A tour-de-force by rising indy comics star Gene Yang, *American Born Chinese* tells the story of three apparently unrelated characters: Jin Wang, who moves to a new neighborhood with his family only to discover that he's the only Chinese-American student at his new school; the powerful Monkey King, subject of one of the oldest and greatest Chinese fables; and Chin-Kee, a personification of the ultimate negative Chinese stereotype, who is ruining his cousin Danny's life with his yearly visits. Their lives and stories come together with an unexpected twist in this action-packed modern fable. *American Born Chinese* is an amazing ride, all the way up to the astonishing climax. *American Born Chinese* is a 2006 National Book Award Finalist for Young People's Literature, the winner of the 2007 Eisner Award for Best Graphic Album: New, an Eisner Award nominee for Best Coloring and a 2007 Bank Street - Best Children's Book of the Year. This title has Common Core Connections

Dennis Kelly's play *DNA* centres on friendship, morality and responsibility in odd circumstances. When a group of young friends are faced with a terrible accident, they deliberately make the wrong choices to cover it up and find themselves in an unusually binding friendship where no one will own up to what they've done. The play began life as a National Theatre Connections commission in 2008 and has subsequently been produced, studied and toured around the world. *DNA* is published for the first time in the Methuen Drama Student Edition series with commentary and notes by Clare Finburgh Delijani, which look at the play's context, themes, dramatic form, staging possibilities and production history, plus offers suggestions for further reading.

'So funny' Noel Fielding 'Brilliantly funny' Shappi Khorsandi 'Hilarious' Tim Minchin 'Warm and funny' Frank Cottrell-Boyce Can you imagine a world with no screens? Don't miss the hilarious new 'what-if' adventure from bestselling author, comedian, and presenter Danny Wallace, with illustrations throughout from Gemma Correll. When ten-year-old Stella wakes up to discover a world full of BLANK screens, her family, town, and in fact the whole world seems to have been thrown into chaos. And what about poor Grandma who is stranded at the other end of the country? Cue a rollicking madcap road trip, full of driving disasters and family fallouts, as they set off on a rescue mission. And along the way Stella and her family discover that being away from screens might not be the WORST THING EVER, and even though they might not be able to rely on technology anymore, they can rely on each other instead. *DON'T MISS THE LUCKIEST KID IN THE WORLD - THE BRAND NEW COMEDY ADVENTURE FROM DANNY WALLACE. 365 Ways to Make the World a Nicer Place McDougal

Littell/Houghton Mifflin

Gottfried's capably researched and recounted biography offers a none too flattering glimpse into Kaye's well-guarded personal life, including his egotism, cruelty, his strained marriage and his flirtations and affairs. His career is treated in detail, from his obvious early talent to the creation of his acting personae and his sad professional and personal decline before his death in 1987. Lacks a bibliography. Annotation copyright by Book News, Inc., Portland, OR

It all starts with a girl . . . because yes, there's always a girl. Jason Priestley (not that one) has just seen her. They shared an incredible, brief, fleeting moment of deep possibility, somewhere halfway down Charlotte Street. And then, just like that, she was gone—accidentally leaving him holding her old-fashioned disposable camera, chock full of undeveloped photos. And now Jason—ex-teacher, ex-boyfriend, part-time writer and reluctant hero—faces a dilemma. Should he try to track The Girl down? What if she's The One? But that would mean using the only clues he has, which lie untouched in the beaten-up camera.

ONE OF US

Simon and Schuster

From her place in the store, Klara, an Artificial Friend with outstanding observational qualities, watches carefully the behaviour of those who come in to browse, and of those who pass in the street outside. She remains hopeful a customer will soon choose her, but when the possibility emerges that her circumstances may change for ever, Klara is warned not to invest too much in the promises of humans. In 'Klara and the Sun', Kazuo Ishiguro looks at our rapidly-changing modern world through the eyes of an unforgettable narrator to explore a fundamental question: what does it mean to love?

THE SPEED OF FALLING OBJECTS

Random House

Tom got a note from his girlfriend. It says she hasn't left him, but she's gone. But where the hell is she? When is she coming back? And what is Tom supposed to do in the meantime? With each new clue to Hayley's whereabouts, Tom is forced to question whether he truly knows his girlfriend at all. Because who is Hayley really, anyway? Who is this other strange girl following him? And who, for that matter, is Tom Ditto?

Join Me! Simon and Schuster

The perfect gag gift for anyone who appreciates a little toilet humor! Don't let number 2 stop you from being number 1 on the job. Face the facts. You poop every day—more or less—but making a misstep when you've got to go at the office could land you in some serious doo-doo. *How to Poo at Work* is the ultimate guide to handling a range of potentially awkward situations, including what to do when: • The boss is in the next stall • The toilet gets clogged • A colleague follows you into the bathroom • There's no toilet paper Flush with useful diagrams, this handy book can save your career from going down the toilet.

[A Novel](#) Awkward Situations for Men

DANNY WALLACE IS A MAN. And a man is a very tricky thing to be these days. Trouble is everywhere. Embarrassment follows closely behind. Whether accidentally insulting a friend's baby, being caught wearing pyjamas by his wife, or inadvertently following a woman down a very dark street, Danny is no stranger to awkward situations. As we follow a year in Danny's life in which he blunders from one bewildering social situation to the next, it becomes clear that here is a man who struggles even to look after himself properly. And then an even greater responsibility looms on the horizon...

WHO IS TOM DITTO?

Random House

"A riveting and emotionally harrowing debut about two young brothers and their physically and psychologically abusive father-- One of the Boys is 160 perfect, stunning pages by a major new talent"--

F You Very Much Random House

Recently single, Danny Wallace was falling into loneliness and isolation. When a stranger on a bus advises, "Say yes more," Wallace vows to say yes to every offer, invitation, challenge, and chance. In *Yes Man*, Wallace recounts his months-long commitment to complete openness with profound insight and humbling honesty. Saying yes takes Wallace into a new plane of existence: a place where money comes as easily as it goes, nodding a lot can lead to a long weekend overseas with new friends, and romance isn't as complicated as it seems. Yes eventually leads to the biggest question of all: "Do you, Danny Wallace, take this woman . . ." *Yes Man* is inspiring proof that a little willingness can take anyone to the most wonderful of places. Team Awkward Simon and Schuster

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

Zubi! Penguin

"Deliciously hilarious. If you care about people and enjoy a good laugh, I politely encourage you to read this book. Immediately." -- Adam Grant, bestselling author of *Originals* From the brilliant comedic mind behind the hit movie *Yes Man*, a hilarious and pitch-perfect look at the rudeness that's all around us -- where it comes from, how it affects us, and what we can do about it You're not just imagining it: People are getting more and more rude -

from cutting in line, gabbing on their phones and clipping their nails on public transportation, to hurling epithets on Twitter and in real life (including a certain President who does both). And the worst part is that it's contagious, leading reasonably courteous people to stoop to new lows in order to respond to the ever-coarsening encounters we face every day. In this engaging and illuminating new book, bestselling author and all-around curious guy Danny Wallace looks at the reasons behind the rudeness, and what we can do to stop it. His quest to stop the madness includes interviews with neuroscientists, psychologists, NASA scientists, politicians, and other experts. He joins a Radical Honesty group, talks to LA drivers about road rage, and confronts his own online troll in a pub--all to better understand the scourge that's turning normal people into bullies, tantruming toddlers, trolls, and other types of everyday monsters. Want to be part of the solution? Let Danny Wallace be your smart and funny guide.

Of the two, Wallace's writing is funnier' The Sunday Times, Children's Book of the Week Get ready for another hilarious adventure from bestselling author Danny Wallace brought to life with illustrations from Jamie Littler, perfect for fans of David Walliams, Roald Dahl, David Baddiel and David Solomons! Things are afoot in Starkley... again! Out in the ocean something's on the move ... something BIG ... something that might change everything ... While most of Starkley's inhabitants have fled or gone into lockdown, Hamish and his pals in the PDF are coming up with a plan, because if they don't save the world then who will?! But this time they're not alone. Luckily, the top-secret Monster Patrol is on hand to help ... even if that 'help' is in the form of a strange new kid, a bizarre-looking fish monster and a bonkers old lady...

Understanding the Culture of Rudeness--and What We Can Do About It Lulu Press, Inc

Danny is back with more hilarious true-life stories of hopeless modern manhood A husband and now a new father, Danny Wallace is a man who struggles to understand the unspoken rules of society... For example, when do you hug? And when do you NOT hug? How do you react when you realise that yesterday's underpants might still be in your trousers? What do you do if you think you might have a man-crush? And what happens when you think you may have accidentally ordered your wife a prostitute for her birthday? Following the bestselling *Awkward Situations for Men* and based on his incredibly popular columns, Danny Wallace entertains us with more stories from his often embarrassing and bewildering life. No one said it was easy being a man. And Danny is finding it harder than ever. (Previously published as *More Awkward Situations for Men*) Danny's first solo book, *Join Me*, was

described as a 'word-of-mouth phenomenon' by The Bookseller and 'one of the funniest stories you will ever read' by the Daily Mail. His second book, *Yes Man* - in which he decided to say 'Yes' to everything - was described as 'hilarious' by several national newspapers. The Warner Bros. film adaptation of Wallace's book *Yes Man*, starring Jim Carrey in the lead role, was released in December 2008 and grossed \$230,000,000 worldwide. Danny's third book *Friends Like These*, described by The Bookseller as 'another comedy masterpiece' is currently in development as a major project by Miramax. In 2011, Danny Wallace was named PPA's Columnist of the Year for his weekly column in *Short List Magazine*, 'Danny Wallace is a Man', which formed the starting point for his book *Awkward Situations for Men*. Danny lives in North London with his wife and baby. Find out more about Danny at www.dannywallace.com.

Yes Man Penguin

In his bestselling book *Join Me*, Danny Wallace instructs his legions of followers to perform a 'Random Act of Kindness' every Friday. As a result, his thousands of followers (dubbed the Karma Army), without warning, made people happier the length and breadth of the country. Now in *Random Acts of Kindness* Danny and the gang bring you a hilarious, inspirational book to encourage you to perform Random Acts of your own. 'Now, at last, the secret to a happier world! You have the power to make it a nicer place! All over the planet, thousands of people just like you are performing Random Acts of Kindness for complete strangers- Buy an old lady a hat! Give a policeman a helium balloon! Pat a dog! Hand a stranger your umbrella! Applaud a lady who's clearly made an effort! This book contains 365 real Random Acts of Kindness real people have done for real strangers- so read it, learn it, and start making your world the nicer place, today!'

DANNY WALLACE AND THE CENTRE OF THE UNIVERSE

Simon and Schuster

Gay. Straight. Or lying. Itâ€™s as simple and straightforward as black or white, right? Or is there a gray area, where the definitions of sex and gender become blurred or entirely refocused with the deft and practiced use of a surgeonâ€™s knife? For some, the concept of gender â€" the very idea we have of ourselves as either male or female beings â€" is neither simple nor straightforward. Written by cutting-edge researcher and sex expert J. Michael Bailey, *The Man Who Would Be Queen* is a frankly controversial, intensely poignant, and boldly forthright book about sex and gender. Based on his original research, Baileyâ€™s book is grounded firmly in science. But as he demonstrates, science doesnâ€™t always deliver predictable or even comfortable answers. Indeed, much of what he has to say will be sure to generate as many questions as it does answers. Are gay men genuinely more feminine than other men? And do they really prefer to be hairdressers rather than lumberjacks? Are

all male transsexuals women trapped in menâ€™s bodies â€" or are some of them men who are just plain turned on by the idea of becoming a woman? And how much of a role do biology and genetics play in sexual orientation? But while Baileyâ€™s science is provocative, it is the portraits of the boys and men who struggle with these questions â€" and often with anger, fear, and hurt feelings â€" that will move you. You will meet Danny, an eight-year old boy whose favorite game is playing house and who yearns to dress up as a princess for Halloween. And Martin, an expert makeup artist who was plagued by inner turmoil as a youth but is now openly homosexual and has had many men as sex partners. And Kim, a strikingly sexy transsexual who still has a penis and works as a dancer and a call girl for men who like she-males while she awaits sex reassignment surgery. These and other stories make it clear that there are men â€" and men who become women â€" who want only to understand themselves and the society that makes them feel like outsiders. That there are parents, friends, and families that seek answers to confusing and complicated questions. And that there are researchers who hope one day to grasp the very nature of human sexuality. As the striking cover image â€" a distinctly muscular and obviously male pair of legs posed in a pair of low-heeled pumps â€" makes clear, the concept of gender, the very idea we have of ourselves as either male or female beings, is neither simple nor straightforward for some.

What Not to Do (And How to Do It) Little, Brown

In the brilliant *AWKWARD SITUATIONS FOR MEN*, Danny Wallace entertained us with wonderfully funny true stories from his often embarrassing and bewildering everyday life as a man. Well, Danny is back - and he's even more confused than ever! A lot has happened to Danny Wallace in the past year. He has had a baby and has been hobnobbing with the powers that be in Hollywood. But that hasn't made him any less awkward. Being more of a grown up brings its own baffling etiquette and expected social graces, and no-one has told Danny. Join Danny once again on his very funny stumble through more *Awkward Situations*. It's not easy being a man!

Random Acts Of Kindness Random House

Danny Wallace was bored. Just to see what would happen, he placed a whimsical ad in a local London paper. It said, simply, "Join Me." Within a month, he was receiving letters and emails from teachers, mechanics, sales reps, vicars, schoolchildren and pensioners—all pledging allegiance to his cause. But no one knew what his cause was. Soon he was proclaimed Leader. Increasingly obsessed and possibly power-crazed, Danny risked losing his sanity and his loyal girlfriend. But who could deny the attraction of a global following of devoted joinees? A book about dreams, ambition, and the responsibility that comes with power, *Join Me* is the true story of a man who created a cult by accident, and is proof that whilst some men were born to lead, others really haven't got a clue.
