and its government, with conventional intellectual life, with every form of orthodoxy both in the world and in himself. Unlike his earlier work, from Peter Camenzind through Knulp, the stories in Strange News from Another Star do not allow for an essentially realistic interpretation. They are concerned with dream worlds, the subconscious, magical thinking, and the numinous

experience of the soul. Their subject is the distilling of wisdom. The eight stories are "Augustus," "The Poet," "Flute Dream," "Strange News from Another Star," "The Hard Passage," "A Dream Sequence," "Faldum," and--perhaps the masterpiece of this collection-- "Iris."

Against Nazi dictatorship, the disillusionment of Weimar, and Christian austerity, Hermann Hesse's stories inspired a nonconformist yearning for universal values to supplant fanaticism in all its guises. He reenters our world through Gunnar Decker's biography—a champion of spiritual searching in the face of mass culture and the disenchanted life.

 A penetrating study of ordinary people resisting the Nazi occupation—and, true to its title, a dark comedy of wartime manners—Comedy in a Minor Key tells the story of Wim and Marie, a Dutch couple who first hide a Jew they know as Nico, then must dispose of his body when he dies of pneumonia. This novella, first published in 1947 and now translated into English for the first time, shows Hans Keilson at his best: deeply ironic, penetrating, sympathetic, and brilliantly modern, an heir to Joseph Roth and Franz Kafka. In 2008, when Keilson received Germany's prestigious Welt Literature Prize, the citation praised his work for exploring "the destructive impulse at work in the twentieth century, down to its deepest psychological and spiritual ramifications." Published to celebrate Keilson's hundredth birthday, *Comedy in a Minor Key*—and *The Death of the Adversary*, reissued in paperback—will introduce American readers to a forgotten classic author, a witness to World War II and a sophisticated storyteller whose books remain as fresh as when they first

came to light. **A Novel** North Atlantic Books In the spring of 1922, several months after completing Siddhartha, Hermann Hesse wrote a fairy tale that was also a love story, inspired by the woman who was to become his second wife. That story, Pictor's Metamorphoses, is the centerpiece of this anthology of Hesse's luminous short fiction. Based on The Arabian Nights and the work of the

Brothers Grimm, the nineteen stories collected here represent a half century of Hesse's short writings. They display the full range of Hesse's lifetime fascination with fantasy--as dream, fairy tale, satire, or allegory.

PICTOR'S METAMORPH OSES

Bloomsbury Publishing "These pocket-sized titles are stunning....They make the perfect stocking

stuffers!" - Metro "Bought together or separately, these fiction titles are ideal stocking stuffers for the literature lover." - USA Today With its blend of Eastern mysticism and Western culture, Hesse's best-known and most autobiographical work is one of literature's most poetic evocations of the soul's journey to liberation. Harry Haller is a sad and lonely figure, a reclusive

intellectual for whom life holds no joy. He struggles to reconcile the wild primeval wolf and the rational man within himself without surrendering to the bourgeois values he despises. His life changes dramatically when he meets a woman who is his opposite, the carefree and elusive Hermine. The tale of the Steppenwolf culminates in the surreal Magic Theater-For Madmen Only!	Originally published in English in 1929, Steppenwolf's wisdom continues to speak to our souls and marks it as a classic of modern literature. For more than twenty years, Picador has been producing beautifully packaged literary fiction and nonfiction books from Manhattan's Flatiron Building. Our Twentieth Anniversary Modern Classics line pairs iconic books - The	Virgin Suicides by Jeffrey Eugenides, Steppenwolf by Herman Hesse, Jesus' Son by Denis Johnson, and Housekeeping by Marilynne Robinson - with a design that's both small enough to fit in your pocket and unique enough to stand out on your bookshelf. <i>The Yellow Wallpaper and Selected Writings</i> Farrar Straus & Giroux New essays on the works and themes of Hesse, one of the most

A brilliant psychological portrait of a troubled young man's quest for self-awareness, this coming-of-age novel reflects the author's preoccupation with the duality of human nature and the pursuit of spiritual fulfillment.

STRENGTH TO SAY NO

Penguin UK
This collection of new translations brings together the small proportion of Kafka's works that he thought worthy of publication. It includes *Metamorphosis*, his most famous work, an exploration of horrific transformation and alienation; *Meditation*, a collection of his earlier studies; *The Judgement*, written in a single night of

frenzied creativity; *The Stoker*, the first chapter of a novel set in America and a fascinating occasional piece, *The Aeroplanes at Brescia*, Kafka's eyewitness account of an air display in 1909. Together, these stories reveal the breadth of Kafka's literary vision and the extraordinary imaginative depth of his thought.

by Hesse's
timeless
classic
"Strange News
from Another
Star". Hesse
wrote this
short fairy tale
in April 1915,
one year after

the start of
the First World
War. At the
time of
writing, Hesse
was working
as an army
nurse tending
to wounded
soldiers. In the
fairy tale, two
stars are
juxtaposed.
On one star,
life is valued,
beauty is
appreciated,
reason is
respected,
humane
traditions are
cultivated,
love and
happiness are
experienced
and peace
prevails. On
the other star,
jealousy,

murder is

fear prevails.
The latter is
clearly our
world as
Hesse saw it,
rendered
mythical, and
the former is
an idealized
world that
ours could be.
Unlike his
earlier works,
the story does
not lend itself

It is
essentially a
fairy tale

dealing with the subconscious, magic and the dream world. The fairy tale represents an intermediate stage between Hesse's initial ambiguous stance to the war, as an internationalist who tolerated war and a pacifist who looked forward to a German victory, and his later active anti-war campaign. Later in his life, Hesse changed his initial naive view, that the war is nobody's fault and that it

occurs by itself. He came to acknowledge the detrimental role that the military-industrial complex plays in promoting wars, a view that brought him into conflict with supporters of the war, his country and its government. Looking at the world today, seeing military conflicts raging in many pockets around the globe, with no discernible reason or end strategies in sight, while

daily life goes on as usual around us, we tend to appreciate Hesse's prophetic and timeless vision.

THE JOURNEY TO

THE EAST

Princeton University Press
 "A critical biography far surpassing the previous ones."--Times Higher Education Supplement
 "There are to be sure many writers whose biographies are more interesting than their fiction but Hesse is not one of these. He led a long and sometimes eventful life with marital tensions, travel controversy, crises, even

some thoughts of suicide and a period of time as a student in a home for retarded and unmanageable. In addition, there was his search which led him through the culture and arts of West and East, his views of politics and society, of psychology and philosophy. The difference between Hesse and other writers is that virtually every shred and patch of his life was brought into

his writing, his fiction particularly. 'He had to write about himself and there is little of what he wrote that is not confessional in form and therapeutic in function.'
 Autobiography is the very matter of his work. Mileck's contribution is to extend and fill out the evidence of his life, his psychoanalysis, his drive toward self-realization which was the very engine of his being, to show the raw material and

thus to invite readers to see how it was transmuted, transfigured, fantasized, poeticized, symbolized."-- Los Angeles Times "Hesse was a prolific author for some 60 years, and his mind drew everything it contemplated into his private wars between flesh and spirit. objectivity and subjectivity, the longings for society and isolation. No one is better qualified to disentangle this abundance

than Mileck, compiler of the huge two-volume Hesse bibliography. For completeness, then, no biography in English compares." -- Kirkus Reviews "Mileck provides his own translations of the German quotations from Hesse's works, and the eight interpretive chapters are thoroughly indexed, making the work readily accessible to researchers and students concerned

with specific Hesse questions and themes. This very readable book also contains a number of exceptional photographs, which, together with Mileck's fervor and understanding of the author, help create a living image of Hesse the man and the artist."-- Choice "Professor Mileck . . . brings to his task an acquaintanceship with Hesse's published and unpublished writings . . .

which borders on omniscience. This is a literary biography which concentrates on the works and looks at the life of its subject briefly and always in relation to its involvement with the works . . . [This] is true scholarship, which does not make the book less readable and accessible to the general public. . . . a solid and valuable book which should make it easier . . . to bring [Hesse] back

into the orbit of serious appreciation in the English-speaking world." -- Books and Bookmen The Glass Bead Game Harvard University Press Get up and running with French Easy French Step-by-Step proves that a solid grounding in grammar basics is the key to mastering a second language. The colour is repellent . . . In the places where it isn't

faded and where the sun is just so - I can see a strange, provoking, formless sort of figure, that seems to skulk about . . . ' Based on the author's own experiences, 'The Yellow Wallpaper' is the chilling tale of a woman driven to the brink of insanity by the 'rest cure' prescribed after the birth of her child. Isolated in a crumbling colonial mansion, in a room with bars on the windows, the

tortuous pattern of the yellow wallpaper winds its way into the recesses of her mind. Charlotte Perkins Gilman was America's leading feminist intellectual of the early twentieth century. In addition to her masterpiece 'The Yellow Wallpaper', this new edition includes a selection of her best short fiction and extracts from her autobiography .

The Glass Bead Game, for which Hesse won the Nobel Prize for Literature in 1946, is the author's last and crowning achievement, the most imaginative and prophetic of all his novels. Setting the story in the distant postapocalyptic future, Hesse tells of an elite cult of intellectuals who play an elaborate game that uses all the

cultural and scientific knowledge of the Ages. The Glass Bead Game is a fascinating tale of the complexity of modern life as well as a classic of modern literature. This edition features a Foreword by Theodore Ziolkowski that places the book in the full context of Hesse's thought.

Narcissus and Goldmund

Macmillan
Jack Pierce, a down and out writer, has

retreated from society to the sanctuary of the mountains above Leadville, Colorado. To his astonishment, an old lover, Miranda Talbot, a poet and faith healer from Texas, arrives at his house shortly after the death of his live-in girlfriend and proceeds to inspire him to write a biography about the recently deceased Yale Nobel Prize recipient Theodore Hudson. Reluctant at

first, he eventually succumbs to her charms and sets off for New Haven, Connecticut on a wild ride with the esoteric Miranda that could be the turning point in his miserable life. There he and Miranda learn about Hudson's past and must wrestle with the moral dilemma this information presents. Bread of Shame is about the beauty of truth when the larger picture

is finally glimpsed and made to benefit seeker and savior and all those in between. The novel speaks to what it is to be an artist and a human being in a world where perception is obscured by human need, and knowledge is ambiguous and conflicted. Finally, it is about what it takes to live and love and write. "Miranda's and Jack's determination to discover the truth about themselves

and others adds layers of interest to a well-wrought mystery. Engaging and moving... the language is poetic and deliberate." Kirkus Reviews

 The true story of one girl who said "no" to tradition, and the effect it had upon a nation
 In a remote village in Bengal, 11-year-old Rekha and her large family lived by rolling handmade cigarettes. She frequently observed the abrupt

departure of her friends to go live with their mothers-in-law, where they were often treated like slaves. In spite of her youth, Rekha was aware of the harm done to these little girls. When, in their turn, her parents found a husband for her, a man she didn't know, she flew into a blinding rage at the idea of being taken away from any further schooling for good. After that, Rekha went from village to village to tell

her story, and especially to explain the tragic consequences of early marriages. Thanks to her, several dozen children found the courage to say no to this tribal tradition. Her story gained national attention with India's newspaper hailing her for accomplishing change that the India government was incapable of making. Her exemplary journey gained her the recognition of the highest courts in the

land, she has had an audience with the Indian President, and she is a recipient of India's National Bravery Award. Written with the collaboration of Mouhssine Ennaimi, a distinguished reporter for Radio France, *The Strength to Say No*, translated from Ennaimi's acclaimed French edition, is a documentary portrait of one girl's monumental struggle.

THE SEASONS OF THE SOUL

Farrar, Straus and Giroux Siddhartha (first published in 1922) is a novel based on the early life of Buddha, inspired by the author's visit to India before the First World War. The novel is about the young Brahmin Siddhartha's search for self-realization. His quest takes him from a life of decadence to asceticism, from the illusory joys of

sensual love with a beautiful courtesan, and of wealth and fame, to the painful struggles with his son and the ultimate wisdom of renunciation

Steppenwolf
 Courier Corporation
 The author, in defining the genre of "lyrical fiction," separates a type of fiction that can be legitimately viewed as "poetry" from other narrative types. The lyrical novelist uses fictional devices to find

an aesthetic expression for experience, achieving an effect most frequently seen in dreams, picaresques, and allegories. Analyzing representative novels by Hermann Hesse, Andre Gide, and Virginia Woolf, Ralph Freedman focuses on the problem of self-consciousness . His findings are directly applicable to much twentieth-century fiction. Originally published in

1963. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton

Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
