MAYA HINTON

Criminal Law Prentice Hall

This classic introduction to criminal law for criminal justice students combines the best features of a casebook and a textbook. *Criminal Law* covers substantive criminal law and explores its principles, sources, distinctions, and limitations. Definitions and elements of crimes are explained, and defenses to crimes are thoroughly analyzed. A unique strength of *Criminal Law* is its discussion of the federal criminal code and the specific recognition of the common-law origins of modern law. **NEW** to this Edition: Coverage of terrorism and associated law. Student ancillary aids, including self assessment, a question bank, and case study assets. Updated Legal News sections. Features: Each chapter includes outline, key terms and concepts, guidance to help the reader understand what is important in each chapter, as well as Legal News sections, highlighting current criminal law issues. Part II contains briefs of judicial decisions related to the topics covered in the text, in order to help the reader learn rule of law as well as the reasoning of the court that guides future court rulings. Part III contains a glossary and a table of cases.

VERMEESCH AND LINDGREN'S BUSINESS LAW OF AUSTRALIA

Routledge

Study more effectively and improve your performance at exam time with this comprehensive guide. Written to work hand-in-hand with *BUSINESS LAW*, 12th Edition, this user-friendly guide includes a wide variety of learning tools to help you master the key concepts of the course.

INTERNET LAW

West Legal Studies/Thomson Learning

Business Law Today Business Law in Canada Prentice Hall

American Constitutional Law Irwin/McGraw-Hill

Appropriate for one-semester courses in Administrative Law at both college and university levels. Legal concepts and Canadian business applications are introduced in a concise, one-semester format. The text is structured so that five chapters on contracts form the nucleus of the course, and the balance provides stand-alone sections that the instructor may choose to cover in any order. We've made the design more reader-friendly, using a visually-appealing four-colour format and enlivening the solid text

with case snippets and extracts. The result is a book that maintains the strong legal content of previous editions while introducing more real-life examples of business law in practice. *Principles of Civil Litigation* Warren Gorham & Lamont

This text is a briefer paperback version of the widely-adopted Miller/Jentz BUSINESS LAW TODAY: THE STANDARD EDITION. THE ESSENTIALS offers the very same traits that have made that book so successful edition after edition - it provides the legal credibility and authoritativeness of a traditional business law book while also offering strong visual appeal and student friendly features. The text's engaging, high-interest presentation is complemented by the essential detail and information necessary to completely explain law topics. The book truly offers you and your students the best of both worlds--a credible business law source, which students will be motivated to read. Its magic and the cornerstone of its widespread success is in this ability to appeal to both instructors and students without being mutually exclusive. BUSINESS LAW TODAY: THE ESSENTIALS also offers the most comprehensive teaching and learning support package on the market, with something to fit many different instructional or learning styles. This text explicitly meets the AACSB curriculum requirements. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

BUSINESS LAW AND THE LEGAL ENVIRONMENT

Pearson

Important features of Business Associations, Fourth Edition, include: * Complete & developed materials on agency &

partnership reflecting the authors' view that a good background in agency & partnership principles is important for its own sake, & for the study of corporate law * Problems helpful in illustrating material * Attention to the lawyer as planner, as opposed to litigator or critic.

COX AND EISENBERG'S BUSINESS ORGANIZATIONS, CASES AND MATERIALS, UNABRIDGED, 12TH - CASEBOOKPLUS

South Western Educational Publishing

Explore the foundations of business law, as well as the application of legal concepts to everyday life. Coverage includes contracts, criminal law, environmental law, family law, consumer protection, and much more. With more than 1,000 cases, Law for Business and Personal Use, 19th Edition offers plenty of opportunities for case analysis and research. - Back cover.

Instructor's Manual to Accompany Contemporary Canadian Business Law : Principles and Cases McGraw-Hill Europe

This paperback volume (subtitled "Constitutional Rights: Civil Rights and Civil Liberties") includes chapters 10 through 19 of Fisher/Harriger, American Constitutional Law, Ninth Edition (hardback). Now in its ninth edition, American Constitutional Law is the only book that develops constitutional law in the comprehensive sense. Along with containing analyses and excerpts of court decisions, the book highlights the efforts of

legislatures, executives, the states, and the general public to participate in an ongoing political dialogue rather than passively receive a series of unilateral judicial commands. It covers all new developments in case law, congressional statutes, presidential policies, and initiatives undertaken by states under their own constitutions. The book includes readings not only from cases but congressional floor debates, committee reports, committee hearings, presidential vetoes and other statements, state actions, Federalist papers, and professional journals. It also includes a chapter on equal protection that addresses immigration law and the rights of aliens.

THE LAW OF BUSINESS ORGANIZATIONS

West Academic Publishing

A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. *Business Law I Essentials* is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. *Business Law I Essentials* may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

BUSINESS LAW TODAY

Cengage Learning

¿ CLEAR & CONCISE: Tight case editing, focused questions, and topical problems direct students' attention to the most critical issues. The book covers the full sweep of the subject, but is still short enough that the core topics can be taught in a 3-credit survey course. ¿ UP-TO-DATE COVERAGE: The seventh edition features five new principal cases, along with numerous new and revised notes and questions. New cases deal with international injunctions, free speech rights to use the Internet, compelled decryption, trademarks and search engines, and algorithmic accountability. Several sections have been tightened up and older material has been cut, resulting in a streamlined reading experience. ¿ TECHNICAL AND HISTORICAL NOTES: Mini-essays throughout the book provide the essential technical background needed to make sense of computer and Internet technologies. Where modern doctrine has important historical roots (e.g., network neutrality and telecommunications regulation), the book gives the necessary context.

Federal Estate and Gift Taxation Cengage Learning

After defining the constitutional framework for administration, the casebook discusses related topics such as downsizing government, regulators' thirst for information and the Paperwork Reduction Act, Fourth and Fifth Amendment concerns, Freedom of Information Act, and the future of the administrative state. Author forum available at twn.com. A premium Teacher's Manual is available upon request for professors adopting this casebook.

CONTEMPORARY NUTRITION

Irwin/McGraw-Hill

This interactive CD-ROM Edition is based on the best selling print version of West's Business Law, 9th Edition. This CD-ROM can be used as a stand alone item or in conjunction with the text. This CD-ROM appeals to those looking to experience business law in a whole new way and medium. Along with inclusion of the entire West's Business Law text, this CD-ROM includes video segments, full case presentations, a built-in study guide, quizzes, self-tests and more.

Global Business Today Oxford University Press, USA

Business Law is a new textbook that presents business law principles in a clear and easy to understand style. The objective of a business law subject is to ensure that students acquire enough knowledge of the law of business so they can recognise and solve simple legal problems, organise their affairs in order to avoid more complex or serious legal problems, and appreciate the connection of legal principles within a range of commercial environments. As the majority of students are required to study business law as part of either a commerce or business degree, this textbook follows a functional approach to the study of business law rather than doctrinal so the principles of business law are contextualised within a business environment. Business students need to know more than what the law is, they need to know where to find it, how to read it, how to use it and how it impacts on all facets of business. Students who use this textbook will develop a greater awareness of the law and its broad application to business and commercial environments. Hallmark

Features: Written in a clear, accessible style by award winning law lecturer. Addressed to reader as business person. Seeks to balance legal doctrine, practical perspectives, law in context and critical perspectives. Emphasis upon material of relevance and use to business students in the 21st century. Organised into 12 manageable chapters corresponding with 12 teaching weeks of a typical semester, making it possible to use the entire textbook and cover all relevant business law topics in appropriate depth. No need to customise this textbook to suit the subject outline. Presents a functional rather than doctrinal approach, e.g. instead of 'tort law' and 'contract law', the chapters look at 'causing harm' and 'making deals'. Activity features appear throughout requiring students to reflect, research, apply or revise their understanding of legal concepts. Revision questions appear at the end of each major chapter section and provide an opportunity for students to check their knowledge before progressing. End-of-chapter quizzes contain multiple-choice questions and are ideal for self testing. Over 600 terms & definitions included in the end of book glossary. New to this Edition: Each chapter begins and ends with "Johnny and Ash" ? a framing narrative which establishes the importance and relevance of the business law concepts presented, by describing a particular problem or situation. This feature appears in each chapter and involves a range of scenarios between two characters: Johnny, a restaurant owner, and Ash, a solicitor. Johnny and Ash begin each chapter by discussing one of more of the key issues explored within the chapter, and conclude each chapter with the resolution of those issues. They do so in a way which grounds these key issues in the real world, demonstrating how and why these issues might arise

in business practice. The various scenarios link together into a continuing storyline, engaging the students' interest as they progress from chapter to chapter. Chapter 3 Exercising legal skills describes and develops important legal skills such as research, reading, interpretation and writing. This is an important chapter, not found in most introductory business law textbooks. Where appropriate, tables, diagrams, flowcharts and concept maps are used to illustrate the more complex material within the text. Each chapter is periodically punctuated with questions which require the student to either reflect, research or revise key points. These questions ensure that students engage with the text actively rather than passively. Each section within a chapter concludes with a set of revision questions testing the student's ability to recall the key points from the section. Key terms used in the text are defined in the margins and in the comprehensive glossary at the end of the book. Throughout the text the student is referred to the many useful online resources relevant to the practice of business law in Australia. "Law in context" boxes offer alternative perspectives on the law described in the main text. These perspectives include the operation of the law in practice, ethical perspectives, the portrayal of the law in popular culture, philosophical or historical perspectives on the law, insights upon the law from other disciplines such as economics or social science, the political context within which the law was developed and the law in a global context. Each chapter concludes with a set of quiz questions for students to test their own understanding of the content, as well as a set of exercises where the student can apply their knowledge to the solution of particular legal problems or further explore more challenging aspects of the law.

About the Author Dr Nick James graduated from the University of Queensland in 1990 with Bachelor degrees in Law and Commerce, and until 1994 practised Commercial and Property Law in Brisbane and at the Gold Coast. In 1996 Nick returned to the University of Queensland to teach business law and property law at the Gatton Campus. In 1998 Nick completed his Master of Laws, and in 1999 he relocated to the new Ipswich campus where he was involved with the development and delivery of business law, corporations law and e-commerce law courses in flexible mode. In 2004, Nick completed his doctoral thesis on critical legal education. In 2005 he relocated to the law school at the St Lucia campus, and in 2009 was appointed Associate Professor and Associate Dean (Academic) within the School. Nick presently teaches Business Law to non-law students, and Law & Society to law students within the TC Beirne School of Law at the University of Queensland. He is the School Chair of Teaching and Learning, and a member of the editorial committee of the Legal Education Review. He received the UQ Award for Excellence in Teaching in 2004 and a National Carrick Citation for Outstanding Contribution to Student Learning in 2007. He is the author of numerous journal articles and conference papers in the areas of legal education and critical legal theory, and is presently engaged in a research project investigating the teaching and assessment of legal reasoning and critical thinking skills.

Business South-Western College

Recognized for accurate, relevant, and straightforward coverage, BUSINESS LAW AND THE REGULATION OF BUSINESS, 12E illustrates how legal concepts apply to common business situations. The book's comprehensive, yet succinct, approach

provides a depth of coverage ideal for business success and CPA exam preparation without technical jargon. The text includes both landmark and recent cases with the facts and decision summarized for clarity, while the opinion is carefully edited to preserve the language of the court. More than 220 figures, tables, diagrams, concept reviews, and chapter summaries clarify concepts. All key legal terms are clearly defined and explained. In addition, each chapter is carefully organized with numerous illustrative hypothetical and case examples that relate content to real-life experiences. Numerous critical-thinking features further strengthen readers' analytical skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

ESSENTIALS OF BUSINESS LAW AND THE LEGAL ENVIRONMENT

South-Western Pub

A thorough introduction to the key aspects of business law through real-life cases. Law for Business Students, 12th edition, by Adams, Caplan and Lockwood provides comprehensive coverage of the fundamental legal principles relating to the business environment. It covers law in an accessible manner, but without over-simplifying the subject matter.
