50 THREE- CHORD CHRISTMAS SONGS FOR GUITAR, BANJO & UKE

Hal Leonard Corporation This book is a collection of 30 progressive, (from easy to intermediate) Christmas, ukulele solos lovingly arranged by Gary Stewart. These songs are arranged for (high g)-C-E-A (standard tuning) tuned ukuleles. All of

the songs are in easy to read tablature and come with chord symbols as well. The songs also contain left hand fingerings. Also, all songs contain the original, complete lyrics. This book would be ideal for the aspiring ukulele player, or the advanced player looking for Christmas solos that easily sight readable. Most songs contain illustrations which help to bring the music to life. The concept

for this book was to make the majority of the arrangements stay within the first position, and then slowly have them progress in difficulty throughout the book. Moreover, even though most of the arrangements are easy in difficulty, great care has been taken to ensure the arrangements have a full accompaniment, and act as fully functioning solos. Even though they are classified as "easy,"

they are still usable by even the most advanced players. This book can be used a gig book, as a method supplement, or just a traditional Christmas songbook. Lastly, as students advance through the book they will improve their technique, add pieces to their repertoire, and be the life of the Christmas party.
Christmas Ukulele Fake Book Hal Leonard

Corporation This is the second half of the Christmas Book, "Easy Ukulele Christmas Music." It is the second half of the 30 song series which the book covers. The book contains the second set of 15 songs which the novice player can perform. The songs are written in FPS style, which means Finger Placement System. There is a short review of the technique which was fully explained in Volume 1. It is, again illustrated by a 7 year old girl who was the inspiration for this book series with her sense of color and drawing. Once the techniques is learned from Volume 1, all 30 songs from both volumes can be played easily. The FPS technique does not rely on chords (which is typical for ukulele). It will, instead, provide you with the ability to play the melody lines to the old and classic Christmas tunes and you can astonish your family and friends with your newfound skill. The season of Christmas is one filled with lights and music and what a pleasure to be able to play all the old well-known tunes. The knowledge of those tunes is what will make learning to play them easier. With both books in hand, you will have a treasury of Christmas music which you will be able to play. Your ability to

<p>play these tunes will contribute to a more beautiful Christmas for you and your family. The original book used glitter to highlight the illustrations - the reader may opt to also add glitter where desired. <u>100 Christmas Carols for Ukulele</u> Hal Leonard Corporation Offers tips and techniques on playing the ukulele, includes chord charts, and provides arrangements with melody, lyrics, and ukulele chord</p>	<p>grids for 365 songs. <i>Alfred's Kid's Ukulele Course Christmas Songbook 1 & 2</i> Hal Leonard Corporation (Ukulele).
