The next novel in Kristen Ashley's sizzling Colorado Mountain series introduces a new electrifying relationship that turns Carnal, Colorado into a hotbed of action, romance, and suspense.

Doomed Presents Ashley Wood Kristen Ashley

"Charming, innocent and empathetic... Rancourt passes the reader a gift: the ability to experience

and see a venal adult life through the forgiving, blameless and easily-wounded eyes of a child."- Chris Ware, from his introduction In 1980, Sylvie Rancourt and her boyfriend moved to Montreal from rural Northern Quebec. With limited formal education or training, they had a hard time finding employment, so Rancourt began dancing in strip clubs. These experiences formed the backbone of the first Canadian autobiographical comic book, Melody, which Rancourt wrote, drew, and distributed, starting in 1985. Later, she collaborated with the artist Jacques Boivin, who translated and drew a new series of Melody comics for the American market-the comics were an instant cult classic. Until now, the Rancourt drawn-and-written comics have never been published in English. These stories are compelling without ever being voyeuristic or self-pitying, and her drawings are

formally innovative while maintaining a refreshingly frank and engaging clarity. Whether she's divulging her first experiences dancing for an audience or sharing moments from her life at home, her storytelling is straightforward and never sensationalized. With a knowing wink at the reader, Rancourt shares a world that, in someone else's hands, might be scandalous or seedy, but in hers is fully realized, real, and often funny. The Drawn & Quarterly edition of *Melody: Story of a Nude Dancer*, featuring an introduction by Chris Ware (Building Stories), places this masterpiece of early autobiographical comics in its rightful place at the heart of the comics canon.

Uno Tarino presents the latest and greatest from artist Ashley Wood.

Adventure Kartel Alpha Edition

Unflinchingly honest and darkly funny, this memoir will resonate with anyone facing the complicated reality of aging and illness in the United States. Elizabeth and her mother, Judy, have always had a complicated relationship. Now they face a confounding illness, as well as a labyrinthine healthcare system, at a complicated stage of life. Nothing is as it first seems in this riveting account of an unconventional mother-daughter journey—a journey that from the start poses questions about love, life, family, aging, healthcare, sex, and death. In *Bound*, Elizabeth Anne Wood addresses these questions as she chronicles the last eight months of her mother's life—a period she comes to see, over the course of months, as a maternity leave in reverse: she is carrying her mother as she dies. Throughout their journey, Wood uses her notebook as a shield to keep unruly emotions at bay, often taking comfort in her role as advocate and forgetting to “be the daughter,” as one doctor reminds her to do. Meanwhile, her mother's penchant for denial and childlike tendency toward magical thinking lead to moments of humor even as Wood battles the red tape of hospital bureaucracies, the frustration of planning in the midst of an unpredictable illness, and the unintentional inhumanity of a healthcare system that too often fails to see the person behind the medical chart.

Uno Tarino Delacorte Press

Welcome to New York Times and USA Today bestselling author Kristen Ashley's Colorado Mountain Series, where friends become family and everyone deserves a second chance. All you need is a little luck. Lexie Berry has had nothing but bad luck. You name it, Lexie has probably survived it-or worse. But there's only so much bad luck a girl can take, and now one promise is all that stands between her and a brand-new life. When that promise brings her to Carnal, Colorado, Lexie isn't sure the rough, yet strangely charming, town is for her. But there's something Carnal has that might just make staying around worth it . . . and that's Ty Walker. For five years, Ty was imprisoned for a crime he didn't commit. Now he wants revenge on the people who framed him. Lexie knows there's a difference between vengeance and justice, and she'll do everything she can to make sure Ty gets the latter. And with the good people of Carnal on their side, Lexie and Ty might finally find their luck is changing for the better.

Nudes editions.

CREED

Start Publishing LLC

Phoenix has been stumbling through life since her brother Adric's tragic death but after eight years, she is finally piecing what remains together. She has a nice apartment, a steady job and not to mention a fresh new 'relationship' with her childhood friend, Kade Haze. He's the sexy boy next door she never even dreamed of falling for, but can't seem to stop the pull she feels toward him. Just when life began to make sense again and a feeling of normalcy was on the horizon, Phoenix's carefully constructed walls come crashing down. When walking into the tattoo shop one day, the last thing she's expecting to see is Kellan Haze, Adric's best friend no one has seen or heard from since the day they found her brother's body. He's nothing as she remembers him as a child, with his wild messy hair, tattoos that cover most of his undeniably sexy body and eyes so intense it makes her legs quiver with one look. The one thing even she can't deny is the instant rush she feels just by being in his presence. But how can you choose between love and lust when one of these hold a dark secret, one that can crush your world to pieces and leave you gasping for air. Who can you trust when your mind is pulling you in two different directions and your heart has to choose for you? The Haze brothers are sexy, daring and possibly . . . dangerous. This *Regret* is a story of love, lust, betrayal and danger with an ending that no one saw coming.

Unbound IDW Publishing

Told from three diverse points of view, this story of life and love after loss is one Angie Thomas, author of *The Hate U Give*, believes "will stay with you long after you put it down." We've lost everything...and found ourselves. Loss pulled Autumn, Shay, and Logan apart. Will music bring them back together? Autumn always knew exactly who she was: a talented artist and a loyal friend. Shay was defined by two things: her bond with her twin sister, Sasha, and her love of music. And Logan has always turned to writing love songs when his real love life was a little less than perfect. But when tragedy strikes each of them, somehow music is no longer enough. Now Logan is a guy who can't stop watching vlogs of his dead ex-boyfriend. Shay is a music blogger who's struggling to keep it together. And Autumn sends messages that she knows can never be answered. Despite the odds, one band's music will reunite them and prove that after grief, beauty thrives in the people left behind. "Woodfolk's debut cuts deeply and then wipes your tears away. Wrenching, heartfelt, and vividly human." --Becky Albertalli, author of *Simon vs. the Homo Sapiens Agenda* "Haunting, heart-wrenching, and powerful...a tearjerker must-read for teens!" --Dhonielle Clayton, author of the *Belles* series and coauthor of the *Tiny Pretty Things* series "This books hurts so good. With three distinct narrators and lyrical prose, Ashley Woodfolk stakes her claim as a fresh new voice to follow in the world of young adult literature."--Julie Murphy, author of *Ramona Blue* and *Dumplin'*

The Lost Coast Kristen Ashley

Early in her life, Josephine Malone learned the hard way that there was only one person she could love and trust: her grandmother, Lydia Malone. Out of necessity, unconsciously and very successfully, Josephine donned a disguise to keep all others at bay. She led a globetrotting lifestyle on the fringes of the fashion and music elite, but she kept herself distant. While Josephine was

trotting the globe, retired boxer Jake Spear was living in the same small town as Lydia. There was nothing disguised about Jake. Including the fact he made a habit of making very bad decisions about who to give his love. But for Josephine and Jake, there was one person who adored them. One person who knew how to lead them to happiness. And one person who was intent on doing it. Even if she had to do it as her final wish on this earth.

Free Negro Owners of Slaves in the United States in 1830 Kristen Ashley

An ex-member of a bloodthirsty cult must pair up with a police officer to take down the group's murderous leader in this dark, wrenching thriller about personal conviction, retribution, and survival. Soon to be a major motion picture starring Jamie Foxx, Nikolaj Coster-Waldau, Maika Monroe, and January Jones "In a word: Wow. *God Is a Bullet* is a kick-ass, in-your-face tour de force from start to finish."—Harlan Coben, #1 New York Times bestselling author of *The Match Case* Hardin has stared into the face of evil and lived. Now Case learns that the satanic cult that turned her from a lost child into a broken, drug-addicted shell of a woman has taken down more victims, butchering a man and a woman in their suburban home and abducting a young girl. Fueled by rage and the need to redeem her life, Case teams up with the missing girl's father—a straight-arrow desk cop named Bob Hightower—to track the girl down. With Case as his mentor, Hightower will begin a hunt through the satanic underground few have encountered and even fewer have survived, to pry his child from the hands of a madman. WINNER OF THE CWA NEW BLOOD DAGGER AWARD • EDGAR AWARD FINALIST Skill Builders in Focus for SA

Once upon a time, the stories that came to be known as "fairy tales" were cultivated to entertain adults more than children; it was only later that they were tamed and pruned into less thorny versions intended for youngsters. But in truth, they have continued to prick the imaginations of readers at all ages. Over the years, authors have often borrowed bits and pieces from these stories, grafting them into their own writing, creating literature with both new meaning and age-old significance. In the last few decades or so, they've also intentionally retold and reinvented the tales in a variety of ways—delightful or dark, wistful or wicked, sweet or satirical—that forge new trails through the forests of fantastic fiction. This new anthology compiles some of the best modern fairy-tale retellings and reinventions from award-winning and bestselling authors, acclaimed storytellers, and exciting new talents, into an enchanting collection. Explore magical new realms by traveling with us, *Beyond the Woods* . . .

Put It Away Simon and Schuster

As children, Tucker Creed and his neighbor Sylvie Bissenette find they have something awful in common. The bond they form blossoms with their ages. Creed breaks free from the town, and Sylvie is forced to endure a nightmare-- and do the unspeakable to end it. To deal, she develops a hard shell with sharp edges that very few can break through. When Creed again finds his Sylvie, he discovers he has to find his way back into her heart without getting shredded in the process.

Rock Chick Redemption Kristen Ashley

Since she was young, Cher Rivers knew she was not the kind of girl who got what she wanted. A girl who could hope. A girl who could dream. She knew a happily ever after just wasn't in the cards for her. In love for years with the last bastion of the 'burg's eligible bachelors, Garrett Merrick, Cher worked hard at making him laugh. Being one of the guys. Having him in her life the only way she

could. All this knowing he was in love with another woman. The Merrick Family is known for loving deep. So when Cecelia Merrick was murdered, it marked the Merricks in a way none of them recovered. Both Cecelia's children found love. Both turned their backs on it. But Garrett "Merry" Merrick knew in his soul the woman he divorced years ago was the one for him. Until the night when Cher took Garrett's back and things changed. The Merrick family loves deep. They also protect fiercely. And with his eyes finally open, Garrett sees the woman who truly is for him and he goes after her.

The Beauty That Remains Random House

Seoafin Wilde was taught by her parents that every breath was a treasure and to seek every adventure she could find. She learns this lesson the hard way after they perish in a plane crash. When she discovers there's a parallel universe where every person has a twin, she finds a witch who can send her there so she can see her parents again. And have the adventure of a lifetime. Upon arrival in the winter wonderland of Lunwyn, Finnie realizes she's been played and finds herself walking down the aisle to wed The Drakkar. Instantly thrown into inauspicious circumstances, with years of practice (she did survive that elephant stampede), Finnie bests the challenges and digs into her adventure. But as Frey Drakkar discovers the woman who is his new wife is not Princess Sjofn, a woman he loathes, but instead his Finnie, a free spirit with a thirst for venture just

Ask a Manager Little, Brown

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

MELODY

Ashley Wood's artistry is available to all on a grand 11" x 17" format!

[It's Complicated Hogarth](#)

The riveting novel from the #1 New York Times bestselling author of *The Liar*. "She stood in the deep, dark woods, breath shallow and cold prickling over her skin despite the hot, heavy air. She took a step back, then two, as the urge to run fell over her." Naomi Bowes lost her innocence the night she followed her father into the woods. In freeing the girl trapped in the root cellar, Naomi revealed the horrible extent of her father's crimes and made him infamous. No matter how close she

gets to happiness, she can't outrun the sins of Thomas David Bowes. Now a successful photographer living under the name Naomi Carson, she has found a place that calls to her, a rambling old house in need of repair, thousands of miles away from everything she's ever known. Naomi wants to embrace the solitude, but the kindly residents of Sunrise Cove keep forcing her to open up—especially the determined Xander Keaton. Naomi can feel her defenses failing, and knows that the connection her new life offers is something she's always secretly craved. But the sins of her father can become an obsession, and, as she's learned time and again, her past is never more than a nightmare away.
