Caution: this book is a document from the future, on how the United States finally split into two independent republics in 2029, and its aftermath. The topic is so sensitive, that its futuristic author must be identified merely as John Doe, Ph.D. Dateline: 2029. The "One Nation, Indivisible," finally divides. - A political satire.

America in the mid-1980s. In the midst of the AIDS crisis and a conservative Reagan administration, New Yorkers grapple with life and death, love and

sex, heaven and hell. This edition, published alongside the major revival at the National Theatre in 2017, contains both plays, Part One: Millennium Approaches, and Part Two: Perestroika. **The Duogenic Leader** Angels in America, Part Two Perestroika "ANGELS IN AMERICA has proved to be a watershed drama, the most lyrical and ambitious augury of an era since Tennessee Williams's The Glass Menagerie." John Lahr, The New Yorker "The most influential American play of the last two decades." Patrick Healy, The New York Times "Daring and dazzling! The most ambitious American play of our time: an epic that ranges from earth to heaven; focuses on politics, sex and religion; transports us to Washington, the Kremlin, the South Bronx, Salt Lake City and Antarctica; deals with Jews, Mormons, WASPs, blacks; switches between realism and fantasy, from the tragedy of AIDS to the camp comedy of drag queens to

the death or at least absconding of God." Jack Kroll, Newsweek "The greatest American play of the waning years of the twentieth century." Chris Jones, Chicago Tribune Angels in America: A Gay Fantasia on National Themes Revised and Complete Edition Imagine having a love that is so deep, addictive, connected, and heavily embedded into your entire being that it haunts your every move. Four years later, after falling addictively in love with Promise "Savage" Morris and having her world tossed upside down, Hazel is forced to pick up the pieces and move on with her life in hopes of raising their daughter, Adah, in a perfect life. But every move Hazel makes, she feels the addictive love of Promise trailing behind her. After taking an unexpected downward turn in his empire of the drug business and serving four years in prison, Promise devises a plan to turn his life around for good, but most importantly, pick up

where he left off with Hazel and rekindle their old flame all while reclaiming his name in the streets. What happens when arch enemies show their face, ulterior motives surface, secrets and lies are revealed, and loyalty is tested? Can the addictive love of Promise and Hazel survive another round or will their love become far too tainted to endure?

Ben's 13th year was when his family fell apart, but his 14th year is when his whole world, or more precisely, the whole world, collapses. He had thought 13 was his unlucky number, the year that Time turned its back on him, but he was wrong; that year, it was he who had turned his back on Time. The following year, the fury of the sun turns back Time for everyone in the world. On PF (Power Failure) Day, a huge electromagnetic surge from the sun destroys the

power grids and civilization as we know it. Living in the middle of downtown Kansas City makes survival nearly impossible. Starvation, dehydration, disease, freezing temperatures, and out-of-control fires imperil the desperate population. After facing unimaginable losses, Ben finds hope for the future when he meets Sara, who has endured her own share of agonizing loss. But when a murderous gang threatens to take away everything Ben has left, they flee to a wilderness area of a large city park where they learn to live off the land for survival.

The pain of deceit was fresh, but love and desire

overruled everything else. Now, Aria and Aiden face their greatest challenge yet. Aria Cason's life took an unexpected turn when she reconnected with Aiden Raine, the man who awakened a pure and undeniable love she'd thought was lost forever. Aria's love for him burns deep, yet he still pushes for more-the total surrender of her heart. When a painful memory becomes her guiding light, she questions if a happily ever after really exists for a girl who never wanted one. After stepping away from his birthright, Aiden's need to protect his new family becomes his top priority. Fragile bonds are soon stretched to the breaking point as his need for vengeance threatens to destroy the very thing he's come to value most. When his unyielding determination starts to push Aria away, he presents her with a challenge that will test them both. Will the searing passion that reunited this couple keep them together, or will it burn them to ash? Ties will be broken. Lies will become the truth. Aria and Aiden's heart-wrenching story continues in the fifth book of The Untouched Series, Only

His Touch, Part Two. [Where Angels & Devils Tread](#) Larry Flynn Jay, your average stoner from Portland Oregon, finds out when he's twenty-one that he is Jesus, the son of God. This may have been a good thing if it weren't for the fact that he had been molested early in life by a Catholic Priest. It is a comic and tragic tale of reincarnated Disciples, and a difficult choice on whether the world is worth saving. Jay grows up thinking he's a normal kid. Through a series of hilarious and heartbreaking adventures, he finally learns of his true identity, long after he was supposed to. His reincarnated disciples are a mixture of loveable and misunderstood characters that join Jay on a journey across the Country that leads them to Elvis, Oprah, jail, and near death experiences. And when Jay becomes too big for the Church to control, they confront a situation that could very well destroy the world.  Dr. Brooke Spencer always felt different from other girls. Now a successful scientist, she is finally discovering where she belongs: working alongside the brilliant, trailblazing researcher Dr. Charles Samuelson. Dr. Samuelson has recently made a discovery that has eluded philosophers and dreamers for centuries: How to transmute iron into gold. Determined to use the knowledge for good, Dr. Samuelson recruits Brooke to assist him with his new plan, his "Golden Manifesto." But humans are not alone and his discovery has not gone unnoticed. Extraterrestrial visitors seek to control Dr. Samuelson's Breakthrough, and before long, Brooke is all that stands between Earth and total Destruction. Will she

be able to hold her ground? Or will the timeless temptation of gold prove too much for even the strongest of spirits? Brooke will soon face a choice that will make her question her background, her career, and the fate of the planet.

Killian knows all about vampires and aliens. They're not real. But when a handsome swimmer climbs into her storm-tossed boat an hour from her summer destination, the worlds of fantasy and reality suddenly collide... Cuttylea Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islanders, and a secret as astonishing as a mermaid's tale... Before the summer is through, Killian will find the truth of her family's past...and the role she is destined to play in a centuries-old curse.

A History of the Separation of the United States Into Two Independent Republics in 2029

As a mom of two little boys, I was inspired to share humorous stories of my two sons through their toddler years (which are not yet quite over). This book contains twenty two pages of hand-drawn illustrations showcasing a mother of two little boys coming to the realization she can't have nice things, at least for a little while. While names have been changed to protect the "innocent", these stories are all true. The books ends on a sweet note that all parents share, that sacrificing nice things for our sweet children really isn't difficult at all.
