Blood Game Bantam

Two young, female patients are found dead in a semi-private mental hospital in Queens. Each is found on the floor in their rooms, jugulars slashed. The hospital classifies them as suicides—but when a third patient is found dead, a terrifying question arises: is there a serial killer on the loose in the hospital? The FBI Behavioral Unit calls in its star criminal profiler, Tracy Wrenn, to provide her unique insights to crack the case. Immersed in the world of

the hospital, Tracy encounters a wide array of disturbing and perplexing characters, each with their own level of psychosis. Tracy must plunge into the depths of the disturbed minds of both inmates and staff as she tries to sort out what is real and what is fantasy, and as she begins to learn just how twisted the human mind can be. A shocking twist culminates in an ending Tracy can never expect, as she finds herself on the brink—and can only hope to return. Book #3 in The

Killing Game will be released soon.

The Killing Type Faber & Faber

The machinations of a new supervisor may have altered Gil Grissom's team of skillful CSIs, as Catherine Willows, Nick Stokes, and Warrick Brown are reassigned from the graveyard shift to the swing shift. That doesn't mean, however, that their paths will never cross. During the course of their separate investigations, the teams must unite again to investigate two distinct

murders -- atrocities that are oddly aligned as they share much of the same collective evidence.

Despite the different M.O.s, the CSIs are uncovering two wildly imperfect crimes that could possibly add up to an almost perfect one...

A Liz Lockhart Mystery

Harper Collins

When a witness in a witness protection program is killed, U.S. Marshal Alexa Chase assumes it's related to the case. But when she hits dead ends and the mystery becomes far

more complex, she realizes a serial killer may be at work. What is his pattern? Can she connect the dots in time? *The Killing Place (An Alexa Chase Suspense Thriller—Book 6)* is book #6 in a new series by mystery and suspense author Kate Bold, which begins with *THE KILLING GAME (Book #1)*. Alexa Chase, 34, a brilliant profiler in the FBI's Behavioral Analysis Unit, was too good at her job. Haunted by all the serial killers she caught, she left a stunning career behind

to join the U.S. Marshals. As a Deputy Marshal, Alexa—fit, and as tough as she is brilliant—could immerse herself in a simple career of hunting down fugitives and bringing them to justice. But with her recent work a big success, the FBI and the Marshals have decided to make their joint-task force permanent. Alexa, reeling from her own traumatic past and her PTSD of hunting serial killers, has no choice: she will now have to work with an FBI partner she dislikes and

hunt down serial killers whose jurisdiction intertwines with that of the U.S. Marshals. Alexa finds herself forced to confront the thing she dreads the most—entering a killer’s mind. As Alexa dives deeper into the investigation, she realizes suspects are everywhere—and the clock is ticking. But who can really be trusted? All Alexa can do is rely on her brilliant skills to enter the killer’s twisted mind before he strikes again. A page-turning and

harrowing crime thriller featuring a brilliant and tortured Deputy Marshal, the ALEXA CHASE series is a riveting mystery, packed with non-stop action, suspense, twists and turns, revelations, and driven by a breakneck pace that will keep you flipping pages late into the night. Future books in the series will be available soon.

verdicts that took the Asian American community to the streets in protest, and the groundbreaking civil rights trial that followed. America in 1982: Japanese car companies are on the rise and believed to be putting U.S. autoworkers out of their jobs. Anti-Asian American sentiment simmers, especially in Detroit. A bar fight turns fatal, leaving a Chinese American man, Vincent Chin, beaten to death at the hands of two white men, autoworker Ronald

Ebens and his stepson, Michael Nitz. Paula Yoo has crafted a searing examination of the killing and the trial and verdicts that followed. When Ebens and Nitz pled guilty to manslaughter and received only a \$3,000 fine and three years' probation, the lenient sentence sparked outrage. The protests that followed led to a federal civil rights trial—the first involving a crime against an Asian American—and galvanized what came to be known as the Asian American movement.

Extensively researched from court transcripts, contemporary news accounts, and in-person interviews with key participants, *From a Whisper to a Rallying Cry* is a suspenseful, nuanced, and authoritative portrait of a pivotal moment in civil rights history, and a man who became a symbol against hatred and racism.
