Idea
Europeană -
eBookuri.ro
The University
of Paris is
generally
regarded as
the first true
university, the
model for
others not
only in France
but
throughout

Europe,
including
Oxford and
Cambridge.
This book
challenges
two prevailing
myths about
the
university's
origins: first,
that the
university
naturally
developed to
meet the
utilitarian and
professional
needs of
European
society in the
late Middle
Ages, and
second, that it
was the
product of the

struggle by
scholars to
gain freedom
and autonomy
from external
authorities,
most notably
church
officials. In the
twelfth
century, Paris
was the
educational
center of
Europe, with a
large number
of schools and
masters
attracting and
competing for
students. Over
the decades,
the schools of
Paris had
many critics--
monastic

reformers, humanists, satirists, and moralists--and the focus of this book is the role such critics played in developing the schools into a university. Ferruolo argues that it was the educational values and ideas promoted by the critics--ideas of the unity of knowledge, the need to share learning freely and willingly, and the higher purposes and social importance of education--

that first inspired the scholars of Paris to join together to form a single guild. Their programs for educational reforms can be seen in the first set of statues promulgated for the nascent University of Paris in 1215.

An

examination
of childhood
trauma and its
surreptitious,
debilitating
effects by one
of the world’s
leading
psychoanalyst
s. Never
before has
world-
renowned
psychoanalyst
Alice Miller
examined so
persuasively
the long-range
consequences
of childhood
abuse on the
body. Using
the
experiences of
her patients
along with the
biographical
stories of
literary giants
such as
Virginia Woolf,
Franz Kafka,

and Marcel
Proust, Miller
shows how a
child’s
humiliation,
impotence,
and bottled
rage will
manifest itself
as adult
illness—be it
cancer,
stroke, or
other
debilitating
diseases.
Never one to
shy away from
controversy,
Miller urges
society as a
whole to
jettison its
belief in the
Fourth
Commandmen
t and not to
extend
forgiveness to
parents whose
tyrannical
childrearing

methods have resulted in unhappy, and often ruined, adult lives. In this empowering work, writes Rutgers professor Philip Greven, "readers will learn how to confront the overt and covert traumas of their own childhoods with the enlightened guidance of Alice Miller." On Leadership
 Ideea Europeană - eBookuri.ro
 „Cele 24 de studii, reunite și rearanjate, uneori și cronologic, de

regulă tematic, dau seama, ajutător, asupra preocupărilor mele față de cultura rusă din secolele XIX și XX. Ele sunt, cum am spus, complementare celor patru întreprinderi unitare dedicate aceluiași domeniu. Primordiale rămân acelea. Acest volum nu urmărește decât să-i ajute pe cei în continuare sau din nou dornici să pătrundă o mare cultură a lumii. Utilitatea e

disprețuită, la noi, de mulți intelectuali. Ei râvnesc mereu genialitatea. Geniul Tolstoi voia să fie util. Personal țin dintotdeauna să mă conformez îndemnului său." Ion Ianoși
Diary of a Short-Sighted Adolescent
 Istros Books
 Highlighting the most important events, ideas, and individuals that shaped modern Europe, A Concise History of Modern

Europe provides a readable, succinct history of the continent from the Enlightenment and the French Revolution to the present day. Avoiding a detailed, lengthy chronology, the book focuses on key events and ideas to explore the causes and consequences of revolutions—be they political, economic, or scientific; the origins and development of human

rights and democracy; and issues of European identity. Any reader needing a broad overview of the sweep of European history since 1789 will find this book, published in a first edition under the title *Revolutionary Europe*, an engaging and cohesive narrative. *Revista de folclor* Pickle Partners Publishing There is a considerable difference between real history and discourse

history - this book stems from this idea. The author points out that history is constantly reconstructed, adapted and sometimes mythified from the perspective of the present day, of present states of mind and ideologies. Boia closely examines the process of historical culture and conscience in nineteenth and twentieth century Romania, particularly concentrating on the impact of the national

ideology on history. Based upon his findings, the author identifies several key mythical configurations and analyses the manner in which Romanians have reconstituted their own highly ideologized history over the last two centuries. The strength of *History and Myth in Romanian Consciousness* lies in the author's ability to fully deconstruct the entire Romanian

historiographic system and demonstrate the increasing acuteness of national problems in general, and in particular the exploitation of history to support national ideology.

Monitorul oficial al României

Drawing on an intensive five-year field study of organizations and hundreds of interviews with contemporary leaders, the author of

Excellence presents a brilliant examination of leadership as it is practiced--or malpracticed--in America today. Gardner has served seven presidents in various leadership capacities.

SOCIAL STATICS: OR, THE CONDITIONS ESSENTIAL TO HUMAN HAPPINESS SPECIFIED, AND THE FIRST OF THEM DEVELOPED

HarperCollins

- A 32-volume series—over 22 million graphic novels sold in Japan!
- 330k units of Shaman King manga have sold through in the U.S. to date.
- Available on home video from 4Kids Entertainment
- Trading card games, toys, and video game support
- Was serialized in SHONEN JUMP magazine
- Released every two months

Yoh Asakura is a shaman—one of the gifted few who, thanks to training or

natural talent, can channel spirits that most people can't even see. With the help of his fiancée, Anna, Yoh is in training for the ultimate shaman sports event: the "Shaman Fight in Tokyo," the once-every-500-years tournament to see who can shape humanity's future and become the Shaman King. But unfortunately for Yoh, every shaman in the world is competing for the same

prize... Hao possesses so much mana that it virtually guarantees his victory in the Shaman Fight. So how in the world can Yoh and his friends beat him?! Mikihisa offers to teach Ren the Ultra-Senji Ryakketsu, but is Ren too stubborn to accept his help? If Hao's power doesn't destroy our heroes, perhaps pride will...

THE FASCIST YEARS

W. W. Norton & Company
This book is also available through the

Introductory Engineering Custom Publishing System. If you are interested in creating a course-pack that includes chapters from this book, you can get further information by calling 212-850-6272 or sending email inquiries to engineerjwiley.com. The authors offer a set of objectives at the beginning of each chapter plus a clear, concise description of abstract concepts. Focusing on

preparing students to solve practical problems, it includes numerous colorful illustrative examples. Along with updated material on MOSFETS, the CRO for use in lab work, a thorough treatment of digital electronics and rapidly developing areas of electronics, it contains an expansive glossary of new terms and ideas. Paul Klee, 1879-1940 Stanford University

Press When Liam Bates volunteered to visit lonely patients at his local hospital, he expected them to be able to talk back when he chatted to them. But, when he's assigned to visit a comatose man, he soon finds himself spilling out his whole life story in an effort to fill the silence. It's not long before the peace and comfort he finds in the man's hospital room becomes

Liam's refuge from an increasingly hostile world. Vampire Marcus Corrigan has been trapped inside his paralysed body for over three years, unable to communicate with anyone. The chatty young man who visits Marcus quickly captivates him, and Liam's softly spoken words soon have him determined to rescue the boy from his current life, but, unable to move a muscle, all

Marcus can actually do is lay there and listen. There's only one thing that can wake up Marcus. There's only one thing that can save Liam's sanity. Everything is about to change for them both, and it will change with a kiss. Please Also Note: This is the second edition of this title. It has been tweaked and re-edited but the plot has not been changed. *With a Kiss* Cadmus Press The book describes the

career of Lucien, the son of a Parisian banker, in the years following the July Revolution of 1830 that brought Louis Philippe I to the throne. Lucien is expelled from the École Polytechnique after taking part in an anti-government demonstration following the funeral of General Lamarque. After two years of idleness he joins the army, and falls off a horse as his

<p>regiment enters the city of Nancy because he is gazing at 'a young blonde with magnificent hair and a disdainful look'. He falls in love with this young widow, who is named Mme de Chasteller, although he is forced to renounce her. Lucien then returns to Paris and becomes principal private secretary to the Minister of the Interior. Stendhal planned a last section that would show</p>	<p>Lucien in Italy and resolve the story with a happy reunion with Mme de Chasteller, but it was never written. <i>Liberty, Equality, Solidarity</i> Simon and Schuster Seasoned trends forecaster and consultant Annie Auerbach takes a fresh look at women's professional lives today by rethinking the 9 to 5 in this "no-nonsense guide to thinking and behaving more flexibly</p>	<p>in order to have a happier, better, less frenetic life" (Marie Claire)—now widely available for American readers and updated with an author note addressing work in the post-Covid age. The recent coronavirus outbreak has proven what Annie Auerbach has long championed: working 9-5 in an office doesn't work for most us. It's time to change the rules. We can</p>
---	--	---

be efficient and productive when we're allowed the freedom of flexibility—to meet deadlines working during the hours and in the places we choose. But before the coronavirus pandemic, only 47 percent of American workers had access to flexible working options. Annie Auerbach advises major corporations, including Nike, Google, Unilever, and Pepsico. She

understands work culture and the needs of employees. The world is changing for working women, but until the recent pandemic, companies turned a blind eye. Now, it's time to make this change routine. Auerbach reiterates the importance of leaving the office cubicle behind and explores the realities many women experience working from home and the changes to their daily lives,

including the trickle-down effects, from emotional labor to balancing childcare and education with work, to even biohacking the female body's unique rhythms. What happens when women embrace the concept of flex? We become more creative, more strategic with our time and energy, and more engaged with our personal lives. As Auerbach makes clear, we reject "our toxic culture of presenteeism,

time-pressure, and ultimately burnout. It helps us escape the army of octopus lady jugglers, crazed with the exhaustion of “having it all.” It allows us to live longer lives more sustainably. It gives us self-worth.”

Daphne
Parrish takes

for granted. To everyone in the exclusive town of Bishops Harbor, Connecticut, Daphne—a socialite and philanthropist—and her real-estate mogul husband, Jackson, are a couple straight out of a fairy tale. Amber’s envy could eat her alive . . . if she didn't have a plan. Amber uses Daphne’s compassion and caring to insinuate herself into the family’s life—the first step in a

meticulous scheme to undermine her. Before long, Amber is Daphne’s closest confidante, traveling to Europe with the Parrishes and their lovely young daughters, and growing closer to Jackson. But a skeleton from her past may undermine everything that Amber has worked towards, and if it is discovered, her well-laid plan may fall to pieces. With shocking turns and dark secrets that

will keep you guessing until the very end, *The Last Mrs. Parrish* is a fresh, juicy, and utterly addictive thriller from a diabolically imaginative talent.

This book is the English translation of the original fantastic Romanian story written 2 centuries ago.

The plot introduces intricate symbolism, mainly illustrated by a large collection of fantastic characters.

BENGAL NIGHTS

Rowman & Littlefield Publishers
Cartea Autori și opere reunește prefețe, postfețe, studii introductive ori de sine stătătoare elaborate de-a lungul mai multor decenii de profesorul Ion Ianoși, revăzute și îmbunătățite

<p>pentru actuala ediție. Lucrarea însumează trei volume, cu subtitlurile: Culturi occidentale, Cultura rusă, Cultura română. Volumul I, Culturi occidentale, cuprinde 15 studii, organizate în trei părți. Partea 1 tratează șase scriitori clasici și importante opere ale lor, majoritar române ale secolului XX. Partea 2 analizează tot șase scrieri distincte aparținând unor gânditori</p>	<p>iluștri din veacurile XIX și XX. Partea 3 prezintă opera de ansamblu a câtorva filosofi. Printre autorii discutați îi amintim pe Italo Svevo, Franz Kafka, Robert Musil; Heinrich Heine, Friedrich Nietzsche, Martin Heidegger: după cum se vede, în majoritatea lor de limba germană. Volumele Autori și opere întregesc monografiile profesorului Ion Ianoși, prima - pe cele despre</p>	<p>Thomas Mann și Hegel, cea de a doua - despre Dostoievski și Tolstoi, cea de a treia - despre Constantin Noica. Astfel, ele împlinesc preocupări de o viața cu privire la figuri tutelare din literatura și filosofia germană, rusă și românească, din ultimele secole. <u>The Dutch House</u> Cluj-Napoca [Romania] : Casa Cărții de Știință Often called "the Kafka of Romania," Max Blecher</p>
---	---	--

died young but not before creating this incandescent novel.

Adventures in Immediate Irrerality, the masterwork of the Romanian writer Max Blecher, vividly paints the crises of "irreality" that plagued him in his youth: eerie and unsettling mirages wherein he would glimpse future events. In gliding chapters that move with a peculiar dream logic of their own, this memoiristic novel sketches the

tremulous, frightening, and exhilarating awakenings of a young man. Adventures In Immediate Irrerality John Wiley & Sons The Schlieffen Plan was the name given after World War I to the theory behind the German invasion of France and Belgium on 4 August 1914. In 1905-1906 Field Marshal Alfred von Schlieffen, the Chief of the Imperial Army German General Staff from 1891-1906, had devised a

deployment plan for a war-winning offensive, in a one-front war against the French Third Republic. After the war, the German official historians of the Reichsarchiv and other writers, described the plan as a blueprint for victory. Post-war writing by senior German officers and the Reichsarchiv historians managed to establish a commonly accepted narrative that it was

Schlieffen's successor Helmuth von Moltke the Younger's failure to follow the blueprint, rather than German strategic miscalculation, that resulted in four years of attrition warfare. In 1953, renowned historian Prof. Gerhard Ritter unearthed Schlieffen's papers during a visit to the United States, and he published his findings in the book *Der Schlieffenplan: Kritik eines*

Mythos, presented here in its 1958 English translation, *The Schlieffen Plan: Critique of a Myth*. It proved to be an important historical publication, as it set in motion a period of revision, when the details of the supposed Schlieffen Plan were subjected to scrutiny and contextualisation. In *Der Schlieffen Plan*, Prof. Ritter presents the full text of Schlieffen's military testament,

and the relevant parts of other memoranda which shed light on the evolution of the Plan. They are preceded by Professor Ritter's masterly exposition of their content and significance, while his accompanying notes add to the illuminating effect. "FOR two generations the Schlieffen Plan has been a magic phrase, embodying one of the chief mysteries and

‘might have
beens’ of
modern times.
The mystery is
cleared up

and the great
‘If’ analysed in
Gerhard
Ritter’s
book—a
striking

contribution to
twentieth-
century
history.”—B.
