Vocabulary in Use: Upper Intermediate helps high-intermediate to advanced learners consolidate and expand their

knowledge of English vocabulary. The book contains 100 lessons that cover approximately 3,000 new vocabulary items. Ideal for self-study, its easy-to-use format presents a content- or grammar-based area of vocabulary on the left-hand page and innovative practice activities on the right-hand page. Firmly

based on current vocabulary acquisition theory, this text promotes good learning habits and teaches students how to discover rules for using vocabulary correctly. An edition with an answer key, suitable for self-study, is available; an intermediate level is also available.

Meanings Into Words : Upper Intermediate

Meanings Into Words Upper-intermediate Student's Book
Meaning into Words is a course in general English, which takes students from intermediate level to the upper intermediate level. It is divided into two parts: an Intermediate course and an Upper-Intermediate course. The two parts can

either be used as a single continuous course, or separately as two independent courses. The course systematically covers the functional, notional and grammatical areas that are important to students at this level. In each unit, students are taught the relationship between structures and meaning and learn how to use structures in a communicative context. The Intermediate course contains 24 units, providing 100-130 classroom hours. A guide to the answers is given in the Teacher's Book. The Upper-Intermediate course contains 15 teaching units and a revision unit, providing 80-100 classroom hours.

This new edition of the Collins COBUILD English Usage is a modern, easy-to-use

and in-depth guide to English usage, aimed at upper-intermediate and advanced learners and teachers of English. Collins COBUILD English Usage has been designed to help learners to use individual words correctly, and choose the right words and structures for the meaning they want to convey. The title not only explains what English words mean, but also provides information on how the words actually work. The title covers a range of different areas of the English language, to help learners use the language naturally and effectively. It provides clear information on easily confused words, words with similar meanings, and help

with words that are often tricky for learners to understand. Entries are organised alphabetically so that they are easy to find, and each has a clear explanation of when and how to use the word. Each entry also includes examples from the Collins Corpus, which show how the words are really used in everyday English.

Do you want to have more meaningful conversations in French? Do you want to feel comfortable in a variety of situations?

Based on authentic texts, such as songs, poems, and conversations between native speakers, this course will help you improve and build upon the language you already have so that you develop your skills to a level where you can enjoy communicating in

French. Incorporating information about the culture, history and geography of France

and French speaking countries, you will be introduced to the more advanced points of French grammar, as well as more colloquial language, and develop your vocabulary so you can express your opinion on a number of topics, as well as react to other people's opinions. What will I achieve by the end of the course? By the end of Enjoy French you will have increased your capacity to understand the spoken and written language, and furthered your ability to communicate with French speakers, orally and in writing. This course aims to take you from a good intermediate level (B1/B2 on the Common European Framework of Reference for languages / Advanced Low of the ACTFL) and

help you progress up to a C1 / Advanced High level. Is this course for me? If you already know some French and want to take it further, this is the course for you. It's perfect for the self-study learner, with a one-to-one tutor, or for the post-beginner classroom. What do I get? A coursebook with over two hours of audio online that features: - Ten units that cover more complex situations than your basic tourist scenarios - Carefully levelled and sequenced material - a solid path to build up your knowledge - Authentic texts, such as poems, songs, excerpts and conversations to present the language - Learn through the Discovery Method which helps you notice

patterns and retain the language you learn - Learn to learn - tips and advice on becoming a better language learner - Easy to use workbook format. What else can I use to learn French? If you require an absolute beginner course, you can try our Get Started in French. If you want a comprehensive beginner to intermediate course, you should try our Complete French. Rely on Teach Yourself, trusted by language learners for over 75 years.
