**Headway English: A1
Student's Book Pack
(DE/AT), with Audio-CD**

Oxford University
A complete language-
learning package for
American English students
at intermediate level.

American Headway 5:
Workbook / IChecker Pack

American Headway 1
American headway is a
multilevel series for adults
and young adults who
want to use American
English both accurately
and fluently. Grammar
and vocabulary are taught
and explained thoroughly,
and all four language
skills are developed
systematically.

American Headway 1

OXFORD

Builds on the firm
foundation laid in a

American Headway 1

Oxford University Press, USA

Clear focus on grammar
Balanced, integrated-skills syllabus
New Advanced

level Teacher Resource Center - online resource bank with fast-find browser function
Student Practice Multi-ROMs with access to online TOEIC, TOEFL, and IELTS practice tests
Test Generator CD-ROMs

American Headway
OXFORD

Still the world's most trusted adult English course - American Headway Third Edition combines a perfectly-balanced syllabus with more conversation, assessment and digital teaching and learning

resources than ever before.

American Headway 4

Oxford University

It's the Digital Edition of the world's best-selling adult English course, delivering lessons that really do work in class. How does it do it? Short answer: methodology with digital support. The balanced methodology of New Headway Plus is now combined with all-new digital components, offering extra support for teachers and students both inside and outside the classroom. Extra

practice is available for all of the four core language skills - Reading, Writing, Listening and Speaking - as well as additional audio and video material. You can access a range of supplementary resources, from grammar PowerPoint slides to worksheets for every video. And all are easy to use.

AMERICAN HEADWAY

OXFORD
 "One of my favorite books of the year. It completely reshaped how I think about information and how and why I take

notes." —Daniel Pink, bestselling author of Drive
 A revolutionary approach to enhancing productivity, creating flow, and vastly increasing your ability to capture, remember, and benefit from the unprecedented amount of information all around us. For the first time in history, we have instantaneous access to the world's knowledge. There has never been a better time to learn, to contribute, and to improve ourselves. Yet, rather than feeling empowered, we are often

left feeling overwhelmed by this constant influx of information. The very knowledge that was supposed to set us free has instead led to the paralyzing stress of believing we'll never know or remember enough. Now, this eye-opening and accessible guide shows how you can easily create your own personal system for knowledge management, otherwise known as a Second Brain. As a trusted and organized digital repository of your most valued ideas, notes, and

creative work synced across all your devices and platforms, a Second Brain gives you the confidence to tackle your most important projects and ambitious goals. Discover the full potential of your ideas and translate what you know into more powerful, more meaningful improvements in your work and life by Building a Second Brain. **American headway 1** Oxford University Press, USA
The world's best-selling English course - a perfectly-balanced

syllabus with a strong grammar focus, and full support at all six levels. Headway's trusted methodology combines solid grammar and practice, vocabulary development, and integrated skills with communicative role-plays and personalization. Authentic material from a variety of sources enables students to see new language in context, and a range of comprehension tasks, language and vocabulary exercises, and extension activities practise the four

skills. "Everyday English" and "Spoken grammar" sections practise real-world speaking skills, and a writing section for each unit at the back of the book provides models for

students to analyse and imitate. Workbook audio available at a href="https://elt.oup.com/student/headway/?cc=gb&and selLanguage=en"www
