The stunning
new novel
from the
highly-
acclaimed
author of *The
Panopticon* It's
November of
2020, and the
world is
freezing over.
Each day
colder than
the last.
There's snow

in Israel, the
Thames is
overflowing,
and an
iceberg
separated
from the
Fjords in
Norway is
expected to
drift just off
the coast of
Scotland. As
ice water
melts into the
Atlantic,
frenzied
London
residents
evacuate by
the thousands
for warmer
temperatures
down south.
But not Dylan.

Grieving and
ready to build
life anew, he
heads north to
bury his
mother's and
grandmother's
ashes on the
Scottish
islands where
they once
lived.
Hundreds of
miles away,
twelve-year-
old Estella and
her survivalist
mother,
Constance,
scrape by in
the snowy,
mountainous
Highlands,
preparing for
a record-

breaking winter. Living out of a caravan, they spend their days digging through landfills, searching for anything with restorative and trading value. When Dylan arrives in their caravan park in the middle of the night, life changes course for Estella and Constance. Though the weather worsens, his presence brings a new light to daily life, and when the ultimate disaster finally strikes, they'll

all be ready. Written in incandescent, dazzling prose, *The Sunlight Pilgrims* is a visionary story of courage and resilience in the midst of nature's most violent hour; by turns an homage to the portentous beauty of our natural world, and to just how strong we can be, if the will and the hope is there, to survive its worst. - NPR "Best Books of 2016" - *Family Matters, Identity & Culture, Science*

Fiction & Fantasy, and *Tales from Around the World Sunshine* Penguin Ink is in their blood. On the heels of a family tragedy, Katie Greene must move halfway across the world. Stuck with her aunt in Shizuoka, Japan, Katie feels lost. Alone. She doesn't know the language, she can barely hold a pair of chopsticks and she can't seem to get the hang of taking her shoes off whenever she

enters a building. When Katie meets aloof but gorgeous Tomohiro, the star of the school's kendo team, she is intrigued by him...and a little scared. His tough attitude seems meant to keep her at a distance, and when they're near each other, strange things happen. Pens explode. Ink drips from nowhere. And unless Katie is seeing things, drawings come to life. Somehow Tomo is connected to

the kami, powerful ancient beings who once ruled Japan—and as feelings develop between Katie and Tomo, things begin to spiral out of control. The wrong people are starting to ask questions, and if they discover the truth, no one will be safe. **Klara and the Sun** Harper Collins Returning home after serving in World War II to run his family business in New York, paratrooper

Harry Copeland falls in love with young singer and heiress Catherine Thomas Hale, who risks everything to break off her engagement to another man. By the author of *Winter's Tale*. (This book was previously listed in Forecast.) 100,000 first printing.

LA MUJER QUE BRILLABA AUN MAS QUE EL SOL

Houghton Mifflin Harcourt
It's Tessa and

Weston's first Christmas together, and Tessa is determined to make it the best holiday ever. But when her estranged mother shows up with a suitcase and plans to stay for two weeks, Tessa's hopes are shattered. Bitter from the past and still holding a grudge, Tessa is in no mood to give her mother a second chance. The holiday season may be a time of reconciliation with family, but Tessa

believes her mother will never change. Why get close when she's just going to leave again? Tessa realizes there is only one way to save this Christmas: avoid her mother as much as possible. With the best intentions in mind, Tessa chooses to not tell her mother about Weston's disability. But when they meet face-to-face, Tessa is mortified and ashamed by her mother's insensitive remarks.

Weston begins to think he is the real cause of Tessa's shame. His old demons resurrect to haunt him with doubts: What if, one day, Tessa stops loving him because of his disability? Determined to prove his love for her, Weston makes it his mission to be the best boyfriend ever and works to reunite Tessa with her mother. Meanwhile, Tessa plots elaborate ways to avoid "mother-daughter

time" at all costs. One scheme leads to another, until Tessa finds herself tangled in a web of deceit - and, worst of all, lying to Weston. When the secrets between them force Tessa and Weston to face their greatest fears, they must confront the inescapable question: Is true love worth the risk of heartbreak? Is it ever too late to forgive and start over? The Best Christmas Ever is a heartwarming

holiday follow-up to 100 Days of Sunlight by Abbie Emmons. You'll love this touching story of forgiveness, family, and first love. Swimming for Sunlight Children's Book Press Explains what sunlight is and how the sun creates weather.

TOUCHED BY THE SUN

In Sunlight, in a Beautiful Garden Berlin in the 1920s is a city of seedy night clubs and sumptuous art galleries,

where nothing is quite what it seems. It is home to Emmeline, a young art student; Julius, an art expert who loves paintings more than people; and Frank, a Jewish lawyer looking for a way to protect both his family and his principles as the Nazis begin their rise to power. Rachmann, a mercurial art dealer-- and newly discovered paintings by Vincent van Gogh-- will provide a scandal that

turns all their lives upside down. -- adapted from jacket In Sunlight, in a Beautiful Garden Vintage The instant New York Times bestseller | Named one of the ten best books of 2019 by People magazine A chance encounter at a summer party on Martha's Vineyard blossomed into an improbable but enduring friendship. Carly Simon and Jacqueline Kennedy Onassis made

an unlikely pair—Carly, a free and artistic spirit still reeling from her recent divorce, searching for meaning, new love, and an anchor; and Jackie, one of the most celebrated, meticulous, unknowable women in American history. Nonetheless, over the next decade their lives merged in inextricable and complex ways, and they forged a connection deeper than either could ever have

foreseen. The time they spent together—lingering lunches and creative collaborations, nights out on the town and movie dates—brought a welcome lightness and comfort to their days, but their conversations often veered into more profound territory as they helped each other navigate the shifting waters of life lived, publicly, in the wake of great love and great loss. An intimate, vulnerable,

and insightful portrait of the bond that grew between two iconic and starkly different American women, Carly Simon's *Touched by the Sun* is a chronicle, in loving detail, of the late friendship she and Jackie shared. It is a meditation on the ways someone can unexpectedly enter our lives and change its course, as well as a celebration of kinship in all its many forms. "In *Touched by the Sun*,

Simon reveals an easy-going, playful side of [Jackie] that most people never saw — sneaking a smoke during intermission at the opera, frolicking in the ocean off the Vineyard . . . The woman who would later edit several of Simon's children's books was 'just fun to be around.'" —Juliet Pennington, *The Boston Globe* *We Wait for the Sun* Wednesday Books Explains the cyclical

relationship between photosynthesis in plants and respiration in animals.

TESSA AND WESTON: THE BEST CHRISTMAS EVER

Ballantine Books
When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa

feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help

her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns

Weston's "obnoxious optimism", convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when

Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.

MIDNIGHT SUN

Little, Brown Spark #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in Twilight, an iconic love story was born. But until now, fans have heard

only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, Midnight Sun. This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past

<p>and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? “An urgent novel about our very near

future, and a deeply addictive pleasure.”—Katie Kitamura, author of *Intimacies* Novelist Patrick Hamlin has come to Los Angeles to oversee the film adaptation of one of his books and try to impress his wife and daughter back home with this last-ditch attempt at professional success. But California is not as he imagined. Drought, wildfire, and corporate corruption are everywhere,

and the company behind a mysterious new brand of synthetic water seems to be at the root of it all. Patrick finds an unlikely partner in Cassidy Carter—the cynical starlet of his film—and the two investigate the sun-scorched city, where they discover the darker side of all that glitters in Hollywood. Something New Under the Sun is an unmissable novel for our present

moment—a bold exploration of environmental catastrophe in the age of alternative facts, and “a ghost story not of the past but of the near future” (*The New York Times*).

After the Sun Farrar, Straus and Giroux Starting out in life as a young wife and mother, you never imagine the ways your hopes and dreams might be completely shattered. For Jessica and her husband Jason, a series of unrelenting

heartbreaks struck, beginning with their baby's diagnosis with a life-changing disability. Just a few short years later, thirty-three-year old Jason lay in a hospital bed, battling a Glioblastoma brain tumor. And within the span of six years of marriage, Jessica became a widow left alone to care for their four young children, including one with special needs. But the story doesn't end there. In

the midst of storm after storm, Jessica stubbornly clung to God, and she found him to be faithful. Enter Ryan Ronne, a young widower and father of three. Ryan had also lost his spouse to brain cancer- in fact, around the same time Jessica's husband, Jason, had succumbed to the disease. Just as the idea of sunlight burning at midnight sounds impossible, so it seemed unlikely

anything beautiful could arise from their devastation. But a new love story emerged, along with a combined family that now numbers eight children. As featured on the Today Show, theirs is an inspiring and encouraging story of faith. Here, Jessica Ronne tells her riveting story of finding hope amid havoc, and of the surprising ways that pain often commingles with joy.

Vada and Luke's story of music, family, and first love will shoot to the top of your book playlist. A rich, sweet, rock and roll ride." - Kathleen Glasgow, New York Times bestselling author of *Girl in Pieces* and *How to Make Friends With the Dark* Growing up under his punk rocker dad's spotlight, eighteen-year-old Luke Greenly knows fame and wants nothing to do with it. His real love isn't in front of

a crowd, it's on the page. Hiding his gift and secretly hoarding songs in his bedroom at night, he prefers the anonymous comfort of the locally popular podcast he co-hosts with his outgoing and meddling, far-too-jealousy-inspiringly-happy-with-his-long-term-boyfriend twin brother, Cullen. But that's not Luke's only secret. He also has a major unrequited crush on music blogger, Vada Carsewell.

Vada's got a five year plan: secure a job at the Loud Lizard to learn from local legend (and her mom's boyfriend) Phil Josephs (check), take over Phil's music blog (double check), get accepted into Berkeley's prestigious music journalism program (check, check, check), manage Ann Arbor's summer concert series and secure a Rolling Stone internship. Luke Greenly is most

definitely NOT on the list. So what if his self-deprecating charm and out of this world music knowledge makes her dizzy? Or his brother just released a bootleg recording of Luke singing about some mystery girl on their podcast and she really, really wishes it was her? In *More Than Maybe*, Erin Hahn's swooniest book yet, Luke and Vada must decide how deep their feelings

run and what it would mean to give love a try.
