### FEMINISM AND ART HISTORY

Chronicle Books

Now available in a new edition, this book offers more than 500 years of achievements in art by women. This beautifully produced, richly detailed, and comprehensive survey of fifty influential women artists from the Renaissance to the Post-Modern era details their vast contributions to the art world. From the Early Baroque painter Artemisia Gentileschi and the seventeenth-century illustrator Maria Sibylla Merian to Impressionist Mary Cassatt and Berthe Morisot, and to modern icons such as Frida Kahlo, Georgia O'Keeffe and Louise Bourgeois, the most important female artists are profiled in this book in chronologically arranged double-page spreads. There is a succinct biography for each artist, together with information outlining her accomplishments and influence, additional resources for further study, and, best of all, brilliant full-color reproductions of the artist's works. Packed with information, this stunning and absorbing book showcases the remarkable artistic contributions of women throughout history.

*Eroticism and Art* Thames & Hudson

A long-needed corrective and alternative view of Western art history, these seventeen essays by respected scholars are arranged chronologically and cover every major period from the

ancient Egyptian to the present. While several of the essays deal with major women artists, the book is essentially about Western art history and the extent to which it has been distorted, in every period, by sexual bias. With 306 illustrations.

### GREAT WOMEN ARTISTS

Penguin Books

Women, you need to stop and take a good look at what is real to see your position in a relationship. Where is it going? Has marriage been discussed after one year of courting? Does integrity guide this man? Can his word be depended upon? In *WOMEN DON'T TAKE THE BLAME*, Dr. Margarita D'Andrade helps to answer these questions and more.

### SIGNIFICANT OTHERS: CREATIVITY & INTIMATE PARTNERSHIP

Thames & Hudson

A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess MARRISA would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of MARRISA's dearest friends. Overtaken by MARRISA's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... It was on MARRISA's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her

enthronement to the kingdom of Ishkar, when it happened. When MARRISA is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue MARRISA. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams—revealing The Last Legend...

### **HERE'S TO STRONG WOMEN, MAY WE KNOW THEM, MAY WE BE THEM, MAY WE RAISE THEM,**

Rizzoli Publications

Sixty-seven female artists and their work from the sixteenth century to the present demonstrate the evolution of art through a female-empowered lens. The history of art has been forever considered, written, published, and taught by men, primarily for a male audience. For women, the mere possibility of becoming an artist—to have access to the necessary materials, to produce, exhibit, and, against all odds, succeed and sustain the activity—has been an incessant, dangerous, and exhausting fight—physically, mentally, and psychologically. The time has come to reframe the history of art in the context of the brave women who had the courage to defy all rules in order to pursue their vocation and carve out their place in the art world. This book draws the portraits of sixty-seven fascinating women and their significant artistic achievements, from groundbreaking Renaissance painter Artemisia Gentileschi to the photography of Nan Goldin today. Tracing the painters, sculptors, photographers, and performance artists who shaped modern art, readers discover key figures and their signature works, including Mary Cassatt, Sonia Delaunay, Georgia O'Keeffe, Tamara de Lempicka, Frida Kahlo, Dorothea Tanning, Leonora Carrington, Yoko Ono, Eva Hesse, Marina Abramović, Carrie Mae Weems, and Cindy Sherman. Exploring the codes and archetypes of art history, this celebration of women in art analyzes their slow but steady achievement of artistic independence and the hard-won recognition for their creative work in a domain historically reserved for men.

*Broad Strokes* Oxford University Press, USA

A new edition of the groundbreaking book by Whitney Chadwick maps the complete history of women artists from the Middle Ages and the Renaissance to today. Art historian Whitney Chadwick's acclaimed bestselling study challenges the assumption that great women artists are exceptions to the rule who "transcended" their gender to produce major works of art. While introducing some of the many women since the Middle Ages whose contributions to visual culture have often been neglected, Chadwick's survey reexamines the works themselves and the ways in which they have been perceived as marginal, often in direct reference to gender. In her discussion of feminism and its influence on such a reappraisal, she also addresses the closely related issues of ethnicity, class, and sexuality. This revised edition features a completely redesigned interior and full-color illustrations. With a new preface and epilogue from this emerging authority on the history of women artists, curator and professor Flavia Frigeri, this revised edition continues the project of charting the evolution of feminist art history and pedagogy, revealing how artists have

responded to new strategies of feminism for the current moment. [The Smart Woman's Guide to Online Marketing](#) Createspace Independent Publishing Platform

Women -- as warriors, workers, mothers, sensual women, even absent women -- haunt nineteenth- and twentieth-century Western painting. This book brings together Linda Nochlin's most important and pioneering writings on the representation of women in art, as she considers works by Millet, Delacroix, Courbet, Degas, Seurat, Cassatt, and Kollwitz, among many others. In a riveting, partly autobiographical introduction, Nochlin argues for the honest virtues of an art history that rejects methodological presuppositions and for art historians who investigate the work before their eyes while focusing on its subject matter, informed by a sensitivity to its feminist spirit.

*Awakened* Taschen

A prodigiously brilliant thinker who sharply challenged the beliefs of his age, the political and social radical John Stuart Mill was the most influential English-speaking philosopher of the nineteenth century. Regarded as one of the sacred texts of liberalism, his great work *On Liberty* argues lucidly that any democracy risks becoming a 'tyranny of opinion' in which minority views are suppressed if they do not conform with those of the majority. Written in the same period as *On Liberty*, shortly after the death of Mill's beloved wife and fellow-thinker Harriet, *The Subjection of Women* stresses the importance of equality for the sexes. Together, the works provide a fascinating testimony to the hopes and anxieties of mid-Victorian England, and offer a compelling consideration of what it truly means to be free.

### **THE AESTHETICS OF LOSS**

Createspace Independent Publishing Platform

"[A] tart, funny, lurid little bomb of a book. It's all p.c., of course, but not at all predictable, and a lot of righteous information gets dispersed in record time." -- BUST Magazine We were Guerillas before we were Gorillas. From the beginning, the press wanted publicity photos. We needed a disguise. No one remembers, for sure, how we got our fur, but one story is that at an early meeting, an original Girl, a bad speller, wrote 'Gorilla' instead of 'Guerilla.' It was an enlightening mistake. It gave us our mask-ularity. Ever wonder about the abundance of naked male statues in the Classical section of your favorite museum? Did you know medieval convents were hotbeds of female artistic expression? And how did those "bad boy" artists of the twentieth century make it even harder for a girl to get a break? Thanks to the Guerrilla Girls, those masked feminists whose mission it is to break the white male stronghold over the art world, art history--as we know it--is history. Taking you back through the ages, the Guerrilla Girls demonstrate how males (particularly white males) have dominated the art scene, and discouraged, belittled, or obscured women's involvement. Their skeptical and hilarious interpretations of "popular" theory are augmented by the newest research and the expertise of prominent feminist art historians. "Believe-it-or-not" quotations from some of the "experts" are sprinkled throughout, as are the Guerrilla Girls' signature masterpieces: reproductions of famous art works, slightly "altered" for historic accuracy and vindication. This colorful reinterpretation of classic and modern art, as outrageous as it is visually arresting, is a much-needed corrective to traditional art history, and an unabashed celebration of female artists.

[Introducing Feminist Art History](#) Createspace Independent Publishing Platform

NALI By Esther Henry In an era of darkness, mystery, tropical jungles and cannibalism, Nali tries to buck the ancient traditions, only to find herself deeply entrenched in them. As a young girl full of dreams, she is given to a tribal elder in marriage and

quickly learns that her girlhood dreams could be shattered overnight. The rain forest held a secret refuge that only Nali knew, where she took her dreams and her delusions. Will she be forced to succumb to a subservient role the rest of her life, or can she overcome the hopelessness that comes with isolation, ignorance and tradition? Deep in the heart of New Guinea lies the village of Mendoka, beautifully camouflaged from the rest of the world. Although the village has yet to be discovered, the outside world would soon have an influence on their lives. An interruption to their peaceful simplicity would both terrify them and cause them to search for answers. Readers will be able to follow the lives of those who lived in a much simpler time and become immersed in the culture that controlled their everyday existence.

**Don't Take the Blame** Univ of California Press

Encompassing European art, architecture and design from the sixteenth century to the present day, it explores both the work of women artists and the ways that visual representation by male and female artists may be gendered."--BOOK JACKET.

The Guerrilla Girls' Bedside Companion to the History of Western Art Phaidon Press

Now You Too Can Use This Softback Writer's Notebook For The Office Or Home. Whether you are looking for a diary or daily planner or sketch book this versatile journal is the perfect fit for your needs. In short, this notebook can be used formally or informally to secure your thoughts or bits of information or detailed notes. The possibilities are endless Cover: Soft Cover with Matte-finish Binding: This notebook is bound securely to the same standard of mass market paperbacks. (Pages cannot be easily removed) Dimensions: 15.2cm x 22.9cm (6" x 9"). Not pocket sized, yet a perfect fit for your bag. Interior: There are 110 white blank quality smooth pages available for you to fill them with your thoughts, delights and experiences. Please note this plain journal does not contain any prompts or internal content and each page is numbered. Before purchasing, it's advised to use the look inside feature. Without a doubt, this journal makes a perfect gift for a special friend or relative. Your gifting is not limited to birthdays, holidays and special occasions But enough from us. Now it's your turn. Five centuries of fascinating female creativity presented in more than 400 compelling artworks and one comprehensive volume The most extensive fully illustrated book of women artists ever published, *Great Women Artists* reflects an era where art made by women is more prominent than ever. In museums, galleries, and the art market, previously overlooked female artists, past and present, are now gaining recognition and value. Featuring more than 400 artists from more than 50 countries and spanning 500 years of creativity, each artist is represented here by a key artwork and short text. This essential volume reveals a parallel yet equally engaging history of art for an age that champions a greater diversity of voices. "Real changes are upon us, and today one can reel off the names of a number of first-rate women artists. Nevertheless, women are just getting started."—The New Yorker

### PAINTED WOMEN & COSMETIC ART

Thames & Hudson

*Waltzing Australia* was born out of a dream-and a journey. After walking away from her corporate career, Cynthia Clampitt headed to Australia, to start over, to write, and to test the limits of what she could do. *Waltzing Australia* recounts that joyous adventure. It is a story about change and about making dreams come true. But more than that, it is about Australia: the history, legends and art, both European and Aboriginal; the beauty, the challenge, the people, the land. From Sydney to Perth, Tasmania to Darwin, tropics to desert, city to wilderness, Clampitt carries the reader along on an exhilarating grand tour of a fascinating country. With a writing style reminiscent of Annie Dillard, she captures the essence of the land Down Under and invites others to fall in love with Australia.

**The Zum Zum Girls** Thames & Hudson

Available now as both paperback and e-book, this volume brings together the series of landmark introductory essays and prefaces written by Norma Broude and Mary D. Garrard for their three influential anthologies on feminism and art history (1982-2005); their introduction to *The Power of Feminist Art*, the first book on the American Feminist Art movement (1994); and the catalogue essay for *Claiming Space*, their co-curated exhibition of feminist art at American University (2007). Collectively, these introductory essays articulate many of the major and still relevant questions that have concerned feminist art historians and critics over the past quarter century, and they define shifts of thinking and theoretical controversies that developed in the field as a whole over those years. With a new preface entitled "Introducing the Introductions," these essays will provide scholars, teachers, and a younger generation of readers and students with an accessible overview of the historical evolution of feminist thinking about art and art history during its formative period. Broude and Garrard are professors emeritae of art history at American University in Washington D.C. Through their individual and collective scholarship, they have helped to define and shape the field of feminist art history. Their co-edited volumes of feminist essays have long served as basic texts in art history and women's studies courses in the United States and around the world.

### REFRAMING THE HISTORY OF ART

Yale University Press

*The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the*

image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival

of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp.
