Miami architecture is world renowned, but many historic treasures have been forgotten. The Richmond Naval Air Station was a blimp base destroyed by hurricane in 1945. A Cold War missile base lies covered in graffiti. Homestead's old Aerojet complex was originally used in the testing and construction of experimental rockets but was slowly demolished as part of a project to revitalize the Everglades. The Miami Marine Stadium was declared unsafe after Hurricane Andrew in 1992 and stands abandoned today. Author and "Abandoned Florida" blogger David Bulit revives the history and secrets of the Magic City's vanishing gems.

These simple math secrets and tricks will forever change how you look at the world of numbers. Secrets of Mental Math will have you thinking like a math genius in no time. Get ready to amaze your friends—and yourself—with incredible calculations you never thought you could master, as renowned “mathemagician” Arthur Benjamin shares his techniques for lightning-quick calculations and amazing number tricks. This book will teach you to do math in your head faster than you ever thought possible, dramatically improve your memory for numbers, and—maybe for the first time—make mathematics fun.

Yes, even you can learn to do seemingly complex equations in your head; all you need to learn are a few tricks. You’ll be able to quickly multiply and divide triple digits, compute with fractions, and determine squares, cubes, and roots without blinking an eye. No matter what your age or current math ability, Secrets of Mental Math will allow you to perform fantastic feats of the mind effortlessly. This is the math they never taught you in school.
