## **BARRON'S 601 WORDS YOU NEED TO KNOW FOR THE SAT, PSAT, GRE, STATE REGENTS, AND OTHER STANDARDIZED TESTS**

### ONE & ONE

A revised and updated edition of the detailed, down-to-earth guide to speaking your mind effectively—includes useful exercises. The best, most direct way to convey your intelligence, expertise, professionalism, and personality to other people is through talking to them. But most people have no idea what they sound like. And even if they do, they don't think they can change it. *It's the Way You Say It* is a thorough, nuts-and-bolts guide to becoming aware and taking control of how you communicate with others. Dr. Carol Fleming provides detailed advice and scores of exercises for Understanding how others hear you Dealing with specific speech problems Varying your vocal patterns to make your speech more dynamic Using grammar and vocabulary to increase your clarity and impact Reinforcing your message with nonverbal cues Conquering stage fright An entire section of the book focuses on communication issues in the workplace—interviews, presentations, voice mail, and more. In addition, Dr. Fleming puts a human face on her advice through vivid before-and-after stories of forty men and women who came to her for help. “No other skills will position you ahead of your competition as much as good speaking and presentation skills.

No book approaches the depth and breadth of Dr. Carol Fleming's *It's the Way You Say It*.” —Patricia Fripp, CSP, CPAE, keynote speaker, executive speech coach, and president of Fripp & Associates

THE MUST-READ MULTIMILLION BESTSELLING MYSTERY SERIES•  
Everyone is talking about A Good Girl's Guide to Murder! With shades of Serial and Making a Murderer this is the story about an investigation turned obsession, full of twists and turns and with an ending you'll never expect. Everyone in Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal Singh, who then killed himself. It was all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast doubt on the original investigation. But soon she discovers a trail of dark secrets that might actually prove Sal innocent . . . and the line between past and present begins to blur. Someone in Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. And don't miss the sequel, Good Girl, Bad Blood! "The perfect nail-biting mystery." --Natasha Preston, #1 New York Times bestselling author

**The Vocabulary Builder Workbook 1100 Words You Need to Know Flashcards**

This popular vocabulary-building program, previously available in audiocassette tape format, is now being issued on compact discs. Based on Murray Bromberg and Melvin Gordon's bestselling classroom book, '1100 Words You Need to Know', this program presents seven humorous dramatizations designed to build students' word power while preparing them for the SAT, ACT, and ESL tests. Dramatized stories include those of a hapless football team, a private eye, a chef with an accident-prone cooking show, and others. All stories keep their listeners amused while they introduce words and word meanings in the context of informal conversations. A 32-page booklet lists the words-to-learn from each dramatization and provides brief definitions for them all.

What if there were a way to cut through all the financial mumbo-jumbo? Wouldn't it be great if someone could really explain to us in plain and simple English—the basics we must know about investing in order to insure our financial freedom? At last, here's good news. Jargon-free and written for all investors—experienced, beginner, and everyone in between—*The Investment Answer* distills the process into just five decisions—five straightforward choices that can lead to safe and sound ways to manage your money. When Wall Street veteran Gordon Murray told his good friend and financial advisor, Dan Goldie, that he had only six months to live, Dan responded, "Do you want to write that book you've always wanted to do?" The result is this eminently valuable primer which can be read and understood in one sitting, and has advice that benefits you, not Wall Street and the rest of the traditional financial services industry. *The Investment Answer* asks readers to make five basic but key decisions to stack the investment odds in their favor. The advice is simple, easy-to-follow, and effective, and can lead to a more profitable portfolio for every investor. Specifically: Should I invest on my own or seek help from an investment professional? How should I allocate my investments among stocks, bonds, and cash? Which specific asset classes within these broad categories should I include in my portfolio? Should I take an actively managed approach to investing, or follow a passive alternative? When should I sell assets and when should I buy more? In a world of fast-talking traders who believe that they can game the system and a market characterized by instability, this extraordinary and timely book offers guidance every investor should have.
