Backstage Wall Street: An Insider's Guide to Knowing Who to Trust, Who to Run From, and How to Maximize Your Investments Michael Joseph

NATIONAL BESTSELLER • A raw, compelling memoir of baseball, family, fame, addiction, and recovery, by one of the most beloved baseball players of his generation “Beautifully rendered . . . Readers and fans will be rooting for him to enter the Hall of Fame and rooting even harder for him to stay sober.”—The Wall Street Journal How does it feel to be born with enormous gifts, in a life shadowed by tragedy? What does it mean when the gift that opens the world for us is not enough to stop us from losing the things we love?

And what new gifts do we find in that loss? Baseball had been CC Sabathia's life since he was a kid in gritty, baseball-obsessed Vallejo, California. He was a star by the time he was a preteen and a professional athlete when he was still a teenager. Everything he knew about how to be a person—an adult, a husband and father, a leader—he learned in rhythm with the baseball season, the every-fifth-day high-intensity spotlight of a starting pitcher, all while dealing with one of the sport's most turbulent eras: racism in a sport with diminishing black presence; the era of performance-enhancing drugs; and the increasing tension between high-value contracts and sports owners who moved players around like game pieces. But his biggest struggle was with his own body and mind: Buoyed his whole life by talent and a fiery competitive spirit, CC found himself dealing with the steady and eventually alarming breakdown of his own

body and his growing addiction in a world that encouraged and enabled it. Till the End is the thrilling memoir of one of the most beloved players in the game, a veteran star of the sport's marquee team during its latest championship era. It's also a book about baseball—about the ins and outs of its most important and technical position and its evolution in this volatile era. But woven within it is the moving, universal story of resilience and mortality and discovering what matters. *How to Reach Your Right Weight and Stay There* Simon and Schuster In this extraordinary novel, William Boyd presents the autobiography of John James Todd, whose uncanny and exhilarating life as one of the most unappreciated geniuses of the twentieth century is equal parts Laurence Stern, Charles Dickens, Robertson Davies, and Saul Bellow, and a hundred percent William Boyd. From his birth in 1899, Todd was doomed.

Emerging from his angst-filled childhood, he rushes into the throes of the twentieth century on the Western Front during the Great War, and quickly changes his role on the battlefield from cannon fodder to cameraman. When he becomes a prisoner of war, he discovers Rousseau's Confessions, and dedicates his life to bringing the memoir to the silver screen. Plagued by bad luck and blind ambition, Todd becomes a celebrated London upstart, a Weimar luminary, and finally a disgruntled director of cowboy movies and the eleventh member of the Hollywood Ten. Ambitious and entertaining, Boyd has invented a most irresistible hero.

Although he was a suburban husband and father, living a far different life than the "Wolf of Wall Street," Michael Kimelman had a good run as the cofounder of a hedge fund. He had left a cushy yet suffocating job at a law firm to try his hand at the high-risk life of a proprietary trader — and he did pretty well for himself. But it all came crashing down in the wee hours of November 5, 2009, when the Feds came to his door—almost taking the door off its hinges. While his wife and children were sequestered to a bedroom, Kimelman was marched off in embarrassment in view of his neighbors and TV crews who had been alerted in advance. He was arrested as part of a huge insider trading case, and while he was offered a "sweetheart" no-jail probation plea, he refused, maintaining his innocence. The lion's share of *Confessions of a Wall Street Insider* was written while Kimelman was an inmate at Lewisburg Penitentiary. In nearly two years behind bars, he reflected on his experiences before incarceration—rubbing elbows and throwing back far too many cocktails with financial titans and major figures in sports and entertainment (including Leonardo DiCaprio, Alex Rodriguez, Ben Bernanke, and Alan Greenspan, to drop a few names); making and losing hundreds of thousands of dollars in daily gambles on the Street; getting involved with the wrong people, who eventually turned on him; realizing that none of that mattered in the end. As he writes: "Stripped of family, friends, time, and humanity, if there's ever a place to give one pause, it's prison . . . Tomorrow is promised to no one." In *Confessions of a Wall Street Insider*, he reveals the triumphs, pains, and struggles, and how, in the end, it just might have made him a better person. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on

well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Confessions of a Media Manipulator Rizzoli Publications

Brazilian-born Gil is trying to find the American Dream. In the meantime, he polishes the shoes of the superrich and powerful on Wall Street—high-rolling traders as uninhibited as they are ruthless. Gil sees things as few other people do—from the ground up—and his perspective on the day-to-day insanity of the trading floor is priceless. But this fly on the wall overhears one or two things that maybe he shouldn't. And when a Glossy magazine journalist, desperate for a big break, persuades him to be an undercover source for what may be the biggest insider trading scam in Wall Street history, Gil is catapulted into a danger zone darker than anything he or the journalist could have imagined.

Confessions of a Day Trader Simon and Schuster

Main Street grabs for the brass ring. Wall Street snatches it away. The Yin and Yang of trading the Stock Markets. Investing, daytrading, gambling. Based on a true story, Jay and Stevy, retail investors, outsiders, battle the insiders, the wolves of Wall Street: The Market Makers, the smart money, the front running brokerage houses, lying Talking Heads, brazen stock manipulators. Against all odds, will they succeed

les confessions d'un golden boy HMH

In August of 2007, when global stock markets plunged and gold headed to a low of \$660 an ounce, many investment experts warned of an imminent drop in the price of gold to \$500 an ounce. Instead, J.S. Kim told his clients to buy gold and predicted a month later that gold would reach \$850 an ounce by the end of 2007. Gold hit \$850 an ounce on January 3, 2007. On November 16, 2007, as Wall Street firms advised their clients to "buy the dips", J.S. boldly stated, "Use rallies like the one last Wednesday where the Dow piled on 300+ points in one session to sell out if for some reason you are still heavily invested in U.S. stocks" and

predicted that triple-digit losses in the Dow would soon become "commonplace." By the second week of January, the DJIA and the Nikkei 225 had both plunged more than 1,000 points while stock markets in Korea, Hong Kong, and Europe also plummeted. Learn why you shouldn't listen to the investment industry...ever. And discover how to build a fortune from the coming global economic crisis.

CONFESSIONS OF AN INNOCENT MAN

Penguin

Late legendary couturiers of modern fashion speaking eloquently about life, design, and inspiration. Vionnet, Chanel, Dior, Saint Laurent, McQueen—these names define haute couture, and long after the designers have passed away, their influence on fashion continues to be profound. In an exceptional compilation of the original words of these couturiers, *Couture Confessions* provides a unique and in-depth look at the lives and work of these fashion icons. In this engaging, beautifully designed book, Pamela Golbin, acclaimed chief curator of twentieth-century fashion and textiles at Paris's Musée des Arts Décoratifs, has ingeniously constructed conversations in the designers' own words that highlight their compelling personal stories as well as essential fashion "moments"—from designers Paul Poiret, Cristóbal Balenciaga, Madame Grès, Alexander McQueen, Madeleine Vionnet, and Gabrielle Chanel to Elsa Schiaparelli, Yves Saint Laurent, Jeanne Lanvin, Pierre Balmain, and Christian Dior. Featuring striking illustrations by internationally recognized illustrator Yann Legendre, each "interview" asks the questions every fashion lover has always wanted to ask, making these legends approachable, human, and ever more inspiring.

Confessions of an Ivy League Frat Boy Harper Collins

Bridget Jones's Diary meets *The Office*. Madison Lee is a fresh college grad, ready to take on the world of print media. But she has zero luck landing a job. Unemployment is at ten percent and on the rise. Desperate and left with no other options, she accepts a position as a service rep at a call center in Pocatello, Idaho. At the Lightning Speed call center in Spudsville, Maddy plunges into the wild and dysfunctional world of customer service where Sales is prided over Service and an eight hour shift is equivalent to eight hours of callers bashing her over the phone. Oh sure, the calls are bad. But Maddy manages to find humor on the phone and off the phone. And with all the salacious drama behind the calls, there is

never a dull moment at the Lightning Speed call center. Lately . . . Maddy has been pining for her smolderingly gorgeous co-worker Mika Harket. Now things are heating up on the phone--and elsewhere. Don't hang up on this novel. Working at a call center has never been this garish . . . or this delightful. ***DISCLAIMER: If you find politically incorrect shows like The Office, South Park and Chelsea Lately detestable, juvenile and offensive, then this book is probably NOT for you.

A NOVEL

Godine+ORM

"Reminiscences of a Stock Operator" is the most widely read, highly recommended investment book ever. Generations of readers have found that it has more to teach them about markets and people than years of experience. This is a timeless tale that will enrich your life - and your portfolio. Well known investor: Benjamin Graham, Warren Buffett, Philip Arthur Fisher, John Burr Williams, Charlie Munger, George Soros

CONFESSIONS OF A WALL STREET SHOESHINE BOY

Grandich Publications, LLC.

As an active surgeon and former department chairman, Dr. Paul A. Ruggieri has seen the good, the bad, and the ugly of his profession. In *Confessions of a Surgeon*, he pushes open the doors of the O.R. and reveals the inscrutable place where lives are improved, saved, and sometimes lost. He shares the successes, failures, remarkable advances, and camaraderie that make it exciting. He uncovers the truth about the abusive, exhaustive training and the arduous devotion of his old-school education. He explores the twenty-four-hour challenges that come from patients and their loved ones; the ethics of saving the lives of repugnant criminals; the hot-button issues of healthcare, lawsuits, and reimbursements; and the true cost of running a private practice. And he explains the influence of the "white coat code of silence" and why patients may never know what really transpires during surgery. Ultimately, Dr. Ruggieri lays bare an occupation that to most is as mysterious and unfamiliar as it is misunderstood. His account is passionate, illuminating, and often shocking—an eye-opening, never-before-seen look at real life, and death, in the O.R.

The New Confessions ReadHowYouWant In My Life as a Quant, Emanuel Derman relives his exciting journey as one of the first high-energy particle physicists to migrate to Wall Street. Page by page,

Derman details his adventures in this field—analyzing the incompatible personas of traders and quants, and discussing the dissimilar nature of knowledge in physics and finance. Throughout this tale, he also reflects on the appropriate way to apply the refined methods of physics to the hurly-burly world of markets.

Confessions of a Taoist on Wall Street Wiley

"Every person wrongfully convicted of a crime at some point dreams of getting revenge against the system. In *Confessions of an Innocent Man*, the dream comes true and in a spectacular way."—John Grisham, New York Times bestselling author of *The Reckoning* A thrillingly suspenseful debut novel and a fierce howl of rage that questions the true meaning of justice. Rafael Zhettah relishes the simplicity and freedom of his life. He is the owner and head chef of a promising Houston restaurant, a pilot with open access to the boundless Texas horizon, and a bachelor, content with having few personal or material attachments that ground him. Then, lightning strikes. When he finds Tieresse—billionaire, philanthropist, sophisticate, bombshell—sitting at one of his tables, he also finds his soul mate and his life starts again. And just as fast, when she is brutally murdered in their home, when he is convicted of the crime, when he is sentenced to die, it is all ripped away. But for Rafael Zhettah, death row is not the end. It is only the beginning. Now, with his recaptured freedom, he will stop at nothing to deliver justice to those who stole everything from him. This is a heart-stoppingly suspenseful, devastating, page-turning debut novel. A thriller with a relentless grip that wants you to read it in one sitting. David R. Dow has dedicated his life to the fight against capital punishment—to righting the horrific injustices of the death penalty regime in Texas. He delivers the perfect modern parable for exploring our complex, uneasy relationships with punishment and reparation in a terribly unjust world.

An Artist's Memoir Ballantine Books UPDATED THIRD EDITION! *Confessions of a Wall Street Whiz Kid* is a thought-provoking, real-life story of the ups and downs and ups again of one of Wall Street's "half-famous" financial geniuses, Peter Grandich. In 1987, at the tender age of 31, this high school drop-out was dubbed "The Wall Street Whiz Kid" by Good Morning America after accurately predicting the Black Monday stock market crash. He has since made so many stunningly-accurate market calls and financial predictions that he may well go

down as the Madam Marie of the economic world. As a result, his daily financial blog has become one of the most popular on the web. In this light, witty and painfully honest autobiography, Grandich shares his thoughts about the accumulation of wealth and the hidden flaws of traditional financial planning. He exposes some of the dirty business of Wall Street and takes readers on a journey through his battles against panic attacks, suicide attempts and depression, and he shares how his faith not only helped him regain the will to live, but acts as the foundation for his financial beliefs. A contrarian by nature, Grandich also explains what he sees as the next great threat to the US - not terrorism or bio-warfare, but an economic time bomb of unprecedented proportion. *Confessions of a Wall Street Whiz Kid* is just that: a complete divulgence of matters of life, health, wealth-and, of course, the ins and outs of Wall Street. *A Killing on Wall Street* Harper Collins Chances are you haven't been making the best investing decisions. Why? BECAUSE THAT'S HOW WALL STREET WANTS IT Wall Street is very good at one thing: convincing you to act against your own interests. And there's no one out there better equipped with the knowledge and moxie to explain how it all works than Josh Brown. A man The New York Times referred to as "the Merchant of Snark" and Barron's called "pot-stirring and provocative," Brown worked for 10 years in the industry, a time during which he learned some hard truths about how clients are routinely treated—and how their money is sent on a one-way trip to Wall Street's coffers. *Backstage Wall Street* reveals the inner workings of the world's biggest money machine and explains how a relatively small confederation of brilliant, sometimes ill-intentioned people fuel it, operate it, and repair it when necessary—none of which is for the good of the average investor. Offering a look that only a long-term insider could provide (and that only a "reformed" insider would want to provide), Brown describes: THE PEOPLE—Why retail brokers always profit—even if you don't THE PRODUCTS—How funds, ETFs, and other products are invented as failsafe profit generators—for the inventors alone THE PITCH—The marketing schemes designed for one thing and one thing only: to separate you from your money It's that bad . . . but there's a light at the end of the tunnel. Brown gives you the knowledge you need to make the right decisions at the right time. *Backstage Wall Street* is about seeing reality for what it is and adjusting your actions accordingly. It's

about learning who and what to steer clear of at all times. And it's about setting the stage for a bright financial future—your own way.

The Good, the Bad, and the Complicated...Life Behind the O.R. Doors

John Wiley & Sons

PRAISE FOR A Killing on Wall Street

"Derrick Niederman brings special qualities to his novel: He is funny, smart, and imparts to A Killing on Wall Street a wicked, jaundiced eye and an insider's ability to both educate and amuse." -John Spooner investment advisor and bestselling author of Confessions of a Stockbroker "Derrick Niederman's A Killing on Wall Street is at the same time an absorbing whodunit and a textbook for Investment Finance 101, written with witty dialogue, and not without puns, anagrams, and one or two references that escaped this reader who remembers 1929." - Charles P. Kindleberger Ford International Professor of Economics, MIT Emeritus; author of Manias, Panics and Crashes: A History of Financial Crises "A Killing on Wall Street grabs you from page one and won't let you go until the final word. Intrigue, insight, and passion combine for a rocketship read. If Derrick Niederman were a stock, I'd be buying." -Keith Ablow author of Denial and Projection

Confessions of a Sociopath Verso Books
Confessions of a Wall Street Analyst A True Story of Inside Information and Corruption in the Stock Market Harper Collins
Wall Street McGraw Hill Professional
 "Laid off from the front lines of a hedge fund in the midst of the financial crisis, Jimmy Adams decides to get an "honest

job" for a change. Before he knows what hit him, he finds himself waiting on tables of barflies at a 24-hour diner. Staffed by a motley crew of cooks and servers, the restaurant provides a slew of comedic experiences as the author waits on man-hungry female patrons, a stonemason who carves his own teeth, and a man seeking refuge from the ghost in his apartment. In a unique narrative that is as thought-provoking as it is sidesplitting, Waffle Street unravels the enigmas of money, banking, and grits once and for all."--Page 4 of cover.

The Parisian Diet Roc Lit 101

The First Book from n+1—an Essential Chronicle of Our Financial Crisis HFM:

Where are you going to buy protection on the U.S. government's credit? I mean, if the U.S. defaults, what bank is going to be able to make good on that contract? Who are you going to buy that contract from, the Martians? n+1: When does this begin to feel like less of a cyclical thing, like the weather, and more of a permanent, end-of-the-world kind of thing? HFM: When you see me selling apples out on the street, that's when you should go stock up on guns and ammunition.

Trust Me, I'm Lying Prentice Hall Press
Confessions of a Wall Street Whiz Kid is a thought-provoking, real-life story of the ups and downs and ups again of one of Wall Street's "half-famous" financial geniuses, Peter Grandich. In 1987, at the tender age of 31, this high school drop-out was dubbed "The Wall Street Whiz Kid" by Good Morning America after accurately predicting the Black Monday stock market crash. He has since made so many

stunningly-accurate market calls and financial predictions that he may well go down as the Madam Marie of the economic world. As a result, his daily financial blog has become one of the most popular on the web. In this light, witty and painfully honest autobiography, Grandich shares his thoughts about the accumulation of wealth and the hidden flaws of traditional financial planning. He exposes some of the dirty business of Wall Street and takes readers on a journey through his battles against panic attacks, suicide attempts and depression, and he shares how his faith not only helped him regain the will to live, but acts as the foundation for his financial beliefs. A contrarian by nature, Grandich also explains what he sees as the next great threat to the US - not terrorism or bio-warfare, but an economic time bomb of unprecedented proportion. Confessions of a Wall Street Whiz Kid is just that: a complete divulgence of matters of life, health, wealth-and, of course, the ins and outs of Wall Street. Wall Street Grandich Publications
 From the tranquility of an Oriental monastery to the tumult of the New York Stock Exchange, the hero of this amazing novel embarks on a quest for a father, a fortune, and the ultimate essence of the universe. The illegitimate son of a Chinese woman and an American officer, he was reared as an orphan by Taoist monks. When he learns that his father may be a wealthy Wall Street entrepreneur, he feels compelled to go to New York. His efforts to reconcile his two lives -- to find the Tao in the Dow -- make a story rich in character, wit, and insight.
