LEWIS ESTES

The Story of a Canada Goose Scholastic Inc.

"When a tragic accident leaves her blind, fifteen-year-old Emma Sasha Silver must relearn everything from recognizing her family, to remembering colors, to getting around. Then, just as she's about to reenter school, a classmate's body is found, with all signs pointing to suicide. Determined to understand the girl's actions ... Emma sets out to unite her classmates to explore the situation. She'll have to navigate an adolescence made even more difficult by her new handicap, but her own resilience, along with the support of her family and friends, allows her to emerge strong"--Page [4] of cover. *Dead Wednesday* Scholastic Inc.

In the tradition of novels of Gayle Forman and John Green comes this extraordinary

YA debut about a blind teen girl navigating life and love in high school. Parker Grant doesn't need 20/20 vision to see right through you. That's why she created the Rules: Don't treat her any differently just because she's blind, and never take advantage. There will be no second chances. Just ask Scott Kilpatrick, the boy who broke her heart. When Scott suddenly reappears in her life after being gone for years, Parker knows there's only one way to react--shun him so hard it hurts. She has enough on her mind already, like trying out for the track team (that's right, her eyes don't work but her legs still do), doling out tough-love advice to her painfully naive classmates, and giving herself gold stars for every day she hasn't cried since her dad's death three months ago. But avoiding her past quickly proves impossible, and the more Parker learns about what really happened--both with Scott, and her dad--the more she starts to question if things are always as they seem. Maybe, just maybe, some Rules are

meant to be broken. Combining a fiercely engaging voice with true heart, debut author Eric Lindstrom's *Not If I See You First* illuminates those blind spots that we all have in life, whether visually impaired or not.

Brian's Hunt Harper Collins

"Trapped at a haunted ski resort, Ollie, Coco, and Brian must rely on their friendship and sharp minds if they want to escape"--

Almost Home Random House Digital, Inc. Can playing dead bring you back to life? Maybe only on *Dead Wednesday*... On this day the worlds of a shy boy and a gone girl collide, and the connection they make will change them both forever. A brilliant new novel from the Newbery Medal winner and author of the New York Times bestseller *Stargirl*. "Jerry Spinelli has created another middle grade masterpiece." —BookPage, starred review On *Dead Wednesday*, every eighth grader in Amber Springs is assigned the name and identity of a teenager who died a

preventable death in the past year. The kids don black shirts and for the whole day everyone in town pretends they're invisible—as if they weren't even there. The adults think it will make them contemplate their mortality. The kids know it's a free pass to get away with anything. Worm Tarnauer feels invisible every day. He's perfectly happy being the unnoticed sidekick of his friend Eddie. So he's not expecting Dead Wednesday to feel that different. But he didn't count on being assigned Becca Finch (17, car crash). And he certainly didn't count on Becca showing up to boss him around! Letting this girl into his head is about to change everything. This is the story of the unexpected, heartbreaking, hilarious, truly epic day when Worm Tarnauer discovers his own life.

Meet Chadwick and His Chesapeake Bay Friends Puffin Books

“The Anti-Romantic Child is remarkable. This haunting and lyrical memoir will be an invaluable and heartening guide to all who find themselves in similar situations and indeed anyone confronting an unforeseen

challenge.”—Marie Brenner, writer for Vanity Fair and author of Apples and Oranges With an emotionally resonant combination of memoir and literature, Wordsworth scholar Priscilla Gilman recounts the challenges of raising a son with hyperlexia, a developmental disorder neurologically counterpoint to dyslexia. Gilman explores the complexities of our hopes and expectations for our children and ourselves. With luminous prose and a searing, personal story evocative of A Year of Magical Thinking and A Year of Reading Proust, Gilman’s *The Anti-Romantic Child* is an unforgettable exploration of what happens when we learn to embrace the unexpected.

Wild Things Delacorte Press

A Newbery Honor Book • Winner of the Stonewall Book Award • A National Book Award Finalist "A gentle, glowing wonder, full of love and understanding." -The New York Times Book Review Cover may vary. It's the summer before middle school and eleven-year-old Bug's best friend Moira has decided the two of them need to use the next few months to prepare. For Moira, this means figuring out the right clothes to wear, learning how to put on makeup, and

deciding which boys are cuter in their yearbook photos than in real life. But none of this is all that appealing to Bug, who doesn't particularly want to spend more time trying to understand how to be a girl. Besides, there's something more important to worry about: A ghost is haunting Bug's eerie old house in rural Vermont...and maybe haunting Bug in particular. As Bug begins to untangle the mystery of who this ghost is and what they're trying to say, an altogether different truth comes to light--Bug is transgender.

The Red Umbrella Delacorte Press

A novel about one girl's journey to the arctic, where she discovers the power of letting go of pain and opening up to second chances When twelve-year-old Talia—still reeling from the recent death of her mother—is forced to travel with her emotionally and physically distant whale-researcher father to the Arctic for the summer, she begins to wonder if the broken pieces inside of her will ever begin to heal. Like her jar of wishes, Talia feels bottled up and torn. Everything about life in Churchill feels foreign, including Sura, the traditional Inuit woman whom Talia

must live with. But when Sura exposes her to the tradition of storytelling, she unlocks something within Talia that has long since been buried: her ability to hope, to believe again in making wishes come true. A rich and poignant story about opening up—to new people, to second chances, to moving forward with life. Praise for *Waiting for Unicorns*: "Debut author Hautala's writing in this first-person narrative is lyrical and evocative; her descriptions of the landscape are vivid. Written by an author to watch, this quiet story of loss and healing will appeal to thoughtful readers." --Kirkus Reviews "This poignant story demonstrates that opening up to new experiences, places, and people can enrich life even in the aftermath of tragedy."--School Library Journal "[An] affecting exploration of grief and the hope that can come through the love of good friends. With spellbinding descriptions...this story will stay with readers."--Publishers Weekly "Contemplative writing...a thoughtful examination of loss and hope."--Booklist "Hautala mines the frigid setting for some exquisitely wrought metaphors of sadness and grief, and Tal's reflections on her

situation are lyrical and yet still appropriate, given her age. Readers who were touched by Holly Goldberg Sloan's *Counting by 7s* will find this to be a similarly moving tale."--BCCB Reviews "Middle school readers will embrace Talia and her new family in the Arctic and perhaps receive the message about the power of stories to heal."--VOYA Reviews "This is a well-written tween novel that deals with growing pains, grief, and loneliness."--School Library Connection **Mockingbird** Usborne Publishing Ltd Fans of the Netflix reboot of *The Babysitters Club* will delight as four new sisters band together in the heart of New York City. Discover this jubilant novel about the difficulties of change, the loyalty of sisters, and the love of family from a prolific award-winning author. "[A] jubilant middle grade novel." -The New York Times Bo and her mom always had their own rhythm. But ever since they moved to Harlem, Bo's world has fallen out of sync. She and Mum are now living with Mum's boyfriend Bill, his daughter Sunday, the twins, Lili and Lee, the twins' parents...along with a dog, two cats, a bearded dragon, a turtle, and chickens. All

in one brownstone! With so many people squished together, Bo isn't so sure there is room for her. Set against the bursting energy of a New York City summer, award-winning author Olugbemisola Rhuday-Perkovich delivers a joyful novel about a new family that hits all the right notes! "This ode to Black girlhood and the communities that serve them offers humor, tenderness, and charm." -Renée Watson, New York Times bestselling author "A beautiful, rich, and deeply comforting story about family and the powerful choice to live with joy, *Operation Sisterhood* is a book to savor." -Rebecca Stead, New York Times bestselling author Runaway Knopf Books for Young Readers A headstrong girl. A stray cat. A wild boy. A man who plays with fire. Eleven-year-old Zoë trusts no one. Her father left before she was born. At the death of her irresponsible mother, Zoë goes to live with her uncle, former surgeon and famed metal sculptor Dr. Henry Royster. She's sure Henry will fail her as everyone else has. Reclusive since his wife's death, Henry takes Zoë to Sugar Hill, North Carolina, where he welds sculptures as stormy as his moods. Zoë and Henry have

much in common: brains, fiery and creative natures, and badly broken hearts. Zoë confronts small-town prejudice with a quick temper. She warms to Henry's odd but devoted friends, meets a mysterious teenage boy living wild in the neighboring woods, and works to win the trust of a feral cat while struggling to trust in anyone herself. In this ALA Notable Children's Book and Kirkus Reviews Best Children's Book of the Year, Zoë's questing spirit leads her to uncover the wild boy's identity, lay bare a local lie, and begin to understand the true power of Henry's art. Then one decisive night, she and the boy risk everything in a reckless act of heroism.

Not If I See You First Tidewater Publishers "After eleven-year-old Ollie's school bus mysteriously breaks down on a field trip, she has to take a trip through scary woods, and must use all of her wits to survive. She must stick to small spaces"--

TOUCH BLUE

Laurel Leaf

The Journey Back Penguin

"Capturing one librarian's breathtaking fictional journey is a riveting way to showcase and honor the risky work of these real librarians, and the text communicates a deep reverence for their mission-and their tremendous fortitude. Illustrations depict a pale, red-haired librarian, nearly always smiling despite the obstacles that nature puts in her path. Light and shadow are used effectively to convey Mother Earth's shifting moods... Educational and inspiring." -Kirkus Reviews Books By Horseback is a breathtaking adventure of a heroic Pack Horse Librarian who braves the harsh terrain of rural Kentucky to bring books to children who need them. Deep into

Appalachia, during the Great Depression food, education, and opportunities were scarce. Kentucky had fallen behind its neighboring states in electricity and highways, and the folks who lived in the craggy, mountainous region were struggling to survive. But courageous librarians were up to the challenge! Edith, a young Pack Horse Librarian, and her faithful horse Dan, adventure through rough terrain and a pending storm in order to deliver books to kids who desperately need them in this richly illustrated tale. Edith, like all Pack Horse Librarians, heroically risked their own safety to serve the most vulnerable members of their community. Librarians like Edith helped an entire generation learn to read and gain lifesaving knowledge in a critical time in history.

The Anti-Romantic Child HarperCollins

After Nick's British father's plantation in Burma is invaded by the Japanese in 1941, and his father and others are taken prisoner, Nick and his friend Mya plan a daring escape on elephants, risking their lives to save Nick's father and Mya's brother from the prisoner of war camp.

Picture book-ages 0-6.

The Journey Back Speak

For fans of Gillian Flynn, Caroline Cooney, and R.L. Stine comes Nightmare from four-time Edgar Allen Poe Young Adult Mystery Award winner Joan Lowery Nixon. Emily has never fit in with her overachieving family. Instead of getting straight As, she

sits in the back row and hides behind her hair. As a result, her parents have enrolled her for the summer at Camp Excel, an academic camp for underachievers. Emily doesn't want to go, and not just because she thinks it isn't necessary. Since she was a child, she's been plagued by a recurring nightmare. And something about this camp feels familiar. Has she been there before? Why can't she remember? With the help of two new friends, Emily discovers that her nightmare is not just in her head. Someone at Camp Excel has a secret and will do anything—even kill—to keep Emily from uncovering the truth. "A taut, well-constructed mystery." –Kirkus Reviews "Readers will once again fall under Nixon's spell as they enjoy this page-turner." –School Library Journal "[An] inimitable blend of horror and whodunit." –Booklist "[Nightmare has] taut suspenseful passages...[and] clever false

leads." –Publishers Weekly
A Story of Unexpected Joy Penguin
Caitlin misses her brother every day. Since his death in a school shooting, she has no one to explain the world to her. And for Caitlin, the world is a confusing place. She hates it when colours get mixed up, prefers everything to be black-and-white, and needs to check her Facial Expressions Chart to understand emotions. So when Caitlin reads the definition of "closure", she decides that's what she needs. And as she struggles to find it, a world of colour begins to enter her black-and-white life...

Toulouse Puffin Books

When his family comes to live on his grandfather's farm in Pennsylvania while his father is out of work, eleven-year-old Will must deal with his father's distant behavior, his grandfather's heart attack, and caring for a goose he has shot.
