohere to reveal a comprehensive Platonic understanding of philosophy. To expose this coherence, Zuckert examines the dialogues not in their supposed order of composition but according to the dramatic order in which Plato indicates they took place. This unconventional arrangement lays bare a narrative of the rise, development, and limitations of Socratic philosophy. In the drama's earliest dialogues, for example, non-Socratic philosophers introduce the political and philosophical problems to which Socrates tries to respond. A second dramatic group shows how Socrates develops his distinctive philosophical style. And, finally, the later dialogues feature interlocutors who reveal his philosophy's limitations. Despite these limitations, Zuckert concludes, Plato made Socrates the dialogues' central figure because Socrates raises the fundamental human question: what is the best way to live? Plato's dramatization of Socratic imperfections suggests, moreover, that he recognized the apparently unbridgeable gap between our understandings of human life and the nonhuman world. At a time when this gap

continues to raise questions—about the division between sciences and the humanities and the potentially dehumanizing effects of scientific progress—Zuckert's brilliant interpretation of the entire Platonic corpus offers genuinely new insights into worlds past and present.

Meno and Other Dialogues Penguin UK

Included in this volume are "Euthyphro," "Apology," "Crito," and the Death Scene from "Phaedo." Translated by F.J. Church.

Revisions and Introduction by Robert D. Cumming.

Timaeus and Critias Xist Publishing

This unique and expertly annotated collection of the classic accounts of Socrates left by Plato, Aristophanes, and Xenophon features new translations of Euthyphro, Apology, Crito, and the death scene from Phaedo by C. D. C. Reeve, Peter Meineck's translation of Clouds, and James Doyle's translation of Apology of Socrates.

The Dialogues of Plato Plato: Five Dialogues

All the writings of Plato generally considered to be authentic are here presented in the only complete one-volume Plato available in English. The editors set out to choose the contents of this collected edition from the work of the best British and American translators of the last 100 years, ranging from Jowett (1871) to scholars of the present day. The volume contains prefatory notes

to each dialogue, by Edith Hamilton; an introductory essay on Plato's philosophy and writings, by Huntington Cairns; and a comprehensive index which seeks, by means of cross references, to assist the reader with the philosophical vocabulary of the different translators.

The Dialogues of Plato Digireads.com

The book explores the development of Platonic philosophy by Roman writers between the first century BCE and the early fifth century CE. Discusses the interpretation of Plato's *Timaeus* by Cicero, Apuleius, Calcidius, and Augustine, and examines how they contributed to the construction of the complex and multifaceted genre of Roman Platonism.

The Trial and Death of Socrates Cambridge University Press

THE genuineness of the *Laws* is sufficiently proved (1) by more than twenty citations of them in the writings of Aristotle, who was residing at Athens during the last twenty years of the life of Plato, and who, having left it after his death (B. C. 347), returned thither twelve years later (B. C. 335); (2) by the allusion of Isocrates—writing 346 B. C., a year after the death of Plato, and probably not more than three or four years after the composition of the *Laws*—who speaks of the *Laws* and *Republics* written by philosophers (??? ??? ???????); (3) by the reference (Athen. 226 A) of the comic poet Alexis, a younger contemporary of Plato (fl. B. C. 356–306), to the enactment about prices, which occurs in *Laws* xi. 917 B foll., viz. that the same goods should not be offered at two prices on the same day; (4) by the unanimous voice of later antiquity and the absence of any suspicion among ancient writers worth speaking of to the contrary: for it is not said of Philippus of Opus that he composed any part of the *Laws*, but only that he copied them out of the waxen tablets, and was thought by some to have written the *Epinomis* (Diog. Laert. iii. 25). Aeterna Press

Selected Dialogues of Plato Hackett Publishing

The *Trial and Death of Socrates* includes the four Platonic dialogues *Euthyphro*, *Apology*, *Crito* and *Phaedo*.

Apology Wildside Press LLC

Rich in drama and humour, they include the controversial *Ion*, a debate on poetic inspiration; *Laches*, in which Socrates seeks to define bravery; and *Euthydemus*, which considers the relationship between philosophy and politics. Together, these dialogues provide a definitive portrait of the real Socrates and raise issues

still keenly debated by philosophers, forming an incisive overview of Plato's philosophy.

Plato's Timaeus and the Latin Tradition Oxford University Press

Plato's Guide to the Good Life "The unexamined life is not worth living" -*Apology*, Plato An original account of the speech Socrates makes at the trial in which he is charged with not recognizing the gods recognized by the state, inventing new deities, and corrupting the youth of Athens. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes

Charmides Hackett Publishing

Benjamin Jowett's translations of Plato have long been classics in their own right. In this volume, Professor Hayden Pelliccia has revised Jowett's renderings of five key dialogues, giving us a modern Plato faithful to both Jowett's best features and Plato's own masterly style. Gathered here are many of Plato's liveliest and richest texts. *Ion* takes up the question of poetry and introduces the Socratic method. Protagoras discusses poetic interpretation and shows why cross-examination is the best way to get at the truth. *Phaedrus* takes on the nature of rhetoric, psychology, and love, as does the famous *Symposium*. Finally, *Apology* gives us Socrates' art of persuasion put to the ultimate test--defending his own life. Pelliccia's new Introduction to this volume clarifies its contents and addresses the challenges of translating Plato freshly and accurately. In its combination of accessibility and depth, *Selected Dialogues of Plato* is the ideal introduction to one of the key thinkers of all time.

Complete Works Royal Classics

Presents translations of five dialogues from Plato, as well as additional notes on history and mythology.

The Trials of Socrates Courier Corporation

The ancient Greek philosopher Plato was born around 425 BC to an aristocratic family. He was the most famous student of Socrates and would eventually go on to form his own school, the Academy. Plato's dialogues are among the most popular of all writings from classical antiquity. Plato wrote his dialogues to record the wisdom that Socrates had imparted to his students. Plato's works "*Euthyphro*," "*Apology*," "*Crito*," "*Meno*," and "*Phaedo*" are featured in this collection. These dialogues feature Socrates speaking with a student or friend about the philosophical concerns of laws, the virtue of mankind, the purpose of the gods, and death. Each dialogue searches through different facets of philosophy and makes the reader question their own personal beliefs and morals. While there is no underlying storyline, the dialogues follow important moments in Socrates' life, from his trial to his death. Socrates was charged by the government for not believing in the Greek gods and was eventually put to death by having to drink poison. Plato's works strove to record and safeguard his teacher's wisdom for future generations to discover. This edition is printed on premium acid-free paper and follows the highly regarded translations of Benjamin Jowett.

THE FINAL DAYS OF SOCRATES

Createspace Independent Pub

It is an excellent book - highly intelligent, interesting and original. Expressing high philosophy in a readable form without trivialising

it is a very difficult task and McAleer manages the task admirably. Plato is, yet again, intensely topical in the chaotic and confused world in which we are now living. Philip Allott, Professor Emeritus of International Public Law at Cambridge University This book is a lucid and accessible companion to Plato's Republic, throwing light upon the text's arguments and main themes, placing them in the wider context of the text's structure. In its illumination of the philosophical ideas underpinning the work, it provides readers with an understanding and appreciation of the complexity and literary artistry of Plato's Republic. McAleer not only unpacks the key overarching questions of the text – What is justice? And Is a just life happier than an unjust life? – but also highlights some fascinating, overlooked passages which contribute to our understanding of Plato's philosophical thought. Plato's 'Republic': An Introduction offers a rigorous and thought-provoking analysis

of the text, helping readers navigate one of the world's most influential works of philosophy and political theory. With its approachable tone and clear presentation, it constitutes a welcome contribution to the field, and will be an indispensable resource for philosophy students and teachers, as well as general readers new to, or returning to, the text.

Five Dialogues; Bearing on Poetic Inspiration; [translated by Percy Bysshe Shelley and Others. with an Introd. by A.D. Lindsay Open Book Publishers

A unique selection of four dialogues in which Plato considers virtue-- individual virtue as well as virtue as a whole-- and its definition. Charmides, Laches, and Lysis investigate the specific virtues of self-control, courage, and friendship. The later Meno discusses the concept of virtue as a whole, and whether it is

something that can be taught. Plato is a major figure in the history of Western philosophy, and these dialogues are an essential part of his work. Robin Waterfield is an acclaimed translator of Plato, Euripides, Plutarch, and Aristotle. The introduction and notes explain the course of the four dialogues and analyze the philosophical importance of Socrates' questions and arguments, providing an invaluable aid to understanding for student and non-specialist alike. About the Series: For over 100 years Oxford World's Classics has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
