Commentary Feldheim Publishers

"The present volume concentrates entirely on developing the general ideas and moral lessons inherent in Rashi's direct comments, which are generally just alluded to by Rashi himself."--BOOK JACKET.

A Guide to In-depth Analysis of His Torah Commentary Feldheim Publishers

Rashi, the medieval French rabbi Shlomo Yitzchaki (1040-1105), authored monumental

commentaries on the Hebrew Bible and the Babylonian Talmud. With *The JPS Rashi Discussion Torah Commentary*, his commentary on the Torah—regarded as the most authoritative of all Torah commentaries—is finally accessible to the entire Jewish community. Steven and Sarah Levy quote from the biblical text in both Hebrew and English, highlight Rashi’s comments relating to the parashah, and delve into his perceptive moral messages in the context of twenty-first-century

dilemmas. Each portion features three essays with analysis and discussion questions that draw on universal human experiences, enabling families and Shabbat study groups to deepen their understanding of Rashi and the portion over the three Sabbath meals. Readers with little or no knowledge of Hebrew, the Torah, or Jewish practice will feel comfortable diving into this discussion commentary. All Hebrew terms are defined, quoted verses contextualized, and less familiar Jewish

concepts explained.

Excerpt from *Rashi* It is

this circumstance that

makes the writing of his

biography as awkward a

task for the writer as

reading it may be for the

public. To write it one

must be a scholar, to read

it a specialist. To know

Rashi well is as difficult as

it is necessary. Singularly

enough, popular as he

was, he was essentially a

Talmudist, and at no time

have connoisseurs of the Talmud formed a majority. This is the reason why historians like Graetz, though they dilate upon the unparalleled qualities of Rashi's genius, can devote only a disproportionately small number of pages to him and his works. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work.

Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Rashi's Commentary on the Torah Penguin Rashi's classic commentary on the Torah, presented with a level of clarity and understanding you never thought possible. What textual difficulty troubled Rashi? Why did he choose this particular comment? What of Ramban's objection? How does the Torah's la

WHAT'S BOTHERING RASHI?

Oxford University Press
To this day, the commentaries on the

Bible and Talmud written by the 11th-century scholar known as Rashi remain unsurpassed. Rashi's influence on Jewish thinking was, and still is, significant. His commentary on the Pentateuch was the first Hebrew book to be printed, giving rise to hundreds of super-commentaries. Christian scholars, too, have relied heavily on his explanations of biblical texts. In this volume, author Avraham Grossman presents a masterly survey of the

social and cultural background to Rashi's work and pulls together the strands of information available on his life, his personality, his reputation during his lifetime, and his influence as a teacher. Grossman discusses each of Rashi's main commentaries in turn, including such aspects as Rashi's sources, his interpretative method, his innovations, and his style and language. Attention is also given to his halakhic monographs, responsa, and liturgical poems. Despite Rashi's

importance as a scholar and the vast literature published about him, two central questions remain essentially unanswered: what was Rashi's world-view, and was he a conservative or a revolutionary? Professor Grossman considers these points at length, and his in-depth analysis of Rashi's world-view - particularly his understanding of Jewish uniqueness, Jewish values, and Jewish society - leads to conclusions that are likely to stimulate much debate. ***

"Grossman's book should become an essential part of anyone's library who studies and teaches Torah, and most certainly will prove to be of great interest to those desiring to understand the mindset and achievements of one of the great Jewish leaders of medieval Ashkenaz." - Jewish Book Council *** ..".Grossman draws heavily from the current Israeli scholarship on Rashi, including his own scholarly works to present a well-rounded picture of Rashi." - AJL Reviews,

February/March 2013 ***
 "Did Rashi last because he made classical Jewish texts clear as never before? And what does it mean to make a biblical text 'clear'? Grossman's Rashi tries to answer these questions and many others, and it is full of new ideas. A patient reading of Rashi reveals how its subject left 'an indelible mark on Jewish culture . . . greater than that left by anyone else since the completion of the Talmud'." - Ivan G. Marcus, Jewish Review of Books, Spring 2014

Shelach--Pinchas Gefen Books
 The second novel in a dramatic trilogy set in eleventh-century France about the lives and loves of three daughters of the great Talmud scholar The engrossing historical series of three sisters living in eleventh-century Troyes, France, continues with the tale of Miriam, the lively and daring middle child of Salomon ben Isaac, the great Talmudic authority. Having no sons, he

teaches his daughters the intricacies of Mishnah and Gemara in an era when educating women in Jewish scholarship was unheard of. His middle daughter, Miriam, is determined to bring new life safely into the Troyes Jewish community and becomes a midwife. As devoted as she is to her chosen path, she cannot foresee the ways in which she will be tested and how heavily she will need to rely on her faith. With *Rashi's Daughters*, author Maggie Anton brings the Talmud and eleventh-

century France to vivid life and poignantly captures the struggles and triumphs of strong Jewish women.

THEMES IN MEDIEVAL JEWISH THOUGHT, LITERATURE AND EXEGESIS

Lulu.com
The genesis of this volume was an international conference held at Yeshiva University in late 2004, to mark both the 900th anniversary of the passing of Rashi (1040-1105) and the 800th anniversary of the

passing of Maimonides (d. 1204).

RASHI: THE MAGIC AND THE MYSTERY

Ktav Pub Incorporated
The dramatic final book in the epic historical trilogy about the lives and loves of the three daughters of the great Talmud scholar Rashi Rachel is the youngest and most beautiful daughter of medieval Jewish scholar Salomon ben Isaac, or "Rashi." Her father's favorite and adored by her new husband, Eliezer, Rachel's life looks to be

one of peaceful scholarship, laughter, and love. But events beyond her control will soon threaten everything she holds dear. Marauders of the First Crusade massacre nearly the entire Jewish population of Germany, and her beloved father suffers a stroke. Eliezer wants their family to move to the safety of Spain, but Rachel is determined to stay in France and help her family save the Troyes yeshiva, the only remnant of the great centers of Jewish learning in Europe.

As she did so effectively in Joheved and Miriam, Maggie Anton vividly brings to life the world of eleventh-century France and a remarkable Jewish woman of dignity, passion, and strength. [Rashi, Biblical Interpretation, and Latin Learning in Medieval Europe](#) Feldheim Publishers
The magic spell cast by Rashi on the Jewish nation over eight centuries ago continues to enlighten and enchant us. What is the secret of Rashi's commentary? How can we

comprehend Rashi's greatness? The renowned author of *What's Bothering Rashi?* now presents clear methodological principles for unlocking Rashi's commentary. *Rashi: The Magic and the Mystery* explicates the analytical tools necessary for probing Rashi's Torah commentary in depth. The reader will find answers to such questions as: Why does Rashi define simple words? Why does Rashi change the wording of midrashim that he quotes? Given that both

Rashi and his grandson Rashbam were committed to pshat interpretation, how can we understand the disparities in their commentaries? How do Rashi's goals for his commentary differ from the goals of the Midrash? The student will find here rules never-before elucidated, complete with numerous examples. In addition, the book contains a brief biography of Rashi, illustrating how Rashi's character influenced his commentary. After reading the book the

reader will see Rashi's commentary in a brighter light and gain a clearer appreciation of Rashi's genius."

פירוש רש"י על התורה

Jewish Publication Society Winner of the Jewish Book Council Nahum M. Sarna Memorial Award in Scholarship This book explores the reception history of the most important Jewish Bible commentary ever composed, the Commentary on the Torah of Rashi (Shlomo Yitzhaki; 1040-1105). Though the

Commentary has benefited from enormous scholarly attention, analysis of diverse reactions to it has been surprisingly scant. Viewing its path to preeminence through a diverse array of religious, intellectual, literary, and sociocultural lenses, Eric Lawee focuses on processes of the Commentary's canonization and on a hitherto unexamined--and wholly unexpected--feature of its reception: critical, and at times astonishingly harsh,

resistance to it. Lawee shows how and why, despite such resistance, Rashi's interpretation of the Torah became an exegetical classic, a staple in the curriculum, a source of shared religious vocabulary for Jews across time and place, and a foundational text that shaped the Jewish nation's collective identity. The book takes as its larger integrating perspective processes of canonicity as they shape how traditions flourish, disintegrate, or evolve. Rashi's scriptural magnum opus, the

foremost work of Franco-German (Ashkenazic) biblical scholarship, faced stiff competition for canonical supremacy in the form of rationalist reconfigurations of Judaism as they developed in Mediterranean seats of learning. It nevertheless emerged triumphant in an intense battle for Judaism's future that unfolded in late medieval and early modern times. Investigation of the reception of the Commentary throws light on issues in Jewish

scholarship and spirituality that continue to stir reflection, and even passionate debate, in the Jewish world today. Rashi's Daughters: Joheved Littman Library of Jewish The ever popular and widely acclaimed Sapirstein Edition of Rashi is now available in convenient, personal-size booklets that fit in your pocket or purse. The Sapirstein Edition Rashi presents the classic commentary on the Torah with a level of clarity. Sapirstein Edition Rashi -

Rashi's commentary and the Glossa Ordinaria both developed in the late eleventh and early twelfth century with no known contact between them. Nevertheless, they shared a way of reading text that shaped their interpretations of the near-sacrifice of Isaac.

This work compares them both with each other and their respective sources to show their similarity.
