Grand Central Publishing

Originally published in 1993. This study was written in 1946 having been commissioned by a large corporation in the food industry. The insights from this agricultural economics perspective even now are highly interesting. At the time there was real concern over food shortage and the UN and US government assumed there would be a problem for a long time to come. This study showed otherwise and set out suggestions for food policy and foreign aid policy with regards to food. This thorough study is an exemplary snapshot of the history of food policy and has lessons still to share.

MICHAEL JACKSON: THE REAL STORY

Routledge

After entering an ancient chamber on an archaeological dig, Cloe Kingsley is sent back in time to the year 1452 B.C. to the Egyptian court of Hatshepsut and into the body of a corrupt priestess, where she is now forced to face her new environment and the challenges it holds. A first novel.

REFLECTIONS IN THE NILE

KingDoMedia

Two weeks before Christmas, Diana Duprey, an outspoken abortion doctor, is found dead in her

swimming pool. A national figure, Diana inspired passion and ignited tempers, but never more so than the day of her death. Her husband Frank, a longtime attorney in the DA's office; her daughter Megan, a freshman in college; the Reverend Stephen O'Connell, founder of the town's pro-life coalition: all of them quarreled with Diana that day and each one has something to lose in revealing the truth. Meanwhile the detective on the case struggles for the answers — and finds himself more intimately involved than he ever could have imagined.

The Tavern on Maple Street Penguin UK

Beautiful Lily Beaumont and her husband Jack are owners of a genuine Victorian tavern, situated on one of Belfast's few remaining narrow cobbled streets. It's a favourite among the locals who love the quiet atmosphere, good beer and simple food. Then one day, Dublin-based developer Vincent Halloran arrives with big plans for Maple Street. The other traders are keen to sell up and retire, but Jack and Lily aren't ready to call 'time, please' on their beloved tavern. Instead Lily hires four pretty barmaids to bring in the customers. Enter pint-sized, man-eater Bridget, lazy art-student Daisy, neurotic Trudy and painfully shy Marie. And if the stakes for Lily and Jack weren't already high enough, there's a secret about the Maple Street tavern that has yet to be discovered. A secret that will redefine the meaning of love, friendship, and family in the most surprising ways ...

FOOD SUPPLIES IN THE AFTERMATH OF WORLD WAR II

Food Supplies in the Aftermath of World War II Routledge

The Abortionist's Daughter Food Supplies in the Aftermath of World War II

This is not your typical eBook. In this enhanced eBook you are about to experience Michael Jackson in a way that he has never been presented before. As he really was. Best of all you will be able to click a button and hear for yourself numerous voicemail messages that spell out, in detail, some of his visionary business plans he had for the second phase of his life, including his desire and plan to purchase Marvel Comic's catalog. "You were with him for a long time. You need to tell the story! You need to tell the real story about my son!" Inspired by these words from Michael Jackson's mother, Katherine Jackson, former manager, confidant, and personal friend Dieter Wiesner's newly released enhanced ePub, "Michael Jackson The Real Story: An Interactive Look Into Michael Jackson's Visionary Business and Human Side," does just that. Influenced by a sense of obligation, Mr. Wiesner shares intimate information about Michael Jackson the business genius and the loving father and family man. The book's author, Dieter Wiesner was inseparable from Michael during the 80-concert, five continent HIStory world tour. After the tour, Dieter lived with Michael and his children for several years at the legendary Neverland Ranch. Having already influenced a generation of entertainers through song and dance, in the year 2000, Michael Jackson was facing a radical change in his life and work and shared his top-secret intentions, plans, and vision for the second phase of his life with Mr. Wiesner. Had Michael Jackson been left alone to execute the visionary purchases and partnerships he desired, including Marvel Comics and Disney among others, he would have undoubtedly been one of the wealthiest people in the world. Readers will get to know Michael Jackson the human being in a much deeper way — the Michael that few got to know and appreciate.
