A look at Tiger Woods from age twenty to twenty-seven follows him through golf tournaments and captures the relationship between Tiger and his father while revealing the key influences in his life and career.

The Ultimate Golf Trivia Book iUniverse

- Exclusive maps for all 216 holes from 12 world-class golf courses
- Complete golfer bios, stats, and history
- Strategy for mastering when to play it safe, when to take chances, and how to reach each green and pin location
- Detailed hazard strategy gets you back onto the fairway and recoups lost strokes

Golf 2016 Official PGA Calendar Orbit Books

Traces the professional career of golfer Tiger Woods, discusses his mixed heritage and struggles against racism, and highlights his key tournaments.

How I Play Golf Da Capo Press

From Best Courses to Biggest Chokes, Most Underrated to Worst-Dressed Golfers, *Golf List Mania!* includes 120 lists that will inform and entertain. Includes contributions by personalities including Jack Nicklaus, David Feherty, and more, plus a Foreword by Jim Nantz. Why you'll enjoy this book: 5. Contributions from famous golf writers. You'll get the perspective from some of the best in the business. 4. Lists from the greats, including golf's "Big 3": Jack Nicklaus, Arnold Palmer and Gary Player. It doesn't get

much better than that. 3. A walk through golf history from Young and Old Tom Morris to Tiger Woods. You'll learn a thing or two along the way. 2. There are no right answers. The fun part of this book is the debates that they spark. I'm sure there will be lists when you go, "That guy is a complete idiot." Isn't that the essence of golf and sports? 1. The next best thing to playing golf is reading about golf. You also make fewer bogeys that way. My good friends, Ed and Len, have compiled more than 100 juicy and interesting lists that are sure to entertain. I hope you enjoy this unique look at the game we all love.

ESSAYS ON THE CULTURAL IMPACT OF GOLF'S FALLIBLE SUPERMAN

Tiger Woods PGA Tour 10Prima Official Game GuideSports

Illustrated Tiger Woods25 Years on the PGA Tour

Tiger Woods is not just the best golfer in the world. He is also one of the biggest celebrities on the planet. But Tiger has not let success go to his head. He is still one of the hardest-working golfers on the PGA tour. Follow Tiger's career from when he first picked up a golf club at nine months old to his most recent major golf championship.

In Search of Tiger Thomas Nelson

Born to a father who described him as the "chosen one" and a mother who called him the "universal child," Tiger Woods was groomed for the fame and influence that his parents believed was his destiny. At age twenty, he made his debut in a Nike commercial. "Hello, world," he said. "Are you ready for me?" The

world was ready. For the next thirteen years, Tiger nearly lived up to his parents' outsized expectations. He conquered the world of golf, settled down with a beautiful Swedish model, and started a family. His net worth approached one billion dollars. Everything was going according to plan—until the scandal hit. Steve Helling has long covered Tiger Woods's career, and here he draws on intimate sources— many speaking out for the first time—to create a never-before-seen portrait of the golfer.

The Fall and Rise of Tiger Woods Lerner Publications™

The Big Miss is Hank Haney's candid and surprisingly insightful account of his tumultuous six-year journey with Tiger Woods, during which the supremely gifted golfer collected six major championships and rewrote golf history. Hank was one of the very few people allowed behind the curtain. He was with Tiger 110 days a year, spoke to him over 200 days a year, and stayed at his home up to 30 days a year, observing him in nearly every circumstance: at tournaments, on the practice range, over meals, with his wife, Elin, and relaxing with friends. The relationship between the two men began in March 2004 when Hank received a call from Tiger in which the golf champion asked him to be his coach. It was a call that would change both men's lives.

Tiger—only 28 at the time—was by then already an icon, judged by the sporting press as not only one of the best golfers ever, but possibly the best athlete ever. Already he was among the world's highest paid celebrities. There was an air of mystery surrounding him, an aura of invincibility. Unique among athletes, Tiger seemed to be able to shrug off any level of pressure and find a way to win. But Tiger was always looking to improve, and he wanted Hank's help. What Hank soon came to appreciate was that Tiger was one of the most complicated individuals he'd ever met, let alone coached. Although Hank had worked with hundreds of elite golfers and was not easily impressed, there were days watching Tiger on the range when Hank couldn't believe what he was witnessing. On those days, it was impossible to imagine another human playing golf so perfectly. And yet Tiger is human—and Hank's expert eye was adept at spotting where Tiger's perfection ended and an opportunity for improvement existed. Always haunting Tiger was his fear of "the big miss"—the wildly inaccurate golf shot that can ruin an otherwise solid round—and it was because that type of blunder was sometimes part of Tiger's game that Hank carefully redesigned his swing mechanics. Hank's most formidable coaching challenge, though, would be solving the riddle of Tiger's personality. Wary of the emotional distractions that might diminish his game and put him further from his goals, Tiger had developed a variety of tactics to keep people from getting too close, and not even Hank—or Tiger's family and friends, for that matter—was spared "the treatment." Toward the end of Tiger and Hank's time together, the champion's laser-like focus began to blur and he became less willing to put in punishing hours practicing—a disappointment to Hank, who saw in Tiger's behavior signs that his pupil had developed a conflicted relationship with the game. Hints that Tiger hungered to reinvent himself were present in his bizarre infatuation with elite military training, and—in a development Hank didn't see coming—in the scandal that would make headlines in late 2009. It all added up to a big miss that Hank, try as he might, couldn't save Tiger from. There's never been a book about Tiger Woods that is as intimate and revealing—or one so wise about what it takes to coach a superstar athlete.

A BIOGRAPHY OF TIGER WOODS

Simon and Schuster

WINNER OF THE 2019, 2005, 2002, 2001 and 1997 MASTERS. In UNPRECEDENTED: ME AND THE MASTERS, Tiger Woods shares in his own words the story of the original Masters tournament that took him to greatness, all of which has paved the way for one of the most phenomenal comebacks in sporting history. 'To come back and win the Masters after all the highs and lows is a testament to excellence, grit and determination' BARACK OBAMA In 1997, Tiger Woods was already among the most watched and closely examined athletes in history. But it wasn't until the Masters Tournament that Tiger Woods's career would definitively change for ever. Tiger Woods, then only 21, won the Masters by a historic 12 shots, which remains the widest margin of victory in the tournament's history, making it arguably among the most seminal events in golf. He was the first African-American/Asian player to win the Masters, and this at the Augusta National Golf Club, perhaps the most exclusive club in the world, and one that had in 1990 admitted its first black member. More than twenty years after his first historic win, Tiger Woods explores his life with the game, with the Masters tournament itself, about how golf has changed over the past twenty years, and what it was like winning such an event. Woods will also open up about his relationship with father Earl Woods, dispelling previous misconceptions, and will candidly reveal many never-before-heard stories. Written by one of the game's all-time greats, this book will provide keen insight on the Masters then and now as well as on the sport itself. 'Greatness like no other' SERENA WILLIAMS

Prima Official Game Guide Penguin

A noted golf instructor who worked with Tiger Woods discusses his experiences with the golfer, who was at the top of his game until a public scandal threw him off track.

Golf Hb D/Bx20 Spec McFarland

Record-breaking media sensation Tiger Woods has moved beyond the fairway to take the world by storm. After becoming the first golfer in history to win three straight U.S. Amateur titles, his win at the 1997 Masters Tournament gave him a permanent place in the record book: youngest player to win, lowest score ever, and first African-American player to win. In *Tiger*, John Strege, golf writer and longtime friend with unparalleled access to Woods and his family, takes us behind the scenes of this incredible life—from the time Tiger picked up a golf club at age nine months, to his first hole in one at age six, to his unprecedented domination of junior, amateur, and now high-stakes professional golf. Packed with personal anecdotes from family, friends, teammates, and coaches, as well as what it's like to play on a course with Tiger from golf greats such as Jack Nicklaus and Arnold Palmer, Tiger provides a riveting shot-by-shot account of Woods's life up through the 1997 season. It details the unshakable relationship with his parents, the racial issues that have surrounded him, and the string of almost mythical successes that have carried him all the way to Niketown. A role model for young and old alike, Tiger Woods and his story will capture the minds and hearts of sports fans everywhere.

Golf's Most Fascinating Rivalry Andrews McMeel Publishing

NEW YORK TIMES BESTSELLER Now for the first time, Tiger Woods reflects on his record-setting win at the 1997 Masters -- both on and off the course. In 1997, Tiger Woods was already among the most-watched and closely examined athletes in history. But it wasn't until the Masters Tournament that his career would definitively change forever. Woods, then only 21, won the

Masters by a historic 12 shots, which remains the widest margin of victory in the tournament's history, making it an iconic moment for him and sports. Now, 20 years later, Woods is ready to explore his history with the game, how it has changed over the years, and what it was like winning such an important event. With never-before-heard stories, this book provides keen insight from one of the game's all-time greats. Praise for *The 1997 Masters* "Woods writes with absorbing focus and profound emotion." - Publishers Weekly "A vivid and ultimately satisfying read." - Bookpage "As vivid on the printed page as it was in person." - GolfDigest "Provides a rare perspective of golf played at the highest level." -Kirkus

Tiger & Phil LernerClassroom

From his appearance on the Mike Douglas Show at age three (he putted for Bob Hope and Jimmy Stewart) to his winning the U.S Junior Amateur title at fifteen (he was the youngest champion ever) to his recent victories in four Grand Slam events in a row (though not in the same year), Tiger Woods has pursued with single-minded determination his dream of becoming the greatest golfer in history. But who is the real Tiger Woods? From his Nike commercials to his conflicting statements on race, Tiger has stirred up plenty of controversy off the golf course. And now in *Chasing Tiger*—an up-to-date collection of profiles, commentary, and reporting on Tiger's career by both U.S. and British writers from the late 1980s to now—we chart the trajectory of "the chosen one" from young prodigy to the most popular athlete in the world. With stellar profiles by esteemed sports writers such as Gary Smith and Charles Pierce, reportage by Pulitzer Prize-winning sportswriters Tom Boswell and the late Jim Murray, and pithy commentary by Ellen Goodman, Maureen Dowd, and Frank Deford, *Chasing Tiger* is a multi-dimensional portrait of the making of a legend.

The PGA Tour Crown Archetype

The Masters, the U.S. Open, the British Open, the PGA Championship. The Career Grand Slam. At age 24. He could very well be the greatest golfer to ever play the game. *Raising the Bar* is the story of how Tiger Woods changed his life, his game, and the way America views golf. There have been many biographies written about Tiger's life and early days with the PGA, but each ends with his triumphant victory in the 1997 Masters Championship. In the last few years Tiger has endured a lifetime of experiences, including his growing pains, his perceived slump in 1998, his incredible winning streak from 1999-2000, culminating in his career grand slam. Critically acclaimed golf writer and commentator Tim Rosaforte has watched Tiger since he burst onto the golfing scene and been an up-close observer of the Tiger's life both on and off the course. Totally revised and updated, *Raising the Bar* includes Tiger's latest victories—including his historic 2001 Masters victory that completed the Tiger slam—and provides intense insight into his amazing career.

Prima Official Game Guide Grand Central Publishing

The incredible true story of Tiger Woods's dramatic comeback following his humbling and very public personal, physical, and professional setbacks. One publicly imploded marriage. Two car

accidents. Eight surgeries. And now, a miracle of hard work and storied talent: five Masters wins. Once hailed as "the greatest closer in history" before he fell further than any beloved athlete in America's memory, Tiger swung at the world's wildest expectations and beat the skeptics with his April 2019 Masters championship. *Roaring Back* traces his road to Augusta and the improbable, phenomenal comeback of one of the greatest golfers in history. New York Times–bestselling author Curt Sampson details the highs and lows of Woods's career in three gripping acts. From his startling loss at the 2009 PGA Championship, detrimental obsession with his swing, and that infamous night involving an ex-wife and a nine-iron...to adoring fans and lucrative sponsors turning their backs, exclusive interviews with past instructors and PGA tour peers, and an arrest complete with a toxicology report . . . finally to Tiger coming from behind for his fifth green jacket as the crowd rumbled in Georgia, and how his comeback rivals those of the most dramatic in his sport. Sampson also places Woods's defeats and triumphs in the context of historic comebacks by other notable golfers like Ben Hogan, Skip Alexander, Aaron Siltan, and Charlie Beljan, finding the forty-three-year-old alone on the green for his trajectory of victory against all odds. As this enthralling book reveals, Tiger never doubted the perseverance of the winner in the mirror. "Sampson admirably details all the highs and lows." —Jim Nantz, CBS Sports
Tiger Woods PGA Tour '07 Da Capo Press
Explores the life and golf career of Tiger Woods.

The Ultimate Golf Trivia Book is interactive in that each of the eighteen chapters is assigned a par of three, four, or five. Readers can keep score and earn eagles, birdies, pars, bogeys, and double bogeys dependent on the number of correct answers he or she provides for that chapter. Par for this book's course is 72. Golf-savvy readers will love trying to break 80. Scattered throughout the book are interesting sidebars such as top-ten lists, strange-but-true stories, and more than thirty photographs.

The Players, the Gear, the Strokes, the Courses, the Championships Grand Central Publishing

For the first time, champion Tiger Woods reveals the five secrets to his amazing success—a combination of physical, metaphysical and psychological practices he uses daily to keep his game in top shape.

The Golf Book John Wiley & Sons

The essays in this book arise from the premise that Tiger Woods is not simply a phenomenal player but is also an Everyman who has displayed all-too-human foibles and weaknesses. The first half of the collection focuses on Tiger's superman game and how he has affected, and been affected by, the golfing world. Works on the sport that examine this supreme golfer cannot capture the full significance of the Tiger Woods phenomenon, however. Unlike many other talented athletes, Woods has transcended his sport, becoming a cultural icon. In the second half of the book, scholars examine everyman Tiger, illustrating how his life reflects significant and often contentious issues within American culture and the world.
