These study guides, part of a set from noted Bible scholar, John MacArthur, take readers on a journey through biblical texts to discover what lies beneath the surface, focusing on meaning and context, and then reflecting on the explored passage or concept. With probing questions that

guide the reader toward application, as well as ample space for journaling, The MacArthur Bible Studies are invaluable tools for Bible students of all ages. This work on Second Timothy is part of a New Testament commentary series which has as its objective explaining and applying Scripture, focusing on the major doctrines, and how they relate to the whole of the Bible. This passage-by-passage study of the Epistle of 2 Timothy follows John MacArthur's

orientation toward explanation and exposition rather than overly-academic concentration on linguistics, theology, or homiletics.

The Bible is the word of God. In *Rightly Dividing the Word of Truth*, author C.L. Chapman helps Christians understand and embrace the life messages and lessons contained in the Bible. Delivering timely information, this guide is

divided into two books. The first book, "On Defense," discusses how to discern the difference between sound Biblical information and erroneous misinformation. It illustrates both the errors and the intended misinformation about the Bible and its contents and demonstrates how to deal with both the misinformation and those who spread it. The second book, "Reaching Forth," explains how to glean the basic information needed to grow, mature, and profit spiritually from the

Bible and its message in order to become both victorious and fruitful in the Lord. Chapman teaches that the Bible does not need decoding; it only needs to be understood and its message embraced. It is the word of God that produces life, health, peace, victory, prosperity, deliverance, and abundant blessings for believers even in these tumultuous end-times. [Gift and Award Bible-KJV](#)

Rightly Dividing the Word of Truth! Solid Christian Books

This book encompasses all major events recorded in the Bible from the destruction of the planet Earth between the first two verses of Genesis; the new doctrine of the Age of Grace delivered to the Apostle Paul by Jesus Christ himself; details of

the Great Tribulation as prophesied by Daniel; the believers of today reigning with Jesus in his Millennial Kingdom and the new heaven and earth, where the streets are paved with gold. Get ready for the "read" of your life! "Fred Wolfe has dedicated his life to examining the history, practice, and interpretation of the word of God. The Bible is too often misquoted, and this book will help to shed light on some common misconceptions, challenging the reader to

strengthen their understanding of God. With scholarly evidence and reasoning, he has written a blueprint of the Bible's inception, as well as the deepest meanings of its words. By closely examining one's understanding of the word of God, they will find a faith and clarity so absolute that it can never be shaken. This book is a must read, no matter where one is in their walk with God." -Pastor Matthew Barnett, Co-Founder of the Dream Center

 Inside this book are guidelines that I believe one must follow if they are to rightly understand God's Word. If we follow these guidelines, we will be able to know God's will and his truth. God does not intend for us to know everything in this life for faith is crucial to the Christian life, but that which He is willing to share is there inside His Word. However, one must know how to approach it. This book not only show you how to do this, but gives examples of it being

applied. It also covers many biblical doctrines using this format to show how these doctrines must be understood.

Those who like to read will agree for decades that the Holy Bible has been the #1 best seller everywhere books are sold. The whole world has a love-hate relationship going on with this ancient masterpiece. It is loved by many who readily and eagerly testify of its life-changing Good News (Gospel). For centuries, many have died for it. On the other side of the

spectrum, you have those who vehemently detest and protest its very existence. They are those who might kill others because of it. The content of the Holy Bible has drawn a virtual line in the sands of time. Many have been known to set out, determined to prove the fallacy of its content, or, at best, call them old wives tales, only to end up as apologists themselves. No matter what your present position, you will find the unusual contents of this little, perhaps

insignificant, book will cause you to reconsider your position. Selah. Stop and think about it! Have you ever wondered how so many religious groups, even those who claim to be "bible-based," have so many interpretations of the Bible's meaning? They can't all be right, so what to do? One course is to give up, and consider the Bible too confusing or contradictory. Another would be to let the church

you like tell you what the Scriptures mean without question and assume all the others must be wrong. However, if you would much rather find out how to properly interpret the Bible, with the help of independent and objective scholarship, this book is for you!

**Rightly Dividing the Word of Truth. A sermon [on 2 tim. ii. 15] delivered at Northampton, Mass. on the day of the organisation of the Edwards Church, and on occasion of the installation of the Rev. J. Todd, a pastor of that Church** Destiny Image Incorporated  
Where will you spend eternity? The Bible can be

seen as a reflection of our lives. We are born, we live, and we die. Genesis shows the birth of humankind. Revelation shows its end. Or is it? In Genesis, Satan brought sin into the world and with sin, death. Revelation shows how sin and death will end so eternal life begins. What a divine paradox. Through Christ, what started with death shall end with an endless life: I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys

of hell and of death. (Revelation 1:18) For believers, death will no longer be because death and hell were cast into the lake of fire. This is the second death. (Revelation 20:14) Along with death and hell, Satan, the Antichrist, the false prophet, and all rebellious nonbelievers will be cast into the lake of fire. Consequently, we should evade such lot. But how? Faith cometh by hearing, and hearing by the word of God. (Romans 10:17) Are you studying the Bible? Do you understand

it correctly? Are you mixing messages meant for you with the ones not meant for you? Are you incorporating hypothesis, personal interpretations, traditions, or false doctrines? Are you a lukewarm believer? So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth. (Revelation 3:16) This book will serve as a tool to increase your biblical understanding, therefore your faith. Avoid the day of judgment. DonaEUR(tm)t be a tepid

believer. Understand the Bible correctly, and the right way is by following the advice given by the apostle Paul: Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. (2 Timothy 2:15)

### **CHRISTIAN DOCTRINE: RIGHTLY DIVIDING THE WORD OF TRUTH**

Independently Published  
This book is a guide on how to study the Bible using Biblical principles. We need to know the scriptures accurately to know who God is and how He want us to live. God's word tells us to apply ourselves to know what He told us, to run after that knowledge to handle

it correctly in order to serve and work acceptably for Him. This necessitates that we wholeheartedly and continuously seek the answers and guidelines of truth as found in the Scriptures. If we do not, if we are lazy or put this as a low priority, we will be ashamed when we see our Lord face to face. His word is life's source. Here we will look at what it means to rightly divide or accurately understand the Bible's truth to know God and make Him known, to put it above mere

tradition and man's philosophy, to learn and teach with sound understanding and equally valid application of what we are to live by. Our adversary led us astray with "has God indeed (really) said," in order to lessen the authority of God's word and good will for us. We must not yield to this deception from our own thinking or from others, but cut His word straight to know and follow the truth that has set us free.
