THE BROTHERS KARAMAZOV

Infinite Ideas

A joint biography of John Foster Dulles and Allen Dulles, who led the United States into an unseen war that decisively shaped today's world. During the 1950s, when the Cold War was at its peak, two immensely powerful brothers led the United States

into a series of foreign adventures whose effects are still shaking the world. John Foster Dulles was secretary of state while his brother, Allen Dulles, was director of the Central Intelligence Agency. In this book, Stephen Kinzer places their extraordinary lives against the background of American culture and history. He uses the framework of biography to ask: Why does the United States behave as it does in the world? *The Brothers* explores hidden forces that shape the national psyche, from religious piety to Western movies—many of which are about a noble

gunman who cleans up a lawless town by killing bad guys. This is how the Dulles brothers saw themselves, and how many Americans still see their country's role in the world. Propelled by a quintessentially American set of fears and delusions, the Dulles brothers launched violent campaigns against foreign leaders they saw as threats to the United States. These campaigns helped push countries from Guatemala to the Congo into long spirals of violence, led the United States into the Vietnam War, and laid the foundation for decades of hostility between the United

States and countries from Cuba to Iran. The story of the Dulles brothers is the story of America. It illuminates and helps explain the modern history of the United States and the world. A Kirkus Reviews Best Nonfiction Book of 2013
The Wild North Land Foxtales Publications
 Welcome to Moose Mountain where the four Cooper brothers are rewarded for being the mountain's lifelong protectors with four feisty, funny, fantastic women all brought to town through their love of mountain man books and the author who created them. Author Seeking Mountain Man
 When romance author Aster Hollingsworth takes a long-needed break in search of inspiration, she finds her Alaskan mountain getaway cut abruptly short when a tree meets the front of her rental car during a freak storm. Then she's rescued by Gray Cooper and sparks fly. Introvert Seeking Mountain Man
 When Jemma Scott's boss goes m.i.a. during a writing retreat on an Alaskan mountain, Jemma books a flight to track her down: destination Moose Mountain. What she didn't expect was to faint at the feet of Cole Cooper, her mountain guide, the moment she meets him. She also didn't

expect to fall head over heels for the man either. Fan Girl Seeking Mountain Man
 It's time for the inaugural Moose Mountain Romance Readers Retreat, and Amy Robinson has been waiting all her life for a reason to visit Alaska and find a mountain man to call her very own. So, when she literally walks straight into the arms of Boone Cooper outside a bookstore on her first day, she thinks she's died and gone to mountain sheriff heaven. Hiker Seeking Mountain Man
 After traveling to the Moose Mountain Romance Readers Retreat, Sadie Parker decides to take a few days of R&R to spend more time exploring the captivating Alaskan mountain she's read about. When Sadie gets herself into trouble and faces down a wolf, Brooks is compelled to save her, no longer able to ignore the voice inside saying he should look after her and keep her close. ***
 Moose Mountain Brothers is a sweet, flirty, instalove series about four big, gruff and tough brothers living their lives on Moose Mountain. The mountain has always provided for these men, and now it's sending them feisty women to warm up their cold mountain hearts and complete their mountain lives forever. Can we all

say, awww.

FILM & HISTORY

Macmillan
 NATIONAL BESTSELLER The true story of two African-American brothers who were kidnapped and displayed as circus freaks, and whose mother endured a 28-year struggle to get them back. The year was 1899 and the place a sweltering tobacco farm in the Jim Crow South town of Truevine, Virginia. George and Willie Muse were two little boys born to a sharecropper family. One day a white man offered them a piece of candy, setting off events that would take them around the world and change their lives forever. Captured into the circus, the Muse brothers performed for royalty at Buckingham Palace and headlined over a dozen sold-out shows at New York's Madison Square Garden. They were global superstars in a pre-broadcast era. But the very root of their success was in the color of their skin and in the outrageous caricatures they were forced to assume: supposed cannibals, sheep-headed freaks, even "Ambassadors from Mars." Back home, their mother never accepted that they were "gone" and spent

28 years trying to get them back. Through hundreds of interviews and decades of research, Beth Macy expertly explores a central and difficult question: Where were the brothers better off? On the world stage as stars or in poverty at home? TRUEVINE is a compelling narrative rich in historical detail and rife with implications to race relations today.

THE LAST CROSSING

Univ. of Queensland Press

After his grandmother's death, seventeen-year-old Brother sets out, with the abandoned son of a friend, on a 200-mile trip to North Carolina's Outer Banks to find his twin brother, of whose existence he just learned.

The Practice of the Wild Anchor

What would you give up to have a second-chance at a once-in-a-lifetime love? Wild Card is a STANDALONE SECOND-CHANCE ROMANCE from the NYT bestselling author of *The Pact* and *Before I Ever Met You*. Rough, raw & rugged. As the man in charge at Ravenswood Ranch, Shane Nelson has never been afraid to get his hands dirty. His sculpted physique isn't the product of a gym, but of years of hard

labor under a relentless sun. His straightforward, alpha tendencies come from a man who knows what he wants and goes after it. And what he wants is Rachel Waters. He's never stopped wanting her. They were childhood best friends, then teenage lovers who evolved into soulmates. But on one fateful night, Shane made a grave mistake, breaking both their hearts in the process. Now, after six years, Rachel is back in the small, wild mountain town of North Ridge, BC. Ready to face her past. Ready to face Shane. Ready to face his dark secret. But is a second-chance at a one true love in the cards? Or will their wild hearts be broken once again? WILD CARD IS A COMPLETE STANDALONE NOVEL and the first book about the Nelson Brothers of North Ridge.

Brother, Brother Emblem Editions

A twelve-year-old sleuth goes undercover—and underwater—to tackle three cases in this hilarious Brixton Brothers mystery. It's a routine case... ..or at least as routine as a cases get when you're a twelve-year-old private detective who's been sleuthing for just a few months: Steve Brixton must don a neon wetsuit and work undercover to retrieve a

stolen surfboard. But when the assignment goes all wrong, Steve finds himself caught inside mysteries involving wild surfers, pirate smugglers, thick-necked goons, and a sixth-grader who can't find his gym shorts.

BROTHERS AT BAT

BEYOND BOOKS HUB

This is the FoxTales edition of the book previously published by Samhain Publishing. Other than the cover art and description, the book is the same. Hundreds of years ago, on a wild sea coast, two bold-hearted men met in combat and love... This is the story of Caius, a Christian monk struggling to reconcile his sensual nature with his newfound faith, and of Fenrir, a ferocious Viking raider abandoned by his comrades and left for dead. When Caius takes pity on the wounded man, his brethren are horrified: what kind of wolf has Cai brought into the fold? But only when Cai and Fen join forces can the monastery of Fara be saved from the raiders from the east. And Fara holds a secret worth guarding, a legendary amulet with the power to bind even the might of the

Vikings. Fen, his heart divided between old loyalties and a new love, must make a decision which could shatter his own heart and Cai's into the bargain. Will there ever be peace and a future for these brothers of the wild North Sea?

Scrap Metal Brothers of the Wild North Sea

"Epic and engrossing. Magic pulsates through every page." —Kirkus, starred review "...a compelling, satisfying romantic adventure with metafictional undertones." —Publishers Weekly, starred review "A marvelous, enchanting tale about the power of love and stories." —Rosamund Hodge, New York Times bestselling author of *Cruel Beauty* "...beautifully written retelling..." - School Library Journal Echo Alkaev's safe and carefully structured world falls apart when her father leaves for the city and mysteriously disappears. Believing he is lost forever, Echo is shocked to find him half-frozen in the winter forest six months later, guarded by a strange talking wolf—the same creature who attacked her as a child. The wolf presents Echo with an ultimatum: if she lives with him for one year, he will ensure her father makes it

home safely. But there is more to the wolf than Echo realizes. In his enchanted house beneath a mountain, each room must be sewn together to keep the home from unraveling, and something new and dark and strange lies behind every door. When centuries-old secrets unfold, Echo discovers a magical library full of books-turned-mirrors, and a young man named Hal who is trapped inside of them. As the year ticks by, the rooms begin to disappear and Echo must solve the mystery of the wolf's enchantment before her time is up otherwise Echo, the wolf, and Hal will be lost forever.

Brothers of the Wild North Sea Farrar, Straus and Giroux (BYR)

The Acerra family had sixteen children, including twelve ball-playing boys. It was the 1930s, and many families had lots of kids. But only one had enough to field a baseball team . . . with three on the bench! The Acerras were the longest-playing all-brother team in baseball history. They loved the game, but more important, they cared for and supported each other and stayed together as a team. Nothing life threw their way could stop them. Full of action, drama, and

excitement, this never-before-told true story is vividly brought to life by Audrey Vernick's expert storytelling and Steven Salerno's stunning vintage-style art.

MOOSE MOUNTAIN BROTHERS

Little, Brown

Set in the second half of the nineteenth century, in the American and Canadian West and in Victorian England, *The Last Crossing* is a sweeping tale of interwoven lives and stories. Charles and Addington Gaunt must find their brother Simon, who has gone missing in the wilds of the American West. Charles, a disillusioned artist, and Addington, a disgraced military captain, enlist the services of a guide to lead them on their journey across a difficult and unknown landscape. This is the enigmatic Jerry Potts, half Blackfoot, half Scottish, who suffers his own painful past. The party grows to include Caleb Ayto, a sycophantic American journalist, and Lucy Stoveall, a wise and beautiful woman who travels in the hope of avenging her sister's vicious murder. Later, the group is joined by Custis Straw, a Civil War veteran searching for salvation, and Custis's friend and protector Aloysius

Dooley, a saloon-keeper. This unlikely posse becomes entangled in an unfolding drama that forces each person to come to terms with his own demons. The Last Crossing contains many haunting scenes – among them, a bear hunt at dawn, the meeting of a Métis caravan, the discovery of an Indian village decimated by smallpox, a sharpshooter’s devastating annihilation of his prey, a young boy’s last memory of his mother. Vanderhaeghe links the hallowed colleges of Oxford and the pleasure houses of London to the treacherous Montana plains; and the rough trading posts of the Canadian wilderness to the heart of Indian folklore. At the novel’s centre is an unusual and moving love story. The Last Crossing is Guy Vanderhaeghe’s most powerful novel to date. It is a novel of harshness and redemption, an epic masterpiece, rich with unforgettable characters and vividly described events, that solidifies his place as one of Canada’s premier storytellers. Dostoyevsky spent nearly

two years writing The Brothers Karamazov, which was published as a serial in The Russian Messenger and completed in November 1880. The author died less than four months after its publication. The Brothers Karamazov is a passionate philosophical novel set in 19th century Russia, that enters deeply into the ethical debates of God, free will, and morality. It is a spiritual drama of moral struggles concerning faith, doubt, judgement, and reason, set against a modernizing Russia, with a plot which revolves around the subject of patricide. Dostoyevsky composed much of the novel in Staraya Russa, which inspired the main setting. Since its publication, it has been acclaimed as one of the supreme achievements in world literature. *The Wild North Land Being the Story of a Winter Journey, with Dogs, Across Northern North America by Captain W. F. Butler* St. Martin's Press Lori Foster enchanted legions of romance readers with her seductive novellas featuring the Winston brothers. Now, these tantalizing tales are available for the first time in one volume. [Sisters & Brothers](#) BoD – Books on

MY SIDE OF THE MOUNTAIN (PUFFIN MODERN CLASSICS)

Penguin

Terribly unhappy in his family's crowded New York City apartment, Sam Gibley runs away to the solitude-and danger-of the mountains, where he finds a side of himself he never knew.

The North Wind Simon and Schuster NATIONAL BESTSELLER • In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. Four months later, his decomposed body was found by a moose hunter. This is the unforgettable story of how Christopher Johnson McCandless came to die. "It may be nonfiction, but *Into the Wild* is a mystery of the highest order."

—Entertainment Weekly McCandless had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Not long after, he was dead. *Into the Wild*

is the mesmerizing, heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the world's attention.

Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid

headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.

Echo North Forever

All roads lead home when that's where you've left your heart. Silas Compton always had his eye on Lucy, the veterinarian's daughter. He was even content to wait for the girl of his dreams to grow up before getting anywhere near her with his family's double-edged legacy. Waiting around led to fooling around with his best friend—and an impulsive eruption of desire that Lucy's innocent eyes weren't meant to see. Figuring Compton Pass wasn't big enough for either the three of them or the pain he'd caused, Silas let loose his tightly reined wanderlust and

headed for Alaska. Ten years later, when an oil rig accident sends him home, he braces himself for the reopening of old wounds. Instead he finds himself in the care—and welcoming arms—of Lucy and Colby, whose marriage has plenty of room for the man they both still love. And forgive with all their hearts. As things start to unravel at Compass Ranch, Silas must dig deep for the strength to assume his rightful place in the Compton family...and lay the foundation for a future with his lovers. If he can forgive himself. Warning: This book is overflowing with sexy cowboys who like to saddle up and ride each other as well as the woman of their dreams. The likelihood of becoming addicted to their ranch family is high. With three more stories yet to come, beware. You won't be able to read just one!

Danger Goes Berserk Penguin

People are supposed to have an object in every journey they undertake in this world. A man goes to Africa to look for the Nile, to Rome to see the Coliseum or St. Peter's; and once, I believe, a certain traveller tramped all the way to Jerusalem for the sole purpose of playing ball against the walls of that city. As this matter of

object, then, seems to be a rule with travellers, it may be asked by those who read this book, what object had the writer in undertaking a journey across the snowy wilderness of North America, in winter and alone? I fear there is no answer to be given to the question, save such as may be found in the motto on the title-page, or in the pages of the book itself.

THE WILD NORTH LAND

Catapult

Wines of the Rhône is a guide to one of the great French wine regions. It covers all the appellations of the Rhône, featuring profiles of some of the most respected winemakers of the region, tackling the issues facing the Rhône's wines with clarity and authority, in a readable and entertaining package.

Into the Wild Houghton Mifflin Harcourt
The Last Wild Road is a raucous, gripping, sometimes terrifying, often hilarious, and deeply meditative journey through the heart of the outdoors in the modern world. Collected from more than 20 years of hunting and fishing cover stories, columns, and adventure tales written by T. Edward Nickens for *Field & Stream*, this book is a

road trip that takes in a huge sweep of the North American landscape—blackwater rivers in the wilds of eastern North Carolina, deserts and prairies of the American West, remote tundra of northern Canada, and the wildest rivers of Alaska. Along every rutted road and rough trail, with a rod, gun, and pen, Nickens meets unforgettable characters—old French-speaking Cajuns at Louisiana squirrel camps, a one-armed fly-tyer in the ancient Appalachians, Pennsylvania brothers who lost their father in a hunting accident decades ago and return to the scene for a powerful, poignant encounter with history. He explores remote wilderness waters to chase trout and ducks, but finds rich meaning, too, in the familiar and close-to-home: fishing with his children, plumbing the forests of local farms, and butchering deer in his basement as a thanksgiving for the gifts of the outdoors. When it comes to hunting and fishing, writing often falls into the categories of where-to-go, the how-do-it, and the-what-to-bring. This book embarks on the question of “why.” Why does the pursuit of game and fish, and the travel to the wild places where they thrive, bring meaning and clarity to living in the

modern world? Why do we laugh more, and live more deeply, far from the sidewalk? If you've ever felt that way, you'll find yourself in The Last Wild Road.
